INTRODUCTION

1.1 Prospectus for admission to the M Ed. Degree Courses in the Self Financing Colleges affiliated to Mahatma Gandhi University for the academic year 2015-16, as approved by the Hon. Vice Chancellor, is published herewith. It contains general information and rules relating to the admission to M Ed Courses-2015-16 in the above institutions.

1 Classification/Categorization of Seats: Seats available in the teacher training colleges affiliated to the University for the M Ed programmes (Self-financing) are mainly classified as Merit seats and Management seats.

1.1 Management Quota Seats: 50% of the seats are earmarked as Management Quota seats and these seats shall be filled by the educational agency.

1.2 Merit Seats: The remaining 50% seats are merit seats. The merit seats include the reservation seats for SC/ST/SEBC/Sports/Teacher Quota and PD Quota. The application for merit seats also have to be submitted at the college concerned.

2 RESERVATION OF SEATS

2.1 Types of Reservation: Out of the total Merit Seats available in the affiliated colleges for various M Ed programmes, seats will be reserved for the different constituents of the main categories mentioned below:

- i. Reservation for Persons with Disabilities
- ii. Special Reservation
- iii. Mandatory Reservation

2.2 Reservation for Persons with Disabilities (PD): 3% of the total seats under Merit Quota(Open Quota) for each programme are reserved for this category. Within the 3% mentioned above one third of the seats will be earmarked for each of the three sections of the physically handicapped (Blind, deaf and orthopaedically challenged) with provision for interchange of seats, if candidates are not available in a particular category in any year.

'Person with disability' means a person suffering from not less than 40% of any disability as certified by a Medical Board constituted for this purpose. Candidates who have a minimum of 40% disability alone will be eligible for this quota.

Candidates seeking admission under Persons with Disabilities category should attach with their application form, an attested copy of the 'Certificate of disability' issued by a District Medical Board or bodies of higher status, certifying the degree of percentage of disability.

If the number of seats in a college for a programme is very small, all the seats in the same college for different M Ed programmes are pooled together and PD quota seats will be

distributed on the basis of a roster. These seats, if required, will be shifted based on the option of the eligible candidates in the category.

The selection of candidates under this category will be based on the rank in the inter-se merit list and physical suitability, and not on the basis of the degree of disability.

These candidates will be considered first for admission in PD quota. They will also be considered for the general seats if no seats are available in the PD quota. For the same reason they **should not submit separate application for the general quota seats**. If eligible candidates for PD quota are not available all such vacant seats shall be converted to Open Merit seats.

2.3 Special Reservation: The seats reserved for **Sports Quota** and **Teacher Quota** come under this category. These candidates will be considered first for admission in Special reservation category. They will also be considered for the general quota seats if no seats are available in the Special Reservation category. For the same reason they should not submit separate application for the general quota seats. If eligible candidates for Special Reservation are not available all such vacant seats shall be converted to Open Merit seats.

2.4. Admission to sports quota.

One seat for every 20 seats in merit quota (Open Quota) for each M Ed programme in a college shall be reserved as a Sports Quota seat. Where the number of seats is less than 20 in merit quota for a programme in a college, the seats of all the M Ed programmes in the college will be pooled together. The applicant for admission to the sports reservation quota should have represented at least the district Sports Zone. Preference shall be given to Sportsmen who have represented the State/University over the sportsmen who have represented the District/College. The applicant will produce the Certificate from the Secretary of the State Association of the event concerned to prove District representation.

The following guidelines will be followed in determining merit in sports and athletics for admission to the M Ed programmes.

Points shall be awarded to the 1st (Winner or the Winning Team), 2nd (Runners up or Runners up team), 3rd (third place) and participation as :

Category	1 st	2 nd	3 rd	Participation
International Meet of Universities	100	80	60	40
Combined Indian Universities Team	75	50	25	15
National/Inter-State/All India Inter-University	40	20	15	10
South Zone Inter University	25	15	10	5

2.5 Reservation of seats under Teacher Quota

Within the total seats under merit quota (Open Quota) 5% of seats are reserved as Teachers Quota. Teachers who are working in Govt./Aided schools at the time of notification only are eligible to be considered for admission under this category. If the number of seats in a college for a programme is very small, all the seats for the different programmes in the same

college are pooled together and Teacher Quota seats will be distributed on the basis of a roster.

2.6 Mandatory Reservation :

For calculating the number of seats under Mandatory Reservation also the total merit seats for all the M Ed programmes in a college will be taken as one unit and the seats will be distributed based on a roster.
