**This Annual Report for 2010
of Mahatma Gandhi University, Kottayam
is prepared in compliance with section 51 of the M G
University Act 1985.**

**The Annual Report
gives an over all view of the University for
the year 2010**

Mahatma Gandhi University, one of the four affiliating universities in Kerala, is the premier educational institution that strives to fulfil the higher educational needs of the people of Central Kerala. Set on the sprawling 110-acre campus called Priyadarshini Hills at Athirampuzha, 13 kms off Kottayam, the University also has seven satellite campuses in parts of Kottayam and the neighbouring districts. The University was established on 2 October 1983 and has jurisdiction over the revenue districts of Kottayam, Ernakulam, Idukki and parts of Pathanamthitta and Alappuzha. The University offers a range of programmes at the undergraduate, postgraduate, M Phil and doctoral levels through its 18 University Departments, 4 Inter University Centres, 3 Academic Centres, 36 Constituent Colleges, 63 Aided Affiliated Colleges (of which 8 are Colleges with Potential for Excellence), 71 Unaided Affiliated Colleges and 252 Recognized Research Institutes. It imparts education in the interdisciplinary as well as conventional disciplines of science, social science and the humanities besides in the professional disciplines of medicine, nursing, pharmacy, dentistry, engineering, technology, pedagogy and legal studies. The University has also made its educational presence felt outside the territorial jurisdiction through 76 Off-campus Centres under the School of Distance Education. From its inception, Mahatma Gandhi University has taken immense strides in the fields of inter-disciplinary teaching and research in the areas of pure and applied sciences, social sciences and the humanities. The teaching programmes conducted under the Credit and Semester System (CSS) in the statutory departments of teaching and research, organized as interdisciplinary Schools, are marked by their innovative curricula and their learner-oriented approaches. CSS is a student-friendly system that fosters interactive acquisition of knowledge in a multi-disciplinary context. The students are made familiar with the latest developments in their subjects of study. The University has always promoted the healthy practice of designing and revising its curricula and syllabi through discussions and deliberations carried out in a democratic way among the members of the academic community. The faculty of the University comprise outstanding scholars, many of whom have made original contributions in their respective fields of specialization. The faculty and research scholars of several departments have gained widespread recognition for the commendable quality of their research publications. The research journals published by some of the Schools have garnered international recognition. The University's adoption of interdisciplinarity as the basic conceptual plank for the organization of individual departments is prompted by the understanding that interdisciplinary knowledge is path-breaking, far reaching and non-linear in its effect, compared to what conventional forms of knowledge are capable of doing within the confines of discrete disciplines. Appreciating the trend of several non-conventional areas of knowledge emerging across physical, natural and social sciences, the University has chosen to organize its academic departments as interdisciplinary schools where multiple disciplines co-exist and interact with one another. The organizational practice of creating institutions of interdisciplinary knowledge itself has been a great learning experience for the academics in Mahatma Gandhi University. The University has initiated the constitution of Centres of Convergence around integrated knowledge areas. Knowledge generated beyond disciplines and across interfaces is strikingly fresh, regenerative and convergent. At present Mahatma Gandhi University offers research programmes in over forty disciplines through its own Schools as well as through its approved research centres. The University has close collaboration for academic, research and extension programmes with a number of national agencies and institutions including the UGC, FIST, DRS, ISRO, COSIT, CSIR, DAAD, STEC, ICMR, BARC, MOEF, ICCR, ICHR, IED, IIIT, Institute of Chinese Studies and the Sahitya Akademi. The University is also involved in active collaboration with research institutions of international reputation such as the Max Planck Institute of Technology, Germany, Brown University, USA, University of Nantes, France, California Institute of Technology, USA, University of Toronto, Canada, Catholic University, Belgium, Heidelberg University, Germany, and the Institute of Political Studies, Rennes, France. Some of the members of the faculty have proved to be frontrunners in the development of indigenous technologies and are holders of as many as twenty patents, including four from the US. A considerable percentage of the alumni of the University are comfortably placed in the country and abroad as academics, scientists and professionals.

The University has been able to maintain a healthy environment of academic interaction. All components of the teaching-learning system contribute toward making the process of learning student-friendly. The state of the art smart class rooms, web-enabled University Library with its large collection of books, journals and e-journals, the online Theses Digital Library that provides open access to its enviable collection of digitized Ph D dissertations, the publishing unit which has brought out hundreds of titles in Malayalam, English and Hindi, the facilities available at the School of Physical Education and Sports Sciences for developing physical culture, the ecologically sensitive extension programmes initiated by the University Departments and the National Service Scheme, the Students' Web Centre that provides round-the-clock web-support to the campus community, the coaching and placement services provided by the Department of Student Services and the University Employment Information and Guidance Bureau, proactive communication system developed by the Information and Public Relations Department and the general administrative support that the academic community receive from the University administration – all these work in tandem with the academic business transacted by the University, making the learning experience a holistic one.

College Development Council

The College Development Council of Mahatma Gandhi University has been functioning as a policy making body with regard to proper planning and integrated development of affiliated colleges since its inception on 15.02.1990.

The College Development Council has been keeping close contact with the colleges with a view to help them get included under Section 2(f) and 12B of University Grants Commission Act, 1956, thereby rendering them eligible to receive developmental assistance. At present there are 70 affiliated colleges under this University eligible to receive developmental assistance from the University Grants Commission (UGC). The College Development Council is counselling those colleges, which are not yet included in the 2(f) and 12 B list of the UGC Act, to be included in the list and get financial assistance.

The College Development Council is constantly monitoring the utilization of building grants sanctioned to the colleges by the UGC. The construction of buildings such as Women's Hostels, Laboratories, Class rooms etc. are in progress in various colleges affiliated to the University.

With a view to provide opportunities to the college teachers for keeping themselves abreast with advanced developments in their fields of study and research, the UGC provides Teacher Fellowships of one year duration for M Phil and 2 years duration for completing Ph D during the XI Plan. The office of the Director, College Development Council invites applications from eligible teachers for considering their candidature for the award of Teacher Fellowships under the Faculty Development Programme of the UGC during the XI Plan. Of the applications received, 195 eligible applications were forwarded to UGC-SWRO, Bangalore for the award of Teacher Fellowships. Of the applicants 169 have already been awarded Teacher Fellowships. Sanction letters are expected in the case of the remaining applicants. Appointment of around 90 FIP substitute lecturers (with NET qualification) has also been approved by the University in this connection. Applications for extension of Teacher Fellowships under Faculty Development Programme have been received from teachers for onward transmission to the UGC. Of the applications received 48 have already been forwarded.

About two hundred teachers from affiliated colleges submitted their proposals for the award of Minor Research Project. The proposals, after verification, were recommended and forwarded to the South West Regional Office of the UGC for consideration.

The University Grants Commission sanctioned Major Research Projects to around 30 teachers of affiliated colleges who had submitted their proposals through the office of the Director, College Development Council.

Almost all the colleges coming under Section 2(f) and 12B of the UGC Act, 1956 submitted their proposals for financial assistance from the UGC for the conduct of International / National / State Level Seminars / Conferences / Workshops. The proposals after careful verification were recommended and forwarded to the SWRO, UGC.

In response to the letter inviting proposals for financial assistance under Under-graduate / Post-graduate assistance / Development assistance of the UGC a number of colleges submitted applications for onward transmission to the UGC after recommendation. The proposals were carefully verified and forwarded to the UGC.

About 15 colleges applied for financial assistance for starting career oriented programme and the applications were recommended and forwarded to the Secretary, University Grants Commission, New Delhi. The applicant colleges are receiving sanction letters in this regard from the UGC.

At present 35 colleges are conducting *Career Oriented Programme* utilizing the financial assistance from the UGC. The office of the DCDC convenes General meetings and Core committee meetings of Course coordinators at regular intervals. The meetings discussed matters such as syllabus and scheme of the courses offered under various faculty and suggested certain modifications in tune with the UGC guidelines in this regard. The certificates in respect of the candidates who take courses under this programme are being approved by the Director, College Development Council.

To strengthen the under-graduate and post-graduate education in colleges across the country and drive the colleges towards excellence the UGC introduced a scheme entitled *Colleges with Potential for Excellence (CPE)* during the X Plan period. During the XI Plan also the UGC formulated guidelines for CPE and requested the DCDC to forward a panel of five colleges for considering financial assistance under the scheme as per the guidelines. During the X and XI Plans 08 colleges affiliated to this University were entitled *Colleges with Potential for Excellence*. During 2010, the UGC requested this University to forward a panel of 05 colleges for considering their eligibility for the status of CPE. Accordingly applications were received from 18 colleges and as per the procedure laid down by the UGC an Expert Committee was constituted by this University for the evaluation of the applications. The Expert Committee constituted for the evaluation consisted of the Vice-Chancellor, the Registrar and an Expert from outside the State. The Committee checked the data and information provided by the colleges in their proposals. After careful verification the proposals from 5 colleges were forwarded, on the basis of the total score obtained, to the University Grants Commission for consideration.

During Jan-Feb 2010, an inter-disciplinary Refresher course was conducted in the University under the sponsorship of Indian Council of Historical Research (ICHR). Thirty Two teachers from affiliated Colleges participated in the Course. Office of the Director, College Development Council was entrusted with the conduct of the Refresher course.

Office of the DCDC was entrusted with the conduct of entrance examinations for admission to the following courses in aided / unaided colleges affiliated to this University:

- a) Bachelor of Fashion Technology (BFT)
- b) Master of Social Work (MSW)
- c) M Sc Biostatistics
- d) M Sc Environmental Science & Management
- e) M Sc Biotechnology / Microbiology / Applied Microbiology / Bioinformatics / Plant Biotechnology / Biochemistry/ Molecular Biology & Genetic Engineering/ Toxicology/ Genomics & Proteomics/Bio Material & Tissue Engineering/ Phyto Medical Science & Technology.
- f) M Sc Food Science & Technology / M Sc Food Science & Quality Control
- g) M Ed

The Office manages such activities as inviting applications, verifying eligibility of candidates, conducting counselling & admitting students in the colleges adhering to the admission rules and the reservation criteria. The admission process is followed by the university mainly to uphold the principles of social justice in the matter of admitting students against the merit seats of new generation courses offered in aided/unaided colleges affiliated to this University.

Broadband connection has been established in the office of the Director, College Development Council and thanks to this communications to the colleges and teachers are now being handled by the way of email.

Department of Life Long Learning & Extension

1.Name of the School/ Department : Department of Life Long Learning & Extension

2.Head of the School/Department : Dr. K Sabukuttan

3.Staff Profile

	Men	Women	Scheduled Caste	Scheduled Tribe	Total
Teaching	1				1

4.Courses Offered with Number of seats : Nil

5.Student Intake : Nil

6.Details of Tests cleared by Students : Nil

7.Library

(a) Total Number of Books 137

(b) Total Number of Journals 3

(c) Total Number of Periodicals 2

(d) Numer of titles added during the

year 8.Grants Received From:

(a) State Government : Nil

(b) Central Government: Nil

(c) University Grant Commission : Rs. 11 Lakhs

9.Alumni Activities (With e-mail and website) www.dll.mgu.com

10.Certificate Courses during 2010-2011

1. Certificate Course in Yoga and Naturopathy

The Department conducted Certificate Course in Yoga and Naturopathy through its three centres – Kottayam, Vaikom and Pallikkathodu. 175 students qualified for the Certificate during 2010

2. Certificate course in Counselling

The department successfully conducted Certificate course in Counselling at two centres, Kottayam and Perumbavoor on 27th February 2010 to 7th August 2010. 86 students secured Counselling Certificate from the Dept. of Life Long Learning and Extension.

3. Certificate course in Management of Learning Disabilities

The department successfully conducted Certificate course in Management of Learning Disabilities . 54 students qualified for the Certificate during 2010.

4. Diploma Course in Naturopathy and Yoga Therapy

The department also conducted Diploma course in Naturopathy and Yoga Therapy during the year 2010 through Kottayam, Vaikom and Pallikkathodu centres. 131 students were trained in DNYT course.

The department organized a Certificate Distribution Ceremony on 4th September 2010. The Hon'ble Vice Chancellor give away the certificates to the students. On this auspicious occasion the renaming of the Department of Adult and Continuing Education as the Dept. of Life Long Learning and Extension was declared .

As a result of the effort of the Counselling Centre of the Dept. of Life Long Learning and Extension , 23 students and 20 public got the benefit of stress management.The project team of the department visited the following centres.

Mariasadanam, Palai

St. John of God Centre, Angadivayal

Aswasabhavan, Pampady

Sanjeevani & Mother Theresa Home, Nedumkunnam

Programmes were conducted for the Mentally Challenged , Orphans, Alzheimer patients, physically challenged etc. The new office of the Grama Vikas Kendra was inaugurated by the Hon'ble Pro-Vice Chancellor Dr. Rajan Varughese on 23rd December 2010. The inauguration function started at 2 p.m and Dr. K Sabukuttan, Head , Dept. of Life Long Learning & Extension welcome the gathering. Miss. Brigit Many who was active participant of 'Vanal Kalari' scored high grade in S.S.L.C Examination was honoured and a gift was given. Mr. M.J. Sebastian Campus Cleaning Supervisor and Miss Shelly Joseph Supervising Assistant were given trophies for their commendable performance of keeping the entire campus neat and clean upto the expected standard.

All the members of Senior Citizen Forum under our University were honoured by the Pro Vice Chancellor and Ponnadas were presented to them. University P.r.O Sri.G Sreekumar, Sri. M.J Sebastian, Mr. Shubin Abraham (Grama Vikas Co-ordinator) spoke on the occasion. Smt. Ammini Chellappan offered 'vote of thanks' for the function.

The department launched a massive drive against 'Drug Abuse' and conducted awareness programmes against AIDS, Hepatitis B, Dengue Fever and rat fever. A spirited campaign was organized by the Grama Vikas Kendra against plastic carry bags.

School of Behavioural Sciences

1.Name of the School/ Department : School of Behavioural Sciences

(a) State Level

Dr. Razeena Padmam

Stress Management in Campus at St. Theresa's College,
Ernakulam Effective Teaching at Santhigiri College, Vazhithala

Dr. Rajeev Kumar N
Regional Seminar on current trends in Psychology, organized by Dept. of Psychology Prajyoti Niketan College,
Pudukad in association with Kerala Manasastra Parishath on 9th February 2010.

Chaired a session on Clinical and Consulting Psychology in the two day National Seminar on Current Trends and
Challenges in Applied Psychology organized by Department of Psychology, University of Calicut on 14th and 15th
October 2010.

Two days workshop on Learning Disability Remediation Programme conducted by Department of Clinical Psychology,
Sri Ramachandra University on 12th and 13th March 2010.

UGC sponsored national seminar on Quality improvement in Education Research innovative trends, in collaboration
with Council for Teacher Education at St. Josephs Training College, Mannanam on 5th and 6th March 2010

ICMGU, International Conference cum exhibition 6th to 10th December 2010

Delivered a talk in the Parents meeting at Government School for the blind
 Organized a seminar in connection with Observance of World Alzheimer's Day
 Organized a seminar in connection with Observance of World mental health Day on 22-09-2010
 Delivered a talk in the seminar organized in connection with World Deaf Day

12. Publications by the Faculty with Impact factor of the Publications

Sri. Rajesh E

Statistical modelling techniques in forecasting of paliative onko therapy load in hospitals
 Relevance of sample size determination in medical research

14. Academic Achievements

15. Student Achievements - Academic : Sri. Ashish L.S was selected for the M.Phil Programme in Clinical Psychology at Central Institute of Psychiatry , Ranchi, Chatisgarh

16. Students Activities/ Achievements –(Extra Curricular) : Nil

17. Industry Varsity Linkage (If any, Short Discription) : Nil

18. Academic Tie-Ups (if any) : National Institutes like NISH, NIMHANS, NIMH

19. Student Progression:

20. Campus Recruitment (if any) : Nil

21. Number of PhD's Awarded so far 22

22. Research Scholars Registered in the School : 5

23. Alumni Activities : Meeting held every year . Alumni members help in placement of students.

24. Any Other Achievements

School of Biosciences

1. Name of the School / Department (With E mail ID and web site) : School of Biosciences

7. Library

- (a) Total number of books - 1988
- (b) Total number of Journals - Nil
- (c) Total number of periodicals - Nil
- (d) Number of Titles added during the year -

8. Grants Received from

- (a) State Government - Nil
- (b) Central Government- DBT IPLS under review
- (c) University Grants Commission – 20 Lakhs
- (d) Others Specify - Nil

9. Projects Undertaken

- (a) Studies on anticancer effects of some commonly used medicinal plants with nutritional importance on 1,2 dimethyl hydrazine induced carcinogenesis in experimental rats and colon tumor cell lines. 10.8 Lakhs –UGC (Prof. (Dr.) M.S.Latha).
- (b) Safety evaluation of the process of chlorination in drinking water systems-University Grants Commission, New Delhi . 6.67 lakhs (Dr.Jayachandran.K)
- (c) Microbial quorum sensing and its applications-Kerala Biotechnology Commission. Government of Kerala. 16.6 lakhs (Dr. Jayachandran.K)
- (d) Molecular exploration of spice associated bacteria for bioactive metabolites and PKS-NRPS genes - Project sanctioned under DBT-RGYI Programme – 15 Lakhs (Dr.Radhakrishnan EK and Prof. (Dr.) Jyothis Mathew)
- (e) Molecular mechanism of phosphate solubilizing bacteria and bioreactor designing.-15 lakhs(Dr,Jisha.MS)
- (f) Chemotactic response of human phagocytic cells in tuberculosis patients- Minor project UGC(Dr.Anie and REsmi)
- (g) Production purification and characterisation of antagonistic principles of potential aquaculture probiotics.10.78lakhs Major project UGC (Dr. Keerthi

T.R) Project Completed:

Minor Research project from UGC has been sanctioned as per order number (MRP (S)- 415/08-09/KLMG027/UGC-SWRO dated 30 March 2009) for project titled SCREENING OF MEDICINAL PLANTS FOR DUAL INHIBITION OF LIPOXYGENASE (LOX) AND CYCLOOXYGENASE (COX) has been completed and final report has been submitted to UGC.

(Dr Prakash Kumar B)

Major Projects completed- Dr. Jisha.M.S.

UGC major project- 12Lakhs

KSCSTE major project-15Lakhs

10. Seminars Conducted

- (a) State Level-
- (b) National Level- Nil
- (c) International Level- Nil

11. Seminars conducted by Faculty (Name wise –with details)

(a) State Level- Seminars Conducted: Dr Prakash Kumar B

Organized 2 Seminars under the Erudite scholar in Residence programme: Venue: Auditorium School of Biosciences; Speaker: Prof (Dr)Raghavendra Gadagkar (Shanti Swarup Bhatnagar Awardee 1993)

Lecture topics:

3 January 2011: Why are animals (Humans nice to each other?)

5 January 2011: War and Peace- Conflict and Cooperation in the Insect Society

(b) National Level- Nil

(c) International Level- Nil

International Conferences attended in the current academic period

1. Attended and presented the research paper entitled "Biological oxidation of phenol and its application in industrial waste water treatment" in the International conference on Advanced Oxidation Process (AOP-2010). Organised by School of Environmental Sciences, Mahatma Gandhi University, Kottayam. on September 18-21, 2010

2. Attended and presented a research paper entitled " Production , purification and characterization of beta glucosidase from *Paecilomyces variotii*." in the International conference on Natural polymers. Organised by School of Chemical Sciences, Mahatma Gandhi University, Kottayam. September 24-26, 2010

3. Attended and presented an invited talk on " Biodegradation of phenol by *Alcaligenes sp d2*- A potential Bioprocess for industrial applications". in the international Symposium on Bioprocess Engineering conducted by Sahrudaya college of Engineering , Mala, Thrissur. October 1-4, 2010

Dr. Ani

1. Participated in the UGC sponsored orientation course in Academic staff college, University of Kerala, Trivandrum

2. Attended orientation programme for women counseling at DSS, MGU.

Dr. Keerthi T.R

Conferences Attended

Presented paper entitled : Study on probiotic effect of wild species of Bacillus spores and its effect on enteric pathogens. Kerala Women Science congress 2010

Poster presentation: Study on probiotic effect of wild species of sporeformers and its effect on selected pathogens International Conference on Biotechnology for better life 2010 organised by Kalasalingam University Tamilnadu

Training attended - NAIB National training on Molecular diagnosis and finger printing on *Salmonella* and pathogenic *vibrio*. Organized by central Institute of fisheries Technology (ICAR) Kochi February, 14th-28th, 2011.

Papers accepted for Conferences

Screening and *in vitro* evaluation of probiotic potential of four bacterial isolates from major flora of Guppy (*Poecilia reticulata*). Asian Congress on Biotechnology China May 2011.

Identification and Characterization of exomannan and cellwall mannan from a marine yeast *Meyerozyma guilliermondii*. Asian Congress on Biotechnology China May 2011.

Characterization of siderophore produced by the gut microflora of *Poecilia reticulata* for potential use as a probiotic in aquaculture. World congress on Biotechnology Hyderabad March 2011

13. Research Highlights of Faculty/Scholars (A short

Description) Prof. (Dr.) M.S.Latha

Undergoing research works -

10 Prof. (Dr.) Jyothis Mathew

The research group is focussing on characterization of medically important bacterial and microbial enzyme technology.

1. Undergoing research work: 9 students for Ph.D work

2. Ph.D submitted: Nil

3. M.Phil Submitted: 1

Dr. Keerthi T.R

Research area is focused on probiotics for human and aquaculture use, and marine polysaccharides. Undergoing research work: 5 students for Ph.D work

Ph.D submitted: Nil

M.Phil Submitted: 1

Dr. Jayachandran.K

The group has been concentrating their research in the area of 1. Utilization of natural waste materials utilization, biodegradation of polluting organic compounds , its application in the treatment of industrial Wastewater and designing of bioreactors for industrial applications

PhD awarded

Microbial degradation of natural rubber latex and its application in the treatment of latex centrifugation effluent – Elizabeth Cherian, 2010

Ph. D submitted-2

1.Beta glucosidase production from *Paeleomyces variotti* through solid state fermentation-Joseph Job,

2010 2.Microbial production of biosurfactants-Seba George.2010

Dr Prakash Kumar B

Joined as Associate Professor on 21/01/2010

Research Interest: The area of my research interest includes:

1. Isolation and characterization of Inhibitors for Lipoxygenase / Cyclooxygenase pathway from Medicinal plants
2. Studies on use of three dimensional models for tumor growth *in vitro* to analyze the effect of anti tumor and anti inflammatory bioactive molecules on tumor growth and tumor angiogenesis

1.Undergoing research work: 2 students for Ph.D work and 3 students for M.Sc project 2.Ph.D submitted: Nil

3.M.Phil Submitted: 1

Dr. Linu Mathew, Assistant Professor in Biotechnology

1. Ph D submitted- Nil

2. Ph D awarded- Nil

3. M Phil completed-01

4. Ph D Ongoing- 4 full time, 01 part time

Dr. R. Harikumaran Nair, Asst. Professor in Physiology

1. Ph D submitted- Nil

2. Ph D awarded- Nil

3. M Phil completed-01

4. Ph D Ongoing- 4 full time, 01 part time, 01 Co-guide

Dr.RadhakrishnanE.K

Joined as Assistant Professor on 19/01/2010

The group is working on isolation and molecular characterization of bacteria from diverse sources for exploring its biosynthetic and enzymatic potential.

1. Undergoing research work: M.Phil thesis-1, 4 PhD students will be joining in this academic period

2.Ph.D submitted: Nil

M.Phil Submitted: 1

Dr. Ani

Currently 2 M.Sc and 1 MPhil students are doing their projects. 14. Academic Achievements (A short Discription)

Dr Prakash Kumar B

1. Workshop attended: Hands on training course in "Use of Cell Culture technology for studying Apoptosis and Angiogenesis" held at the Department of studies in Biotechnology, University of Mysore, Manasagangotri, Mysore from 24/1/2011 to 31/1/2011.

2. Member of Board of Studies: As a member of the Board of studies in Biochemistry in Mahatma Gandhi University I have been involved in the restructuring of Under Graduate Programme in Biochemistry and I have contribute to developing the Choice based Credit Semester pattern in Biochemistry.

3. Resource person: I have been a resource person and subject expert in the restructuring of Under Graduate Programme in Biochemistry and I have contributed to developing the Choice based Credit Semester pattern in Biochemistry of Calicut University

4. Examination Board: I have been involved as Examiner in the Mahatma Gandhi University examinations: as Chairman for IV Semester M.Sc Applied Microbiology course and as Chairman Question paper scrutiny board for B.Sc Biochemistry, University of Kerala

5. Reviewer of Paper: As a reviewer of paper for Journal of Inclusion Phenomena and Macrocyclic Chemistry

Dr. Linu Mathew

1. Examination Board

Member of the Board Of Question Paper setting of BSc. Biotechnology of Kerala

University. 15. Student Achievements - Acedemic(A short Discription)

Miss Aneesha Devassy research scholar under the guidance of Dr. Linu Mathew was awarded the Summer Research Fellowship 2010-11, conducted by the Indian Academy Of Sciences.

16. Students Activities/Achievements – (Extra Curricular)

(a) National Service Scheme

(b) Arts Festivals

(c) Sports

(d) Games

17. Industry Varsity Linkage (If any, short Discription)

18.Academic Tie-Ups (if any)

Dr. Linu Mathew-A PhD work is jointly guided by Dr. K. G. Padmakumar, Associate Director, RARS, Kumarakam.

19. Student Progression

20. Campus Recruitment (if any) - Nil

21.No. of Ph.Ds awarded so far

23. Alumni Activities (With e-mail and website)

The Alumni of the School conducted a number of Technical talks & Career Guidance programmes for the Students of the School. They also provided technical support in conducting the Technical meet, publishing IT Glimpse, Project and Placement.

School of Distance Education

The School of Distance Education started its functioning in 1989 under the directorship of late Prof. Dr. P.K.Jose. The School of Distance Education is functioning with the vision of providing quality education to those who are deprived of the same. The School is transforming the vision through the establishment of Regional, National and International Off Campus Centres. In the year 2001 the School of Distance Education introduced the Off Campus Programme – a happy blending of traditional Correspondence Education with class room teaching.

At present the School is serving 16,000 students through 76 Off Campus Centres, both National and International. The school is running 8 UG Courses and 10 PG Courses.

Head of the School: Dr. Baby Thomas, Director

Staff Profile:

Teaching : Men - 1, Women - 1, SC/ST - NIL

Nonteaching : Men – 15, Women - 8, SC/ST - 1,

Total : 23

Student Profile:

Intake : 5925

Appeared: 5550

Passed: 3068

Men: 3785

Women: 2140

Courses offered:

At present School of Distance Education offers Eight (8) U.G courses, Nine (9) P.G courses, One (1) P.G.Diploma and One (1) Certificate course. The U.G Courses are BTS, BBA, B.Com with Computer Applications, B.Com with Travel and Tourism, BFT, B.Sc Computer Science, B.C.A, BLiSc.

The P.G Programmes are MA English Language and Literate, MA Sociology, M.A Multimedia, LLM, M.Com, MBA, MCA, M.Sc Maths, M.Sc IT.

P.G Diploma in Ecotourism and Certificate Courses in Syriac Language are also served by the

School. Library:

The School has a reference library with a total No. of 1500 books. Every Off Campus Centre has its own library and has tied up with other libraries.

Grants: NIL Projects

Undertaken:

Automation of School of Distance Education and the Off Campus Centres is a major development work undertaken by the School. New generation study materials with SIM pattern is also developed by the School during the current year.

National Level/State Level Seminar

conducted: NIL

National Level/State Level Seminar attended by faculty:

The teaching faculty of the School have attended National workshops and Orientation programmes and are engaged in research work.

Research Activities:

There is one research scholar under the guidance of Dr. Baby Thomas, Director and five research scholars under Dr. Uptot Sherine, Professor in this School.

8. Grants Received from

Recognized by DST through FIST scheme in 2010 with a research grant of Rs. 90 lakh.

9. Project Undertaken

Name of the Investigator	Title of the project and duration	Amount sanctioned (Lakh)	Funding Agency
Dr. E.V.Ramasamy	National vegetation Carbon Pool – Kerala Region (one year)	4.00	Indian Institute of Remote Sensing, Dehradun, ISRO, Department of Space, Govt. of India, New Delhi

10. Seminars Conducted

An advanced training programme in Environmental Sciences for the college teachers across the Kerala State was conducted during August 2010 in collaboration with Department of Collegiate Education, Govt. of Kerala and Academic Staff College, University of Kerala.

The International Conference on Climate Change and Developing Countries (CCDC-2010 - February 19-22, 2010) is in Association with Centre for Environment Education and Technology (CEET) and The Centre for Rural Management, Kottayam, Kerala, India.

11. Seminars conducted by Faculty

The School has proposed to conduct Disaster Risk Vulnerability Conference 2011 in March 2011. The pamphlets/ brochure has been printed and sent to various organizations in the country.

12. Publications by the Faculty

Bindu, T., Sumi, M.M. and E.V. Ramasamy. Decontamination of water polluted by heavy metals with Taro (*Colocasia esculenta*) cultured in a hydroponic NFT system, *Environmentalist* (Springer), 30, 35 – 44, (2010).

Abhirosh Chandran, V. Sherin, A.P. Thomas, A.A.M. Hatha, P.C. Abhilash (2010). Potential exposure risk associated with the high prevalence and survival of indicator and pathogenic bacteria in the sediment of Vembanadu lake, India. *Water Quality Exposure and Health* (Springer Netherlands).

13. Research Highlights of Faculty/scholars

The Faculty and Scholars of the department participated and presented papers in National and International conferences such as Lake 2010, Bangalore; Indian Science Congress, Thiruvananthapuram; Kerala Science Congress, Peechi; International Conference on Biodiversity and Climate Change, IIT Kharagpur; Indian Biodiversity Congress, Thiruvananthapuram, Kerala Environment Congress, Thrissur; Annual conference of Angiosperm Taxonomy, Coimbatore, Tamilnadu; International Conference on Environment, Energy and Development, Sambalpur University, Orissa, India; International conference on global warming, climate change, sustainable development and secular spirituality, Organized by Santhigiri Research Foundation, 09-11 September, Trivandrum; First Kerala womens Science Congress, St. Theresa College Ernakulam; International conference conducted by Hindustan college of Arts and Science, Chennai; national seminar on conservation and sustainable utilization of red listed medicinal plants of Western Ghats of India; Indian youth science Congress, SRM University Chennai; XIVTH Southern regional conference on Microbial inoculants, NIO, Goa.

14. Academic achievements

The title of the M.Sc. Disaster Management (DM) has been changed to M.Sc. Environment Science and Disaster Management, Curriculum revision with new course titles and syllabi revision for the programmes was done.

THE ERUDITE – Scholar-in-Residence Programme

The School has been effectively involved in the Scholar-in-Residence programme of the Kerala State Higher Education Council and the Mahatma Gandhi University. Under this programme two Nobel Laureates viz., Prof. Ferid Murad, University of Texas Health Science Center at Houston, USA and Prof. Robert Huber, Max-Planck-Institute for Biochemistry, Martinsried, Germany besides Prof. Michael Hoffman, California Institute of Technology, USA have visited the School.

15. Student achievements-

Academic UGC-NET qualified : 2

16. Students activities/achievements – Extra curricular

Club of Environmental Students (CLENS) of the School has observed World Environment Day (WED-2010), World Wetland Day, Earth Day, World Water Day etc. CLENS organised rallies, awareness programmes, interdepartmental competitions like quiz, essay writing, painting etc. during these days in order to promote co-curricular abilities of the student community. CLENS celebrated WED-2010 with a mission of cleaning the Pathiramanal Island (a tourist hotspot in Vembanad Lake) by removing plastic waste from the island.

The students of the school (Nature club- Saplings members) planted 100 tree saplings in the campus as a part of the World Environment Day celebrations every year. The Hon'ble Vice Chancellor of the university inaugurated the WED-2010 function by planting a sapling within the Schools premises. The School used to conduct a procession (through CLENS) highlighting the importance of nature conservation. Various competitions were also conducted for the students

21. Number of PhDs awarded so far

Total : 17 Nos. (5 in 2010)

22. Research scholars registered in the School

23. Alumni activities

SAGES - 'Students and Alumni Group of Environmental Sciences - SAGES'.

The alumni association of the School was started in 2003. It gain the name SAGES in 2008. The members of SAGES meet periodically and latest one was on November 5th 2010. New board of executive members including president, secretary and treasurer was selected in that meeting. Many of our alumni are in higher position at reputed academic and other institutions. They are constantly in touch with the School through internet. It is proposed in the last meet to conduct an annual meet of SAGES members during April-May every year.

