ORDER

The University Research Committee held on 04.07.2016 considered the report of the University Librarian informing that the existing software for checking plagiarism in M.Phil and Ph.D theses is not supporting regional languages.

The committee resolved to recommend that in the case of regional languages, instead of checking plagiarism using software, the research supervising teacher shall issue a certificate to the effect that the thesis is a bona fide work and plagiarism in the thesis is below 25%.

The above recommendation of the University Research Committee was approved by the Vice-Chancellor exercising the powers of the Academic Council under section 3.10(17) of Mahatma Gandhi University Act 1985.

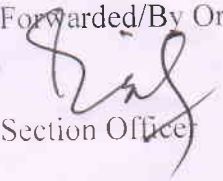

Orders are issued accordingly.
