No. 4372/Ad AVII/1/2013/Admn

Dated: 27th Feb 2015

Nominations/Applications are invited for the post of Director, Inter University Centre for Biomedical Research, Thalappady, Kottayam District, Kerala, India.

The **Inter University Centre for Biomedical Research** is an autonomous centre of excellence for the advancement of biomedical research and development. The Centre is seeking the services of a person with experience and vision to establish and nurture it in the initial years to head the Centre as its Director.

Nominations/Applications are invited for the post of Director, Inter University Centre for Bio Medical Research. The applicant should be preferably below 65 years of age and should have either a PhD in any life science discipline or MD in an allopathic medical specialty with minimum 15 years research experience in biomedical research. Applicants/Nominees must have an excellent track record in biomedical research and development evidenced by high impact peer reviewed publications, patents, awards and elected fellowship to science and medical academies. It is desirable that the applicant/nominee has had experience in successfully running large scientific programmes/research centres/R&D institutions and documented success in leading such research activities in the areas relevant to biomedicine. The post of Director will carry a basic pay of ₹ 75,000/- per month plus other admissible allowances.

Nominations/Applications may be sent along with detailed curriculum vitae explaining in detail all the points referred to above and a brief note on the applicants' vision for the Inter University Centre for Bio Medical Research (maximum 1000 words) to **Registrar, Mahatma Gandhi University, P D Hills PO, Kottayam, Kerala, India PIN: 686560, Phone: +91 481 2731007, e mail: iucbr@mgu.ac.in** with the cover/subject labelled "Nominations/Applications for the post of Director, Inter University Centre for Bio Medical Research" latest by 31/03/2015, 4.00 pm. Nominations/Applications can also be submitted online through the official website of the Centre (www.iucbr.com).

Late and defective applications will summarily be rejected.