24. Any other achievements

Solid waste management of MG University Campus

M.Sc. 2007-10 students of the school have taken up the issue of solid waste management in the campus as their group project. On the basis of surveys conducted in different schools of the university and administrative offices they have quantified the solid waste generation in the university campus. They have also characterized the solid waste of the campus. They have submitted a final report of their work with significant suggestions for the current and future solid waste management practices of the University campus.

Training Programmes

The School is giving training programme on environmental quality assessment and other advanced areas of research for school and college teachers. It also extends help to the District Disaster Management Authority in their disaster management activities.

JEEVAKA LIVE LABORATORY

Ecologically sensitive areas of the campus have been identified based on the rich natural vegetation and other biodiversity components. The demarcated area has been declared as 'Jeevaka Live Laboratory' of School of Environmental Sciences by the Hon'ble Vice-Chancellor, Dr. Rajan Gurukkal, on World Environment Day, 5th June 2010. It extends to an area of 12 hectares. The flora and fauna were identified and documented. It is also been recognized as a natural medicinal plant garden of MG university. The live laboratory consists:

Flora: 303 species	Fauna : 268 species
Herbs : 124	Mammals:15
Shrubs: 95	Reptiles and amphibians : 25
Trees: 68	Birds:79
Climber:16	Butterflies:109
	Dragonflies and Damselflies: 30
	Fishes: 10

Rainwater for Humanity The School has launched a major extension programme known as 'Rainwater for Humanity' in collaboration with Brown University (USA), local panchayath and self help groups (www.rainwaterforhumanity.org). Through this extension programme, the School envisages to adopt small villages with an objective of providing basic amenities like drinking water and sanitation. As a part of this programme the School has installed a community rainwater harvesting structure with a capacity of 1.1 lakh liters at Achinakom Panchayath in Kuttanadu region during December 2009. In 2010 another 4 tanks (10,000L capacity each) were constructed and people are using it. Construction of additional rain water harvesting tanks are in progress.

 c. N.S.S Activities

Mahatma Gandhi University National Service Scheme Campus Unit No. 61 is successfully functioning under the leadership of Dr.C.R. Harilakshmeendra Kumar, Programme Officer (Assistant Professor, S.G.T.D.S), M.G.U. The unit conducted a lot of innovative activities in this campus in the academic year 2010-2011. Anti-Plastic Campaign The NSS unit conducted in association with the University, an anti-plastic campaign programme with the agenda 'Plastic free campus'. Pair of waste bins with red and green color were distributed all over the campus including various departments, libraries, hostels and staff settlements. The red bin for collecting biologically non-degradable waste materials like plastic, e-waste etc. and the green bin for bio-degradable waste materials. This programme gathered wide publicity and goodwill to the NSS unit.

Another marvelous programme was the Free Eye Testing Camp in the Assembly hall. The unit conducted the camp for 150 people but a large number of people participated and more than 450 were benefited.

The unit organized a seven-day mega camp in Nalpathimala. A number of 54 students from various departments participated in the camp. They were also benefited with a variety of classes and work experiences.

A Cancer detection camp for 50 persons was conducted in associated with AIMS and MCK. More than 90 persons were benefited with this camp.

Except to these special programmes, the unit takes active role in a lot of academic and extension activities.

More than 109 and 51 students participated of the poetry and short story competition respectively.

K.P. Jessy, Vimala College, Trichur (First), K.S. Binu, Cochin University of Science and Technology, Cochin (second) and K. Nithya were the winners for the Short Story Competition where as P. Jimshar, Minority Arts and Science College, Othallloor, Palakkad (first), P.J. Jayadevan, Nehru College of Engineering and Research Centre, Trichur (second) and S.R. Aswathy Raj, K K T M Govt. College, Pullut, Kodungallor (third) were the winners for the poetry competition.

K.P. Nirmalkumar, S.V.Venugopan Nair and Gracy were the Judges for the Short Story competition and Dr.D.Vinayachandran, Prof.P.P. Raveendran and V.M. Girija were the Judges for Poetry competition.

Excellence in Book Production Awards

The Department instituted the *Mudranamikavu* Awards for the excellence in book production, one each for printing, book design and cover design for Malayalam books published each year for general and reference books categories. Awards for books published during 2009 were won by DC Books, Kottayam (printing and production), Kerala Sasthra Sahithya Parishad, Thrissur (book design), State Institute of Encyclopedic Publication, Thiruvananthapuram (reference book production) and Zainul abid, Kannur (cover design). Sahitya Pravarthaka Sahakarana Sangham (SPCS), Kottayam, Mathrubhumi Books, Kozhikode and Islamic Publishing House, Kozhikode also won special jury awards. Prof Rajan Gurukkal, Vice Chancellor, Mahatma Gandhi University, Kottayam distributed the awards on 3rd June 2010.

Annual Lecture on History of Malayalam Printing

Prof P K Michael Tharakan, Vice Chancellor, Kannur University delivered the first Annual Lecture on the History of Printing (Mudrana Charithram) on 3 June 2010 instituted by the Department. In his lecture, Prof Tharakan presented the socio political compulsions that prevented publishing of the book, *Varthamaanappusthakam* in 1780s when it was originally prepared by Paremmakkal Thoma Kathanar. The book was published only in 1936 over 150 years after its actual preparation. Prof Rajan Varghese, Pro Vice Chancellor, Mahatma Gandhi University, Kottayam presided over the function.

Lecture on Music for Healing Experience and World Peace

Dr Suvarna Nalappat, former Head, Dept of Pathology, Amrutha Institute of Medical Sciences, Kochi delivered a lecture on the topic *Music for Healing Experience and World Peace (Sangeetham: Rogasanthikkum Lokasanthikkum)* on 6th July 2010 organized by the Department at the University Assembly Hall. According to Dr.Suvarna, well being of the mind of the society as a whole can be realized only through attaining mental health of its individuals. Music is a tool in spreading world peace has a growing significance in the current world scenario. Music results from the silence of mind, words and action. Retreat to silence always the path to world peace, Dr Suvarna added. Vice Chancellor Prof Rajan Gurukkal made the introductory speech. Dr P P Raveendran was the moderator in interactive session. DPP Director, Kurian K Thomas and Asst Editor Dr K Radhakrishna Varier also spoke. The event was attended by teachers, students, musicians and music lovers.

Lecture on Ayurveda through the Eyes of Modern Science

Dr M S Valiathan delivered a lecture on the topic *Ayurveda through the eyes of Modern Science* organized by the Dept of Printing and Publishing in association with Darsana Samskarika Kendram, Kottayam at the Darsana Auditorium, Kottayam on 27th August 2010. According to him the Ayurveda could not get much recognition on international arena due to lack of sufficient scientific research studies. India, as a developed nation in relation to science and technology, has the ability to overcome this situation. He also Attempts are to be made to utilize the technology fruitfully.

Prof U R Anantha Murthy spent one month from 6 March-5 April 2010 as part of the ERUDITE programme. As a guest of School of Letters and the University, he gave a series of lectures, took part in interactions, spoke at functions organised by various academic, governmental and non-governmental organisations. He addressed the students, teaching faculty and non-teacher community in and outside the campus, and spoke on a wide variety of topics including higher education in India.

Switch on of documentary on G. Sankara Pillai directed by P Balachandran by Vice Chancellor in the presence Prof U R Anantha Murthy

On 2 April 2010 Prof. Gayatri Chakravarty Spivak, world-renowned scholar and academic also engaged one of her lectures at School of Letters in which she addressed a gathering of students and teachers.

Visitors with whom the students and staff of the campus could interact included writers, Santhosh Aechikkanam, T. D. Ramakrishnan, D. Vinayachandran, Balachandran Chullikkad, Sachidanandan, S. Joseph and Sebastian, P Raman.

Shri Kumar Shahani, noted film maker spent three days between 1 and 3 November 2010 at School of Letters interacting and discussing films with the students and faculty.

On 3 November he gave the Seventh R. Narendra Prasad Memorial Lecture.

A Lecture Series titled "Key Words" was inaugurated by the Vice Chancellor by giving the Inaugural lecture on "Culture" on 29 September 2010.

P P Raveendran, Scariah Zachariah, Nissar Ahmad gave lectures on Discourse, Language and Modernity respectively.

Students presented cultural programmes at the visit of NAAC peer team to the University. New Faculty

Dr. P S Radhakrishnan Reader in Malayalam

Dr. Harikumar S. Assistant Professor in Malayalam.

International Level : Nil

Seminars conducted by faculty

INSPIRE - Science Propagation Program

INCULCATE- Science Propagation Program

Publication by the faculty with impact factor of the publication (Short description) List attached

Research highlights (Short description)

Current research interests of the group include Sol-gel synthesis and characterization, Nanopartides and ceramics , Astrophysics, structure and dynamics of biomolecules, Solar Physics & Quantum computation , plasma Physics and crystalline materials

Academic achievements (Short description)

Teachers are invited as Resources persons for national and state level seminars Department is organizing Erudite Scholar in Residence programs, mini seminars/workshops science day celebrations etc Teachers are also recognized as referees as international journals. Teachers are also attracting as projects from various funding agencies

Student achievements (Short description)

Former M. Sc student Sonia Mary E J got admission for Doctoral Research at Basel University Switzerland . Other students, Vinu Vikraman, Amrutha K Adiyodi and Toney Teddy Fernandez received their Post Doctoral position in various foreign Universities. Former department students have placed in several colleges as assistant professor. Jeevan Job Thomas received the Rajat Jayanti Vigyan Sancharak Fellowships.

2010

1. Low frequency electromagnetic waves in a multi-ion plasma *Chandu Venugopal, M J Kurian, E Savithri Devi, P J Jessy, C P Anilkumar and G Renuka* Ind. J Phys. 84 (2010) 319 – 324.
2. Energy transfer studies of Ce:Eu system in phosphate glasses *P.I.Paulose, Gijo Jose, and N.V.Unnikrishnan*, J Non-Cryst. solids 356 (2010) 93.
3. Effect of silver nanoparticles on the dielectric properties of Holmium doped silica glass. *P R Rejikumar, P V Jyothy, Siby Mathew, Vinoy Thomas, N V Unnikrishnan* Journal of Physica B 405 (2010) 1513.
4. Dielectric and ac conductivity studies of CdSe nanocrystals doped sol-gel silica *Jyothy P.V, Arun Kumar K.V, Karthika S, Rajesh R N.V Unnikrishnan* J. alloys & compounds 493 (2010) 223.
5. Local symmetry and Z-scan analysis of ZnSe/Eu³⁺ doped sol-gel silica hosts. *Siby Mathew, Arun Kumar K V, Sudarsanakumar C, V P N Nampoori and N V Unnikrishnan*, Canadian journal of physics. 88 (2010) 493.
6. Structural and Spectroscopic Characterization of Ho³⁺ in Sol-Gel Silica, *Rejikumar P.R., Prathibha Vasudevan, Karthika S., George J., N.V.Unnikrishnan* Journal of optoelectronics and advanced materials 12 (2010) 1065 .
7. Self-assembly of TiO₂ nanoparticles on native oxide terminated silicon surfaces, *S.H. Al-Harhi, K. P. Revathy, A.K. George, M.E. Elzain, A.T. Al-Hinai, A. Mesli, N.V. Unnikrishnan*, Colloids and Surfaces A: Physicochemical and Engineering Aspects 370 (2010) 20
8. Self-assembly of Silver Nanoparticles and Multiwall Carbon Nanotubes on Decomposed GaAs Surfaces, *S. H. Al-Harhi, K. P. Revathy , F. Gard A. Mesli , A. K. George, J. Bartringer M. Mamor , N. V. Unnikrishnan*, Nanoscale Res Lett 5 (2010) 1737.
9. Dispersion and rheological characterization of TiO₂ tape casting slurry, *Arun Kumar K V, Rani N Panicker , K G Vasanthakumari, Sathesh Mathew, N V Unnikrishnan and N Raghu*, Int .J, Appl .Ceram. Tech. 7 (2010) 902.
10. Optical Characterization of CdSe/Dy³⁺ doped Silica Matrices , *Jyothy P V , Rejikumar P R , Vinoy Thomas , Kartika S and N V Unnikrishnan*, PRAMANA –Journal of Physics 75(2010)999
11. Synthesis of pure anatase TiO₂ nanocrystals in SiO₂ host and the determination of crystal planes by ImageJ, *Prathibha Vasudevan, Karthika S, Cyriac Joseph, C. Sudarsanakumar and N.V.Unnikrishnan*, , *Mater. Letts* (Online Published 2010).
12. Molecular dynamics simulations and binding free energy analysis of DNA-minor groove complexes with curcumin *M.K.Varghese, N.V.Unnikrishnan and C.Sudarsanakumar*. Journal of Molecular Modeling (2010) (Accepted).
13. Discovery of a 0.02 Hz QPO feature in the transient X-ray pulsar KS 1947+300 *James Marykutty, Paul Biswajeet, Devasia Jincy, Indulekha K*. 2010 Monthly Notices of the Royal Astronomical Society 407(2010) 285
14. A Cosmological Model with Fermionic Field *Rakhi R., Vijayagovindan G.V., Indulekha K*. 2010 International Journal of Modern Physics A 252 (2010)735
15. Structural and optical characterization of sol-gel synthesized Sr₂CeO₄ blue phosphor, *Solid State Physics* (India) (2009)
16. Synthesis and characterization of Silver –Polyvinyl Alcohol Nanocomposites and plasma effect, *B. Raneesh , A. Pragatheeswaran, P. Dhanasekaran, P. Chandrasekaran, Nandakumar Kalarikkal, Journal of Ovonic Research*, 6, (2010) 187
17. Nonlinear optical properties of nanosized rare earth doped strontium barium niobate ceramics, *Spectroscopy Letters-* (Accepted 2010)
18. Growth and structural characterization of Gadolinium Neodymium Oxalate crystals grown in hydro-silica gel, *Ignatius Korah, Cyriac Joseph and M A Ittyachen* Journal of Minerals & Materials Characterization & Engineering (Accepted - 2010)

2009

1. Apposite of atmospheric electric parameters with the energy coupling function (ϵ) during geomagnetic storms at high latitude *C P Anilkumar, C Panneerselvam, K U Nair, C Selvaraj, S Gurubaran and C Venugopa*. Atmospheric Research 91 (2009) 201 – 205.
2. Stability of electrostatic ion cyclotron waves in a multi-ion plasma *M J Kurian, S Jyothi, S K Leju, Molly Isaac, Chandu Venugopal and G Renuka* Pramana – J Phys 73 (2009) 1111 – 1122.
3. Thermal characteristics of Pure and Neodymium doped calcium hydrogen phosphate single crystals *Valsamma M Samuel, N V Unnikrishnan M A Ittyachen* . J Thermal analysis and Calorimetry 96 (2009) 917

4. Fluorescence enhancement in Tb^{3+}/CdS nanoparticles doped silica xerogels *P V jyothy, K A Amrutha, Jose Gijo and N V Unnikrishnan*. J.Flour. 19 (2009) 165.
5. UV-VIS absorption and NIR stimulated emission of Nd^{3+} : PVA films , *Amrutha K Adiyodi, Jyothy P V and N V Unnikrishnan* , J. Appl. Polym. Sci. 113 (2009) 887.
6. Dielectric and microhardness studies of methylene blue doped PMMA matrices, *Amrutha K Adiyodi, Xavier Joseph, Jyothy P V, Gijo Gose and N V Unnikrishnan*, Mat.Sci. poland 27 (2009) 297.
7. Yttrium di silicate crystallites embedded porous sol-gel thin films for self cleaning displays *Toney Fernandez, Gin Jose , Michael Ward, K V Arun Kumar & N V Unnikrishnan* , J. Appl. Phys. 105 (2009) 043513.
8. Fluorescence Characteristics of Dy^{3+}/CdS nanocrystals doped silica xerogel, *Jyothy P.V, Amrutha K.A, Xavier Joseph, N.V.Unnikrishnan*, J .Phys & Chem.Solids 70 (2009) 927.
9. *M.K.Varghese, R.Thomas, N.V.Unnikrishnan and C. Sudarsanakumar* Molecular Dynamics Simulations of xDNA, Biopolymers V.91(5) (2009) 351-360.
10. *Joseph Nirmala, N.V.Unnikrishnan, E.R.Anabha and C.Sudarsanakumar* Structure reports on 2-[2-Benzoyl-3,3-bis(methylsulfanyl)prop-2-enylidene] malononitrile. Acta Crystallographica. E65 (2009) o1727.

12. Publications by the Faculty with Impact : One paper on digital Image

Factor of the Publications.

Processing

* One of the faculty. Dr. Bindu K got P.hD Degree in Computer Science from Mahatma Gandhi University in 2010. Three (3) other faculty members are doing research leading to Ph.D. in our research labs. Five research scholars are working including 2 teachers on FIP. Mr. Anil Kumar PV, HOD, Polymer Engineering has participated and presented a paper in 'APT – 2010', International conference on Advanced in Polymer Science and Rubber Technology, Cochin University at JJ Murphy Research Centre, Perumbavoor from 26th – 27th January 2010.

* Most of the pass out students got placements in various IT firms, Tyre Factories etc including MNCs. One of the student Mr. George Joseph is doing M.Sc in Loughborough University, London UK. Two students are doing M.Tech.

* Two of our B.Tech Polymer Engineering students Mr.Harikrishnan P & Mr. Neeraj P.V has won second prize in Poster presentation contest in Elastoplaza – 2010' National level Technical Seminar organized by the Department of Rubber and Plastic Technology, MIT, Anna University, Chennai On 4th March 2010.

Two of our MCA students Mr. Anoop Vijayan and Ms. Lintu Varkey won second prize in the Quiz competition in Insight 2010' National Level Technical Seminar organized by the School of Technology & Applied Sciences, Pathanamthitta from 4th & 5th March 2010.

Four of our students got ranks in various University examinations. Our students bagged the second and third rank in the B.Tech Degree Examination May 2010 of M.G University. Two of our students Ms. Manju S and Ms. Anju S got first and second rank in the MCA Degree Examinations of M.G University held in November 2010.

- 16.** a) National Service Scheme : Nil
b) Arts Festival was held from 09-10 March 2011 at Pullarikkunnu Large number students participated in the various events.
c) Annual sports Meet was held at the M.G University stadium in January 2011.
d) Various gaming events were held in the year 2010-2011 with large scale student participation.

17 Various industries are helping us by giving on the job training /Project work to our B.Tech , MCA and M.Sc students.

In addition, we are arranging frequent visits to various industries for our students.

18 Rubber research Institute of India is arranging 2 weeks training for our B.Tech Polymer Engineering students.

Our students have invited to attend various lecture sessions organized by the centre for Nanoscience and Nanotechnology of Mahatma Gandhi University.

19 One of our former students Mr. George Joseph joined the M.Sc Programme in world famous Loughborough University, UK.

20 Campus recruitment : Nil

21. No.of Ph.D's Awarded : Nil

22 Research scholars.

1. Mr. Pragatheeswaran.A
2. Smt. Melvi Chandy
3. Shri..V. Sasidharan
- 4 Shri. Sobhanakumar .D

24. Our Alumni is helping us to find placement and training for our students. **24**

Our student associations are active in the Campus. MAS (MCA students Association), SPOT (Society of Polymer Technology), Gateway (Computer Networking students Association) etc. are arranging various programme for the overall benefit of the students.

12. Publication by Faculty with impact factor of the publications

1. John, K.C. *Lagenidium giganteum* an effective microbial control agent for *Aedes* mosquitos in the rubber plantation of Kerala. 98th India Science Congress .

2. John, K.C. The pigment structure and distribution in certain fresh water fishes . 98th India Science Congress .
3. John ,K.C. *Lagenidium giganteum* for effective mosquito control . Poster presentation in environmental science category in the 98th Science Congress , which won the best Poster presentation award in the National level.
4. Chandran, A. 2010. Zooplankton Diversity in Vallapadom, India. Influence of hydrochemical , seasonal and semidiel cycle. *Asian J. Water Environ. And Pollution*. 8(1) : 103-108
5. Chandran, A. 2010 .Assemblages of marine polychaete genus *Glycera* (Phyllodocida: Glyceridae) along the Kerala coast, India as an indicator of organic enrichment. *Nature, Environ. Pollu. Technol.*, 10(3)
6. Chandran, A. 2010 Heavy metals in the polychaete *Glycera longipinnis* from the south west India. *Chemistry and Ecology* (Taylor and Francis). In Press.
7. Anilakumary, K.S., 2010. Sedimentology along the Ambalapuzha coast. *J. Mar. Biol. Ass. India*, 52
- 13 Research Highlights of Faculty /Scholars –
Six M.Phil. scholars selected and completed a particular topic in Fishery Biology as part of their research programme leading to M.Phil degree
- 14 Academic Achievements -
i) Completion of a batch of 25 M.Sc in Fishery Biology
ii) Completion of a batch of 6 M.Phil scholars
iii) On job Training programme of 1 month duration at National Institute of Fishery Research, Kochi
iv) Training in Fish Breeding and Hatchery Management in the Kerala Government Fisheries farm
- 15 Student Achievements –
After completion of their course almost all students have been absorbed in Institutes of National repute either for higher studies or for employment.
- 16 Student Activities/ Achievements
National Service Scheme - Nil
- (a) Arts Festivals - Won 1st Prize at inter-collegiate Quiz competition conducted by WWF India and Kerala Forest research Council
- (b) Sports – Nil
- (c) Games - Nil
- 17 Industry Varsity Linkage - Nil
- 18 Academic Tie Ups - Collaborative Training for Fish Farmers in Fish Breeding and Hatchery Management, and also in Ornamental Fish Culture for NREG programme for village women folk.
- 19 Student Progression - Students who complete their course in this Institution include a good number of SC/ST and other backward communities. They get instant opportunity for placement in academic and professional fields.
- 20 Campus Recruitment . Campus recruitment is not necessary as the students get absorbed during their training programme itself
- 21 Number of PhD Awarded - Teachers are yet to be granted sanction as approved Research Guides for conduct of Ph.D. work.
- 22 Research Scholars Registered - As above
- 23 Alumni Activities - Many students visit the college from time to time and also keep their rapport while conducting their research at other Institutions or Universities.
- 24 Any other Achievements -
Research conducted by the teachers have contributed significantly in understanding of the chickungunya vectors and the reports of the research has helped the Public Health authorities about the proper management of *Aedes albopictus* mosquitoes.

State level- Nil

National level- Nil

International level- Seminar conducted by faculty in May 2010 on 'Research Methodology – promoting Nursing Research culture, present scenario' and it was a grant success.

12. Publication by the faculty with impact factor of the publication (a short description)

13. Research high lights of faculty/ scholars (a short description)-Nil

14. Academic achievements (a short description)

Our faculty conducted Workshop on Research Methodology in May 2010
Our Principal Dr. Sr. Mary Lucita presented papers on Evidence Based Nursing Practice.
Our faculty took much effort for the better conduction of XXIII TNAI Biennial conference held in November 2010 at Eranakulam. Dr. Sr. Mary Lucta our Regional Director elected as the chair person of Accommodation committee and also some of our faculties were served as co chair persons of various committees
Our faculties, Mrs. Pushkala N R and Mrs. Sheena P V are doing their Ph.D currently.
Our faculty attended various conferences like 'Carrier development and Ragging' on 2010 November conducted at Maharajas College Eranakulam.

15. Student achievements -Academic (a short description)

Students of SME are very active in all fields especially in academic field from the time of its inception. Students secured many ranks from the first batch onwards. The Names of Rank Holders of Last Academic Year is given below

B.Sc. Nursing: Bincy Babu

Post Basic B.Sc. Nursing: Joicy Joy

16. Students activities/ achievements (extra curricular) National service scheme:

We have a very active Unit of NSS (Unit No:78).In every year we have an intake of 50 selected students from all departments as NSS volunteers and select a NSS Volunteers secretary from NSS volunteers.

Activities of NSS Unit:

- Special Camp conducted in every year in a selected area
- Blood donation camp conducted with MLT students association and IMA
- Medical camp conducted by Final year BSc Nursing students
- Conduct Health plays and Health education to rural community

N SS Camp 2010 is planed to conduct on 2011 January by the students under the guidance of faculty. Students actively participated in the 'Pulse polio programme' 2010 at various centers Arts festivals, Sports, Games

As part of activities of Student Nurses Association (SNA) BSc Nursing Students Association (BNSA) and University Union the students are expressing their talents in Arts, Sports and Games. The students are much enthusiastic and secured many prizes in competitions conducted at Zonal, State and National levels

17. Industry varsity linkage

Nil

18. Academic Tie -Ups :Nil

19. Student progression

Introduction

The University college of Nursing , Pala formerly known as Institute of Nursing Education, SME , Pala was established in August 2005. The college offers Basic B.Sc Nursing programme for the deserved candidates. At present it is full pledged with 4 batches of students and the first batch of students are undergoing internship as a part of their curriculum at Amritha Institute of Medical Sciences, Kochi.

Physical facilities

At present college is functioning in a rented building (St.Mary's Academy Building) at Pala and a permanent building comprises 28000sq.ft area under construction by CPWD in 3 acres of land at Andoor (Marangattupally panchyat). The new building will be completed soon and it is expected to shift the college from the next academic year (2011-2012) onwards.

Academic activities

Academic activities of all four batches are in a full swing in the midst of many deficiencies and lacunae we are generating young confident professionals who are the asset of our society. This has been shown from their academic record in the university exam.

Faculty

INE, SME, Pala is headed by Associate professor in charge of principal and has 2 Ast.professors, 2 Lectures with P.G. qualification and 13 internal guest faculty.

Library

INE has a good library with 1338 books and many journals and periodicals

Clinical facilities

1. Govt. Hospital Pala
2. Medical college Hospital Allapuzha
3. Mental health centre Trichur
4. Community health centers Marangattupally,

Kadaplamattom Student activities

SNA, Students union are active in the college. It conducts various academic and cultural activities for the personal and professional development of students

Scholarships Received by the

Students 1.MCMS Scholarship

2.Central Sectoral

Scholarship PTA

This centre has an active PTA which positively interfere in to the matters concerning the students and the college. The president of PTA is Prof. Belba E

The facts and figures relating to INE, SME, Pala is given below.

ACQUIRE

Report of the proceedings of the ACQUIRE Scholarship Programme 2010 coordinated by the School of Social Sciences, Mahatma Gandhi University

ACQUIRE, an innovative scholarship programme intended to attract brilliant students to the social science stream under the aegis of the Higher Education Department and implemented through Mahatma Gandhi University was formally

inaugurated on 13 December 2010 by Kerala Education Minister MA Baby at the three day state level camp organised for the first batch of students under the scheme, in Chaitanya Pastoral Centre, Thellakam, Kottayam..

Below is a detailed report of the State Level Camp which was held from 13-15 December 2010 at Chaithanya Pastoral Centre.

The scheme is the first of its kind in country for quality improvement in the higher education segment of social sciences, which has been well appreciated by Indian Council for Historical Research and Indian Council of Social Science Research, for emulating at national level. The academic progress of the selected students will be enhanced with the help of Mentors from their disciplines who are teachers from various affiliated colleges. The scholarship will entitle the students to receive Rs 1000 per month during their studies at the UG level. There will be ACQUIRE fellowship for Post Graduate Students to develop research projects. Besides this the students will get a lump sum annual grant for purchase of books, which will be Rs 3000 at UG level.

INVESTMENT FOR FUTURE - Education Minister

Kerala Education Minister MA Baby in his inaugural speech claimed that his Department has been able to accomplish certain ambitious projects like ACQUIRE and INCULCATE Science Propagation programme which will have far reaching results. It is in fact an investment for the future. The regeneration of the higher education scenario was so depressing with the mad rush for professional courses and IT programmes. Mushrooming of self-financing institutions worsened the scene. Parents want their children to work in a money spinning area. Basic sciences and social sciences need best brains as in the case of professional stream. The Government's initiative is directed to bring in meaningful changes in the field of higher education and to reverse brain drain.

Prof. Rajan Gurukkal, Vice Chancellor, Mahatma Gandhi University who presided over the function told that the unique effort is intended to avert mediocrity and create a breed of social scientists committed to production of socially relevant knowledge.

Prof Shereen Ratnakar, JNU, Prof Anjan Chakrabarthy, Calcutta University, State Coordinator of ACQUIRE Prof. Sanal Mohan and MGU Coordinator P. Radhika spoke.

One hundred and two first year under graduate students pursuing studies in social sciences selected across the state by MG, Kerala, Calicut and Kannoor Universities based on their merit are attending the camp. The camp will end on December 15, 2010.

Students

The camp was attended by students from Kerala University, Mahatma Gandhi University, Calicut University and Kannur University. These students were selected from University Level Camps that were held in the respective universities during the months of October and November. The number of students from each university are given below:

Kerala University	-	28
Mahatma Gandhi University	-	27
Calicut University	-	17
Kannur University	-	30
Total	-	102

Coordinators and Mentors

The respective University coordinators had been entrusted with the task of selecting 5 college teachers for each of the ear-marked disciplines to act as Mentors to the selected students. Coordinators and Mentors from the different Universities also participated in the Camp. They engaged the students in discussions on various topics related to their disciplines and introduced Social Science Research to them. Almost 20 Mentors from different colleges were present each day of the camp. A meeting of the coordinators and the mentors was held on 15 December 2010 in which it was decided to bring out a handbook for Mentors.

Camp Schedule

The camp was designed to include lectures on different disciplines by eminent scholars, group discussions and interactions with Mentors, field visit to historical places around Kottayam like the Valliyappally, Cheriappalli and the Thanzhathangadi mosque. The students also visited the School of Social Sciences library and the Archaeological Museum. Time was allotted for the students to present their extra curricular skills as well. The programme schedule of the camp from 13-15 December 2010 is attached with the report. As per Government norms there is provision for 100 scholarships per year and since the total number of students in attendance in the State level camp for ACQUIRE 2010 was only 102, it was decided in consultation with the Government officials and the Vice Chancellor that all the 102 students would be awarded the scholarship for 2010.

ACQUIRE SCHOLARSHIP PROGRAMME 2010

STATE LEVEL CAMP

13, 14 & 15 December 2010

DAY I

9.00-10.00

Welcome

Inaugural Address

13-12-2010

Inaugural Function

Dr. Sanal Mohan

Sri. M. A. Baby,

Hon. Minister for Education and Cultural Affairs

Address by the Chair	Prof. Rajan Gurukkal Hon. Vice Chancellor, Mahatma Gandhi University
Vote of Thanks	Smt. Radhika P. Introducing ACQUIRE Self Introduction
11.30-11.45.1	TEA
11.45-1.00	Dr. Anjan Chakrabarti Professor in Economics, University of Calcutta
1.00-2.00	Lunch
2.00-3.15	Prof. Shereen Ratnagar Former Professor in Archaeology and Ancient History, JNU, Delhi
3.15-3.30	Tea
3.30-4.45	Prof. K.N. Ganesh Professor in History, Calicut University
DAY II	14-12-2010
10.00-11.15	Dr. Santha Kumar V. Associate Professor, Centre for Development, Thiruvananthapuram
11.15-11.30	Tea
11.30-12.45	Group Discussion
12.45- 1.45	Lunch
1.45-3.00	Prof. Rajan Gurukkal
3.00	TEA
3.15	Visit to School of Social Sciences
DAY III	15-12-2010
10-11.15	Dr. Anjan Chakrabarti Professor in Economics, University of Calcutta
11.15-11.30	TEA
11.30-12.45	Prof. A.K. Ramakrishnan Professor, Centre for West Asian Studies, JNU, Delhi
12.45-1.45	LUNCH
1.45-2.30.1	ACQUIRE - <i>A ROAD MAP</i>
2.30	Valedictory Function Welcome Smt. Radhika P. Address Dr. Rajan Varghese, Pro. Vice Chancellor Mahatma Gandhi University, Kottayam Distribution of Certificates Reply Speech by Students
Vote of Thanks	Dr. Sanal Mohan

Inter University Centre for Disability Studies

Institute for Intensive Research in Basic Sciences(IIRBS)

A knowledge centre comprising of Sophisticated Instrumentation Facility, instructor-led class room teaching and technology-enhanced learning techniques, first of this kind among the universities in Kerala, has been instituted in the campus of Mahatma Gandhi University. The Institute provides intellectual, instrumental as well as experimental support for pursuing excellence in all branches of sciences and is expected to contribute to the talent pool of researchers and specialized technicians. Functioning independently under the direction of the Vice Chancellor, the institute envisages high priority research and dynamic academic programmes in the interdisciplinary areas and operates through a single window system to expedite targets on time. Using the available man power and infrastructure it was decided to offer an innovative Integrated Interdisciplinary Master in Science program (MS Programme) by the Institute for the first time in the state of Kerala. The programme is revolutionary insofar as it seeks to create scientists who also have a deep appreciation of humanities and envisages creating a talent pool of highly competent and motivated scientists who will expand the frontiers of science by engaging in cutting edge scientific research across the physical, the chemical and the biological sciences.

