1. INTRODUCTION

Among all universities in the state Mahatma Gandhi University has the distinction for having the largest number of colleges affiliated to it which offer a multitude of programmes that stand out by the merit of their diversified content and employability. Despite the existence of such a broad spectrum of programmes seats remained unfilled in previous years due to the lack of a mechanism to showcase the programmes and to offer guidance to applicants for choosing the right programmes. It was with a view to tiding over these handicaps and to streamline the admission procedure that the Centralized Allotment Process (CAP) for Post Graduate Programmes was introduced by Mahatma Gandhi University in 2010. The introductory year witnessed overwhelming response from both the student community and the college authorities. The new admission system has succeeded in democratizing the admission procedure by ensuring transparency and social justice in it.

11.2 Confirmation of Allotment

As the allotment is based on the information furnished by the candidate online, the eligibility should be confirmed at the time of admission. The admission should be done on-line through the panel provided by the University by ensuring the correctness of the candidate details. The principal/Head of the college/institution should verify the details furnished in the allotment memo in respect of the candidate by comparing the same with the original documents produced by the candidate. Any discrepancy which results in the invalidation of the allotment should be reported to the University and admission should be denied in such cases. The principal/Head of the college/institution shall be personally responsible for ensuring the

correctness of the relevant details in online application by verifying it with original records produced by the candidate. The University will also verify the records produced by the candidates who got admission in due course and any discrepancy detected will lead to the cancellation of the allotment.

A Special Allotment will be conducted for SC/ST candidates. SC/ST candidates who secure allotment through CAP and wish to retain their higher options will be permitted to take provisional admission in all allotments upto the special allotment.

11.3 Verification of Documents. The Principal/Head of the Institution shall be personally responsible for verification of original documents and satisfaction of the correctness of the records produced by the candidate at the time of seeking admission in the College/institution.