The institute offers opportunities for employment through education as well as visits to reputed institutions within India and abroad. In addition to class room learning and experimental work, students will carry out original research. There are lectures by eminent visiting faculty, and extensive usage of technology-enhanced learning techniques. It is also proposed to launch an innovative integrated PhD program in basic science. New knowledge and new initiatives can only originate at the boundaries of disciplines. The governing council including persons of national stature to prevent the centre from falling prey to parochial sentiments.

Integrated M.S Programme started on

29.10.2009 Stipend for students

Commissioned NMR instrument under IRFA scheme (DST order No.IR/S1/CU-01/2007) NMR installed on 06.03.2010

NMR services opened for universities, colleges and other research organization

6. Grants/Projects received from

- (a) Project Title: Development of engineered nano-structured materials for high performance applications. Total expenditure of the project: Rs. 3,66,99,600/-
Funding agency: DST, New Delhi Principal investigator: Prof. Sabu Thomas
Principal Co-Investigator: - Dr. Nandakumar Kalarikkal
- (b) Project Title: - Nanofillers in Polymeric Systems.
Total expenditure of the project: Rs. 16,50,000/-
Funding agency: General Cables, USA
Principal investigator: Prof. Sabu Thomas
- (c) Project Title: - High performance Nylon – Clay Nanocomposites for Dental applications. Total expenditure of the project: Rs. 29,51,300/-
Funding agency: Indian Council of Medical Research, New Delhi Principal investigator: Prof. Sabu Thomas
- (d) Project Title: - Ion beam irradiation effects on the structural and ferroic properties of selected sol – gel derived films of nanomultiferroics.
Total expenditure of the project: Rs. 6,50,000/-
Funding agency: UGC-DAE CSR – Kolkata Centre
Principal investigator: Dr. Nandakumar Kalarikkal

7. Seminars conducted

First International Conference on Recycling and Reuse of Materials (ICRM 2009) July 17 – 19, 2009.
National Workshop on Nanomaterials: Synthesis, Characterization, and Applications. (NWNM) January 12 – 14, 2010.
Second International Conference on Polymer Processing and Characterization (ICPPC 2010) January 15 – 17, 2010.
International Conference on Nanomaterials: Synthesis, Characterization, Applications (ICN 2010) April 27 – 29, 2010.
International Conference on Natural Polymers. (ICNP 2010) September 24 – 26, 2010.

Photographs of main programme conducted in the Centre for Nanoscience and Nanotechnology A chair has been established for CNN and the first chair is conferred to Prof. (Dr.) C N R Rao

Centre for High Performance Computing

Objectives

To provide High Performance Computing facilities for Research Scholars and Faculty in the Science Departments

To provide expensive software that is commonly used by Researchers in Science

To develop the Centre and the Discipline of High Performance Computing by providing Adjunct faculty positions to faculty in Physics, Chemistry, Biology and Computer Science

To provide access to high performance computers such as GARUDA through National Knowledge Network after obtaining consent of the owners of such services.

Access to Global Research & Development (R&D) Networks such as GLORIAD (Indo-US initiative) and TIEN 3 (Indo-European initiative) through National Knowledge Network. To start M. Phil, M. Tech level courses in High Performance Computing

Existing Facilities

o BEOWULF Cluster comprising of 10 dual processor servers (20 processors) that uses MPICH library for distributed computing

o BEOWULF Cluster comprising of 39 dual processor P.C.'s (78 processors) that uses MPICH library for distributed computing

o AMBER software used in Biology is installed in both cluster Existing Adjunct Faculty

Centre for IPR Studies

University Centre for International Co-operation

Mahatma Gandhi University, Kottayam has recently established the University Centre for International Cooperation (UCIC), with a view to facilitating the positive aspects of the process of internationalisation of higher education in the university system. The Centre will strive to identify and address the issues and concerns in the realm of higher education triggered by the GATS agreement and the WTO, specifically, those matters related to privatization and commercialization of higher education in the wake of the entry of private as well as foreign universities into India. The UCIC will facilitate collaborative teaching and research between the academic departments of the University with institutions of repute from abroad and promote mutually beneficial exchange of students, research scholars and teachers. Institutional membership in international academic bodies, credit recognition and transfer, short term academic modules for visiting foreign students, financial support to Mahatma Gandhi University students to pursue study abroad programme with the support of various national and International agencies are among the objectives of the Centre.

OBJECTIVES

To promote academic collaboration and exchange in teaching and research;

To identify potential international institutions of repute that shall enter into collaboration with Mahatma Gandhi University

To identify potential academic areas of co-operation;

To formulate short term inter-disciplinary courses for foreign students;

To facilitate international co-operation between University Departments and colleges with foreign academic institutions;

To co-ordinate with national agencies such as UGC, ICCR, ICSSR, ICHR in the promotion of international co-operation;

To facilitate the visits of students, research scholars and teachers from Mahatma Gandhi University in institutions abroad;

To promote and host study abroad programmes of institutions from abroad;

To provide necessary inputs to university decision making bodies so that international exchange will take place to the satisfaction of the institutions

involved. INSTITUTIONAL FRAMEWORK

UCIC will be one of the departments in Mahatma Gandhi University that will strive for international academic collaboration in teaching and research. An advisory committee (6-8 Members), with the Vice-Chancellor as its Chairman shall advise the programmes and activities of the UCIC. One of the senior teachers of the University shall be nominated by the Vice-Chancellor as the Director. UCIC shall function in the premises of School of International Relations and Politics until independent facilities are developed. The University shall provide necessary supporting staff to conduct the activities of the centre.

RECENT INITIATIVES OF UCIC

'HIROSHIMA-NAGASAKI PEACE DAY', HIROSHIMA COMMEMORATION FUNCTION,

EXHIBITION "HIROSHIMA FOR PEACE", CULTURAL GET TOGETHER AND CULTURAL EVENING, 11- 12 AUGUST 2010, M.G. UNIVERSITY CAMPUS, PRIYADARSHINI HILLS, KOTTAYAM

The University Centre for International Co-operation (UCIC) observed the 'Hiroshima Peace Day' on 11-12 August 2010, on the 63rd Anniversary of the dropping on the atom bombs on Hiroshima and Nagasaki.

A public meeting were organised at the University campus at 11 AM on 11 August 2010. Prof. Rajan Gurukkal, Vice Chancellor, inaugurated the function. Dr. Ninan Koshy (peace activist), Dr. G.V.C. Naidu (Professor, Japanese Studies Jawaharlal Nehru University, New Delhi), Rev. K.V. Palouse (peace activist), Dr. Raju K. Thadikkaran (Director, UCIC) and Adv. P.K. Harikumar (member, Syndicate) spoke on the occasion. Further, there was an exhibition on the theme "Hiroshima for Peace" from 11.30 A.M. to 6.30 P.M on 11 August 2010. Mr. Takashi Teramoto (76), a survivor of Hiroshima inaugurated the exhibition. Mr. Takashi Teramoto lead a six-member Japanese delegation. Exhibits from Japan were the key attraction.

In the cultural gathering in the afternoon, Mr. M.K. Krishnamoorthy (ICCR), Prof. Rajan Varghese (Pro-Vice Chancellor) Prof.M.R. Unni (Registrar), and Prof. K. Sadasivan Nair (member, Syndicate) were present on the occasion. A performance of *Kalaripayattu* by the C.N.V Marma Kalari Sangham, Thiruvananthapuram, Mohiniyattam by Indian and foreign students from *Kerala Kala Mandalam* and cultural performances by the Indian and foreign students of the School of International Relations and Politics, Mahatma Gandhi University were the main items.

PARTICIPATION OF INTERNATIONAL CONFERENCE

The Director of UCIC represented for Mahatma Gandhi University in the 'FICCI Higher Education Summit 2010' on Nov 11 and 12 at New Delhi. The two-day summit organized by the Federation of Indian Chambers of Commerce & Industry (FICCI), in association with Ministry of Human Resource Development,

Government of India, the theme was on 'Renovations in Indian Higher Education: Renewed Focus on Autonomy, Accountability & Partnerships.'

The Mahatma Gandhi University proposes to establish of a new Centre viz., Dr.K.N. RAJ STUDY CENTRE FOR PLANNING AND CENTRE-STATE FINANCIAL RELATIONS in the School of Social Sciences from 2010-11 academic year.

INTRODUCTION

In recent years there has been increasing concern about the deterioration in the standards of higher education in economics in the country. Undoubtedly, India has produced and continues to produce economists of high calibre who have made valuable contributions to theory and policymaking. However, at present, there are only a limited number of centres of excellence in post-graduate teaching and research in economics in the country. For various reasons, some of which are well known, these centres of excellence have been dwindling in number. It is unfortunately true that today there are very few schools where teaching and research in economics reach up to the best international standards. On the other hand, the services of well-trained, competent economists are in great demand, and the demand is expected to grow exponentially with the rapid growth and globalization of the economy. The number of young economists being produced by the shrinking number of centres of excellence is far from adequate to meet this rapid growth in demand for high-quality professionals from the public and private sectors, in addition to meeting the needs of universities. It is in this context that Dr K N Raj Study Centre is established .The primary objective in founding the Centre is to create a Centre of Excellence in in economics with specialization in Fiscal Federalism and Macro Economics in the country.

NEED FOR THE CENTRE :

There are several departments of Economics in existence at the University and College level in the State. These are all structured to handle conventional areas of the discipline leading to the award of a post graduate degree. With the spread of the neo-liberal economic policies in the Third World Countries, economics programmes at the Post graduate and Research levels in our Universities lack the theoretical rigour and institutional support to critically analyze these policies. Planning – theory and praxis – at all levels (State, Centre, local) has to be rearticulated in the context of neo-liberal economic policy.

And also, Fiscal federalism is an important area of study in Public Economics that has been greatly influenced by the current policy changes in the economy. It has also added a new dimension to the discourse on Centre-State financial relations. The devolution of resources/power from the Centre to sub-national units (States/PRIs) under the aegis of the Planning Commission/Finance Commission/Central Ministries has been an integral part of this discourse. Issues related to Public Debt of the Centre and State Governments, transfer of power and resources to PRIs etc. are also discussed as part of Multi-level finance or Fiscal Federalism, in the Country.

OBJECTIVES OF THE CENTRE :

- 1) To act as a centre for teaching and research leading to the award of P.G., Ph.D and M.Phil degrees.
- 2) To organize research and consultancy in the area of fiscal federalism/Centre-State Financial relations/Public Debt of Centre/State/Macro Economics Policies.
- 3) To act as a Centre for training for Government official/Civil-servants in the area of Centre-State financial relations.

4) To act as a Centre for training people's representatives in the area of public expenditure, taxation and public debt of Centre/States/Local bodies/Government Policies.

COURSES PROPOSED

1. M A Economics - 15
2. M Phil in Economics -10
- 3 . Ph D

AREAS OF SPECIALISATION

1. Fiscal Federalism
2. Macro Economics

FACULTY REQUIRED

Professor : 1

Associate Professor : 2

Assistant Professor : 3

VISION FOR THE FUTURE

Research

University Library

Mahatma Gandhi University Library System consists of Central Library in the University main campus and more than 30 department libraries and University Teacher Education and Study centres existing in various campuses.

Staff Position

Dr. R.Raman Nair continued as University Librarian and Smt. Laila T.Abraham continued as Deputy Librarian.

Smt. Sudha R. joined as new Administrative Officer.

Other Promotions and Appointments:

Shri. Abu Bucker, Technical Assistant is promoted as Reference Assistant and Shri. Sabu K., Library Assistant is promoted as Technical Assistant.

The staff position of the University Library remained as follows:

Posts	No.
University Librarian	1
Deputy Librarian	1
Administrative Officer	1
Assistant Librarian	11
Reference Assistant	7
Technical Assistant	2
Library Assistant	8
Library Assistant (Contract)	3
Assistant	1
Peon	3

Services

In addition to the normal services of the library such as reference services, lending of books, inter-library loan service, etc the following documentation services are provided:

Online Information Service

University Library is automated using SOUL software of INFLIBNET. UGC- INFONET service is provided using 1Gbps Leased Line Internet Connectivity enabling access to full text of 5000+ electronic journals and 12 various online databases. The Library sustains membership to institutions like DELNET (New Delhi), Indian Institute of Science, Bangalore, I ITs, NISCAIR and NCL, Pune.

Sci-Finder Scholar:

MGU has access to SciFinder Scholar (SFS) the world's leading pool of scientific information, which includes several mechanisms for retrieving information and also for thousands of knowledge processing applications including laboratory functions.

EBSCO Database (ASC)

Mahatma Gandhi University Library is subscribing to EBSCO Database (Academic Search Complete) since May 1, 2010. It indexes about 13000 journals of which full text access is provided to about 7000 journals.

Document Delivery Service (DDS)

Photocopies of articles are procured from DELNET, Document Delivery Centres of INFLIBNET, and other leading libraries. The resources of the library are thus efficiently supplemented through this service.

CD-ROM Searching

A CD ROM networking facility to search databases in CD-ROM is provided in the central library. The services of INFLIBNET Center and National Centre for Science Information (NCSI) are also utilized to access the databases not available in the library..

Reprographic Services

Specialized reprographic services like printing, scanning, CD writing etc are provided in the library in addition to the usual photocopying service. Printers include laser jets, ink jets and dot matrix with different specifications to give services on special papers, transparencies etc.

New Addition List of Books

New addition list of books purchased in the University Library is published as fortnightly from Technical Section of the Central Library. The list is distributed to Syndicate members and departments of M G University and all university libraries in Kerala.

Rewarding Projects

The rewarding projects of the library

include: Inks Pact with INFLIBNET

Mahatma Gandhi University linked the first agreement by any university in the country with INFLIBNET, initiated under the University Grants Commission, to provide open access to its doctoral dissertations. The soft copy of this agreement was signed by University Registrar M.R. Unni and INFLIBNET Director Jagdish Arora on 10-6-2010.

Open Access Initiative of MGU and State Government's E-Learning Award

M G University continues to receive world wide focus for its Open Access Initiatives during the year. M G University's site mgu.theses.org bagged Government of Kerala's E- Learning Award for creating unique database of all the research theses accessed through internet. The award was presented to the University's representative by the Minister for Law and Parliamentary Affairs Shri. M.Vijayakumar.

Audio-Visual Resource Centre (AVRC)

Films are screened in the AVRC on days of international importance in addition to the normal routine of two films screened in a month. Necessary suggestions and recommendations are accepted from both students and teachers to augment the programs in the centre.

Important Events:

1. Digital Library/ ICT Lab

Digital Library/ICT Lab was inaugurated by the Hon. Vice-Chancellor Dr. Rajan Gurukkal on 17-08-2010.

The Lab is fully functional with 14 computers.

2. Workshops / Programmes conducted

1. "Lecture on Access to UGC INFONET E-Journals & Digital Libraries from Colleges and Universities (N- LIST)" on 10-06-2010
 2. "Workshop on Effective Use of World Wide Web" on 17-08-2010

 3. Sreekumar, V. Assistant Librarian Gr.I
 4. Sisupalan, K. Assistant Librarian Gr.I
 5. Murali K.K., Assistant Librarian Gr.I
 6. Sujatha R., Assistant Librarian Sr.Scale
 7. Mini G. Pillai, Assistant Librarian Sr.Scale

8. Maghesh Rajan M., Assistant Librarian
9. Raju Varghese, Reference Assistant
10. Anil Kumar A.T., Reference Assistant
11. Jinnymon C.C., Reference Assistant
12. Aparna P.R., Technical Assistant
13. Sabu K., Library Assistant
14. Vimal Kumar, V., Library Assistant
2. Smt. Sujatha R. Assistant Librarian, Senior Scale attended a UGC sponsored Refresher course in Library Science conducted by UGC-Academic Staff College, University of Kerala, Kariyavattom from 16-04-2010 to 07-05-2010.
3. Smt. Mini G. Pillai. Assistant Librarian, Senior Scale attended a UGC sponsored Refresher course in Library Science conducted by UGC-Academic Staff College, University of Kerala, Kariyavattom from 16-04-2010 to 07-05-2010.
4. Smt. Mini G. Pillai, Assistant Librarian, Senior Scale attended an International Seminar on Webometrics, Informetrics and Scientometrics from Oct 18-22, 2010 at University of Mysore.
5. Sri. Maghesh Rajan M. Assistant Librarian attended a UGC sponsored Refresher course in Library Science conducted by UGC-Academic Staff College, University of Kerala, Kariyavattom from 16-04-2010 to 07-05-2010.

Publications of the staff

1. Dr. R. Raman Nair, University Librarian
 2. Smt. Laila T. Abraham, Deputy Librarian
- An article "Role of Public Libraries in Non-formal Education in Kerala" of Smt. Laila T. Abraham, Deputy Librarian was published in KELPRO Bulletin Vol.14.No.2, December 2010. Library Blog

Mahatma Gandhi University Library has created two blogs for promoting library services, resources and programs. Blog titled MGUL Moments (<http://mgulmoments.blogspot.com>) dedicated for timely reporting of events from the Central Library. Book Review blog (<http://mgulbkreview.blogspot.com>) gives updates about new books arrived in the library. Monthly book list and review are the main content of the book review blog. Provision for user interaction and dynamic content are the main features of the library blog.

Book Exhibitions

Exhibition of books are arranged on relevant dates at the entrance of the University Library. Book/Journal Collection

Book collection at the end of the year accounts to 43600. The library subscribed to 225 Indian and 135 foreign journals during the year 2010.

Membership and user statistics

The Central Library has 2348 active membership including students, teachers, research scholars and others during the year 2010. About 1650 users use the library per week.

Department of Student Services

Department of Student Services renders valuable services to the student community.

The programmes of the Department are envisaged for the personality development of the students. To make the students aware of the social evils and to redress some of their haunting problems, the Department has been conducting Counselling Programmes/Workshops for students as well as teachers. Students' artistic and literary pursuits are realised through the Youth Festivals and the Department of Student Services and the University Union jointly conducted the University Youth Festival at Kottayam from 5.1.2010 to 9.1.2010. Details of the activities of the Department of Student Services are as follows.

STUDENT ACTIVITIES (UNIVERSITY UNION)

The Department of Student Services acted as a good facilitator for the various activities of the University Union. The activities of the University Union 2009-10 were formally inaugurated on 23.4.2010. The University Union under the leadership of

Sri. Rahul. V.R (Chairman) and Sri. Rajeesh. K.S (General Secretary) conducted many student oriented programme during 2010-11. The programmes conducted are Nature Camp, Seminar on Central Education Bill, Medical Camp, Media Camp, Leadership Camp, Seminar on Foreign Universities in India, Felicitations of Rank Holders, Anti-Ragging Campaign, Film Festival, Bharath Murali Ansumaranam, Sahithya Camp, Nadankala Sangamam, Chithrarachana Camp, Campaign for Liquor Free Campus, Vanitha Camp and One Act Play Competition.

ALL INDIA INTER UNIVERSITY YOUTH FESTIVAL 2009-10.

All India Inter University Youth Festival 2009-10 was held at Maharshi Dayanand University, Rohtak, Haryana from 2 - 6 February 2010. Mahatma Gandhi University has won first prize in Installation, second prize in Western Vocal Solo and third prize in Group Song (Western).

SOUTH ZONE INTER UNIVERSITY YOUTH FESTIVAL 2010-11

Mahatma Gandhi University participated in the South Zone Inter University Youth Festival 2010-11 held at SASTRA University from 21 – 25 August 2010. The University sent a contingent of 40 members for participating in 20 items. The contingent was constituted from among the first prize winners of the University Youth Festival held at Ernakulam in January 2009. In the South Zone Inter University Youth Festival, our team won 1 first prizes 4 second prizes and 2 third prizes.

The contingent was led by Prof. K.K. Raju, Director of Student Services.

ALL INDIA INTER UNIVERSITY YOUTH FESTIVAL 2010-11.

All India Inter University Youth Festival 2009-10 was held at Sree Venkiteswara University, Tirupathi from 18 - 22 January 2011. The first and second prize winners at the zonal level had participated in the National Festival. The MG University contingent was led by Prof. K.K. Raju, Director of Student Services.

ANTI-RAGGING AWARENESS CAMPAIGN

As part of the Anti-Ragging Awareness Campaign, the Department of Student Services organized a Poster Designing Competition for the students of the affiliated colleges and University Departments on 12.08.2010. As per the request of the University Union, Anti-Ragging Oath was taken by the students in the University Campus and in the affiliated colleges on 13.08.2010. 16th September 2010 was observed as the Anti-Ragging Day by the University. In this connection, Anti-Ragging posters and other related literature were distributed from the department to the affiliated colleges.

This Department has been preparing monthly compliance report on Ragging in Colleges affiliated to this University and forwarding the same to the Governor of Kerala before the 5th of every month.

WOMEN COUNSELLING

Taking a new direction in the area of higher education, the Department of Student Services with due direction and advice from the University authorities had launched the Women Counseling Programme in 2005-06. Consequently many affiliated colleges and University teaching departments have opened counseling units in the campuses, nominating a lady faculty member as the teacher counselor for giving free counseling service to the women students. The Department has conducted a One Day Teacher Orientation Programme for the Women Counselors from the affiliated colleges on 13th January 2011 at Chaithanya

Pastoral Centre, Kottayam.

ORIENTATION PROGRAMME ON STUDENT WELFARE ACTIVITIES

The Department of Student Services organized two 'Orientation Programmes for University & College Teachers on Student Welfare Activities'. The first programme conducted at Chaithanya Pastoral Centre, Thellakom, Kottayam on 12.10.2010 was inaugurated by Dr. P.M.Rajan Gurukkal, Vice-Chancellor, Mahatma Gandhi University, Kottayam.

The second programme conducted at St.Teresa's College, Ernakulam on 10.11.2010 was inaugurated by Dr. N.K. Jayakumar, Vice-Chancellor, National University of Advanced Legal Studies, Kochi. During the programme, there were also Seminar sessions on Career Guidance, General Health Awareness and the Curbing of Ragging in the Campuses.

HAYFEST at Thiruvananthapuram

Department of Student services sent a team of eleven students and two faculty members of this University to participate in the Hay Festival of Literature & Arts at Thiruvananthapuram held during 12-14 Nov, 2010. The contingent was led by Dr. P.S. Radhakrishnan, Reader, School of Letters, Mahatma Gandhi University.

DISTRIBUTION OF CASH AWARDS

Mahatma Gandhi University is annually disbursing cash awards to the first and second prize winners of the University Youth Festival and first, second and third prize winners of South Zone and the National Inter University Youth Festivals. This year an amount of Rs.1,82,000/- was disbursed to the winners in a function conducted on 9th December 2010 at RLV College of Music & Fine Arts, Tripunithura. Dr.Rajan Varughese, Pro-Vice Chancellor distributed the Cash Awards.

GROUP INSURANCE

Insurance coverage for the entire students is another scheme undertaken by the Department of Student Services. The Department of Student Services renewed the Group Personal Accident Insurance Policy for all the students of the University for 2010-11. Insurance benefits are claimed for accident death or injuries of students and all the insurance claims have been processed and forwarded to the United India Insurance Co. Ltd. The cheques received against the valid claims have been given to the legal heirs/applicants.

GRACE MARKS

The Department is processing all the applications for grace marks of the winners in the Youth Festivals. This year also, the Department processed all such applications.

National Service Scheme

The Mahatma Gandhi University National Service Scheme, since its inception in 1983, keeping inline with the noble objective of creating social consciousness and inculcating the spirit of nation building through social action, organizes divergent programmes and activities for attaining social justice.

It's volunteers have won laurels in the past, and marching ahead to attain it's goals. Brief Report Of The Activities

Mahatma Gandhi University National Service Scheme has fixed a target to collect One Lakh eye donation pledgeforms from the affiliated colleges and adopted villages before 31st December 2010.

University level Training Programme for the production of Eco-friendly articles – Jute bag – paper bag etc.
One of the major problem which is to be addressed now is the plastic menace. Massive awareness campaign is needed in this regard.

Eco-friendly articles like Jute bag paper bag etc. is the need of the hour.

Plastic bags are non bio-degradable. They cannot be destroyed and on burning, emit toxic gases leading to lung infections, respiratory problems, bronchitis etc.

Moreover throw-away plastic articles destroys our earth, kills our animals and poisons our drinking water. So please say 'no' to plastic carry bags. Help conserve Nature.

Oct. 2 Gandhi Jayanthi week

Gandhi Jayanthi week was observed in a befitting manner. Discussions on the relevance of Ahimsa in the present day world, peaceful conflict resolution, blood donation, value based education, broken family problems etc. were the main theme which were discussed during the week.

University Employment Information and Guidance Bureau

The University Employment Information and Guidance Bureau, functioning with the assistance of Mahatma Gandhi University in the University Campus, commenced its activities in May 1990. The functions of the Guidance Bureau is monitored by an Advisory Committee under the Chairmanship of the Hon'ble Vice Chancellor. The Advisory Committee consists of 11 members including the Vice Chancellor. The 1st meeting of the Advisory Committee was held on 3rd 1997 and the last meeting on 7th June 2010.

The Bureau has a Chief, a Deputy Chief, two Clerks and a Peon. Dr. A.P Thomas, Director, Advanced Centre for Environmental Studies and Sustainable Development was the Chief and Dr. T.V Thulasidharan, Associate Professor, School of Pedagogical Science took over the charge from 13.12.2010. Sri. S. Krishanakumar was the Deputy Chief up to 17.03.2010 and Smt. D. Satheedevi up to 07.06.2010. Sri. S. Jayachandran, Employment Officer is the Deputy Chief from 18.06.2010. The Deputy Chief, Clerk and Peon are State Government Employees. The Chief is appointed by the University who is a member of any statutory department.

The functions/ objectives of the Bureau

To collect and disseminate Career Information.

To highlight opportunities for higher studies.

To disseminate information on scholarship, fellowships, financial assistance, available in India and abroad.

To render vocational guidance to students. To assist students for securing employment.

To give information on various competitive examination.

To conduct career guidance classes, seminars and career talks and give guidance on group discussions to equip students for better performance and personality development.

To register Post graduate degree holders in general stream and Professional degree holders for employment assistance.

To prepare Employment Information Bulletin to help students in their Educational and Vocational Planning.

Individual guidance is given to the candidates to choose professional courses and jobs by evaluating the talents, interest, skill, aptitude, family background etc. Another major function of the Bureau is to conduct coaching classes for the competitive examination conducting at the state and national levels. We give awareness to the trends and techniques resorted in the examinations to evaluate student's intelligence restored in the examinations to evaluate student's intelligence, problem solving capacity, knowledge of the subject etc. The Bureau conducts coaching classes to prepare the students belonging to Minority Community for the UGC/CSIR NET examinations (with the financial assistance of the UGC). Bureau also conducts coaching programmes for the different examination conducted by the various recruiting agencies like Public Service Commission, Banks, Staff Selection Commission etc. Admission to above courses are often limited to 40 students.

Another work of the Bureau is to equip the candidates to face various type of interviews. Discussions and mock interviews help them to project their communication skill development, intellectual development, professional development, social skill development etc.

Bureau conducts one day Career Seminar in colleges to create awareness among the students on career opportunities and skill development. Seminar would focus mainly on career trends in India and abroad, opportunities for higher studies, how to face an interview and also on Personality development. Eminent resource persons are invited for the purpose.

Deputy Chief visits at least three colleges under the jurisdiction of the University as well as 2 Town Employment Exchanges, a Juvenile Home and an ITI every month for delivering career talks. Career talk mainly focus on employment trends, competitive examination, interview techniques, job oriented courses etc.

Professionally qualified persons can register their names with this bureau for their better prospects.

The Bureau has a functional library and at present it has 566 books and other study materials. Publications like The Hindu, Kerala Gazette, Employment News, PSC Bulletin, Tozhil Vartha, Thozhil Veedhi, University News of AIU, Competitive Success Review etc are currently subscribed and are readily made available for the reference to the visitors.

The activities of the Bureau during 2010 Coaching Programmes.

The Employment Information and Guidance Bureau five coaching programmes during the year.

SI no	Name of the Coaching Programme	Date of Commencement and Date of Conclusion	No.of Participants
1	UGC NET Examination	23.04.2010-16.05.2010	47
2	CSIR NET Examintion	03.05.2010– 22/05/2010	16
3	State Eligibility Test	17.05.2010– 01.06.2010	33
4	UGC NET Examination	02.10.2010- 27.11.2010	46
5	CSIR NET Examination	02.10.2010- 05.12.2010	29
6	Civil Service Examination	09.10.2010-April 2011	29

Civil Services Orientation Programmes

The Bureau in association with the SC/ST Development Department conducted an orientation programme on civil services examination. Hon'ble Vice Chancellor inaugurated the programme conducted at the Guidance Bureau in the campus on 25.05.2010. Sri. V.R Joshi, Joint Director, SC/ST Department, Sri. V. Asokan, Deputy Registrar of M.G University and Smt. D. Satheedevi, Deputy Chief participated in the function. Prof. G. Alby, a well known resource person in the field of Civil Service Examination training was the resource person.

One more orientation programme on civil services examination was conducted in the Guidance Bureau on 01.10.2010. Dr. Rajan Varghese, Pro. Vice Chancellor, inaugurated the function. Dr. A.P Thomas, Chief, Dr. T.V

Thulasidhanran, Placement Co-ordinator and Sri. S. Jayachandran briefed during the inaugural session. Prof. G. Alby was the resource person. 31 candidates participated in the programme.

Career Seminars

The Guidance Bureau conducted a series of Career Seminars in various colleges under the jurisdiction of the University during 2010. The purpose of such seminars was to train and equip the students to perform better in job interviews and also for their overall personality development. An amount of Rs 50,000/- was sanctioned from the University for conducting the seminar. The Bureau conducted 12 such seminars in affiliated colleges and one in the University campus. The seminars were conducted giving priority to colleges situated in rural areas.

Sl. No	Name of the College	Date	No. of Participants	Resource Person
1	K E College, Mannanam	11.01.2010	184	Prof. Thomas Lazar

Career Talk

The Deputy Chief delivered 32 career talks during this year and 2346 students got benefited by the programme. Group Discussion.

The Deputy Chief conducted 24 group discussions during the year and 160 students got benefited by the programme.

Individual Guidance

The Deputy Chief gave individual guidance to 136 students during this year. Information Bulletin.

The Guidance Bureau published Employment Information Bulletin with details of various new generation courses, career opportunities, examinations conducted by various recruiting agencies etc. The Bureau published 7 Information Bulletin during this year.

University Health Centre

The University Health Centre started functioning in the year 1992. Since then Dr. R V Jayakumar is the Honorary Medical Director. He was the Professor of Medicine at Government Medical College, Kottayam and now working as Professor in AIMS, Kochi.

The Director visits the Centre once in a week and examines cases referred by the Medical Officer. The Director verifies the admissibility of the medical reimbursement bills and Interest free Medical Advance for treatment to teachers and staff as per govt. rules.

Dr. M J Chacko, MBBS is the Resident Medical Officer. There are two nurses and a laboratory technician working in the centre. The health centre provides primary health care to students, teachers and staff of the University. The centre also offers essential medicines to the needy free of cost. The Centre is equipped with ECG Machine, Semi Auto Analyzer etc. The Health Centre laboratory conducts Blood Sugar, Lipid Profile, Liver Function, Renal Function, Blood Routine and grouping tests.

Thus the students, teachers and staff of the University are utilizing the services of the health centre.

System Administration Group

Deployment in Different Departments and spheres

Now, the immediate computerization processes are being rolled out to the following departments and spheres connected with exam and other computer-related works in the University. We can summarize the status in each department as follows:

I) CETEX (Centre for Exams and Tabulation) and CBCSS wing (Conducting the Credit Based Semester System Examinations which functions from inside CETEX) - Now, CETEX and associated sections have been dealing with the examinations conducted for about 223 UG/PG Courses of the University. Different automation projects have been devised at this section which employs programmers to work on these projects for improvement of exam processes. CBCSS wing is dealing with the Exams connected with Credit and Semester Courses in CETEX. A CBCSS exam portal has now been released which aims at comprehensive management of exam-related tasks and publishing of results. CBCSS has recently employed Bar-coding system which is a step towards automation of exam results and exam paper management. The barcodes have in fact provided an additional merit over the previous manual methods and false numbering system is yet another layer of security over this.

II) Computer Cell - This wing deals with managing employee details and Salary details as well as connected data. For aiding in management of processes, an open-source based solution has been used by this section which is being supported by System Administration Department. Efforts are on to rectify drawbacks on this and to tune the application with ever-changing needs of the section.

III) University Computer Centre - The needful for the functioning of the University Computer Centre in the form of Software, hardware and support are being provided by System Administration Department.

IV) Hardware - In the hardware and Software level also, the process tuning is happening in various ways.

Purchase of new systems aimed at cost-saving and better performance has been initiated. For example, the major share of new purchase for different needs of the University are constituted by Atom processor powered desktops which are Low cost, rugged, (nettops) as hardware which will save 65% on cost and upto 80% in power. This will be a major breakthrough in cost-effectiveness of the computerization of University as well as big impetus for process improvement. Such hardware is being promoted for all purchases of office hardware inside University or the external computerization aided by University for the time being.

Moreover, all the major projects at the System Administration Department are powered by Open Source software devoid of any licensing or cost constraints which make them a positive choice.

Essential hardware like IBM servers already purchased have been devoted to host Versioning, database and critical services to complement the project activities.

Moreover, the NOC room of the University houses servers for mail, storage, monitoring etc and web servers hosting all the in-house projects in a secure manner. Now, a set of rack-mounted HP Blade servers have been purchased and installed to complement essential services in view of scalability in future.

Touchscreen kiosks have been ordered for purchase towards installation in various buildings to facilitate providing relevant information to visitors especially students. The proposal for commissioning of full-scale datacenter is on the pipeline

V) Networking – The campus-wide network backbone has already been commissioned with fibre-uplink and firewall, antivirus gateways. The central network rack is situated in NOC room at administrative block which controls link to all major departments with distribution switches. The operations of network is monitored and supported by System Administration department and technicians from the firm which supplied the infrastructure.

Recent Major Activities

Other activities of the System Administration Team at M.G. University at different spheres for successful implementation of computerization modules are as follows:

- * The encrypted storage of marks and other details in exam management system has addressed the security problem in storage of data.

- * In addition to the live online exam system functioning in University, a proposal is being made for hosting an offline private exam system so as to maintain integrity of data and for syncing with the live system time to time.

- * Steps like Version Control, database backup etc have been adopted to minimize this issue. Also, for steering the various project groups, team meetings and presentations are being regularly held at the office premises.

- * A new Website based on a CMF(Content Management Framework) Solution has been recently unveiled and is undergoing review and expansion. The website with its aesthetic looks will be more instrumental in displaying the information on university to outsiders and also would serve for relevant use to Students, Researchers, Staff and Authorities alike.

Projects

Many projects devised lately have been designed with a 3-tier Architecture with a team of 3 programmers working on these projects are being provided sufficient training in related technologies and are destined to be deputed to such projects to be undertaken in exam sections alike.

Phd Online :Public portal for candidates for admission to Phd. Interactive portal which updates the activities of the selection procedure and academic activities interactively with the candidates and concerned departments

Online Teacher's Portal :Portal for teacher community under MG University. Teachers can upload their career details, academic profile along with their specializations, subjects handled, journals etc. We are working on extending the features.

Distance Education Management: Handles the entire activities of Distance education which includes the Distance education Centre management, Entire student life cycle management and all the activities of SDE is also covered (underway)

CBCSS Degree Admission 2010 : Admission procedure of UG students of CBCSS stream is handled through this portal and the final approved data is used for the entire life cycle management of admitted students (underway)

College Exam Management Portal: Which handles the Internal and External mark entry of CBCSS from each colleges and from the designated camps. Through this portal we offer services like support, secure hall ticket management, student registration and many more

Technical Support Portal: Portal offers custom ticket generating system for support regarding technical issues, mainly focused on the IT enabled projects which handles escalation of issue to 4 higher levels.

UG-CAP 2011 Project: Handles the centralized admission & seat-allotment of Undergraduate courses under the University. A similar project for Post Graduate courses have been successfully executed in collaboration with LBS Centre of Technology, Trivandrum in 2010.

Payroll management System : Customized Payroll application with integrated employee-management and with lots of new features

Examinership Admin Panel : An admin area called 'examinership' for allotting duties to teachers based on subjects, experience, specialization etc.

MGU Integrated Information System : An integrated system for handling student appointments with VC/PVC and

other authorities/sections of University incl: token-handling

In addition to these, the prestigious initiatives of System Administration team include:

Cutting edge employee management system (managing attendance, activities etc of

employees File tracking and management system for the whole University Sections and

Departments Integrated Information system

Internal office activity management system for School of Distance Education and Academic programmes (like PHD)

New CMF website (<http://mgu.ac.in>) undergoing

expansion Exam result management engine (Underway)

Setting up touch-screen app for Information KIOSKS aimed at campus visitors esp: students

Information and Public Realtions Department

Student's Web Centre

A joint initiative of the Kerala State Government and Mahatma Gandhi University,

Kottayam *Co-ordinator*: [Prof.C T Aravindakumar](#)

Student Co-ordinator: Mr. Byju P.

Babu Objectives of the Centre

The major objective of the centre is to provide 24 hr high speed web access to the entire student community (both from the university and from the affiliated colleges) for their academic purpose and to connect them to various search engines and data base systems. It is also envisaged to develop this centre as a nodal place for computer based research applications for researchers from the entire state.

Present Activities of the Centre (Stage I)

The centre became operational from the afternoon of December 2, 2009 with its inauguration by Hon.'ble Minister for Education and Culture, Shri. M.A. Baby. The centre is presently equipped with one server level computer attached to 20 user terminals, one printer and a scanner. These terminals have access to internet and to all the online journals and search engines available at the University library under the UGC Infonet programme. Through this programme, the University has access to more than 4000 online journals in science and social science, and databases. In addition, an important search engine in science subjects, *the SciFinder*, published by the American Chemical Society, is also available at the moment.

The centre is managed fully by the research students of this campus. A student coordinator and a team of students work on shift basis. Membership in the Web Centre is open to the students and research scholars of this University and the affiliated colleges.

Activities During Last year

Daily average users are around eighty numbers. Total login in the last year was just over than 25000 numbers.

SC/ST Cell

(I) Construction of Hostels for OBC Boys and Girls in the University Campus through a Centrally Sponsored Scheme.

Vide G.O.(Rt) No.1326/2009/SCSTDD dated 07.12.2009 and G.O.(Rt) No.990/2009/SCSTDD dated 14.09.2009, the Government accorded administrative sanction for construction of hostel building for OBC Boys and OBC Girls in the University campus at an estimated cost of Rs.136.96 lakh and 135.89 lakh respectively. Both the construction works have been entrusted to M/s Kerala State Construction Corporation Ltd.

Vide U.O.No.9943/SC/STCell/2010/Admn. dated 22.02.2010 permissive sanction was accorded by the Hon'ble Vice-Chancellor to hand over 45 cents of land identified on the eastern side of the existing women's hostel building for the construction of hostel for OBC girls.

Vide U.O.No.3173/SC/STCell/2010/Admn. dated 28.06.2010 permissive sanction was accorded by the Hon'ble Vice-Chancellor to utilise 50 cents of land near the existing Boys Hostel in the campus for the construction of Hostel for OBC Boys.

(II) Various Schemes Implemented for SC/ST and Minority Community Candidates

The schemes such as (i) Coaching for NET (ii) Coaching for Civil Service Examination and (iii) Remedial Coaching etc. for SC/ST and Minority Community Candidates are being implemented in the University with the financial support of UGC.

As in previous, years Rajiv Gandhi National Fellowship is being disbursed to eligible SC/ST research scholars of various teaching departments. 24 research scholars are beneficiaries of the scheme during the year 2010-'11.

Students' Grievance Cell

A REPORT ON THE STUDENTS' GRIEVANCE REDRESSAL MAHATMA GANDHI UNIVERSITY

Students' Grievance Redressal Cell of Mahatma Gandhi University established in November 2004 functions under the direct control and supervision of the Vice Chancellor for the redressal of the complaints of the students, the primary clientele of the University. An Officer in the rank of Assistant Registrar is assigned with the duty of attending to and redressing the grievances of students. Aggrieved students from the affiliated colleges, students registered under the private stream, and the off-campus stream, students from the University departments including self-financing departments etc approach the Students Grievance Cell for the redressal of their grievances. Their complaints include delay in releasing examination results and conduct of examinations, releasing of withheld results/mark lists, delay in getting Provisional certificates/Degree certificates/ other certificates, pending cases of malpractices, delay in the release of revaluation results etc. They also approach the Cell to expedite their intercollegiate transfer and readmission. Their complaints also include the hardships they suffer from the College authorities, like compulsory issuance of Transfer Certificate, arbitrary suspension, denial of hall tickets, grievances in internal marks, attendance, practical etc. These types of complaints show a gradual increase during the past few years, particularly from the self financing colleges in the unaided stream.

Students approach the Grievance Cell as their last resort in the University to redress their grievances. The hardships they face are multifarious and we have to sort out these cases/problems on a time bound manner. Some students complain that they have to tread the corridors of the varsity office for days to get a duplicate mark list or official transcript or some other document for reasons beyond their control and it is here that the Grievance Cell can effectively interfere. If a complaint/ request is lodged with the Students Grievance Cell in person or by post, the Officer in charge of the Students Grievance Cell would contact the section or Assistant Registrar concerned for a clear picture of the case, on the very day itself. If any guidance is needed, to throw light on the matter that also

Guest House

M.G. University Guest House with 19 rooms including 7 A/C rooms cater to the needs of the Guests attending the various programs, seminars, conferences, symposiums etc. conducted by various departments of the University.

The rent details (per day) are as follows:

Suite Rooms	: Rs.1000/-
A/c Single	: Rs.500/-
A/c Double	: Rs.600/-
Non-A/c Single	: Rs.250/-
Non-A/c Double	: Rs.350/-
Dormitory	: Rs.80/- per head

The present Manager is Shri G Vijayakumar, Estate Officer.

FINANCIAL ASSISTANCE TO DEPARTMENTS / CENTRES (01/01/2010 – 31/12/2010)

Sl.No.	SCHEME	AGENCY	NAME OF THE DEPARTMENT/CENTRE	TOTAL AMOUNT ALLOTTED	AMOUNT RECEIVED
1.	FIST Program (Fund for improvement of S&T infrastructure)	Department of Science & Technology	SCHOOL OF PURE AND APPLIED PHYSICS	` 40, 00, 000/-	` 16, 00, 000/-
2.	Development Assistance for Upgradation of Existing and New Management Department	UGC	SCHOOL OF MANAGEMENT AND BUSINESS STUDIES	` 70, 00, 000/- + Salary for one visiting Professor	` 26, 00, 000/-
3.	Centre of Excellence for Disabilities Studies	LBS Centre for Science & Technology	INTER UNIVERSITY CENTRE FOR DISABILITY STUDIES	` 10, 0000, 00/-	` 10, 0000, 00/-
4.	Promotion of University Research and Scientific Excellence (PURSE PROGRAM)	DST	ALL SCIENCE DEPARTMENTS	` 9 Crores	Amount will be released by the DST soon
5.	FIST Program	DST	SCHOOL OF ENVIRONMENTAL SCIENCES	` 90, 00, 000/-	Amount will be released by the DST soon
6.	Scholarship for Teachers of Social Sciences and Languages to do Research in Kerala and Outside Centres	Government of Kerala	SOCIAL SCIENCE AND LANGUAGE DEPARTMENTS	` 40, 00, 000/-	Amount will be released by the State Govt. soon

RESEARCH PROJECTS SANCTIONED DURING 1st January 2010 – 31st December 2010

Sl.No.	PROJECT	AGENCY	PRINCIPAL INVESTIGATOR	TOTAL PROJECT COST	AMOUNT RECEIVED
1.	Production, Purification and Characterization of Proviplles of Potential Aquaculture Probiotics	UGC	Dr. Keerthi T R School of Biosciences	` 10, 77, 800/-	` 7, 48, 800/-
2.	Chemotactic Response of Human Phagocytic Cells in Tuberculosis Patients	UGC	Dr Anie Y School of Biosciences	` 1, 84, 000/-	` 1, 24, 000/-
3.	Financial Sustainability of Self Help Groups in Kerala	UGC	Dr E Sulaiman School of Management and Business Studies	` 1, 00, 000/-	` 65, 000/-
4.	Anticancer Effect of Selected Medicinal Plants	UGC	Dr M S Latha School of	` 9, 26, 300/-	` 6, 99, 800/-

Experimental Animals		Biosciences		
5.	Analysis of Performance based Assessment of English : A Study among Secondary School Lectures of Kerala	UGC	Dr. Jaya Jaise School of Pedagogical Sciences	` 1, 10, 000/-	` 70, 000/-
6.	Moving object data base model for security informatics	UGC	Sri. Sajimon Abraham School of Management and Business Studies	` 1, 00, 000/-	` 92, 500/-
7.	Role of Cooperative Societies in the marketing of fish and fish products in Kerala	UGC	Dr. K Sreeranganadhan School of Management and Business Studies	` 4, 76, 200/-	` 2, 92, 700/-
8.	Free Trade agreements and agrarian economy of India : A Study with special reference to Kerala	UGC	Dr. Mathew Kurian School of International Relations & Politics	` 6, 87, 000/-	` 3, 87, 000/-
9.	Preparation of Novel Planar Optical WaveguidesCharacterization	KSCSTE	Dr. N V Unnikrishnan School of Pure and Applied Physics	` 12, 98, 000/-	` 9, 09, 333/-
10.	National Vegetation Carbon Pool Assessment	IIRS (Indian Institute of Remote Sensing)	Dr E V Ramasamy School of Environmental Sciences	` 4, 60, 000/-	` 4, 00, 000/-
11.	Terrorism and NuclearSecurity Strategy	ICSSR (Indian Council for Social Sciences Research)	Dr. C Vinodan School of International Relations and Politics	` 3, 98, 825/-	` 1, 60, 000/-
12.	Ion beam irradiation effects Nanomulti ferroics	UGC-DAE-CSR	Dr.Nanadakumar Kalarikkal School of Pure and Applied Physics	` 1, 26, 000/-	` 1, 21, 000/-
13.	Sustainable Tourism and Development: A case study of Kumarakom in Kerala	UGC	Sri. Siby Zacharias School of Management and Business Studies	` 90, 000/-	` 65, 000/-
14.	Formulation and biopharmacokinetic Cardiovascular diseases	KSCSTE	Sri. Sajan Jose Department of Pharmacy	` 11, 15, 500/-	` 9, 72, 950/-
15.	Nanofillers in Polymeric Systems	General Cables USA	Dr. Sabu Thomas School of Chemical Sciences	` 16, 50, 000/-	` 2, 76, 236/-
16.	Synthesis of Stable highly luminescent Nanoziorlite	DST	Dr. Jesty Thomas School of Chemical Sciences	` 13, 68, 000/-	` 4, 50, 000/-
17.	Development of engineered performance applications	DST	Dr. Sabu Thomas School of Chemical Sciences	` 3, 66, 99, 600/-	` 3, 45, 00, 000/-

SEMINARS / CONFERENCES / WORKSHOPS (1st January 2010 – 31st December 2010)

1. International Conference on Polymer Characterization. 15th – 17th January 2010 (CN & NT) Dr. Nandakumar Kalarikkal, School of Pure & Applied Physics
2. One day National Seminar on International Exploration Continuum on 26/03/2010
The Director, School of Pedagogical Sciences
3. Refresher Course in Experimental Physics. November 2010
The Director, School of Pure & Applied Physics
4. International Conference on Education Paradigm Shift (ICMGU 2010) 8th – 10th December 2010 Dr. Raju K Thadikkaran, School of International Relations & Politics and Smt. Radhika P, School of Social Sciences
5. Summer Workshop on "Chiral MolecularAnalysis" 7th – 9th June 2010
Dr. I Ibnusaud, School of Chemical Sciences
6. Organizing the lecture "Music on Therapy" on 6th July 2010
Sri. Kurian K Thomas, Department of Printing and Publishing
7. Hiroshima (Peace) day 11th August 2010
Dr. Raju K Thadikkaran, School of International Relations & Politics
8. Vaikom Muhammed Basheer Memorial & Ayyapa Panicker Memorial Kalalaya Kavitha Competition 2010 Sri. Kurian K Thomas, Department of Printing and Publishing
9. International Conference on Rural Markets - November 2010 The Director, School of Management and Business Studies
10. Setting of Archeological Museum
Dr. Gireesh Kumar T S, Director, School of Social Sciences
11. International Conference on Composites and Nano Composites – January 7th – 9th 2010 - University Campus
Dr. Sabu Thomas, School of Chemical Sciences
12. National Seminar in Right to Education and right to Establish March 2011 Dr George Joseph, School of Indian Legal Thought
13. Faculty Development Programme – 25th – 29th October 2010 at School of Management and Business Studies

FELLOWSHIPS / SCHOLARSHIPS (01/01/2010 – 31/12/2010)

Sl. No.	Fellowship / Scholarship	Agency	Name of the Research Fellow	Total Amount Sanctioned	Amount Received
1.	Fellowship for Rank Holders	KSCSTE	Sreedhanya S School of Chemical Sciences	` 1, 33, 800	` 1, 33, 800
2.	Fellowship for Rank Holders	KSCSTE	Arun Banu V School of Environmental Sciences	` 1, 33, 800	` 1, 33, 800
3.	Young Scientist Award	KSCSTE	Jyothi S School of Enviromental Sciences	` 30, 000	` 30, 000
4.	Rajat Janyanthi Vigyan Sancharak Fellowship	DST	Jeecan Job Thomas School of Pure & Applied Physics	` 2, 29, 000	` 1, 50, 000
5.	BSR Fellowship	UGC	Rakhi R & Savithri Devi School of Pure and Applied Physics Mathew V Varghese & Reshma John School of Biosciences Nikhil Chandra, Divyalekshmi & Christy Philip School of Chemical Sciences	` 1, 26, 000/- per head per annum	` 1, 26, 000/- per head per annum

6.	Dr. D S Kothari Post Doctoral Fellowship	UGC	Dr. Vinod Kumar R School of Pure and Applied Physics	₹ 4, 15, 700	₹ 4, 15, 700
7.	Indira Gandhi Single Girl Child Scholarship for P G Students	UGC	No. of Awardees : 124 @ ₹ 40, 000/- per Head as two instalment	₹ 49, 60, 000	
8.	Scholarship for University Rank Holder	UGC	No. of Awardees : 3 @ ₹ 40, 000/- per Head for two years	₹ 1, 20, 000	
9.	Junior Research Fellowship	UGC	N Rajesh, School of Pedagogical Sciences Jisha Joy, " Josheena Jose " Princy Jacob " Divya S Nair " Rakhi Radhakrishnan "		
10.	Faculty Improvement Programme	UGC	Saritha A C, SPAP/ A P Rajeesh, SILT/ & Rajesh Kumar, SSS		

Erudite

Report on the Scholars Visited Mahatma Gandhi University, Under the ERUDITE during January 1- December 31, 2010

(Coordinator: Prof.C.T.Aravindakumar)

Scholar Visited

1. Prof. Roger Yonchien Tsien
Nobel Laureate, University of California, USA (Jan.4-6, 2010)
2. Prof. Michael R. Hoffmann
California Institute of Technology, Pasadena, USA (Feb. 8-21, 2010)
3. Prof. U.R Ananatha Moorthy
(Feb.15- Mar. 14, 2010)
4. Prof. Gayatri Chakravorty Spivak
Columbia University, USA. (Mar.31-Apr.6, 2010)
5. Prof. CNR RAO
Jawaharlal Centre for Advanced Scientific Research,
Bangalore (Apr.26-28, 2010)
6. Prof. Henry B. Kagan
Emeritus Professor, Institute de Chimie Moleculaire et des Materiaux d' Orsay, Universite Paris-Sud, France.
(Aug.15-24, 2010)
7. Prof. M.S. Valiathan
Former Vice Chancellor, Manipal Academy of Higher Education, Manipal, Karnataka (Aug.15-30, 2010)
8. Prof. Ferid Murad
Nobel Laureate, University of Texas, Health Science Centre at Houston, USA (Sept.5-9, 2010)
9. Prof. J Belloni
University of Parris, France (Sep.18- Oct.2, 2010)
10. Prof. Robert Huber
Nobel Laureate, Max - Plank Institute of Biochemistry, Munich,
Germany (Oct. 18 -23, 2010)

11. Prof. Rene Muller
Louis Pasteur University, Strasbourg , France
(October 24-1 November 2010)

12. Shri. Kumar Sahini
Film Maker (Oct. 31- Nov.4, 2010)

Prof. Prasad .L. Polavarapu

Department of Chemistry, Vanderbilt University, Nashville, U.S.A. (Nov.22-30,
2010) 13. Prof. J. Diesennhofer

Nobel Laureate, University of Texas South Western Medical Centre USA (Dec.5-10, 2010)

Detailed Report

1. Prof. Roger Yonchien Tsien, Nobel Laureate in Chemistry, University of California, San Diego (Jan.4-6,
2010) (Host Department: School of Chemical Sciences)

Roger Yonchien Tsien is an American biochemist and a professor at University of California, San Diego. Prof. Tsien is renowned for revolutionizing the fields of cell biology and neurobiology by allowing scientists to peer inside living cells and watch the behavior of molecules in real time. He is a key pioneer of calcium imaging and well know for developing various colorful dyes such as Fura-2.

During his visit, Prof. Tsien has given a lecture on "Breeding and building molecules to spy on cells and tumors" on January 5, 2010 at 10.00AM, at the School of Chemical Sciences Auditorium, Mahatma Gandhi University. Prof. Rajan Guruakkal, Vice Chancellor of Mahatma Gandhi University formally welcomed the Laureate and presented a memento. The lecture was attended by about 300 people. The participants were mostly students and faculty members from all the science departments, researchers from other affiliated colleges and research centres. Prof. Tsien explained the chemistry of the Green fluorescent proteins (GFP) for which he received Nobel Prize in 2008. He also explained how the GFP is helpful in managing sensitive operations inside the body.

In the afternoon of January 5, 2010, he interacted with nearly 60 research students mostly from bioscience and chemistry for about 2 hrs. The questions were mostly from cell biology, biochemistry and biotechnology. The entire programme was recorded professionally and will be available for reproduction for educational purpose at a later stage. On January 6th, he interacted with a small group of researchers in the field of fluorescence spectroscopy.

2. Prof. Michael R. Hoffmann, Environmental Engineering Division, California Institute of Technology (Caltech), USA (Feb. 8-21, 2010)

(Host Department: School of Environmental Sciences)

Prof. Michael R. Hoffmann, is a James Irvine Professor of Environmental Science, at the California Institute of Technology (Caltech), USA. He works in the area of 1) heterogeneous atmospheric chemistry, and 2) advanced oxidation and reduction chemistry and technology, 3) basic aquatic chemistry, 4) semiconductor photocatalysis, and 5) hydrogen production from sunlight via electrochemical water splitting. His research activities over the years have involve both field and laboratory experimentation.

He visited the School of Environmental Sciences during Feb.8-21, 2010. He gave 3 major lectures. Feb. 9: Fuel from Waste: Hydrogen as the solution of future energy

Feb.10: Sonochemical degradation of organic

pollutants Feb.15: Research in Caltech: Opportunities

In his first lecture, Prof. Hoffmann demonstrated how his experiments resulted in the development of fuel from waste water. The electrochemical spiting of water can be utilized for running cars. He explained the fundamental chemistry of production of hydrogen by spiting water. In his second lecture, Prof Hoffmann detailed the use of ultrasound in the degradation of a number of water pollutants. Both mechanistic aspect and applications were discussed. The third lecture was mainly details of all the research activities of California Institute of Technology, and the possible avenues for students in various research and post graduate studies.

During the period Feb.15-19, Prof.Hoffmann interacted with faculty and research students from the School of Environmental Sciences and the School of Chemical Sciences of Mahatma Gandhi University. In addition, some faculty members and students from nearby colleges have also interacted with him. Finally, he sketched a collaborative research programme between his group in Caltech and the environmental chemistry group in Mahatma Gandhi University,

3. Prof. U.R Ananatha Moorthy
(Feb.15- Mar. 14, 2010)

(Host Department: School of Letters

Prof. U R Ananatha Murthy, Jnanpith Winning novelist, academic and former Vice Chancellor of Mahatma Gandhi University spent a month interacting with the students and faculty of mahatma Gandhi University. He arrived in Kottayam on 5 March 2010 and remained in Kottayam till 5 April. During this period he took part in a number of academic and semi academic programmes. It began with the inaugural Lecture of the Women's Day celebrations on 6 March held at BCM College Kottayam. At School of letters the host department he gave several lectures on

topics ranging from literature in the various Indian languages to W B Yeats, from Indian Aesthetics to folklore and theatre. On 11 March he participated in a meet the author programme and an interactive session with noted novelist T D Ramakrishnan organised at School of Letters.

He took part in an interactive session with the Vice Chancellors of the various universities in Kerala on 9 March. Apart from that on 17 March, he headed a discussion on Higher Education in Kerala in which various stake holders in the field took part.

Apart from that, he also gave a few extension lectures at various functions held within the campus. This included the inauguration of the Research Centre at SB College Changanacherry on 15 March. On the same day he gave a lecture while giving away the VK Unnikrishnan literary prize on 15 March. On 26 March he took part and gave the valedictory lecture at a seminar at the Gandhi Bhavan. He also addressed the teaching faculty of the university at a function organised by the teaching community. He gave several extension lectures at the various teaching departments of the university. He also addressed a group of university employees who were retiring on 29 March. On the same day he took part in an interactive session with well known writers D Vinayachandran and Balachandran Chullikkad.

He also attended and lectured at some public functions in different parts of the state. This included the functions organised by Lohya Vichar Vedi in memory of the great socialist in Kottayam and in Calicut. Apart from that he also took part in various other functions of public interest in and around Kottayam.

He took part in an academic function chinthaprasaram on 18 March at St Mary's College Manarcad. On 24 March He spoke at a seminar at Farrok College, Calicut.

A dinner was hosted by the university in his honour. He also took part in a dinner hosted jointly in honour of Prof. Anantha Murthy and Prof. Gayatri Chakravarty Spivak on 4 April.

4. Prof. Gayatri Chakravorty Spivak, Columbia University,
USA (Mar.31-Apr.6, 2010)

(Host Department: School of Social Sciences)

Prof. Gayatri Chakravorty Spivak, University Professor, Columbia University, New York was Scholar -in- Residence, School of Social Sciences, Mahatma Gandhi University, from 31 March to 6 April, 2010. Prof. Spivak had interacted with the scholarly community of the University during her stay here. Prof. Spivak is a globally acknowledged for her contributions in the field of humanities and social sciences. She was instrumental in giving theoretical foundations for postcolonial studies.

On 31 March Prof. Spivak discussed selected writings of Dr. Ambedkar and African-American thinker Du Bois. This discussion was framed in the intellectual context of the postcolonial studies. The discussions from 1 April to 4 April included themes such as Critical Feminist Theory, Subaltern Studies, and Post colonial Theory. She had emphasised the critical reading of the texts to elicit meanings by contextual readings. These discussions were based on the pre-circulated readings. The scholarly community that participated in the discussions included research scholars, an MA and MPhil student and teaches. Some of the participants had come from the affiliated colleges. The study week was very fruitful to the students as it helped them to think through the categories of Postcolonial studies, Critical Social Sciences and Humanities. The School of Social Sciences of MG University was the initiator of the programme. We also received the support of the School of Letters and one session of the programme was held there.

As a follow up to the programme, we have started the Critical Social Sciences Reading Group in the School of Social Sciences of Mahatma Gandhi University. This is a reading group that meet every alternate Friday to discuss pre-circulated readings. The Reading Group had regular participation of ten students who are mostly research scholars. In addition to the discussion of the academic writings, the research scholars are also encouraged to present their proposals as well as work-in-progress chapters of their dissertations/theses. We had also planned writing workshops to train students in academic writing to overcome their problems in writing. We have also had students initiated seminars on various issues in social sciences theory as a follow up to the Scholar-in-Residence Programme of Prof. Spivak.

5. Prof. C.N. R. Rao, Jawaharlal Nehru Centre for Advanced Scientific Research, Bangalore (27-29 April 2010)

The renowned Scientist Prof. CNR Rao, FRS, the National research Professor and Honorary President and Linus Pauling Research Professor, Jawaharlal Nehru Centre for Advanced Scientific Research, Bangalore- has visited Mahatma Gandhi University, Kottayam during 26th -28th April 2010. Prof. Rao has inaugurated the International Conference on Nanomaterials: Synthesis, Characterization and Applications-ICN 2010 which was organized by the Centre for Nanoscience and Nanotechnology and held during 27-29 April 2010.

He has given given a lecture titled "Graphene and Beyond". Graphene is an allotrope of carbon, whose structure is one-atom-thick planar sheets of sp^2 bonded carbon atoms that are densely packed in a honeycomb crystal lattice. The term *graphene* was coined as a combination of graphite and the suffix -ene by Hanns-Peter Boehm who described single-layer carbon foils in 1962. Graphene is most easily visualized as an atomic scale chicken wire made of carbon atoms and their bonds. The crystalline or "flake" form of graphite consists of many graphene sheets stacked together.

The talk covered the details of the various forms of carbon such as graphite, carbon nanotubes, fullerenes and diamond and explained how the graphene can be the basic structural unit of various allotropes of carbon. The talk also covered the various synthesis mechanisms and challenges involved along with the various properties of graphenes. The talk covered in details the possible applications of graphene and the challenges in realizing the potential applications.

There was an interactive session with media people and students on 27th April 2010. During his visit, we established a research collaboration with Jawaharlal Nehru Centre for Advanced Scientific Research, Bangalore and as a part of it Dr. Nandakumar Kalarikkal, Hon. Joint Director, Centre for Nanoscience and Nanotechnology has visited JNCASR as a Visiting Fellow during August-October 2010.

6. Prof. Henry B. Kagan, (Laboratoire de Catalyse Moleculaire, Institut de Chimie Moleculaire et des Materiaux d'Orsay, Universite Paris-Sud, France) (Aug.15-24, 2010)

(Host Department: Institute of Intense Research in Basic Sciences & School of Chemical Sciences)

On 16 August 2010 (10 am), Professor Henri B. Kagan delivered a lecture titled "*Non enzymatic catalysis, a promising tool in the synthesis of biologically active compounds*" at School of Chemical Sciences Auditorium. The lecture was attended by around 200 people that include the students and faculty of School of chemical sciences, Institute for Intensive Research in Basic Sciences (IIRBS), other departments in the campus and neighboring colleges. The Hon'ble Vice Chancellor inaugurated the programme. The lecture dealt with the development of Asymmetric catalysis, the development of the first chiral C2 symmetric ligand (DIOP), the concept of non linear effects in asymmetric catalysis, applications of catalysis in drug discovery etc. The lecture was followed by question answer session.

In the afternoon, there was an interactive session where the students from various departments of the university interacted with Professor Kagan.

On 17 August (10 am), Professor Kagan gave a classroom lecture on "*the fundamentals of Asymmetric Catalysis*" at the IIRBS Lecture hall. The class mainly meant for researchers in the asymmetric catalysis. He ended the morning session by answering the queries from students.

On 18 August (10 am), he had scientific discussion with the faculty and provided valuable suggestion for the improvement of teaching and research in the institute.

7. Prof. M.S. Valiathan

(Aug.15-30, 2010)

(Host Department: Inter-University Centre for Biomedical Research)

Prof. M.S. Valiathan, former Vice Chancellor of Manipal Academy of Higher Education, Manipal has visited Mahatma Gandhi University during Aug.15-30, 2010. The main aim of his visit was to motivate researchers to come forward and work in diversified areas of medical science. He made several interactions with researchers in the field of biology, chemistry, physics and medicine. His entire program in Kottayam is summarized below

15/8: Arrival

16/8 Lecture: Development of Sreechithra Heart Valve: Does it have a message?

17/8 Lecture: Science Looks at Ayurveda

18/8 Lecture for the Seminar on Frontiers in Biomedical Research conducted by the Centre for Biomedical Research.

19/8 Lecture: Medical Education in the Melting Pot.

20/8 Interaction with Students of M.G.University

21/8 Discussion with Teachers

23/8 Interaction with the students and teachers of Medical Education

24/8 Discussion with students and faculty of School of Biosciences

25/8 Discussion with Medical Professionals

Discussion with the students of nanocentre.

26/8 Discussion with ayurvedic medical practioners

27/8 Lecture and discussion at Gove.Medical College, Kottayam

Lecture at Darsana Cultural Centre, Kottayam

28/9 Discussion with Medical Professionals

30/8 Return to Manipal

During his stay in Kottayam, Prof. M.S.Valiathan delivered three public lectures

1. "Development of Sreechithra Heart Valve: Does it have a message?" on 16th August, 2010.

2. "Science Looks at Ayurveda" on 17th August, 2010.

3. "Medical Education in the Melting Pot." On 18th August, 2010.

The lectures were conducted at the School of Chemical Sciences Auditorium. Several of Faculty members from the university departments, Teachers from colleges, Doctors and staff from the Govt Medical college, Kottayam, Ayurveda Medical college, Kochi and Homeo Medical Colleges attended the seminars. The lectures were followed by very informative discussions. Our students and the students from the paramedical colleges were also actively participated in the lectures and discussions.

8. Prof. Ferid Murad, Nobel Laureate in Physiology/Medicine, The Texas Health Science Center at Houston, USA (Sept.5-9, 2010)

(Host Department: School of Environmental Sciences)

Prof. Ferid Murad is an American physician and pharmacologist, He is a professor at and Director Emeritus of 'The Brown Foundation Institute' of Molecular Medicine for the Prevention of Human Disease

Prof. Murad gave two main lectures and interacted with students, faculty and researchers from university and other institutions. He also interacted with a group of medical professionals from different parts of Kerala.

Prof. Rajan Guruakkal, Vice Chancellor of Mahatma Gandhi University formally welcomed the Laureate and presented a memento on Sept.6.

His programmes are summarized as follows-

Sept. 6: "Discovery of nitric oxide and cyclic GMP in cell signalling and their role in drug development"

Sept.7: Interactive session with faculty members, research students, medical professionals

Sept.8: "A novel inhibitor of cyclic nucleotide synthesis and their use in toxin induced diarrhea"

Sept. 9: Interaction with Inculcate students (Selected 60 students by Govt of Kerala under Inculcate Programme) Sept.9: Interaction with Medical Professionals

9. Prof. J. Belloni, University of Paris South, France

(Sep.18- Oct.2, 2010)

(Host Department: Centre for Nanoscience and Nanotechnology)

Prof. Belloni, from the Physical Chemistry Division of the University of Paris-south, is an expert in the field of Nanoscience and she is particularly interested in radiation and photochemical and photophysical properties of nano-clusters in solution state.

During her stay in Kerala, she visited Mahatma Gandhi University, University of Kerala and the Cochin University of Science and Technology and delivered lectures in diversified areas.

During Sept.18-28, 2010, she gave three major lectures in Mahatma Gandhi University for physics and chemistry researchers and conducted a demonstrative class on holography (3D imaging)

The lectures are

Lecture-1: Contribution of radiation chemistry to Nanoscience

Lecture-2: Synthesis of Nanoparticle, nucleation mechanism and properties
Lecture-3 : Nuclearity-dependent properties of clusters

The nuclearity-dependent properties of clusters have a crucial role in silver photography. After a brief historical introduction, she explained the principle of modern silver photography, and the mechanism of development beyond a critical . A second application to photography of the understanding of cluster behaviour is the huge enhancement of the film sensitivity obtained by an appropriate hole scavenging. Likewise it is applicable to holography (3D imaging) which was also described.

In addition, she conducted the demonstration of holography (3D imaging) explaining her own work (which appeared in the journal *Nature*) to selected students groups from physics and chemistry. A few holograms (made by Y. Gentet) were also displayed.

She also had several interactive sessions with research students of chemistry and physics during her visit in Mahatma Gandhi University.

She visited University of Kerala, Centre for Nanoscience, during Sept.28-30, and delivered two main lectures on nanoscience, and interacted with students and faculties.

During Sept 30-Oct.2, 2010, she visited the Nanocentre in Cochin University of Science and Technology (CUSAT). She delivered two invited talks on Oct.1, 2010.

10. Robert Huber , Nobel Laureate in Chemistry, Max Planck Institute of Biochemistry, Munich, Germany (Oct. 18 -23, 2010)

(Host Department: School of Environmental Sciences)

Prof. Huber is known for his work in first crystallizing an intramembrane protein important in photosynthesis in purple bacteria, and subsequently applying X-ray crystallography to elucidate the protein's structure. Prof. Rajan Guruakkal, Vice Chancellor of Mahatma Gandhi University formally welcomed the Laureate and presented a memento on Oct.19.

During his visit he delivered four main lectures and interacted with researchers and students. The details are-
Oct. 19: "Beauty and Purpose , the Structure of Proteins "

Oct.20: " Proteases and Regulation, Basic Science and Application

" Oct.21: " Life on Carbon Monoxide "

Oct.21: Interaction with Inculcate students (Selected 60 students by Govt of Kerala under Inculcate Programme)
Oct.22: "Foundations and Application of Protein Crystallography. How I became a Protein Crystallographer"
In the evening of Oct.22, Prof. Huber had a meeting with the Minister for Education, selected faculty members of Mahatma Gandhi University, Vice Chancellor of Cochin University of Science and Technology and some researchers. Prof.Huber mentioned the possibility of future collaboration with Max-Planck-Institute in Germany.

11. Prof. Rene Muller, University de Strasbourg, France (Oct. 24-Nov. 1, 2010)

(Host Department: Centre for Nanoscience and Nanotechnology)

Prof. Dr. Rene Muller from University de Strasbourg, France visited the Centre for Nanoscience and Nanotechnology and gave the following lectures.

1. Rheology of Polymer Melt Processing, Oct 26th, 2010 , 11. 30am
2. Melt Rheology of polymer blends and composites October 27th, 2010
3. Delayed cross linking through vectorisation of a reactant, Modeling of the process, October 28th, 2010, 2 pm
4. A new elongational flow mixer/reactor, selected applications in polymer synthesis, modification and processing, October 29, 2010, 11 am
5. Interaction with School Children - October 29, 2010 at 2 pm

The talk of Prof, Muller was attended by faculties, students, and resarch scholars of the university and affiliated colleges. Prof. Muller also interacted with school children.

We have initiated following three joint research progmmes as a result of the visit of Prof.Muller.

1. Exchange of students between MGU and France
2. Exchange of faculties between MGU and France
3. Submission of joint research project between MGU and France

12. Shri.Kumar Sahani, Film Maker
(Oct. 31- Nov.10, 2010)

(Host Department: School of Letters)

Kumar Shahani noted film maker visited Mahatma Gandhi University as an ERUDITE scholar between 1 November and 3 November 2010. During the time the students and staff had a very fruitful time interacting with him. His visit was hosted by School of Letters. He arrived in Kottayam on the evening of 31 October.

Shri Shahani, well known for feature films like *Maya Darpan* and *Tarang* apart from documentaries on the lives of the likes of Pt. Hari Prasad Chaurasia however chose to speak or answer questions from the students on works by other film makers. On 1 November he interacted with the students of School of letters in a freewheeling fashion. He spoke at length on various concerns of a filmmaker as he/she goes into the making of a movie. His talk was spiced by anecdotes from his own experiences and also discussions on philosophical and compositional aspects of film making.

On November 2nd he had another interactive session with the students and faculty of School of Letters. He watched a segment from a movie produced by the students of School of Letters and asked some questions and offered suggestions for improvements. He gave some important tips to prospective film makers among the students on aspects of craft and representation. He also shared with the students his impressions on the work of one of the contemporary documentary film makers, namely M R Rajan. He also showed parts of a documentary made by him.

On 3 November he gave the seventh R Narendra Prasad memorial lecture at School of Environmental Sciences Auditorium. The lecture, interestingly titled Quivers focussed various aspects of creativity of an artist. He spoke at length on compositional and representational aspects an artistic creation. His lecture was as usual punctuated by examples from the world of literature, cinema and music. His versatility as an artist was evident in this lecture.

13. Prof. Prasad .L. Polavarapu Vanderbilt University, Nashville, USA
(Nov.22-30, 2010)

Prof.Prasad L Polavarapu, Department of Chemistry,Vanderbilt University, Nashville, visited Mahatma Gandhi University during the period Nov.22-01Dec, 2010 and delivered the lectures on Molecular spectroscopy and Chiroptical properties.

The lecture series was held at the auditorium of School of chemical Sciences and at Institute for Intensive Research In Basic Sciences, Mahatma Gandhi University, Kottayam

The lecture series was inaugurated by the Hon.Vice-Chancellor of the university Prof.Rajan Gurukkal on 22-11-2010.

A total of 104 students and faculties attended the programme.

The details of the specific topics on which prof.Polavarapu offered lectures are given below.

Programme Details
22.11.2010

11. A.M Inaugural function

- Lecture : Recent trends in chemical sciences
23.11.2010 Lecture : Introduction to Theoretical chemistry (part I) Classical and Quantum mechanics.
24.11.2010 Lecture : Theoretical chemistry (part II) Quantum mechanics.
25.11.2010 Lecture : Introduction to Molecular spectroscopy
27.11.2010 Lecture : Chiroptical Spectroscopy –Electronic transitions
29.11.2010 Lecture : Chiroptical Spectroscopy-Vibrational transitions
30.11. 2010 Lecture : Applications to Chiral molecular structure determination

Concluding function
During the period of visit, in addition to the lectures, Prof.Polavarapu engaged in discussion with the research groups of organic synthesis of Mahatma Gandhi University. Prof. Polavarapu has undertaken research collaboration with the synthetic organic group of Mahatma Gandhi University. The research collaboration leads to the publication of a paper in one of the leading journals namely *Journal Of Natural products (ACS)*. Overall the programme was a rewarding experience for the researchers and students of the university.

14. Prof. Johann Deisenhofer, Nobel Laureate in Chemistry (Nov.30-Dec.10, 2010)

(Host Department: School of Environmental Sciences)

Prof. Johann Deisenhofer is a Regental Professor and Professor in Biochemistry, and holds the Virginia and Edward Linthicum Distinguished Chair in Biomolecular Science at the University of Texas Southwestern Medical Center at Dallas.

Prof. Deisenhofer visited University of Kerala and Mahatma Gandhi University, Kottayam.

During Dec.1st and 2nd, he delivered lectures and interacted with students and faculties, at the University of Kerala. He delivered two main lectures and made several interactions with students.

Prof.Deisenhofer spent 5 days in Mahatma Gandhi University during Dec.5-10.

Prof.Rajan Guruakkal, Vice Chancellor of Mahatma Gandhi University formally welcomed the Laureate and presented books on Kerala History on Dec.6.

During his visit he delivered a major lecture on "Structural studies on cholesterol transport" on Dec.6 which was attended by nearly 300 researchers and students from chemistry, physics and biology.

On Dec.8, he interacted with school children including inculcate students from all over Kerala. The session was for 2 hrs.

He has also given a key note address at the Education Conference "*International Conference on Education for Peace, Social Inclusion, and Sustainable Development: Towards a Paradigm Shift*" Dec.8-10, 2010 Conducted by Mahatma Gandhi University. He also inaugurated the conference.

ASPIRE INCULCATE INSPIRESTIS THANMA

The Government of Kerala has introduced a Scholarship programme to encourage and nurture talents in literature among secondary, higher secondary and UG level school and college going students of all Government and Affiliated educational institutions in the state, which is co-ordinated by School of Letters, Mahatma Gandhi University . The programme has been named as "Thanma"..

As part of the programme 30 students would be given scholarship of Rs. 750 per month as book grants and also to visit major libraries. The student will be given Rs 2500 per year as contingency to meet the expenses. There would be 20 scholarships for Secondary and Higher Secondary students and 10 scholarships for Undergraduate students. Fifty percent of the total strength shall be girl students.

The programme was launched during 2010. As part of the programme meetings were organized at Thiruvananthapuram under the Director, Higher Education Council during July 2010, in which the proposal was discussed in detail. In a meeting held by the Hon' Minister for Culture & Education Shri. M.A. Baby during November 2010 , the programme was finalized.

The first installment of funds of Rs 10 lakhs was handed over to Mahatma Gandhi University for conducting the "Thanma" programme.

The first step of the programme was organising a selection workshop for the haunt of young talents. Wide publicity was given and creative works in literature was invited from school and College students. The literary works received from 62 young talents were scritinised and from whom 35 were selected for the next stage of programme ie the selection workshop.

It is planned to organize a three day selection workshop during 3rd-5th January 2011. The camp will be designed to include sessions on various literary genres like fiction, film, poetry, drama, language etc. The participants will be privileged to hear talks by eminent literary and cultural personalities .Selection of students for the scholarship

programme will be carried out after reviewing & evaluating their performance & creative talents during the three day workshop.

NAAC Cell

NAAC/IQAC

The NAAC Co ordination Committee and the NAAC Cell were engaged in the preparation for the visit by the NAAC Re-accreditation Peer Team, which was scheduled to be held towards the end of 2010. The Self Study Report (SSR) was prepared and forwarded to the NAAC Office in Bangalore in the month of May 2010. The Peer Team visit took place in December, 2010. NAAC has finally reaccredited the University for a further period of five years with a CGPA of 2.90 on a four point scale at "B Grade" valid from 08.01.2011.

IQAC

In order to build and ensure quality culture at the institutional level, the UGC has developed a scheme for the establishment of Internal Quality Assurance Cell (IQAC) in Higher Educational Institutions. IQAC is meant for planning, guiding and monitoring quality assurance and quality enhancement activities of the Higher Educational Institutions. UGC has already allocated as grant of Rs. 5,00,000/- (Rupees Five lakhs only) for setting up IQAC in the University

As per the stipulations given in the XI Plan guidelines of the UGC, Hon'ble Vice Chancellor has sanctioned the constitution of a 15 members committee for IQAC as detailed below:

- a) Chairperson:
 1. Prof. (Dr.) P.M. Rajan Gurukkal
(Hon'ble Vice Chancellor & Chairperson IQAC Mahatma Gandhi University)
- b) Members:
 2. Dr. K. Vikraman Nair (Professor & Director, SILT)
 3. Dr. K.M. Krishnan (Lecturer, School of Letters)
 4. Dr. K.M. Seethi (Reader, SIR & P)
 5. Dr. K. Indulekha (Reader, SPAP)
 6. Dr. C.T. Aravindakumar (Reader, SCS)
 7. Dr. P. Sanal Mohan (Lecturer, SSS)
 8. Dr. Jayachandran K. (Lecturer, School of Bio- Sciences)
 9. Dr. Razeena Padmam (Professor & Director, School of Behavioural Sciences)
 10. Prof. M.R. Unni (Registrar)
 11. Dr. T.V. Thulaseedharan (Reader, School of Pedagogical Sciences)
- c) External Experts:
 12. Dr. B. Ekbal (Former Vice Chancellor, Kerala Uty)
 13. Prof. M.K. Prasad (Executive Director, Information Kerala Mission, Govt. of kerala)
 14. Dr. R.V.G. Menon (Former Syndicate Member, MG Uty.)
- d) Director/Co-ordinator:
 15. Dr. P.P. Raveendran (Professor, School of Letters)

The first meeting of the Internal Quality Assurance Cell (IQAC) was held on 18th February, 2010. Dr. Rajan Gurukkal, Hon'ble Vice Chancellor and Chairperson of the IQAC addressed the members of the Cell briefly summing up the salient features of the IQAC, focusing on the goals, functions and benefits of the Cell as outlined in the guidelines from the UGC and the need to realize these aims through effective functioning of IQAC.

The meeting resolved that:

1. Each department should prepare a Department Appraisal Report based on Peer Appraisal and also Self Assessment Report by each Faculty Member.
2. Each School has to constitute the IQAC and activate the working of the Cell.
3. Each School shall upload various quality parameters of higher education practiced in each school updating the existing data base as posted in the University website and create links of these with the IQAC.

A meeting of the Vice-Chancellor with the Heads of the Departments to discuss the follow up matters of the IQAC was held on 8th March, 2010, in which it was decided to update the data of the various activities conducted in each department in the academic year. It was also resolved that each Department shall prepare a power point presentations on the strength and weaknesses of the department to be presented before the next IQAC meeting.

The second meeting of the IQAC was held on 8th April, 2010. 14 Schools/Departments and University Convergent Centres made power point presentation on their activities. There was another meeting of the IQAC on 9th November, 2010 which too come up with a number of suggestions for the enhancement of the Universities academic profile.

Anti Harassment Cell

Report on Anti-harassment cell of the university duruig-2010

Four complaints were received by the cell.

1. complaint raised against Sri :Rajesh Kumar .K. Lecturer School of Social Sciences by Smt Harsha Oomen , a student Of M Phil course of school of Social Sciences on 11/1/2010
2. Complaint raised against Sri.Sasi.S, Section officer by Tinimol,R, Sreedwi,P and Mable N.S on 20-1-2011
3. Complaint raised against Sri:Joseph.K.A, Section officer [H.G] by Smt.Renjitha T.K a Student of Post Basic Nursing Course on 4/2/2010
4. Complaint raised against Dr.K.T.Ram Mohan, Reader, School of Social Sciences by Ms.Radhika P,Senior Lecturer , School of Social Sciences.

Enquiry was conducted on all the four cases.

Based on the enquiry reports, Dr.K.T Ram Mohan and Sri: Rajesh kumar were suspended from service.

Action was taken by the Hon: Vice chancellor in favour of Tinimol , Sreedevi and Mable.

The case against Sri Joseph K.A is pending with the court.

Anti Ragging Cell

Kottayam

Alphonsa College, Pala - 686 574 (1964)

Assumption College, Changanacherry 686 101 (1950)

6. Details of tests cleared by students (if any)

Sl.No	National Level	State level
1	Leah Anna Thomas- CPT	
2	Lavana Chacko - DST-Inspire Fellowship	

6. Library

- a. Total Number of Books : 60756
- b. Total number of Journals : 173
- c. Total number of periodicals : 76
- d. Additions during the period : 637

7. Grants Received from

- a. State Government : Rs. 29.38 lakhs
- b. Central Government : Nil
- h) University Grant Commission : Rs. 54.08 lakhs
- d. Others – Specify : Nil

(e) Projects under taken

a. UGC Major Project

Dr. Sr. Suma Rose, Dept of History: *"Struggle for women right and liberation in Kerala from 1900 – 1947"*

UGC Minor Project

Ms. Mary Jaya V.J, Dept of Comp Science: *"Recovery of Scattered Data Using Neural Network Approach"*

Dr Regimol C Cherian, Dept of Physics : *"Gamma radiation sensor based on metal phthalocyanine thin films"*

Dr. Marykutty C. V, Dept of Chemistry. *"Studies on double networked natural rubber"*

Sr. Philomenamma John, Dept of Home Science: *"Prevalence of aneamia and the impact of the intervention among selected higher secondary adolescent girls (16-18 yrs) of Changanacherry Taluk of Kerala"*

Ms. Linz Tom, Dept of Comp Science: *"The Cellular revolution: An analysis of the Hazards, prospects and implications of the use and misuse of cellular phones in Changanacherry"*

9. Seminars Conducted :

- a. State Level : Department of Botany conducted a State level seminar on "Climate Change & Biodiversity" on Sept 2010

b. National Level :

c. Inter National Level :

International Conference on "Green Path to Sustainability: Prospects and Challenges" was conducted during July &-9, 2010 (Photo attached)

11. Seminars Conducted by Faculty (Name wise –with details)

(a) State Level:

Sr Philomenamma John & Ms Neethu Ommen were resource person at the Seminar organized by the Directorate of Industries and Commerce

(b) National Level : Dr Jissy Mathew was an invited speaker at National workshop organized by Centre for nano Science and Nano Technology at MG University, Kottayam

(c) International Level

12. Publications by the Faculty with Impact factor of the Publications

Ms. Shijamol P	Enhancing athletic performance among rural athletes in village in Coimbatore District, TN	International Journal	British Sports Journal, August 2010

4. Projects Undertaken

(a) Physics

Smitha Joseph – Minor project awarded by UGC as per the order MRP(S)-992/10-11/KLMG030/UGC-SWRO dated 22 Dec 2010.

Chemistry

House Construction Project – A house was constructed for a needy student and was blessed on 22.01.2010.

Botany

UGC-Minor project – Approved to Dr. Peter K.

Mani Zoology

General Body Meeting of the Zoological Society of Kerala (2 sk) was conducted on July 24th in B.C.M.

College Sociology

Counselling is given to the needed students by trained Counsellor under the auspices of Sociology Department

(b) Chemistry

New Scholarships were introduced in the department for the needy students.

10. Seminars Conducted

(a) State Level

Chemistry

One day seminar on Application of Statistics in Chemistry on 24/10/2009

Zoology

One day seminar on 'Dragon fly' on July 9th was taken by Dr. Abraham Samuel.

Sociology

Sociology Department in collaboration with Y's Men Club KTM conducted a seminar on 'Learning Disability on October 4th 2010.

2. National Level

Half day seminar Delivery by Dr. M.S. Iatha, S.N. College, Chengannur.

International Level

11. Seminars Conducted by Faculty (Name wise – with details)

12. Publications by the Faculty with Impact factor of the

Publications Physics

Dr. Marykutty Thomas published a research article in Indian Journal of Pure and Applied physics in February 2010. Impact Factor is .246

13. Research Highlights of Faculty/Scholars

Mathematics

Dr. Mercy Mani P.

- i. Guided 4 M.Phil students to get their degree
- ii. External Expert of Doctoral Committee of M.G. University
- iii. Research Guide – Mar Thoma College, Tiruvalla (MGU)

Sri. Stephy Thomas

Communicated 3 Research papers

Resource person to the workshop on SPSS at Department of Economics CUSAT

Presented paper at the International Conference held at St. Thomas College, Pala

Sri. George Mathew

1. Published 2 papers
2. Communicated 2 research papers

Physics

Smitha Joseph is doing part time research in the topic 'Magnetite resistance' in M.G. University

Botany

Ph.D. awarded to Dr. Selinamma Joseph & Dr. C.A. Sabina

14. Academic Achievements

English

Renju D., HOD, awarded Ph.D. on December 13/2010 by M.G. University

Botany

Dr. Peter K. Mani – Member of University subject expert

Zoology

Namitha Nair got II University Rank in B.Sc. Zoology

15. Student Achievements – Academic

English

University rank in B.A. Exam of M.G. University 2010 March

Mathematics

21. Our former student Neethu Theresa Willington secured II Rank in UGC – NET exam conducted in December 2009 (B.Sc. Physics – 2007 batch)

22. Our student Dona Thomas secured IV Rank in B.Sc. Physics University Exam (March 2010)

Botany

Namitha Nair – II Rank Zoology main with Botany Sub.

Sociology

Vinumol Devassy attended an interaction programme with Former President Dr. A.P.J. Abdul Kalam. Also participated in 'Ranagam'.

16. Students Activities/Achievements – (Extra Curricular)

Sociology

Vinu also got selection to the Final round of the contest – Best Student Leader

(a) National Cadet Corps

Chemistry

Indumol A. attended a 10 day NCC National Camp from 09/01/2010 to 18/01/2010.

(e) National Service Scheme

English

10 volunteers from I year B.A. English Literature class

Mathematics

About 20 students are in active participation of NSS

Botany

10 members

Sociology

Vinumol Devassy of 3rd DC Sociology selected as Best Camper of 7 Day Camp at Punchavayal. Commerce

7 students are NSS members

She represented M.G. University in Pre Republic Day parade held at Bangalore from 5th October to December 2010.

Best N.S.S. Volunteer for the year 2009-2010

Volunteer secretary to the N.S.S. unit of the college during 2009-10

The NSS unit of the college has 200 volunteers. This year a seven day camp was organised at Chakkupallom in Idukki District. The volunteers also cleared the premises of the DD office, Kottayam. The NSS along with the Government of Kerala held a meeting on the topic 'Dowry Prohibition' in the college. A Legal awareness session which focused on making the students aware of the rights of women was also conducted by the NSS in the college.

(f) Arts Festivals

English

University Youth Festival

III Mohinyattom, Kuchipudi – Krishnendu E.S.

A Grade Classical Music

Overall Champion in Arts & Literary competitions of college

Overall Trophy in Literature Fest conducted by C.M.S. College

Chemistry

b Stephy Jose of II DC (2010 Batch) was a member of the Margamkali team which won I prize in the University Youth Festival.

c Sona V.K. & Jyothimol K.P. won I prize in Madam Remani Tharayil Quiz Competition held in the college. They also attended Inter-collegiate quiz competitions.

d Sona V.K. and Sruthy C. Nair won I prize in Sr. Michael Debate Competition held in the college.

Botany

Participated in Oppana, Thiruvathira and Athappookkalam

19 students progression (..... about the past students) Last year 10 I classes and 7 second class, 85%

Zoology

1. Every year Zoology students publishes a manuscript in the name "phoenix"

2. II prize in Nadan Pattu

3. II prize in Athappookkalam Contest

Sociology

Sociology Association is selected as the 2nd Best Association of the College

Commerce

3 students won 3rd prize in University Youth Festival

(d) Sports

From 1st January to 31st December 2010

Achievement of Team Championship in M.G. University Level

College cycling team secured second position in M.G. University Inter-Collegiate Cycling Championship (Feb 2010)

Cross Country team secured Third place in M.G. University Inter-Collegiate Cross Country Championship.

Outstanding performer in Sports from 1st January to 31st December 2010.

1. Soniya P.M.

Secured Gold Medal in Junior Federation Cup National Athletic Meet at Visakhapattanam.

Secured Bronze medal in All India Inter-University Athletic Meet at Gundoor, in the event of 4 × 400m relay.

Participated Junior National Athletic meet at Bangalore.

Participated All India Inter-University Cross Country Championship at UP.

2. Sherin James

Participated Women's National Athletic meet at Agra.

3. Riya Thomas

Secured Bronz medal in South Zone National Athletic meet at Bangalore, in the event of 3000m race and 5000m race.

Participated Junior Federation Cup National Athletic meet at Visakhapattanam.

Participated Women's National Athletics meet at Agra.

4. Resin George

Participated Junior National Athletic meet at Bangalore

Participated Junior Federation Cup National Athletic meet at Visakhapattanam.

Participated South Zone National Athletic met at Bangalore.

5. Remya Krishnan

Participated Junior National Athletic meet at Bangalore.

6. Nijamol Joseph

Participated Women's National Athletic meet at Agra.

(e) Games

College Kabaddi team secured second position in M.G. University Inter-Collegiate Kabaddi Tournament (Jan. 2010)

Outstanding performer in Games from 1st January to 31st December 2010.

1. Rakshi S Nair

Member of M.G. University Cricket team

2. Akkumol K.S.

Member of M.G. University Kabaddi team

3. Kala S.

Member of M.G. University Kabaddi team

4. Aswathi Devadas

Member of M.G. University Kabaddi team

5. Manju Viswanathan

Participated Junior National Kabaddi Championship at Bhopal.

6. Nithiyamol P.S

Participated Junior National Kabaddi Championship at Bhopal.

16. Students Activities / Achievements – (Extra Curricular)

(a) National Cadet Corps

Here presents a brief report of the NCC activities and adventures over the year 2010-2011. Cadets all together holding hand tight in hand joined for the accomplishment of the very motive of the Corps – DUTY WITH SERVICE.

It's on Oct.2, Gandhi Jayanthi, that our cadets proved their honor and grandeur towards our father of the nation, Our Bapuji, for his sacrifice and benevolent services for the nation.

On Nov.21, was the NCC day. The very day of the brave hearts. It is the day of the Corps. Every cadet of NCC is proud of the Corps and its benchmark achievements.

On the very New Year 2011, in the month of January, we had a never-got marvelous chance of inauguration of our college hostel by the very respected dignitary, Corporate Affairs Minister, Sri. Salman Khurshid. Our chief guest was warmly welcomed by providing guard by NCC cadets.

On January 26, the grand 61st Republic Day was celebrated. Not only was it a celebration amongst but also with the society and other civilians. Under the auspices of our dear respected Principal, Dr. Tharsis Joseph, our tricoloured national flag was hoisted. NCC song was sung aloud with all the honor and pride in the hearts. After which a long road march was also carried on with a squad strength comprising of 24 second years' and 42 first year fresher cadets. The march proved the symbol of NCC – UNITY AND DISCIPLINE.

The day each and very pebble and stone of Kuravilangad town heard the sound of boots and the growl of roaring lions and lionesses.

NCC also has conducted many such benevolent services and programmes in the upliftment and enlightenment of the College. It has also helped in the cleaning and bringing up the Herbal garden, providing blood donation to the needy by the cadets, donations to the poor and orphanages etc. are the various achievements and benchmarks of NCC this year.

Hereby NCC in a nutshell is rising higher and higher towards reaching the sky. The much disciplined cadets and ANO Capt. A. Cyriac Sebastian are the only gemstones behind all the achievements and all the above is the main foundation stone behind all the happening is our dear respected Principal, Dr. Tharsis Joseph. Without whose support we could have done nothing. We are very grateful to him.

(b) National Service Scheme

The activities of National Service Scheme was formally inaugurated by Dr.Tharsis Joseph, Principal, Deva Matha College. During the campaign for enrolment as against the actual strength around 380students filled in the application for the registration on to NSS.

Blood Donation

Ever since, the stating of the NSS unit Deva Matha College, the unit always give great importance to the donation of blood. To this regard we are maintaining a blood directory 24 hours readily available at ATM counter of Federal Bank. The Directory includes Blood group

wise list with residential address and phone number. Besides to this we direct students to Medical College Kottayam, and nearby hospitals as and when demand comes out.

Onam Celebration

Onam celebration of the college is conducted under the auspicious NSS unit. We conduct 'Athapookalam' competition for entire department.

Special Camping Programme

The special camping programme of this year was conducted in the campus for days and Tribal coliving in Kanthalloor for two days 'Change yourself' was the theme of this year. Hence, there were orientation programme led by Sri. Anoop K.U. a behavioural therapist, Dr. Varghese Paul a social activist and exponent of alternative learning.

As part of the NSS special programme of 'Free Rationing' we offer 50 rupees each a family of BPL who call on his on every 15th working day. To finance the said programme house visits were arranged and thereby we could collect sixteen thousand rupees in this regard from among the Kuravilangad Grama Panchayat.

Adopted Governmental Hospital of Uzhavoor Clock Panchayat were visited for Beautification and general cleaning purpose.

Nature study programmes to Kanthalloor, Marayoor, Munnar enriched the students with good insight.

Maintenance of campus clean is an agenda of NSS unit of Deva Matha and we could materialize the dream by associating with the management.

Free medicine scheme of the unit continued in this academic year too. We offer medicine only in this scheme as per the prescription by the doctors.

Aids awareness campaign is organized by associating with the Red Ribbon Club and Aids control Society.

The NSS unit got opportunity to send volunteers to state level NSS camp conducted in Kozhikodu and other inter collegiate camp organized by the National Service Scheme of Mahatma Gandhi University.

As per the Government Order, even though there are enough enrolment. We have only two unit at present running in the college Sri. C. M. George, Asst. Professor, Dept. of Politics and Smt. Ansamma Thomas, Assot. Professor, Dept. of Chemistry as the Programme Officers.

(c) Arts Festival

The inauguration of the arts fest and 'Voice of Deva Matha' was declared by the famous film star Guinness Pakru in a function held at the college auditorium on 24th January 2011. Arts club secretary Mr. Jijo Babu presided over the function. The welcome speech was delivered by union chairman, Sri. Jobin Joseph, Dr. Tharsis Joseph, Principal delivered the Keynote address. The felicitation speech was delivered by Arts Club Coordinator Prof. C. M. George.

The objective of the Deva Matha College Arts Fest is to provide our student youth an opportunity to be familiarized with the glorious cultural heritage of India. The meets are also intended to inculcate in them a spirit of adventure, cooperation, creation of excellence in the domain of art and culture and feeling of fraternity, patriotism, unity and brotherhood.

The festivals would open avenues for the budding artists of our colleges by providing them recognition and encouragement. Our geniuses come to lime – light during the youth festivals.

Aims and Objectives

1. To promote and encourage art and culture among the students.
2. To provide opportunity to our students to come to a common plat form for displaying their culture artistic talents

3. To promote excellence in music, dance, theatre, literary activities and fine arts.
4. To promote friendship and fellowship among our young artists by giving them an opportunity for displaying their talents on a common platform.
5. To channelize the energies and talents of our youth in constructive and creative pursuits.
6. To enable our student community to recognize and appreciate the rich and glorious cultural heritage of India.
7. To promote cultural unity and national integration .

(d) Sports and (e) Games

Education is not only for the mind, but also for the body. Class room lessons educate the mind. Sports and games educate the body. That is why sports and games have been made compulsory in schools and colleges and they form a very important part of the curriculum. Deva Matha College Kuravilangad, has a reputable history in the field of sports and games. The Physical Education Department of our college has a lot of achievements to its credit. The fostering care and support that we receive from our authorities always encourage us to reach great heights. This has been a year of achievements for our college the field of sports and games. Our students won several prizes in inter-collegiate, district and state level competitions. The name of the college was hailed by the following students

a. District Wrestling Championship

The following students won the IInd prize in the district wrestling Championship.

1. Sherin Sajan, II B. Sc. Botany
2. Remyamol E. R., II M. A. Malayalam
3. Renjith P. Johnson, III B. A. Economics
4. Bijoshmon K. S., II B. A. Malayalam
5. Bibin Thomas, II B. Sc. Botany
6. Jomon Sebastian, I B. Sc., Botany

The following students won III Prize in district Wrestling Championship

1. Dhanyamol P. George, I B. Com
2. Aswathy P. M., II B. A. Economics
3. Lijo Babu, II B. A. Economics
4. Sherin Sajan and Remyamol E. R. participated in the State Wrestling Championship

b. District Best Physique Competition

1. Renjith P. Johnson of III B.A. Economics secured 1st position.
2. Abhiraj P. of II B.A. Economics and Tibin of I B.A. Economics bagged the 2nd prizes in the district level

c. State Level Best Physique Competition

1. Renjith P. Johnson of III B.A. Economics won the 2nd prize in the state level

d. District Taekwondo Competition

In the district level competition

1. Renjith P. Johnson of III B.A. Economics secured 1st position
2. Dhanyamol P. George. Of I B.Com. bagged the 2nd prize
3. Renjith P. Johnson participated in the state level Taekwondo Competition

e. Inter Collegiate Power Lifting Championship (Men & Women)

In the Power Lifting Competition

1. Muhammad Aslam of II B.A. Malayalam secured the 2nd position in the men's category

Remyamol E.R. of II M.A. Malayalam bagged the 2nd prize in women's category.

f. Inter Collegiate Weight Lifting Championship

1. Arya P.A. of II B.Sc. Chemistry and
2. Remyamol E.R. of II M.A. Malayalam secured the second position

g. Inter Collegiate Judo Competition (Men & Women)

The following students won the 3rd prize in the women's category and men's category respectively

1. Aimy Jose of I B.Sc. Mathematics
2. Dhanyamol P. George. Of I B.Com.
3. Remyamol E.R. of II M.A. Malayalam
4. Renjith P. Johnson of III B.A. Economics

h. Inter Collegiate Wrestling Championship

1. Sherin Sajan of II B.Sc. Botany won the 1st prize in women's category
2. Aswathy P.M. of 2nd B.A. Economics bagged the 2nd prize.

The following students got the 3rd prize in the women's category and men's category respectively.

1. Dhanyamol P. George of I B.Com.
2. Remyamol E.R. of II M.A. Malayalam
3. Bijoshmon K.S. of II B.A. Malayalam

The Wrestling Team of Women became overall 3rd

i. Inter Collegiate Athletic Meet

In the inter collegiate athletic meet, our college relating secured the 2nd position in the 4 x 100m relay race. The team members were

1. Dhanyamol P. George of I B.Com.
2. Sherin Sajan of II B.Sc. Botany
3. Anju Jose of I B.A. Economics
4. Rakhimol R. of II B.Com.

Volleyball Tournament

The Poovakottu Mani and Mariakutty Mani Memorial 3rd all Kerala Inter Collegiate Volleyball Tournament, organized by Deva Matha Sports Academy, in association with Welcare Hospital Ernakulam was held on 8th, 9th and 10th of December 2010. It was inaugurated by Sri. Shameermon N.A., a Common Wealth Games Medalist. Sri. Shameermon and Sri. P.P. Thomas, the District Sports Officer, Kottayam and a former student of our college, were honoured on the occasion. St. Thomas college, Kozhenchery and Baselius College Kottayam emerged as the winners and runners up, respectively in the Men's Tournament. In the Women's Tournament Alphonsa College, Pala emerged as the Winner. The runners up is St. Joseph's College, Irinjalakkuda . Praveen Radhakrishnan of St. Thomas College, Kozhenchery and Anjana E.P. of Alphonsa College Pala bagged the best player's trophy in the Men's category and the Women's category respectively. Kuravilanagad Grama Panchayath President Smt. T.S. Remadevi distributed the prizes for the winners.

District Mountaineering Championship

Deva Matha Adventure Sports Centre was formally inaugurated on 3rd September 2010 by Justice K.T. Thomas in the esteemed presence of our Manager, Very Rev. Dr. Joseph Maleparambil and Adv. Mons Joseph MLA. The District Mountaineering Championship, organized by The District Mountaineering Association and Deva Matha Adventure Sports Centre was held on 6th, 7th and 8th of January 2010 at Koorumalai, Vempilly and Deva Matha Adventure Sports Centre. Department of Commerce

Annual Report 2010

Started in 1982 with the starting of B Com course and upgraded in 1984 as PG Department, the Department of Commerce of K E College, Mannanam has consistently maintained a good record in its academic performance and in all the activities of the college. The department offers two main courses and an add-on course.

PROGRAMMES OFFERED

Course	Duration
M.Com	2 years
B.Com	3 years
Computerised accounting (UGC Sponsored add on course)	1 year

The student-strength for the above courses is as follows

B.Com -	40 students
M.Com -	15 students

Add-on course

The department is conducting an add-on course in Computerized Accounting, which is open for all the students of the college. Two batches, consisting of 90 of students each have already completed the course successfully, including the batch of 2010.

The faculty members of the department during 2010 are:

Name	Qualification	Designation	
A.J. Mani (H.O.D)	M.Com	Associate Professor	
Dr. M. George Sebastian	M.Com, Ph.D.	Associate Professor	
Babu Joseph	M.Com, M.Phil	Associate Professor	
K.K. Tomy	M.Com, M.Phil	Associate Professor	
S.M. Georgekutty	M.Com, M Phil	Associate Professor	
Tomichen Joseph	M.Com,M.Phil, D.LT	Associate Professor	
George Thomas	M.Com	Associate Professor	
Jose Joseph	M.Com, M. Phil	Associate Professor	
Dr. George Joseph Nadackal	M.Com, M.Phil, PhD	Associate Professor	
Dr. Antony Thomas	M.Com, M.Phil, PhD.	Associate Professor	
Adv.Joy K. George	M.A, L.L.B.	Part time Law Lecturer	

Achievements during 2010

The pass percentage of B Com Students in 2010 was% and that of M Com students was 100%

Two graduate students of the department got placements in South Indian Bank through campus recruitment 2010.

An industrial visit had been conducted under the auspices of ED Club to Kerala State Drugs and Pharmaceuticals Ltd and Foam Mattings India Ltd., Alappuzha during November 2010. 65 students participated in the programme.

The ED Club at Vellappara conducted a nature camp during September 2010. Mr. George Thomas was the coordinator of the visit and nature camp

Dr. M George Sebastian, Dr George Joseph Nadackal and Dr. Antony Thomas obtained their PhD degrees during the year 2010-2011.

Mr. Tomichen Joseph has already got registration for Ph D and is pursuing his research studies leading to PhD. Dr. M George Sebastian has made three publications in different journals.

Mr. Tomichen Joseph has been elected to the Senate of M G University in the election conducted recently.

Sri A J Mani, HOD, Dr. George Sebastian, Associate Professor, and Sri Tomichen Joseph, Associate Professor were the members of the Screening Committee for sanctioning new courses under UG and PG levels in various colleges under M G University, Kottayam.

Sri Tomichen Joseph, Associate Professor, was appointed as member of PG (M Com) Board of Studies.

Dr. George Joseph Nadackal, Associate Professor, attended a two days' international conference on IFRS conducted by the Commerce Department of Kerala University and the Kerala chapter of All India Accounting Association, at Kerala University Campus, Thiruvananthapuram, on 13th and 14th of November 2010.

Dr. George Joseph Nadackal, Associate Professor, attended a two days workshop on PERSPECTIVES AND METHODOLOGY OF BUSINESS STUDIES, held at Devamatha College, Kuravilangad during 29th to 30th of November 2010.

Dr. Antony Thomas authored a book titled Information Technology for Office.. Rev. Dr. Joseph Powathil released the book on 19th December 2010, at Changanacherry.

The Commerce Association conducted an inter school and intra college arts festival from October 5 to 8, 2010 on all Kerala basis, which was named as Colligo-2010 and inaugurated by cine-artist Nadirshah. 48 schools from different parts of the state participated in the programme, which offered heavy amounts as cash prizes for the winners. It needed a big budget and the funds were raised by the students from the public.

Three members of the faculty namely Dr. George Sebastian, Prof. George Thomas and Prof. Jose Joseph are retiring this year.

13. Research Highlights of Faculty:

Psychology Department

Dr. M.K.Mathew., Co-authored a book entitled " Impact of organizational culture on employee's Behaviours" (2009) serials publications. Delhi Research Paper – Development of sexual Preference Behaviour Scale. Indian Journal of Clinical Psychology (2009) Vol.36.pp 54-58.

Mathematics Department

Two members of the faculty of Mathematics K.S.Bastian & Sunny Joseph has been awarded Ph.D.

Zoology Department

3 Ph.D and M.Phil

Department of Chemistry

5 members with Ph.D. degrees & remaining have M.Phil Degree.

14. Academic achievements

First Rank in Psychology – Sharu P.John

First Rank E.E.M. – Vishnu Francis Mathew & Anoop K.P.3rd

Rank First Rank in Applied Statistics – Mrs. Arshmol K.S

First Rank in Analytical Chemistry - Rahul N.

Second Rank in M.S.W. – Neethu Rose Jose

Department of Chemistry

James C Joseph secured P.Hd. in M.G.Universtiy

15. Student Achievements – Academic

Bipin Chandran and Rajalakshmi pai N. who won 3rd prize in all Kerala Inter Collegiate Quiz Competition on Mathematics held at S.B. College Changanacherry.

Yuva Master mind Contest –(Malayala Manorama) Vishnu V.

16. Students Activities/ Achievements –(Extra Curricular)

(a) National Cadet Corps

During 2010-11 academic year 108 cadets were enrolled in Army Wing NCC. Out of them 27 were girls. In addition to regular NCC parades and theory classes which were conducted on Saturday at College the 80% of the students got opportunity to attend various annual training camps Sergeant Akhil K.K., Corporal Nikhil P. Raju and Corporal Bibin Johnson attended NCC National Integration Camp, organised by DG NCC. In connection with NCC day a special seminar on various forms of energy and their conservation was conducted. Prof. P.T.Kurian took the class as the part of their social activity more than 25 cadets donated blood to different needy patients. Also the NCC cadets assisted the police force for the smooth conduct of local bodies general election.

As a special programme this year also the K.E.College NCC hosted the Annual Training camp during Onam holidays 600 cadets from, various parts of Kerala attended the camp. At the end of this academic year 30 cadets from this unit appeared for certificate 'B' Exam and 25 cadets appeared for certificate 'C' Exam conducted by defence ministry for NCC cadets. Major Johny Thomas the Associated NCC officer was in charge of conducting the various NCC activities.

NAVY NCC

ANNUAL REPORT 2010-2011

Activities of Navy wing NCC of the year 2010-11 were formally inaugurated on 17th July 2010 by Rev. Dr. O C Joseph, the principal, K E College, Mannanam in the presence of Cdr. P P Varghese, Commanding Officer, 5 (K) NUNCC, Changanacherry and Lt. George Joseph Nadackal, Associate NCC Officer, K E College, Mannanam. 29 first year degree students of the college were enrolled during that day in order to make the total number of cadets in the subunit

to 50. Joseph Sebastian, second year student of the physics department was selected as Cadet Captain – I and Sandeepmon P S, second year student of Economics department was selected as Cadet Captain – II.

Independence Day of the year was duly celebrated by hoisting the flag and the Principal gave message for the day. Regular parade training and classroom instructions on service subjects are being imparted on Saturdays.

Three SW cadets namely Swathy S, Parvathy S Nair, Saranya R Nair, took part in the Pre Nau Sainik Camp held at Kollam in September 2010. Lt George Joseph Nadackal was the contingent commander.

Two SD cadets, Joseph Sebastian and Sandeepmon P S and one SW cadet - Rose Mary Victor, attended two selection camps and one inter group competition camp held in connection with the Republic Day Parade to be held at New Delhi in 2011. Among them Rose Mary Victor got selection for further camps and attended two more camps including the Pre RD camp. In addition, Joseph Sebastian and Sandeepmon P S participated the guard of honour competition and drill competition representing Kottayam Group.

October 2nd was celebrated as a day for social work and 40 cadets visited a special school.

35 cadets including sw cadets participated in the conduct of AWAKE 2010, the fest for mentally challenged children of various special institutions throughout Kerala, conducted by the MSW Department of KE College.

14 SD cadets assisted the election commission in the conduct of election to the local authorities in Kottayam district.

Annual Training Camp of 5(K) NUNCC was conducted in December 2010 at St Thomas College, Pala. Lt George Joseph Nadackal was the Deputy Camp Commandant and 37 cadets of the college attended the camp. Thayil Ashrita Soman was declared as the Best SW Cadet of the Camp. Our college won the Overall Championship Trophy for cultural competitions.

PO Cdt Stanley attended the National Integration Camp held in December 2010 at Kolenchery.

Two SW Cds namely Thayil Ashrita Soman and Chippy Kuriakose got selection to attend a leadership training course conducted by Officers Training Academy, Gwalior during January 2011. Unfortunately due to exams, only Chippy Kuriakose could attend the 12 days' camp.

Swathy S, Parvathy S Nair and Sandeepmon got selection for a National Integration Camp held at Rothak and they attended that 10 days camp.

Trekking to Ulippuny was the outdoor trekking programme of the year. The two-days' trekking programme was conducted at Ulippuny near Wagamon. 35 cadets including 16 girl cadets participated in the programme under the guidance of Lt George Joseph Nadackal, NCC Officer accompanied by Petty Officer Lukose George from 5 (K) Naval Unit, Changanacherry.

They took lunch, and then went to Mottakunnu, Kolahalamedu, and Pine Forest. They stayed in a resort at wagamon and on the next day started to Ulippuny at 0800hrs. Trekking through steep hills lasted for around 7 hours including the time spent for lunch. The programme ended at around 1500 hrs and the cadets returned home. There was heavy raining on the first day and in the afternoon of the second day; in spite of the same all cadets were active in the entire programme and they enjoyed it.

22 cadets appeared for the B Certificate Examination 2011 and 17 cadets appeared for the C Certificate Examination of 2011.

Valedictory function of NCC activities of this year and farewell to outgoing senior NCC cadets were conducted on 25th February 2011.

(b) National Service Scheme

NATIONAL SERVICE

SCHEME Unit No: 20

K.E. College Mannanam

Report 2010-2011

N.S.S. activities of this academic year was inaugurated by Dr. Joseph Ozhukayil (Principal K.E. College) on 20.08.2010. Dr. Aloysius M. Sebastian (Vice – Principal) presided over the function. A cultural programme was also organised by N.S.S. Volunteers.

Orientation Programme

For the newly enrolled Volunteers, a one day orientation programme was held on 25.9.2010. The orientation talk was delivered by Prof. James (Lecturer, govt. Polytechnic, Koratty). In the afternoon session Volunteers planted trees in the campus and cleaned the campus.

Environmental awareness Programme

N.S.S. Conducted an environmental awareness programme with the banner "green campus clean campus". Mr. Vipin V. Roldant took a class on 9.9.2010. As part of "green campus clean campus" Volunteers put waste bins in each class room each department and in the canteen. We also took an awareness class for the students to make the campus plastic free. Now our campus is hundred percent plastic free. Our N.S.S. unit conducted several programmes in collaboration with Bharat Petroleum Corporation, Kochi Refinery. Volunteers Austina Kuriakose, Anand Tom and Sudhin Sukumaran held at BPCL Cochin on 19-11-2010. They participated in several competitions and won prizes in connection with oil and gas conservation fortnight conducted by BPCL Kochi.

Career guidance Programme

During this academic year N.S.S. Unit conducted four career guidance cum personality development programmes, on 22.9.2010 Mr. G. Balachandran (Internal trainer, Jayces) took a class on " Interview technique and group discussion". This one day seminar was arranged exclusively for our going students 2010 final year students participated in the programme (Cochin Corperetta). On 4-12-2010 Mr. Jinto Mathew took a class on " Communication skill and positive thinking". This one day programme on 18.12.2010 as 22.10.2011 Mr. Martin Joseph took classes on spoken English. He also gave training in speaking English. 200 students from different classes participated in the programme AWAKE 2010.

An art festival called awake -2010 was held in our college for the mentally challenged students by the social science department. N.S.S. unit collaborated with this programme. About five hundred (500) mentally challenged students from 29 special schools participated in the programme and the festival was a great success.

Mini Camp (1-10-2011 to 3-10-2011)

A three day personality development camp was conducted for the volunteers on 1st 2nd and 3rd October 2010. The following eminent persons took classes.

1. Mr. Johnson (Lecturer Psychology department)
2. Mr. Jinto Mathew (Director Corperatta Cochin)
3. Fr. Dr. George Varghese (T.M.A. Counselling centre Ammencherry)
4. Prof. Rony George . In the camp the following

topics are covered – Disaster management, need for blood donation, environmental protection, first aid and personality development, campus cleaning programme was also held in connection with the camp.

Sevenday Special Camp (26-12-2010 to 1-11-2011)

The seven day special camp of this academic year was conducted at Vellikulam Village, near Vagamon. 100 volunteers along with the programme officers stayed at St. Antony's high school, Vellikulam. In the camp volunteers, along with the villagers, rebuilt 4 village roads, Malamel road, Ottactti road, Karikadu road and seventeen acre road. We gratefully remember the Teekoy – Panchayat Committee they extend their whole-hearted cooperation for our activities. The camp was inaugurated by Mrs. Marykutty Mathew (President, Teekoy Panchayath) and the following leaders spoke on the occasion-

Miss Beenamma Francis (Dist- Panchayath member)
Fr. Alwin (Vicar, St. Antony's Church Vellikulam) Mrs.
Jessy Thomas (Block Panchayath member)
Mr. Shajan Purapantham (Vice President Teekoy Panchayath)
Mr. Mohanan Kuttappan (Member Teekoy Panchayath)
Mr. Thomas Chacko (Member Teekoy Panchayath)
and Mr. Biju John (Member Teekoy Panchayath)
Dr. Brijit Paul give vote of thanks.

Enlightening lectures on various topics like, gramasabha, self help group, gender equality etc were taken in the camp. In addition to this, programmes like debate, group discussion, home visit, Nature study programme etc were conducted as part of the camp. The valedictory function of the camp was inaugurated by Sri. P.C. George M.L.A. The following persons spoke on the occasion.

Mr. A.J. Mathew (Headmaster St. Antony's High School) Mr. N.T. Kurian (Block member)
Mr. Thomas Chacko (Panchayath member)
Mr. Biju John (Panchayath member)

Volunteer Secretary Aradi V. Dev give the vote of thanks. A committee under the guidance of Mr. Sunny Joseph ((Panchayath member) provided the necessary help and arrangements for the camp.

Legal Awareness Programme (16-02-2011)

A legal awareness seminar was organised by N.S.S. Unit for the students of our college in collaboration with legal service society Kottayam. Advocates Raji. P.Joy, Girija Biju, and Viji Mathew of Kottayam Bar took class on different topics. 270 students participated in the seminar and all the participants were given a hand book regarding laws free of cost.

AIDS awareness programme (10-02-2011)

A one day AIDS awareness programme was conducted for the students of our college in collaboration with Aids Control society. Mrs. Sujatha from Prathassa, Kottayam took the class.

Campus Cream Contest (15-11-2010)

On 15-11-2010 we conducted a programme to select the best(s) students of our college in collaboration with D.C. Books, Kottayam. Mr. Tom Zacharias (Personality trainer) and Mr. James (D.C. School of management) took the class. The following students are finally selected 1. Stephy Yesudas (III Chemistry) 2. Austina Kuriakose (III Physics) 3. Alex Kurian (III E.E.M.) 4. Jittin Jacob (III Sco.) 5. Nidhin George (III E.E.M.)

Bio-diversity Seminar as Bio-diversity Park (8-11-2010)

A Bio-diversity seminar was conducted in collaboration with M.G. University. Miss Mina Umabian (Scholar and writer) took a class on Bio-diversity. As part of this programme our N.S.S. Volunteers constructed a Bio-diversity part in our college campus. In that park, number of medicinal plants are planted. Now we have a good bio-diversity park in our campus.

Red Ribbon Club and Blood Donation

Under the banner of red ribbon club of N.S.S. Unit a blood group detection camp was held. We have a blood donors register containing 1250 volunteers. We are really proud to say that, this year our volunteers donated 160 bottles of blood to the needy patients of Medical College and nearby places.

Manuscript Magazine "Kalika=2011" debate club, quiz club

This year also we published a manuscript magazine called "Kalika – 2011", with a view to encourage the writing talents of our students. Under the auspices of N.S.S., a quiz club and debate club are functioning in the campus.

Intercollegiate Campus

It is a remarkable achievement of our N.S.S. Volunteers to participate in the various intercollegiate campus held in different colleges and won prizes. The following volunteers participated in the campus Anand Tom, Sudhin Sukumaran, Arun P, Aeady V.Dev, Jobymon K. Jose, Alesha Asharf, Aleena James and Aswathy R. Nair.

Conclusion

We express our heartfelt and Sincere thanks to the Principal Rev. Dr. Joseph Ozhukayil, Vice Principal Dr. Aloysius M. Sebastian, Administrator Rev. Fr. Saji Chiramukathu, who have co-operated to make this year's activities a tremendous success. We extend our heartfelt gratitude to all the students and teachers of K.E. College for supporting our activities and become a part of N.S.S.

(c) Arts Festivals (d) Sports & (e) Games

During the academic year 2010-11 our college participated in various All Kerala, M.G. University and South Indian tournaments in Volleyball and Cricket. Our volleyball team won the MG University Inter Zone Volleyball Championship held at K.E. College Mannanam on 5th and 6th of March 2011. In the K.E. Trophy All Kerala Inter Collegiate Volleyball Tournament, our team emerged as the champions. In the Pallikara Volleyball Tournament our college team won the trophy for the second consecutive time. In the Kottayam District Senior Volleyball Tournament our team became the runner – up and the following four students were selected to the district team.

Amal O.J. III B.A. Economics

Jovani Sebastian II M.Sc. Bio

Technology Ebin Martin I B.A. Economics

Navaneeth V.N. III B.A. English

Fr. Bartholomew All Kerala Volleyball Tournament held at S.H. College Thevara and our team got the runner-up trophy. Amal O.J. III B.A. Economics represented M.G. University volleyball team and got the third place in the All India South Zone Volleyball Championship. He was the captain of All India Inter Varsity Volleyball Tournament.

He also represented Kerala State for the National South Zone Volleyball Championship held at Bangalore in December 2010. A Sports Hostel was sanctioned for volleyball (men) from Kerala State Sports Council during this academic year. Five students were allotted to this college. Our sports hostel students Aravind M.S. Vishnu T.S. represented Kottayam District in the State Junior Volleyball Championship held at Balussery, Kozhikode district.

We conducted the Annual Athletics Meets of our College and inter association tournaments in Cricket, Football and Basketball./ Our Cricket team participated in the M.G.Universtiy Cricket Tournament held at St.Dominics College,Kanjirappally.

9. Projects Undertaken

(a) Minor Project By : Suma P. Aney Mathew, Associate Professor in Economics

Amount allotted from UGC : Rs.75000/- (Period from 2010 to 2011)

Title : *A study on the Financial inclusion of District Co-operative Banks in Kerala*

Financial inclusion (or alternatively financial exclusion) has been defined in the literature, in the context of a larger issue of social inclusion (or, exclusion) in a society. The Government of India, Committee on Financial inclusion in India defines financial inclusion as " The process of ensuring access to financial services and timely and adequate credit, where needed by vulnerable groups such as weaker sections and the low income groups at an affordable cost ` (Rengarajan Committee 2008). Financial Inclusion is the delivery of banking services at an affordable cost to the vast sections of disadvantaged and low income groups. Financial inclusion is, delivery of not only banking but also other financial services like insurance, pension, remittance, mutual funds etc. delivered at affordable, though market driven costs.

There are varieties of reasons for financial inclusion. From the demand side, lack of awareness, low income / assets, social exclusion, illiteracy etc. acts are barriers. From the supply side, distance from the branches, branch timings, cumbersome documentation and procedures, unsuitable products, language, staff attitudes are common reasons for exclusion. All these result in, higher transaction cost, apart from procedural hassles. On the other hand, the case of availability, of informal credit sources, makes them popular, even if costlier.

In this context, it was considered appropriate to identify the problems being faced by the financial institutions in the co-operative sector in achieving wider financial inclusion and the factors which keep the financially excluded, away, as well.

(b) Minor Project By: Dr. C. Jayasree, Assistant Professor in Malayalam

Amount allotted from UGC : Rs.80000/- (Period from 2010 to 2011)

Title : *Folk Culture in the Poem of M. Govindan – A research based Narrative Craft*

(c) Minor Project By: Dr. P.N. Harikumar, Associate Professor in Commerce

Amount allotted from UGC : Rs.80000/- (Period from 2009 to 2010)

Title : *Solid Waste Management –A study on the effectiveness of Municipalities in Kerala*

Brief report on the topic, its objectives, findings, conclusion and suggestions

Solid Waste Management is one of serious problems faced by the humanity in this modern era. In municipalities, tons and tons of wastes are scattered across the street and dumping yard without proper disposal, leading to several epidemics and pollution to the people living in the locality. As there is no scientific waste disposal method adopted by the authorities till this time, this project gets the importance. This project aims at studying awareness of public regarding solid waste management, their opinion regarding management of solid waste by the municipality and their solid waste management practices.

Statement of the Problem

Solid waste management is a civic problem and it has to evolve optimally and continuously to serve the future generation. Solid wastes if unchecked cannot only be a health hazard but will impart multi-dimensional threats, which include serious detrimental, environmental, social and economic impacts. Solid waste management in developing countries is a complex issue as the types of waste generated vary widely because of the varying localities with diverse populations. The boundaries of the analysis of the waste problem are difficult to define.

A complete and environmentally sound solid waste management requires effective contribution from all those who are involved in this problem. Everyone is part of the solid waste generation problem and everyone shall also be part of the solution to its proper management. It means solution depends upon collective human action and efforts. Accumulation

of wastes pollutes the environment and creates a lot of problems to human health. The huge heap of waste pollutes the air which in turn leads to many diseases. Careless dumping of waste from factories to various rivers contaminates water, which again affect the health of people. Careless handling of wastes thus contaminates air and water causing serious threat to the healthy living of people. In this context it is considered appropriate to conduct a study on the problems of existing methods of waste management of municipalities in Kerala and to gather suggestions from the general public regarding the waste management practices of selected Municipality, Kottayam. The problem is stated as "SOLID WASTE MANAGEMENT- A STUDY ON THE EFFECTIVENESS OF MUNICIPALITIES IN KERALA".

OBJECTIVES

- To analyze the awareness of the public regarding solid waste management.
- To find out whether solid waste is a serious problem in the municipality.
- To analyze the reasons for the reluctance against adoption of new techniques by the municipality.
- To make recommendations and suggestions based on the findings of the study.

METHODOLOGY

Both primary and secondary data were used for the purpose of the study. Primary data were collected from the various establishments like Household, Hotel, Slump, Shops and Street vendors of the selected Municipality, Kottayam Municipality, by using a pre-structured interview schedule. Judgment sampling method was applied for the selection of sample respondents. Secondary data were obtained from various publications, internet study, reports of various persons, journals, published and unpublished thesis etc.

(d) Minor Project By: Rachel Punnoose, Associate Professor in Commerce

Amount allotted from UGC : Rs.55000/- (Period- From 2010 to 2011)

Title : *Marketing of the products of Kudumbasree*

- 10. Seminars Conducted
- 17. State Level - NIL

18. National Level

A Two Day National Seminar on 'Application of Statistical Techniques in Commerce and Management Research was jointly organized and conducted by the Research and Post Graduate Department of Commerce and Travancore management Association on 10th & 11th January 2011. The Seminar was intended to help social scientists and Commerce and Management Research Scholars decide which procedure of analysis to follow, the techniques to apply for data on hand, to understand what the results show , how the results are to be interpreted & explained, and how to report the findings. The Chief Trainer was none other than the renowned statistician Prof.K. Kalyanaraman who have done statistical analysis for more than 1500 Ph.D Theses in different subjects in various Universities in India. Dr. S. Kevin, former Pro-Vice Chancellor of University of Kerala and Shri. Somasekharapillai, Professor, University College, Thiruvananthapuram were the other Resource Persons.

The inaugural session started with an invocation to God Almighty. Dr. M.E. Kuriakose, Principal, K.G. College welcomed the gathering of 40 delegates from different colleges all over Kerala and other Southern States. Dr.P.N. Harikumar, Director of Research Centre, presented the report on the functioning of the Research Centre. The inaugural address was given by the Chief Guest, Hon'ble Vice Chancellor, Mahatma Gandhi University, Prof. (Dr.) Rajan Gurukkal. Prof. Rajan George Panicker (H.O.D. Commerce) gave the vote of thanks.

After a short tea break, the technical session started with a brief introduction about research methodology, hypothesis, data etc. by Prof.K. Kalyanaraman. After the lunch, the delegates gathered at the Computer Centre and the technical session on descriptive statistics cross tab, Chi-square test etc. was held there.

The session on One Way Anova, marked the start of the second day's technical session. This session also dealt with Two Way Analysis & Multiple regression. This session was followed by paper presentation by Smt.Mini Joseph, Shri.Antony, Dr.P.N. Harikumar, Dr.Suresh and others.

The valedictory session started at 3.15 p.m. in the conference hall. Prof.Rajan George Panicker welcomed the guests. Rev. Fr. Mathew K. John, gave the presidential address Shri. P. Rajasekhara Pillai, Member, Syndicate gave

felicitation. After Prof.K. Kalyanaraman gave his remarks on the seminar, two of the delegates gave their evaluation about the programme. The programme came to a close with a vote of thanks by Dr.J. Nalini.

50 % result in M . Sc final examination , 2010

(e) Dept of Chemistry

63.64 % result in the final year B . Sc examination , 2010

84.21% result for CBCSS I, II, and III rd semester

(f) Dept of B.B.A

54 .55 % result in the final year examination , 2010

100% result for CBCSS I, II, and III rd semester

15. Student Achievements - Academic

Arun Mathew (D2 Economics) and Hari Krishnan V. (D3 Economics) got 2nd prize in Quiz Competition – QUARRO 2010 on 5th October 2010 conducted by Department of Communication and Journalism, CMS College, Kottayam.

Sarath S., BBA Final Year Student in 2010 won 2nd Rank in M.G.University.

16.Students Activities/ Achievements –(Extra Curricular)

(a)National Cadet Corps

The Parades for the year commenced on 15th August 2010, on the occasion of Independence Day. Dr. Isaac P. Abraham, Associate Professor in Department of Commerce hoisted the National flag on this occasion. As usual the parades were held on Saturdays at 8.15 a.m. The cadets were given lecture classes on various NCC topics by ANO / PI staff and Senior Cadets. Cadets were given training in parades and camps. Preparations were given to the cadets at the

end, for 'B' and 'C' certificate examinations. The Parades for the year were concluded on 26th January 2011 on which the National Flag was hoisted by our Principal Dr. M.E. Kuriakose.

Achievements for the year

U/O Chandana V.V. of D2 Commerce has attended the Thal Sainik Camp held at DG NCC Head Quarters, New Delhi from 24th December 2010 to 3rd January 2011. She won 3rd Prize for judging distance, 3rd for overall directorate performance in the camp and 1st prize for cultural programme.

SU/O Rameez Muhammed of D2 Physics has attended the Republic Day Camp held at DG NCC Headquarters, New Delhi on 26th January 2011. He has also attended the feast given by the President of India on 27th January .

U/o Joshua was able to attend IIIrd Pre RDC, held at Trivandrum. Later he attended National Integration camp held at Agarthala, NER. SGT Karun Hari won 2nd prize for quiz at the NIC camp held at Rajkot, Gujarat.

Many cadets have attended the ATC, C WATC camps at various places. The ATC camp held at K.E. College, Mannanam was the greatest achievement ever in our camp report. Our college guard team under the leadership of U/o Deepak A.C. IInd Camp senior of the camp has won 1st prize . CPL Akhil VT, D2 Economics was selected as the best cadet of the camp from SD category. SW cdt Honey Sasidharan, BBA has won the 2nd prize for firing competition held in the camp. Various medals for cultural, senior receptionist and others were also given to the Cadets. Our college has won the overall 2nd prize in the Camp held at CMS college during Christmas Holidays, was another remarkable achievement. Cdt Merin (B.Com.) has won 3rd prize for firing competition. Cadets have won prizes for various sports activities. Medals were also received for various camp activities.

A group of cadets have attended the 18(K) Bn. NCC camp at Adoor. This was a life time experience for them. This year proved to be a highly fruitful one for the NCC Company of our College. The cadets were able to exhibit their skills and knowledge in different fields of NCC.

Five cadets have attended the NI camps held at various States of India. Guard of Honour was given to Dr.Rajan Gurukul , Vice Chancellor of M.G. University on 10th January 2011 under the guard commander U/o Deepak A.C., D2 BBA.

On 14th January 2011 a trekking camp was organised under the command of ANO Lt. Roy Mathew Vettoor, to Ramackalmedu, Calvery Mount Etc. It was really an adventurous experience for the cadets.

The service of CPL Brinto Peter Abraham, D2 BBA was really helpful for the cadets on parade days with his catering skills. Apart from other equipments the Company has acquired a Camera, Gas Stove with gas connection Etc.

(b) National Service Scheme

The activities of the NSS Unit in the K.G. College for the year 2010 – 2011 were done in an appreciable manner. Programme officers Prof. K.J. Cherian and Prof. Elsie Elizabeth K. co-ordinated the activities for the year. The Volunteer Secretaries were Mr. Ajun Eapen Varghese and Ms. Keerthy Mol N.R.

To promote social awareness, activity skills and discipline, a seven days camp, two three days camps and other camps for improving personality and communication skills were conducted.

The activities for the NSS unit for the year 2010-2011 were as follows: Seven Days Camp

The seven day camp for the year was held at the Government High School, Kodungoor from August 20 to 26th. The main activities were cleaning the School ground and surroundings. The camp was inaugurated by Prof. N. Jayaraj MLA and the Panchayat President Sri.Prasad Mattathil presided over the function. Fr. Mathew K. John, Local Manager of K.G. College gave the message. In the inaugural function, District Panchayat Member Adv. Girish S. Nair, Block Panchayat Member DK Suresh Kumar, K.G College Principal Dr. M.E. Kuriakose, Kodungoor Government High School Headmistress EK Mollykutty, K.G. College Commerce Department Head Prof. Rajan George Panicker, and Vazhoor Panchayat Member Shyamala T. Nair gave facilitations. Programme Officer Prof.K.J. Cherian gave the vote of thanks.

From 21 August 2010 Saturday to 24 AUGUST 2010 Tuesday, cleaning activities were undertaken from 9.00 a.m. to 12.00 p.m. And in the afternoon session (3.00 p.m. to 5.30 p.m.) awareness classes were taken by eminent personalities.

Onam Celebrations were held on 25/08/2010 under the presidency of Dr.M.E. Kuriakose. In that occasion message was given by Swami Sreemath Garuda Dwajananda Theerthapatha. After the cultural programmes a wonderful and tasty onam feast was held and lot of politicians and teachers were present in this feast.

On 26/08/2010 the closing ceremony was held under the leadership of Sri.K.P. Mukundan (Vazhoor Grama Panchayat Committee Chairman) and felicitations were given by Panchayat Member and other politicians. At 11.00 a.m. the programme came to an end.

Republic day Recruitment Parade

Republic day recruitment parade for NSS volunteers were held in Athirampuzha, M.G. University Campus. The representatives of NSS Unit, K.G. College (Ans Mathew, Christy, Renjith Ravi, Kiran Jolly George) participated in this parade.

Leadership Training Camp

A Leadership Camp was held in Pala St.Thomas College from October 8th to 10th and was attended by : Ajun Eapen and Sneha Latha, the NSS volunteers of D2 Economics.

AIDS DAY

On December 1, 2010, the NSS Unit of K.G. College conducted an AIDS Awareness Class for NSS Volunteers.

NATURE CAMP

The nature camp for this year was held at Idukki, Vellappara. This camp helped the participants to know more about nature. Thirty students and Programme Officers participated in this camp. Wagamon Forest Warden Sri. K.A. Varghese welcomed the camp members. The Wild Life Officer Sri.Saby Varghese engaged the class on wild life sanctuaries and National Parks in India. On January 14 camp members visited Idukki Sanctuary and Kalvari Mount. On January 15 Cheruthoni Dam, Charanallu Cave, and Botanical Garden were visited.

THREE DAYS CAMP

The NSS three day camp was held at KG College from January 23. Ice breaking sessions were conducted by Prof. Rajan George Panciker. Sri.Roy Mathew Vettoor and Sri.Abu Joseph C. The NSS Camp Volunteers cleared the surroundings and college ground. Dr.Isaac P.Abraham took a class on personality development.

Leadership Training Camp

A Leadership Training Camp was held at Kozhikode on Feb. 11-15 and it was attended by Tigin Mathew, Renjith Ravi of our college.

Inter Collegiate Camp on Communication Skills

A camp was held at Nirmala College, Muvattupuzha from Feb. 18 to 20. Rohit and Jijomon Jacob represented the college. The topic for the class was life skills .

Orphanage Fest

The state level Orphanage Fest was conducted in the college on January 29. NSS Volunteers of the college actively participated and paved the way for the success of this programme.

(c) Arts Festivals

Vysakh K.S. (D3 Zoology) : Second Prize in Collage and 2nd Prize in Rangoli – South Zone Inter University competition held at Thanjavoor.Has participated in National Level Competition

Pranav P.S. (D2 Commerce) : 'A' Grade – percussion Eastern (M.G. University Youth Festival)

Linu T.R. (D3 Commerce) : Won prizes from Eleven different colleges for Business Quiz and General Quiz

Aby Thomas – D2 Commerce : Won Prizes in Inter-Collegiate Commerce Fest for Best Manager and Mock Press

Deepu Jacob Kuruvilla (M2 Commerce) : Won Prizes in Business Quiz in Inter Collegiate Commerce Fest.

Mahesh V.S. (M2 Physics) : Won Prizes in General Quiz from different colleges.

Christy Mathew (D1 Chemistry) : 2nd prize in Malayalam Elocution conducted by Anti Corruption Wing (State Level Competition)

Riya Raju and Christy Mathew (D1 Chemistry): – got prize in Bible Quiz Competition

Roshin Shabu (D3 Commerce) – Remixed a song in Malayalam Movie

(d) & (e) Sports and Games.

Department of Physical Education functions to cater to the different physical and recreational activities of students and teachers. Different programmes intended to promote physical culture and capabilities of students are being introduced regularly. The various activities of the department includes

Participation in Inter-collegiate tournaments

Functioning of Health Club
Organization of Intra-murals

Conducting Annual Athletic meet etc.

11. Participation in Inter-Collegiate Tournament

- 2 Participated in M.G. University Inter-collegiate Cricket Tournament (Men) South Zone, held at S.D. College, Kanjirappally and reached upto pre-quarter stage (Dec, 2010 – Jan. 2011)
- 3 Participated in M.G. University Shuttle Badminton Championship held at NSS College, Changanacherry (Men) (Oct. 2010)
- 4 Participated in M.G. University Tennis Championship (Men) held at Rajeev Gandhi Indoor Stadium, Kadvanthra, Cochin and gained 5th position (Jan. 2011)

II. Health and Fitness Club

“ Health is Wealth”

College is having a health club installed with multi – gymnasium equipments, free-weights, dumb-bells etc. It caters to the varied health needs of students and teachers. Health & Fitness Club is equipped with financial assistance from the Ministry of Sports and Youth Affairs, Government of India.

III. Organisation of Intra-murals

In the college, Intra-mural (Inter-House) competitions in Sports and Games are being conducted in an excellent manner. The whole college is being divided into four houses ie. Alpha, Beta, Gamma and Delta. Competitions in Throw Ball for Women and Volley Ball, Foot Ball and Cricket for Men are being organized in a Systematic and sporty manner. Winners are honoured with numerous prizes and certificates.

IV. Annual Athletic Meet

College Annual Athletic Meet is the “Two Day Glamour Event” of the department. It is conducted in a ceremonial and systematic manner. The meet was inaugurated by Prof. K.V. Joseph, former H.O.D. of Physical Education, K.G. College, Pampady. The Meet began with Half – Marathon in Men and Women section. Team events like Tug-of-War and competitions for teaching and non-teaching staff were also organized on the same day. Win G. Krishnan (D3 Chemistry) and Arsha G. Krishna (D3 Physics) were declared Individual champions in Men and Women section respectively.

V. Participation in other Activities

a) Quiz Competition

Under the guidance of the department, college quiz team have participated in an All Kerala Inter-Collegiate Sports Quiz Competition held at St.Thomas College, Pala in association with Bishop Vyalil Trophy South India Inter-Collegiate Volleyball Tournament in December 2010.

The department aims to improve its functioning and expand the horizon of activities in the next academic year with the whole hearted support of University Grants Commission and College Management.

17. Industry Varsity Linkage (If any) (For Project work for BBA)

1. RUBCO
2. FACT – Ernakulam
3. Appolo Tyres – Pampady
4. Priyadharshini Spinning mills – Meenadom
5. Travancore Cements, Nattakom, Kottayam.
6. ICICI Bank, Kottayam
7. TATA & AVG

18. Academic Tie-Ups (if any) Name of the Institution

- | | <u>Activity</u> |

2. Name of the Principal : Dr. T.C. Peter
3. Staff Profile

Staff Profile	Men	Women	Total
Teaching	46	57	103
Non Teaching	25	11	36

4. Courses Offered with Number of seats

	Name of the course	No. of seats
Degree Level	B. Tech.- ECE	120
	B. Tech.- EEE	60
	B. Tech.- CSE	60
	B. Tech.- ME	60
	B. Tech.- IT	60
	B. Tech.- CIVIL	30
	P.G. Level	MBA
M. Tech. - IEM		18

5. Student Intake

Under Graduate	Year	Appeared		Passed	
		M	W	M	W
B. Tech.- ECE	2009	63	26	37	16
	2010	71	21	41	14
B. Tech. - EEE	2009	29	4	18	2
	2010	36	15	16	13
B. Tech. - CSE	2009	26	22	16	20
	2010	38	23	23	19
B. Tech. - ME	2009	48	—	28	—
	2010	64	—	26	—

B. Tech. - IT	2009	4	13	2	7
	2010	18	12	9	8
Graduate MBA	2009	28	30	18	24
	2010	25	35	17	23
M. Tech.	First batch admitted in July 2010. 10 male students and 8 women students. Total 18 students.				

6. Details of Tests cleared by Students (if any)

Sl. No.	National Level	State Level	Remarks
1	MAT Examination – 100% of admitted students	–	Management (MBA) students only
2	–	Common Entrance Examination for Engineering Colleges or Lateral Entry Entrance Test – 93% of admitted students	Engineering Stream students only

7. Library

- a. Total Number of Books - 14874
- b. Total Number of Journals - 92
- c. Total Number of Periodicals - 72
- d. Additions during the period - 9

8. Grants Received from

- a. State Government - Yes
- b. Central Government - No
- c. University Grant Commission - No
- d. Others – Specify - No

9. Projects Undertaken

- a. Final Year Projects (in various engineering streams offered in the College) by all graduating students in their Final Year of the B. Tech. Programme.
- b. Final Year Projects by all passing out MBA Students in collaboration with the Industry on various aspects pertaining to the specialization i.e. Finance, Marketing, HR, IT related.
- c. Social Upliftment Awareness Projects by MBA students in collaboration with Charitable Organizations to work towards alleviation of poverty among the under-privileged classes.
- d. Offering of Tuition-Fee-Waiver to wards of Defence Personnel/ Socially and economically underprivileged people, women and physically handicapped students.

10. Seminars Conducted

a. State Level

i)	Cyber Security	2009	CSE & IT Department
ii)	Optimal Spectral Usage in Modern Communication Systems	2009	ECE Department

b. National Level

i)	Value Based Management Systems	2010	MBA Department
ii)	Green Management, Environment & Technology	2011	MBA Department
iii)	Management Development Programme on MSME	2011	MBA Department

iv)	Emerging Trends in Nano-Technology	2011	ECE Department
-----	------------------------------------	------	----------------

c. International Level

i)	Systems Thinking in Management (Convenor Dr. Arun Abraham Elias, New Zealand)	2008-2009	MBA Department in association with Victoria Management School, New Zealand
----	---	-----------	--

2 Seminars Conducted by Faculty (Name wise – with

- details) a. State Level - Nil
b. National Level - Nil
c. International Level - Nil

12. Publication by the Faculty with Impact factor of the Publications

a. Mr. Anjit T.A.

Topic – Identification of Nasal Bone for the early detection of Down Syndrome using Neural Network. Published in the ICCSP 2011 Conference held at N.I.T. Calicut. Back Propagation

b. Mr. Rijo Sebastian

Topic – Zigbee controlled Mobile Robot for Human Detection and tracking. Published in NCCCT 2010 held at U.M.K.V. Engineering College.

13. Research Highlights of Faculty/ Scholars

a. Research Paper on Development of Performance Evaluation Model for Public Sector Industrial Organizations in Kerala by Dr. Sibu C. Chithran in March 2009.

14. Academic Achievements

a. Dr. Sibu C. Chithran awarded Ph.D. in Management Studies by University of Kerala in 2009.

b. First Rank in M. Tech. (Embedded Systems Technology) from Vinayaka Mission University, Salem – June 2010 By Asst. Professor Rijo Sebastian, ECE Department.

15. Student Achievements – Academic

a. 2nd Rank in MBA, M.G. University Exam of July 2010 – Ms. Geeta N. Ravi

b. 5th Rank in MBA, M.G. University Exam of July 2010 – Ms. Merin Annie Kuriakose

c. 13 Distinctions in B. Tech courses during 2010.

16. Students Activities/ Achievements – (Extra Curricular)

a. National Cadet Crops : Nil

b. National Service Scheme : Nil

c. Arts Festivals : Prizes won in instrumental music, vocal and dramatics in University Cultural Meet

d. Sports : Nil

e. Games : College Basketball Team and Cricket Team in University Semifinals.

17. Industry Varsity Linkage (If any)

a. ENCON Club Training cum recruitment Programme in association with BPCL and KRL, Kochi.

17. Academic Tie-Ups (If any) – Nil

18. Student Progression (Brief about the past students)

It has been observed that about 15% of the students who graduate have opted to pursue higher studies both in India and abroad. Of the balance, more than 60% have been absorbed by various technology oriented firms in fairly well paid and technologically challenging assignments. A further 30% have taken up temporary assignments to improve their exposure and technical skills and are looking for better opportunities.

19. Campus Recruitment (If any)

Sl.No.	Name of Firms during 2009-2010 (Visited campus or students participation)	No. students attended		No. students selected	
		M	W	M	W
1.	Following organizations screened students from this college				
	a. Cybernet Slash Support b. Speridian Technologies c. IBS d. Accenture e. US Technologies f. Paladian, Chennai g. Oceanship Maritime Services h. HCL Technologies i. Infosys j. TCS k. Keane Technologies l. Wipro m. Ansel Technologies n. Hexaware Technologies o. Syntel Systems p. Subex Technologies	126	72	63	45
2.	About 14 students were screened by SSB for absorption in the Defence Services	8	6	3	2

21. Number of Ph. D's produced if your college is an approved Research Centre Nil

22. Research Scholars Registered in the College, If your College is an approved Research Centre Not Applicable

23. List of Research Guides in your College Nil

**Saintgits College of Engineering, Kottukulam Hills, Pathamuttam P.O.,
Kottayam-686532 (2002)**

1. Name & Address of the Institution : **SAINTGITS COLLEGE OF ENGINEERING
KOTTUKULAM HILLS
PATHAMUTTOM P O KOTTAYAM.
KERALA. Pin 686 532.**

2. Name of the Principal : **Dr. M.C PHILIPOSE**

3. Courses Offered

Degree Level :

S.No	Course	No. of Seats
1	B. Tech Electronics & Communication Engg	60
2	B. Tech Electrical & Electronics Engg	60
3	B. Tech Mechanical Engineering	120
4	B. Tech Civil Engineering	60
5	B. Tech Computer Science & Engg	60
6	B. Tech Applied Electronics & Instrumentation	60

PG Level

:

S.No	Course	No. of Seats
1	M.C.A (Master of Computer Applications)	60
2	M.B.A (Master of Business Administration)	60
3	M. Tech – Power Systems	18
4	M. Tech - Machine Design	18
5	M. Tech – VLSI & Embedded Systems	18

6	M. Tech - Geo mechanics & Structures	18
----------	---	-----------

4. Staff Profile :

Details	Men	Women	SC/ST	Total
Teaching	109	98	1	208
Non Teaching	46	12		58

5. Student Profile :

Year	Course	Intake		Final Exam – Appeared(2010)		Final Exam Passed	
		Men	Women	Men	Women	Men	Women
2010-11	B.Tech	274	178	251	155	92	115
	MCA	15	40	29	30	25	27
	MBA	23	35	27	29	Result Awaited	Result Awaited
	M.Tech	26	46	12	8	Result Awaited	Result Awaited

6. Details of Test Cleared by Students :

Sl.No	Name of student	Dept	Level	TEST
1	Shanuaziz	ECE	International	South African Uty Entrance
2	Jenish V Abraham	ECE	National	GATE
3	Lakshmi Vijayan	MBA	National	Junior Research Fellowship
4	VISHNU V	CSE	International	Red Hat Certified Engineer RHCE(100% Score)
5	Akhil Viswanathan, Abu Mathew, Vishnu Prasad, Haifa Thahir Divya Theresa & Jikku Ben Pothen	CSE	International	Done Certification course for IBM Rational Functional Tester For Java (RFT) & Rational Software Architecture
6	Bijoy Boban	CSE	International	DELL Certified System Expert
7	Seena Mary Augusty	CSE	National	GATE Score - 88%
8	Chenju Merin Thomas	CSE	National	GATE Score - 94.3%

7. Library :

Details	No of Books		Additions during current year	
	Volumes	Books	Volumes	Books
Books	9377	31319	1543	4975
Journals	212		21	
Periodicals	18		Nil	
E Journals* E-Resources Subscription through IDEST- AICTE.Consortium(IEEE, ASME, ASCE & Science Direct). *Management E- Resources subscription through EBSCO Business Management Database and Prowess of CMIE, DELNET Membership				

8. Grants Received :

a. From State Govt : Nil b. From Central Govt : Nil c. From Others : Nil

9. Projects Undertaken :

Name of project	Funding agency	Principal investigator	Other investigator	Dept
A study on Reverse Share Split	ICSSR	Dr. Roji George	--	MBA
Companies in India to buy Electrically Erasable Programmable Read Only Memory (EEPROM) for automobile application	Seiko Japan	Ajith K Thomas	--	MBA
Rotary Engine	Yuva Mastermind, Malayala Manorama	Prof. Sajan Thomas	Joju Zacharias Cherin A Abraham Johny Varghese	ME
Mechanical Safety Elevator	Yuva Mastermind, Malayala Manorama	Er Francis Augustine Joseph	Ebin Kuruvilla George Mathew Jaison Dominic Jiji Jose Meghin Joseph	ME

10. National Level/State Level Seminars Conducted :

Month & Year	Name of the Event	Department	Level:
March 2010	NAKSHATHRA 2010 (Techno Cultural Fest)	All DEPTs	National
Aug 2010	Sferics	AEI	National
Sep 2010	Horizon	ECE	National
Sep-10	National Conference on Finance and Banking	MBA	National
Nov-10	Two day National Conference - Emerging Dimensions in Marketing	MBA	National
Dec-10	Seminar on Environment Management	MBA	National
Feb - 10	Automotive Design	ME	National
Sept - 2010	Workshop on Research Trends in Engineering Design	ME	National
2010	Dyuthi Electrical Engineering Symposium	EE	National
2010	Mechinus Mechanical Engineering Symposium	ME	National
2010	Eternia, Civil Engineering Symposium, 2010	CE	National
2010	Ascend, Computer Science Symposium 2010	CS	National

Sept - 2010	RADIEUX Techno cultural Festival organized by MCA association SMART	MCA	National
Aug-10	Ascend 2010 - IBM Collaboration JAM	CSE	National
10-Dec	Faculty Development Program on National Level Workshop on Methodology and Software for Research	CSE	National
Dec-10	Faculty Development Program on National Level Workshop on Methodology and Software for Research	MCA	Dec-10
2010- October	A short term Training programme for Faculty and P.G.Students was conducted. There were about 93 participants including faculty members and P.G.Students	EE	National

11. National Level/State Level Seminars Attended by Faculty :

Month & Year	Name of the conferences and venue	Names of the Faculty	Department	Level
March 2010	Mission 10x – Faculty Empowerment Program, Saintgits College of Engg., Kerala	Krishna Priya	AEI	State Level
March 2010	Mission 10x – Faculty Empowerment Program, Saintgits College of Engg., Kerala	Vinaykumar B	AEI	State Level
Oct 2010	Mission 10x – MxLA - Faculty Empowerment Program, Saintgits College of Engg., Kerala	Krishna Priya	AEI	State Level
Oct 2010	Mission 10x – MxLA - Faculty Empowerment Program, Saintgits College of Engg., Kerala	Vinaykumar B	AEI	State Level
Nov 2010	ISTE State Conference – St. Joseph Engg. College, Pala	Krishna Priya	AEI	National Level
Nov 2010	ISTE State Conference – St. Joseph Engg. College, Pala	Vinaykumar B	AEI	National Level
Oct 2010	International Conference on Communication, Control & Computing Technologies, Noorul Islam University, Nagarkoil	Krishna Priya	AEI	International Level
Oct 2010	International Conference on Communication, Control & Computing Technologies, Noorul Islam University, Nagarkoil	PS Godwin Anand	AEI	International Level

Dec 2010	International Conference on Computer Modeling and, simulation NMTID, Mumbai	Jiss Nallikuzhy	AEI	International Level
Oct 2010	International Conference on Recent Advances in Mechanical Engineering , Noorul Islam University, Nagarkoil	Jyothi Krishnan	AEI	International Level
March 2010	Mission 10x – Faculty Empowerment Program, Saintgits College of Engg., Kerala	Krishna Priya	AEI	State Level
March 2010	Mission 10x – Faculty Empowerment Program, Saintgits College of Engg., Kerala	A.Aravindhan	ECE	State Level
March 2010	Mission 10x – Faculty Empowerment Program, Saintgits College of Engg., Kerala	Mithun C A	ECE	State Level
Oct 2010	Mission 10x – MxLA - Faculty Empowerment Program, Saintgits College of Engg., Kerala	A.Aravindhan	ECE	State Level
Oct 2010	Mission 10x – MxLA - Faculty Empowerment Program, Saintgits College of Engg., Kerala	Mithun C A	ECE	State Level
Oct 2010	Entrepreneurship Development – Techno Park Trivandrum	Pradeep C	ECE	National Level
Oct 2010	Recent trends in IT & its application – School of Engineering, CUSAT	Dhanusha P B	ECE	National Level
Oct 2010	Modeling & Optimization Techniques in Engineering Field - School of Engineering, CUSAT	Riboy Cherian	ECE	National Level
Nov 2010	Database Management System – IBM Systems, Bangaluru	Chinn Mohanan	ECE	National Level
Dec 2010	Satellite Image Processing – CSRE – IIT Bombay	Shajimon K John	ECE	National Level
Jan-10	International Conference on Brand Management at IMT Ghaziabad attended and presented paper	Thomas Varghese	MBA	International
Jan-10	Two day workshop on Research Methodolgy organized by Naipunya Institute of Management, Trichur	Thomas Varghese	MBA	National Level
Mar-10	Attended (Panel Chair) Conference on Global Business Challenges organized by TocH Institute of Management, Cochin	Thomas Varghese	MBA	National Level
Apr-10	Attended Global Ethics Meet organized by Global ethics Network, IIM Babgalore and Infosys	Thomas Varghese	MBA	National Level
Dec-10	Attended Greeniverse 2010, Seminar on environment organized by DC School of Management & Technology	Thomas Varghese	MBA	National Level
Jun-10	Workshop on "Capacity building for Research" at Albertin Institute of Management Kochi	Bindu John	MBA	National Level
Dec-10	International Conference on Economic Asymmeties & Globalization at IIM Luknow attended and presented paper	Dr. Roji George	MBA	International
Dec-10	Workshop on "Capital Market" at Kochi	Dr. Roji George	MBA	National

				Level
Jul-10	Doctoral Colloquia at IRMA, Anand	Jacob George	MBA	National Level
Feb-10	International Conference on Management Research by BIM, Trichy	Ranjith NR	MBA	International
Sep 2010	Workshop on Research Trends in Engineering Design	Jenny John Mattam	ME	National
Sep 2010	Workshop on Research Trends in Engineering Design	Vijesh K	ME	National
Sep 2010	Workshop on Research Trends in Engineering Design	Aijth K Mani	ME	National
Sep 2010	Workshop on Research Trends in Engineering Design	Amith Aravind	ME	National
Sep 2010	Workshop on Research Trends in Engineering Design	Silesh S	ME	National
Sep 2010	Workshop on Research Trends in Engineering Design	Parvathy Venugopal	ME	National
Sep 2010	Workshop on Research Trends in Engineering Design	Francis Augustine Joseph	ME	National
Sep 2010	Workshop on Research Trends in Engineering Design	Emil Sebastian	ME	National
Sep 2010	Workshop on Research Trends in Engineering Design	Sarath S	ME	National
Jan-10	International Conference on Systemic, Cybernetics and Informatics, Dr.MCR Institute for Research, Hyderabad	Ramani Bai.V	CSE	International
Sep-10	ACM International Conference on Women in Computing, Amrita Visha Vidyapeedam, Coimbatore.	Ramani Bai.V	CSE	International
Dec-10	ISTE Sponsored Faculty development Program on Introduction to Analysis of Algorithms and Design	Ramani Bai.V	CSE	National
12/10	Faculty development Program on DBMS conducted by IIT Bombay in connection with MHRD, Govt of Kerala	Jo Cheriyan	CSE	National
12/10	Deep Dive Faculty Enablement Program conducted by infosys	Vicky Nair	CSE	National
10/Jun	Kerala Womens Science Congress	Antu Annam Thomas	CSE	National
Sep-10	Career Advancement Programme for Women Scientists, Kerala State Council for Science Technology and Environment, Sasthra Bhavan, TVM	Susan Rose	Civil	State level
Nov-10	Course on Smart Materials in Engineering, College of Engineering, TVM	Susan Rose	Civil	State level
Sep-10	Career Advancement Programme for Women Scientists, Kerala State Council for Science Technology and Environment, Sasthra Bhavan, TVM	Susan Rose	Civil	State level

22June-2July 2010	Micro grid and Distributed Generation, NIT Calicut	Jaimol Thomas	EE	National
17-18 December 2010	Methodology and software for Research, Saintgits college of engineering, Pathamuttom	Radhika R	EE	National
17-18 December 2010	Methodology and software for Research, Saintgits college of engineering, Pathamuttom	Jisha James	EE	National
17-18 December 2010	Methodology and software for Research, Saintgits college of engineering, Pathamuttom	Haseena K A	EE	National
October 2010	Seminar on Power Electronics at St.Joseph's College of Engineering, Palai	Fossy Mary Chacko Subhash Punnoose Abraham	EE	National
February, 2011	Recent Innovations in Technology	Christina Paulson Reshma S	EE	International
November, 2010	Recent Trends in Design and Development of Machine Lab (Rajagiri)	Lalgy Gopy Pinkymol K P	EE	National
October 2010	Reactive Power Management and Power flow in Transmission line College of Engineering, TVM	Ancy Sara Varghese	EE	National
Aug-10	"Workkshop on Advanced Linux" atMES College of Engineering	Shajan Joseph	MCA	National
Oct'10	2010 International Conference on Biometrics PSG College,Coimbatore	Lija Jacob	MCA	National
DEC 2010	2010 IEEE International Conference on Computational Intelligence and Computing Research/Coimbatore	Reji R	MCA	National
JAN 2010	2)One week workshop on Image Processing with IDL Programming/ CITE,Tirune lveli.	Reji R	MCA	National
SEPT 2010	3)One week Faculty Empowerment Programme Mission 10X/SNMIMT ,Ernakulam	Reji R	MCA	National
Aug10	UGC Sponsored National Seminar on Fractal and Chaos at St.Alberts College,Ernakulam	Biku Abraham	MCA	National
Sept 10	National Level Seminar on "Writing up for thesis and Publications",PSG Institute of Technology ,Coimbatore	Biku Abraham	MCA	National
Feb 2010	IEEE National Conference on Information and Software Engineering	Biku Abraham	MCA	National
Dec-10	Deep dive Faculty Enablement Program By Infosys at Adi Sankara College ,Kalady	Josmy Mathew	MCA	National
July 2010	J2EE Workshop at Vidya Engineering College,Trissur	Rani Saritha R	MCA	National
Jan 2010	One week "Deep dive Faculty Enablement Program" By Infosys at Amritha Engineering College ,Kollam	Ambili P.S	MCA	National
July 2010	J2EE Workshop at Vidya Engineering College,Trissur	Ambili P.S	MCA	National

12. Publications by Faculty :

Year	Details	Name of the Faculty	Dept
2010	P. S. Godwin Anand and P. Subbaraj, "Optimal Design of a Fuzzy Logic Controller for Control of a Cement Mill Process by a Genetic Algorithm" Instrumentation Science & Technology, (Taylor & Francis) accepted for publication (impact factor 0.548)	P. S. Godwin Anand	AEI
Oct-10	International publication of paper in Emerald Publication Journal of Indian Business Research	Thomas Varghese	MBA
Dec-2010	Technical paper titled " Modelling of interfacial heat transfer coefficient and experimental verification for gravity diecasting of Aluminium alloys " has been published in the Dec 2010 issue of the International Journal of Mechanical Engineering and technology	Cherian Paul	ME
FEB-2010	Technical paper titled " Artificial Energy releasing foot " presented for the International conference ICRIT 2011 held at RIT Kottayam on 10/02/2011.	Shyamraj	ME
2010	Technical paper titled "New Trend in Automotive Suspension" presented in the National Conference held at KSR college of Engineering, Tiruchengode, Tamilnadu	Sreeju unnikrishnan and Er. Jenny John Mattam	ME
2010	Technical paper titled " Dual Rate Suspension System " by has been accepted in the International Conference at MGR University Chennai	Er. Sreeju unnikrishnan and Er. Jenny John Mattam	ME
2010	Published a paper " Innovative Practices for Excellence in Engineering Education " in 21 st ISTE Kerala state annual convention held at St. Joseph's College of Engineering & Technology, Palai	Prof Muruganatham	ME
2010	Published a paper " Numerical investigation of fluid structure	Levin Visakh G.B.	ME

	interaction in flexible vessels” in ICTT 2010		
March-2010	Published a technical paper titled “Assessment on valid range of design variables for critical buckling of plates” at National conference in Bharath Niketan , Theni on March 2010	Parvathy Venugopal	ME
March -2010	Published a technical paper titled “Forecasting of Robot Technology” at National conference in Bharath Niketan , Theni on March 2010	Shyam Raj R	ME
2010	"A Simple Procedure for Extracting Quadratics from a given polynomial" , International Journal of Engineering and Technology", vol.2(1), 28-34.	Ramani Bai.V	CSE
2010	"An Intelligent Numerical algorithm for solving system of Linear Equations" , DOI:10.1145/1858378.18584433 ACM Digital Library , Article No.5, ISBN:978-1-4503-0194-7	Ramani Bai.V	CSE
2010	"A Computationally Simplified procedure for Extracting Quadratics of Algebraic Polynomial", International Journal of Systemics, Cybernetics and Informatics" , vol .7(2) , pp 23-29.	Ramani Bai.V	CSE
2010	Analyzing Inquiry Learning Using Collaborative Learning Tool Moodle, souvenir of 21st ISTE Annual Convention kerala section, pp 151-154, 2010	Vicky Nair	CSE
June 2010	Implementation of Auto Test Script in CMMI Quality Assurance , International Journal of Computer Engineering and Software Technology, Vol. 1,pp 27-34 , June 2010	Vicky Nair	CSE
August 2010	<i>"Development of Deterioration Models & Calibration of HDM-4 for Rural Roads”</i> in the JOURNAL OF INSTITUTION OF ENGINEERS, August 2010	<i>Susan Rose</i>	<i>CE</i>
September 2010	presented a paper on <i>“Improvement of Loose Sand”</i> in the National Conference on Recent Advances in Civil Engineering (RACE 2010)conducted by CUSAT from 17 th to 19 th September 2010	Dipty Sarin Isaac	CE
June 2010	Optimal Pricing of Electricity from Biomass Based Power Plants’ ;	Jaimol Thomas	EEE

	International Journal on Review of Modeling and Simulations, Vol.3, N.3, June 2010,pp: 373-380 Impact Factor 0.6		
Dec 2010	Pricing Model for Biomass Based Electricity', Energy Sources Part B (Taylor and Francis)(Accepted) Impact Factor 1.41	Jaimol Thomas	EEE
Dec 2010	Pricing Model for Wind Energy', Proceedings of International Conference on 'Clean Energy Technologies and Energy Efficiency for Sustainable Development', Uttarakhand Technical University, Dehradun 27-29 Dec 2010	Jaimol Thomas	EEE
2010	Design of Non Liner Control Strategy for H.V.D.C light syste	Subhash Abraham Punnoose and Jaimol Thomas	EEE
2010	Steady State Stability Analysis of a Back to Back VSC Based Transmission system	Subhash Abraham Punnoose and Jaimol Thomas	EEE

13. Research activities of Scholars/Faculty :

Month & Year	Research Activities	Project	Names of the Faculty	Department
Apr 2010	Ph.D., in Industrial Automation	Industrial Automation for cement plant	PS Godwin Anand	AEI
Apr 2010	Ph.D., in Soft Computing	Soft computing in medical image processing	Krishna Priya	AEI
Apr 2010	Ph.D., in VLSI	VLSI Implementation of Dynamic Encoder	Binu K Mathew	ECE
Apr 2010	Ph.D., in VLSI	Built in Self Repair Strategy for Reconfigurable System	Pradeep C	ECE
Apr 2010	Ph.D., in Communication	UWB Antennas	Riboy Cherian	ECE
Apr 2010	Ph.D., in Image Processing	Tea Plantation - Vegetation Studies	Shajimon K John	ECE
2010	Completed PhD course exam and Course Viva Voce at Cochin University	Thomas Varghese	MBA	2010
2010	Course work completed for Ph. D at Indian Institute of Science, Bangalore	Kishinchand Poornima	MBA	2010

2010	Course work completed for Ph. D at Anna Technological University, Coimbatore	Ajith K Thomas	MBA	2010
2010	Course work completed for Ph. D at Anna Technological University, Coimbatore	Bindu John	MBA	2010
2010	Course work completed for Ph. D at Anna Technological University, Coimbatore	Jacob George	MBA	2010
2010	Research work for Ph. D in progress at Cochin University of Science & Technology	M. Krishnan	MBA	2010
Feb 2002- Dec 2011	Composite Material	Fracture toughness of multilayered carbon/Epoxy laminates	Prof K M Chacko	ME
Apr 2008- Mar2011	Hydraulic Machines	Design & Development of multilayered impeller axial flow pump	Prof Sajan Thomas	ME
Apr 2008- Mar 2011	Thermal Engg	Improving efficiency of water tube Boilers	Prof Muruganatham P	ME
July 2010	Non Linear Dynamics	Optimal Design of non linear systems using parametric continuation based systems	Prof Bipin Balaram	ME
Mar 2010 – Dec 2012	Composites	Wetting of solids by molten metal & their influence on manufacturing of metal matrix composites	Er Cherian Paul	ME
Apr 2008 – Mar 2013	Polymer	Textile composite material	Er Sivasubramanian	ME
Mar 2011	Composites	Natural fibre reinforced composites	Er Shyam Raj	ME
Mar 2011	Industrial Engg	Validation of PMTS	Er Shiyas KA	ME
February/ March, 2011	Almost Completed Ph.D from NIT	Power System	Jaimol Thomas	EE
February, 2011	Registered for Ph.D under Anna University	Power Electronics	Radhika R	EE

14. Academic Achievements :

Year	Details	Name of the Faculty	Dept
2010	Four Month Faculty Development Program completed at Indian Institute	Ranjith N R	MBA

	of Management (IIM), Ahemadabad		
Sept 2010	BEST PAPER AWARD in the ACM International Conference of Women in Computing , organised by Amrita University in Sep 2010	Ramani Bai	CSE
2010	Secured First Rank in M.Tech from Kerala University	Ms. Antu Annam Thomas	CSE
	Qualified Ph.D Entrance test of Kerala University, Jan 2010	Susan Rose	Civil
	First Rank in M.Tech-Kerala University	Dipty Sarin Isaac	Civil
	Second Rank in M.Tech-NIT Suratkal	Damu D	Civil
	WIPRO certified faculty by MISSION 10X Team	Joseph Wilfred	Civil
	WIPRO certified faculty by MISSION 10X Team	Afia S Hameed	Civil

15. Students Achievements (Academic) :

Year	Details	Name of the Students	Dept
2010	Students secured the Best Paper Award in the IETE Technical Paper Contest 2010 for their paper titled CORBO - Coconut Harvesting Device on 23rd October 2010	Anoop Eapen Chacko, Rioshni Oommen and Miriam John of ECE Department	ECE
2010	Best Coder(Tech Fest at Amal Jyothy College of Engineering,Kanjirappally) and (Tech Fest at RIT ,Pampady)	Vishnu V & Arun Varghese Mathew	CSE
2010	Best paper Award in the Tech fest at CET , 2 ND Prize in MA College & YCET Kollam	Haifa Tahir & Chenju Merin Thomas	CSE
2010	3rd Prize in Linux Shell Scripting 1 - RIT Kottayam	Varghese K Aniyam	CSE
2010	First prize in Civil Engineering Drawing – ETERNIA 2010.	Arya Aravind	CE

16. Students Achievements in Sports, Arts, and NSS (Extra Curricular) :

A. Students Achievements (Arts) :

Year	Details	Name of the Students	Dept
2010	Won the 'Vaikom Mohammed basheer' award conducted by M.G University	Sarun V S	CSE
2010	quiz conducted by All India Management Association & Dalmia Cements	Pavan Kumar	Civil
2010	quiz conducted by All India Management Association & Dalmia Cements	Jilu susan	Civil

4. DEPARTMENT OF PHYSICAL EDUCATION

The college Football team (Men) took part in the MG University Inter collegiate Football Tournament. The following are the list of students who represented the College.

Sl.No	Name	Batch / Class	Roll.No.
1.	Nair Ajai	S7 AE	43

2.	Lijo George	S7 AE	35
3.	Paul Jose	S7 ME	18
4.	Peter Varghese	S7 ME	19
5.	Philip George	S7 ME	20
6.	Akhil Terens	S5 AE	03
7.	Jijo joseph	S5 ME	52
8.	Jude Joe	S5 ME	62
9.	Ajai Sebastin	S5 CS	04
10.	Arjun P Nair	S5 ME	18
11.	Gokul G Nair	S5 ME	41
12.	Akhil Kumar	S5 EE	03
13.	Tony George S	S3 CS	62
14.	Bibin Joy	S3 ME	34
15.	Sreejith S	S3 ME	51
16.	Jibin Antony	S3 ME	61
17.	Arun Thomas	S5 CS	08

Result – Semifinalist

- b. The college Football team (Men) took part in the 6th Mar Kuriakose Kunnacherry Sacerdotal Golden Jubilee Memorial All Kerala Inter collegiate Football Tournament, at St. Stephen's College, Uzhavoor.

Sl.No	Name	Batch / Class	Roll.No.
1.	Nair Ajai	S7 AE	43
2.	Lijo George	S7 AE	35
3.	Paul Jose	S7 ME	18
4.	Philip George	S7 ME	20
5.	Akhil Terens	S5 AE	03
6.	Jijo joseph	S5 ME	52
7.	Ajai Sebastin	S5 CS	04
8.	Arjun P Nair	S5 ME	18
9.	Gokul G Nair	S5 ME	41
10.	Akhil Kumar	S5 EE	03
11.	Tony George S	S3 CS	62
12.	Bibin Joy	S3 ME	34
13.	Sreejith S	S3 ME	51
14.	Jibin Antony	S3 ME	61
15.	Arun Thomas	S5 CS	08
16.	Bobby Joseph	S5 CE	14
17.	Anandu S	S7 ME	09
18.	Jude Joe	S5 ME	62
19.	Peter Varghese	S7 ME	19

Result – Tournament Winner

- c. The college Football team (Men) took part in the Ettumanoorappan College Football Tournament, Organized by Ettumanoorappan College Football Tournament, Organized by Ettumanoorappan College, Ettumanoor.

Sl.No	Name	Batch / Class	Roll.No.
1.	Nair Ajai	S7 AE	43
2.	Lijo George	S7 AE	35
3.	Paul Jose	S7 ME	18

4.	Philip George	S7 ME	20
5.	Akhil Terens	S5 AE	03
6.	Jijo joseph	S5 ME	52
7.	Ajai Sebastin	S5 CS	04
8.	Arjun P Nair	S5 ME	18
9.	Gokul G Nair	S5 ME	41
10.	Akhil Kumar	S5 EE	03
11.	Tony George S	S3 CS	62
12.	Bibin Joy	S3 ME	34
13.	Sreejith S	S3 ME	51
14.	Jibin Antony	S3 ME	61
15.	Arun Thomas	S5 CS	08
16.	Bobby Joseph	S5 CE	14
17.	Anandu S	S7 ME	09
18.	Jude Joe	S5 ME	62
19.	Peter Varghese	S7 ME	19

Result – Semifinalist

- d. The college Football team (Men) took part in XXII Arch Bishop Mar Mathew Kavukattu / Rev Fr. Zacharias Punnapadom Memorial All Kerala Inter Collegiate Football Tournamnet, at ST. ALOYSIUS' COLLEGE, Edathua.

Sl.No	Name	Batch / Class	ROIL.No.
1.	Nair Ajai	S8 AE	43
2.	Lijo George	S8 AE	35
3.	Paul Jose	S8 ME	18
4.	Philip George	S8 ME	20
5.	Akhil Terens	S6 AE	03
6.	Jijo joseph	S6 ME	52
7.	Ajai Sebastin	S6 CS	04
8.	Arjun P Nair	S6 ME	18
9.	Gokul G Nair	S6 ME	41
10.	Akhil Kumar	S6 EE	03
11.	Sreejith S	S4 ME	51
12.	Bobby Joseph	S6 CE	14
13.	Anandu S	S8 ME	09
14.	Jude Joe	S6 ME	62
15.	Jijo Jose	FY C	31
16.	Arun Thomas	S6 CS	08
17.	Alvin	S6 ME	12
18.	Tony George S	S3 CS	62
19.	Jibin Antony	S4 ME	61
20.	Jim Abraham	S8 ME	47

Result – Participation

- e. The college Football team (Men) took part EL – JUEGO'11 All Kerala Inter Collegiate Football Tournamnet 2010-2011, at MODEL ENGINEERING COLLEGE, COCHIN.

Sl.No	Name	Batch / Class	ROIL.No.
1.	Paul Jose	S8 ME	18
2.	Philip George	S8 ME	20

3.	Peter V	S8 ME	19
4.	Nair Ajai	S8 AE	43
5.	Akhil Terens	S6 AE	03
6.	Ajai Sebastin	S6 CS	04
7.	Arjun P Nair	S6 ME	18
8.	Gokul G Nair	S6 ME	41
9.	Akhil Kumar	S6 EE	03
10.	Bobby Joseph	S6 CE	14
11.	Sreejith S	S4 ME	51
12.	Tony George S	S4 CS	62
13.	Jiju Jose	FY C	31

Result – Semifinalist

- f. The college Chess team took part in the MG University Inter collegiate Chess Tournament. The following are the list of students who represented the College.

Sl.No	Name	Batch / Class
1.	SHAHUL HAMEED K H	S7 CS 46
2.	DEEPAK C	S7 CS 17
3.	SUJITH P T	S7 CS 54
4.	Arun VARGHESE	S7 CS 10

Result – 5th Place

- g. The college Basketball team (Men) took part in the MG University Inter collegiate Basketball Tournament. The following are the list of students who represented the College.

Sl.No	Name	Batch / Class	Roll No.
1.	Abdul Karrem S	S7 CS	01
2.	Naveen V M	S7 CE	28
3.	Samuel J K	S3 CS	50
4.	LeJo John	S3 AE	33
5.	Ninil Ajay Kumar	S3 ME	19
6.	Josiah Joy	S3 EE	29
7.	Tinu Jissal M	S3 AE	61
8.	Pradesh M	S3 CS	38
9.	Robin Joseph	S3 EE	52
10.	Danny	S5 ME	31
11.	Shinu Varghese	S7 ME	41
12.	Jijo Jose	S5 ME	51

Result – Participation

- h. The college Basketball team (Men) took part in the ARENA 2011 Intercollegiate Basketball Tournament at AMAL JYOTHI College of Engineering, Kanjirapally, Kottayam. The following are the list of students who represented the College.

Sl.No	Name	Batch / Class	Roll No.
1.	Naveen V M	S8 CE	28

2.	A K Sirajudeen	S8 CS	01
3.	Jijo Jose	S6 ME	51
4.	LeJo John	S4 AE	33
5.	Tinu issac M	S4 AE	61
6.	Robin Joseph	S4 EE	52
7.	Josiah Joy	S4 EE	29
8.	Samuel J K	S4 CS	50
9.	Ninil Ajay Kumar	S4 ME	19
10.	Pradesh M	S4 CS	38
11.	Allen Alexander	FY A	07

Result – Participation

- i. The college Basketball team (Men) took part in the R-SLAM , RSET All Kerala Intercollegiate Basketball Tournament at Rajagiri School of Engineering & Technology, Kakkanad, Cochin. The following are the list of students who represented the College.

Sl.No	Name	Batch / Class	Roll No.
1.	Naveen V M	S8 CE	28
2.	A K Sirajudeen	S8 CS	01
3.	Jijo Jose	S6 ME	51
4.	LeJo John	S4 AE	33
5.	Tinu issac M	S4 AE	61
6.	Robin Joseph	S4 EE	52
7.	Josiah Joy	S4 EE	29
8.	Samuel J K	S4 CS	50
9.	Ninil Ajay Kumar	S4 ME	19
10.	Pradesh M	S4 CS	38
11.	Allen Alexander	FY A	07

Result – Participation

- j. The college Table Tennis team (Men) took part in the MG University Inter collegiate Table Tennis Tournament. The following are the list of students who represented the College

Sl.No	Name	Batch / Class
1.	Dileep Kumar B	S3 ME A 43
2.	Ashik Ninon	S3 AE 11
3.	Riyan Savio Gomez	S3 AE 48
4.	Aneesh H Nair	S3 ME 13

Result – Semifinalist

- k. The college Table Tennis team (Women) took part in the MG University Inter collegiate Table Tennis Tournament. The following are the list of students who represented the College

Sl.No	Name	Batch / Class
1.	Gayathri Devi M	S5 CE 22
2.	Sneha Jacob	S3 CE 55
3.	Anu George	S5 CE 08
4.	Mekha Susan Mathew	S5 CE 37

Result – M G University Inter Collegiate 2nd Place

- l. Sneha Jacob of S3 CE 55 represented M G University Table Tennis team to participate in the All India Inter University Table Tennis Tournament 2010 -2011.

- m. The college Cricket team (Men) took part in the MG University Inter collegiate Cricket Tournament. The following are the list of students who represented the College

Sl.No	Name	Batch / Class	ROIL.No.
1.	Rijin A T	S7 ME	30
2.	Achuthan S	S7 ME	03
3.	Harikrishnan M	S7 CS	24
4.	Nedhish S	S5 ME	14
5.	Ebin Alias K V	S5 AE	16
6.	Sharath S	S5 AE	48
7.	Aswin A B	S7 ME	20
8.	Abhijith S	S3 EC	01
9.	Mathew J	S3 CE	33
10.	Shereej K	S7 ME	40
11.	Alex Titty	S7 ME	04
12.	Simon V	S5 ME	39
13.	Rohith A R	S5 EE	47
14.	Aswin T S	S5 EC	15
15.	Aravind V	S5 ME	16
16.	Martin A	S5 ME	07

Result – Participation

- n. The college Shuttle Badminton (Men) team took part in the M G University Inter-Collegiate Shuttle Badminton Tournament. The following are the list of students who represented the College

Sl.No	Name	Batch / Class	ROIL.No.
1.	Ajay Peter G	S3 AE	1
2.	Aby V Patani	S3 CE	2
3.	Mithun Dan T	S3 AE	37
4.	Jithu Kuriakose	FY D	25
5.	Ken Toms P	FY G	24

Result – South Zone 4th Place

Inter Zone – 6th Place.

- o. The college Shuttle Badminton (Women) team took part in the M G University Inter-Collegiate Shuttle Badminton Tournament. The following are the list of students who represented the College

Sl.No	Name	Batch / Class	ROIL.No.
1.	Remya Harihar	S3 EEE	46
2.	Swetha M V	S3 CS	61
3.	Ashly Mary M	S3 CE	09
4.	Binha V	S3 CE	14
5.	Simi S	FY E	58

Result – 3rd Place

- p. Uttam Kumar, Member of the MG University Hockey Team (Men) Selection Committee.

NSS ACTIVITIES

a. Course on “Community Health Volunteering”

NSS Tech. Cell SAINTGITS organized a half day medical charity seminar on Community Health Volunteering on 14th June 2010 at College Seminar Hall. The course was conducted by Dr. Jimmy ML, (Orthopaedic Surgeon), State IT Secretary of Kerala Orthopaedic Association as a part of Social Service Activity of KOA.

b. STATE LEVEL LEADERSHIP TRAINING CAMP (Southern Zone)

The "STATE LEVEL NSS LEADERSHIP TRAINING CAMP" was held on 17.07.10 and 18.07.10 at SAINTGITS College of Engineering, Pathamuttom. Adv. IKE MANI (President, Panachicadu Grama Panchayat inaugurated the camp on 17th July 2010, at 11.00am. Sri. THOMAS T JOHN, Director, SAINTGITS presided over the function. Mr.K.A. Khalith(Programme Co-ordinator,NSS Tech Cell), Prof.(Dr.) M.C.Philipose (Principal,SAINTEGITS College of Engineering), Prof. Koshy Varghese(Vice-Principal, SAINTGITS), John Punnen(General Manager, SAINTGITS), and P.S Haridas (District Co-ordinator, NSS) felicitated the gathering. Er.B.Vinayakumar(NSS Programme officer, SAINTGITS) welcomed the delegates and the participants and Er.Francis Augustine Joseph (NSS Staff member, SAINTGITS) delivered the vote of thanks.

Sri. Jijo Chittadi, National Trainer, demonstrated the different techniques involved in "GROUP DYNAMICS". Prof. Varghese Paul (Director, CALL, Chalakudy) delivered a talk on 'MODALITY OF SOCIAL SERVICE' in the last session of the day. On 18.07.2010, Sri. Kiran Thampi (Lecturer, Training and Orientation Centre, Kalamassery) gave a speech on EFFECTIVE IMPLEMENTATION OF NSS PROGRAMMES in the first session. Programme Officers and volunteers presented the reports of unit level activities in the next session.

120 NSS Volunteers and 24 Programme Officers from 37 professional colleges of the Southern Region (Thiruvananthapuram, Pathanamthitta, Kollam, Kottayam & Alappuzha districts) participated in the programme. All the talks delivered and activities conducted for the participants were informative and refreshing.

c. Orientation for RED RIBBON CLUB Volunteers

Six students from SAINTGITS (HANNA G ELIZABETH,ANIRUDH PRAMIL,DINTU DAVIS,NEETHU GRACE KURIAN,JINESH K JOSE and FAISAL NAVAS) participated in the State Level Orientation Programme for RED RIBBON CLUB members organized by Kerala State AIDS Control Society (KSACS) and HLFPT at Maria Rani Centre, Thiruvananthapuram.

d. District Level Voluntary Blood Donation Camp

NSS Tech CELL SAINTGITS College of Engineering conducted District Level Voluntary Blood Donation Camp on October 1st 2010 (NATIONAL BLOOD DONATION DAY) in association with State AIDS Control Society, Hindustan Latex Family Planning Promotion Trust (HLFPPT) and Blood banks of Kottayam Medical College & District Hospital. Blood Group Detection was also included as part of the camp.

e. WOMEN EMPOWERMENT PROGRAMME

As part of the working of the Women's Cell, SAINTGITS, in association with the National Service Scheme Tech Cell (Unit No.195), a talk on Life of a Female Student in her Adolescence by Mrs. Merin Punnen, Counsellor, TRADA was arranged on 29th October 2010 for the 450 lady students of the B.Tech first year batches at the Cultural Centre of SAINTGITS. The Chief Guest was introduced and welcomed to our midst by Prof. Amey George, Co-ordinator,Women's Cell, SAINTGITS. Presently, Madam Merin teaches at TRADA Institute of Social Sciences. She holds an M.Phil. degree in Counselling Psychology and is also a Ph.D. scholar. She is also a counselor and remediator in the area of Child and Adolescence.The talk revolved around the main focus of all students, in general and specifically concentrated on the lady students keeping up self- integrity while dealing with their male peers. The students exhibited an enthusiastic response and reacted positively towards her interactive approach as she answered some of their very genuine doubts. The talk commenced at 1:00 pm and ended at 2:00 pm.

f. Mega Blood Donation Camp

A Mega Blood Donation Camp was conducted at CMS College, Kottayam on November 2nd as a part of National Blood Donation Month observation. The camp was organized as a joint venture of Kerala State AIDS Control Society (KSACS), Hindustan Latex Family Planning Promotion Trust (HLFPPT), District Voluntary Blood Donation Forum and National Service Scheme (NSS) with the co-operation of District Medical Office and Collectorate. Padamabhushan Justice K.T. Thomas inaugurated the camp in a programme presided by V.N Vasavan, Kottayam MLA. NSS Programme

Officer of SAINTGITS received the award for **Best Blood Donation Institution** (2010) from Justice K. T. Thomas. Around 500 volunteers donated blood in the Mega Camp, of which 31 volunteers were from SAINTGITS.

g. World AIDS Day Observance

The Red Ribbon Club of SAINTGITS College of Engineering in association with National Service Scheme Tech Cell observed World AIDS day (December 1st, 2010) in the campus. The volunteers displayed posters of AIDS awareness supplied from Kerala State AIDS Control Society (KSACS) in the notice board. NSS volunteers of First year B.Tech distributed Red Ribbons to all faculty members and students of the college in the morning, as a symbol for the fight against AIDS. Principal Prof. Dr. M C Philipose delivered a talk on “HIV awareness” at 1.00 pm in the Cultural Centre. He emphasized on personal discipline in life as the best solution for prevention of AIDS.

17. Industry Varsity Linkage (if any)

Year	Activities	Dept
2010	MoU signed with CG – Corel Technology Solutions, Bangaluru	ECE
2010	Innovation Lab Cochin – For Add-on Courses	ECE
2010	Artin Dynamics, Techno Park, Trivandrum – For Add-on Courses	ECE
2010	An Initiative has taken to setup LABVIEW Academy @ SAINTGITS in collaboration with National Instruments to facilitate, Research, Training, Project, Certification and Placement for students.	AEI
2010	Students undergone training and did project in Bosch, L&T, KMML, Southern railway, FACT etc.,	ME

18. Academic Tie Ups (if any)

Year	Activities	Dept
2010	Visiting Faculties for PG Courses - University College of Engineering, Thodupuzha. (Binu K Mathew, Shajimon K John, Riboy Cheriyan & Pradeep C)	ECE
Apr-10	University of Masseurchusetts, Boston - Leadership Programme	MBA
May-10	Student Exchange Programme with Duquesne University, Pitsburg, USA	MBA
August- Dec 10	Joint programme on Product Development alongwith Saintgits College of Engineering with Caltech University, USA	MBA

19. Students Progression (Brief about the past students)

Passed out students are working with Multinational software companies such as Infosys, Wipro, Syntel, Satyam TCS and other concerns like ONGC, Nail UAE, FACT, TIME, Reliance and Merchant Navy(Ari-Tanker Pacific). Some students are doing their post graduation and Doctoral programmes in abroad like Australia, US, UK, Japan etc. and also in other Indian universities.

DEPARTMENT OF ELECTRICAL& ELECTRONICS ENGINEERING

IInd National Conference on

Emerging Trends in Power System and Energy Mangement – 15th JANUARY

2011 REPORT

The Department of Electrical and Electronics organized Second National Conference on January 15th 2011. The Theme selected was ' Emerging trends in Power system and Energy Mangement'.

The programme was started with an invocation to the Almighty.

Prof. P. V. Varkey HoD, Electrical department delivered a warm welcome speech to the dignitaries and also to all those who have gathered for the function.

Rev.Fr.Msgr.Philip Njaralakkat, Chairman, SJCT delivered the presidential Address and Dr.C. J Joseph, Principal, SJCT felicitated the gathering. He congratulated the Electrical department for organizing the programme and also for achieving top position in the University Examinations. He also congratulated the Electrical Department for taking energy conservation measures in the campus and also for winning the appreciation of the commendable achievements towards Energy Conservation and Management in the category of Educational institutions in our State during the year 2009-2010 of the Energy Management Center, Kerala.

Dr. Pailo Paul, Dean FISAT, Angamaly inaugurated the National Conference and delivered a keynote address on "High Voltage Testing Practices". His talk was interesting and was informative for the students as well as for the staff members. The proceeding of the National Conference was released by Dr.K. S. M. Panicker, Dean, FISAT, Angamaly and a copy was handed over to Rev.Fr.Msgr.Philip Njaralakkat, Chairman SJCT. During the afternoon session he delivered the key note address on "Smart Power Grid", which was very fruitful for those who gathered in the function. The National Conference was enriched by the paper presentations in two Technical Sessions from people in their respective fields. The Conference opened a new window to the latest trends in Power systems and also provided a new avenue for discussion on the innovations in the areas of Energy management.

The papers presented in the conference are

Unified Power Quality Conditioner: A Novel Strategy - Fossy Mary Chacko, St. Gits College of Engg., Pathamuttom

Voltage Dip Mitigation At Distribution Systems And Wind Farms With DVR - Shereena Gaffoor, GEC Thrissur

College Report for the year 2009-2010

Theophilus College of Nursing was established in the year 2002. The mission of College of Nursing is to extend quality education through quality patient care.

The vision of College of Nursing is excellence in Nursing Education and Nursing service.

The philosophy is TCN embraces sound educational principles on which the practice of nursing is built and which will enable our students for harmonious growth and development of full potentials for good citizenship and excellent professional performance.

We commit ourselves in upholding the genuine values in health care and to maintain highest standards in nursing profession. Our main objective is to develop young nurses with a holistic and comprehensive approach to health care of the individuals and communities.

Governing Body

Governing Body of T C N

Managing Trustee

- Mr.Varghese Paul

Honorary Director of Nursing Education - Prof. Roy K. George

Course offered: At present we offer 4 years Basic Nursing Course with another one year of compulsory internship programme. We are affiliated to the Mahatma Gandhi University Kottayam and recognized by Indian Nursing Council (Certificate No.18-16/2619-INC dtd.12..8.2005) & Kerala Nurses & Midwives Council

Intake of Students: Theophilus College of Nursing is having an annual intake of 50 students. Admission for the year 2009-2010 was based on strict merit with 50% of the total seat (25 Nos.) will be filled by the Government from the list prepared by the Director LBS centre in accordance with merit and reservation quota. Management is entitled to fill remaining 25 seats.

We are proud to say that the students admitted to our college are with very good percentage of mark in qualifying examination.

Student strength

The present strength of the College is 200 Nos. Out of which 8 Nos. are boys and 192 Nos. are girls. Apart from these we have 50 students doing one year internship programme in Lourde Hospital Ernakulam and Ananthapuri Hospital Trivandrum.

Infrastructure and other facilities

We are blessed with our own college building and other facilities fulfilling the standards set by the INC. We have well established labs, extensive Library, Class rooms, Visual and audio aids. Our Library is very spacious and well equipped with latest edition text books and it is really an asset to this institution. We have journals, CDs and periodicals from national and international publishers. Total number of books are 2837 and Journals 15. We also have internet facilities for staff and students. As a part of the syllabus we impart health care informatics to 1st year students through computer lab. We have well equipped nutrition lab, language lab, CHN lab, FON lab and Anatomy lab and M C H lab.

Hostels : We have hostels for boys and girls constructed in the campus. Hostel stay is not compulsory for students. We have day scholars too.

Faculty

Theophilus College of Nursing has full strength of the teaching staff. The staff pattern followed is in confirmation with the rules and regulation of INC, KNC and Mahatma Gandhi University. We are thankful to the management for filling up the vacancies so that our teaching learning programme is not affected.

Changes in the Administrative Set up of TCN:

Prof. Roy K. George, Director of Nursing Education and Principal College of Nursing has relinquished the charge of Principal TCN with effect from 27-5-2010 AN and he will continue as Honorary Director of TCN w.e.f. 27-5-2010. Mrs. Shyla Ipe Varghese is posted as Principal of TCN and Mrs. Liji Prince is promoted as Vice principal TCN w.e.f. 25-5-2010 am. in place of Mrs. Agnet Beena Mani who has relieved with effect from 25-5-2010.

The present faculty status of TCN

Director of Nursing Education (Honorary Director)	-1
Principal	-1
Vice Principal	-1
Asst. Professor	-1
Sr.Lecturers	-4
External Lecturers	-17
Asstt. Lecturers	-11

Our Teachers are with excellent academic background and experience from reputed institutions in India and abroad.

We also have dedicated team of Office staff and Librarians to support

us. Academic activities:

Our academic activities are initiated by the College curriculum committee chaired by the Director of Nursing Education. We plan our teaching learning activities for the academic year well in advance with meticulous Master rotation plans and clinical rotation plans. We have well experience co-coordinators and co-coordinators for the smooth running of our programme.

Academic Year commencement

1 st Year B.Sc. Nsg(VIII th Batch)	- 24-08-2009
IInd Year B.Sc. Nsg.(VII th Batch)	- 5-10-2009
IIIRD Year B.Sc. Nsg (VI th Batch)	- 1-10-2009
IVth Year B.Sc. Nsg(V th Batch)	- 1-10-2009

University Examination Result

First Year	- 58% with 9 First Class
Second Year	- 82% with 7 First class
Third Year	- 76% with 10 First Class & 1 Distinction
Fourth Year	- 100% with 37 First class & 3 Distinction

Clinical Facilities:

M G D M Hsptial is a 360 beded multi-speciality hospital. We fulfill their clinical requirements by posting them in different multi-speciality hospital like St. Gregorios Cardio Vascular Centre, Parumala for Cardiology, Caritas hospital for Oncology, Jubilee Mission for Paediatrics and S.H. Medical Centre. Also affiliated to Taluk Hospital Kanjirappally and Government Hospital Changanacherry.

Student Welfare Activities & Celebrations:

We celebrated Onam festival on 13th August 2010. We had 'Onasadya' and Athapookalam competition and our Final year students bagged the 1st Prize. We also celebrate Nurses Day, Republic Day, Independence Day with apt programmes. College Day and Arts Festival was celebrated on 9-9-2009 with various cultural programmes by students.

Nature club was inaugurated on 6-1-2009 (Environmental Day). We have a beautiful kitchen garden and butterfly park is in progress near hospital auditorium and we are preparing a herbarium.

Annual retreat and tour programme to various places were for our students. In 2009 First year students enjoyed and relaxed themselves with a tour to Trivandrum and Third year students to Wayanad.

Annual medical check up and immunization are provided through the faculty responsible for student health care. Parent Teacher Contact Programmes:

We conduct PTA meeting once in an year. In last year it was conducted as follows.

Ist Year B.Sc. Nsg. - 14.5.2010, IInd Year B.Sc. Nsg. - 11.6.2010

IIIrd Year B.Sc. Nsg. - 9.7.2010 IVth Year B.Sc. Nsg. - 16.7.2010

Staff Development Programme

We have an active TNAI unit in this college. We keep our knowledge updated by weekly journal club on every Friday. Our faculty members attended workshop and seminars conducted by various organizations. Mrs. Shyla Ipe Varghese attended workshop on 'Legal implication in Nursing practice on 10.7.2010 at TRADA organized by MAI. Mrs. Mariamma P. Alexander, Asst. Professor Mental Health Dept. attended a National workshop on psychosocial intervention in health care on Jan.2-3, 2010 at Sri Chitra Thirunal Institute Trivandrum. International conference on challenges in clinical nursing at Govt. College of Nursing Trivandrum was attended by Mrs. Mariamma P. Alexander on 9-10 Jan 2010.

Curricular Activities

We have an active SNA unit. We conduct extra curricular activities and co-curricular activities and our students vent out their talents through activities conducted by SNA. We provide good recreational facilities including shuttle badminton, foot ball, caroms, chess and cricket. Students won over with outstanding results in these institutional sports and cultural competitions by grabbing several prizes at zonal and state level.

Zonal Education Competition on 5-6-2010 in Pushpagiri College of Nursing

Our students grabbed 1st Prize in Health play scientific paper presentation, English Essay writing, English Elocution, and Third prize in Cartoon.

Chart presentation:

Community Health Nursing	- 1 st Prize	Obstetrics	- 1 st Prize
Anatomy & Physiology	- 1 st Prize	First Aid	- IInd Prize
Medical Surgical Nursing	- IIIrd Prize	Psychiatry Nursing	- IIIrd Prize
S N A Activities	- IInd Prize	Trends in Nursing	- Ind Prize

S N A Zonal Cultural competition was held in Theophilus College of Nursing on 19-6-2010. Programme were held in 3 stages. Our College got the Overall Championship and Mr. Subin G. Raju of final Year B.Sc. Nursing is selected as Individual Champion. In Zonal election Mr. Nirmal Sunny of 4th Year B.Sc. Nursing was elected as Zonal Vice President. We have monthly educational programme by our students.

We also have campus choir practice under the guidance of Mr. Vinoo K. Chandy. Yoga class, embroidery class also are conducted weekly. Apart from all these individual counseling for students is also available.

The spiritual dimension is of cardinal importance in our training course. The chapel plays an integral part in their spiritual growth and uplifting of the students. We arrange retreats and religious programmes including MGOCSM.

Our Future Plans:

We wish to expand our college by the addition of Post Certificate B.Sc. Nursing course and M.Sc. Nursing shortly. KNC Inspection was conducted on 04/11/10 for renewal of affiliation and affiliation report is awaiting. M.G. University inspection was held on 29-10-10 for extension of affiliation and affiliation report is awaiting.

(9) Projects Undertaken

Department of Physics

Three year (2008-11) research project titled " Radiological Environmental Impact Assessment Of Thorium, Rare Earths mineral processing and active material storage in Eloor Island Kerala", Sponsored by DAE, Government of India. Three Year (2008-11) research project on "Chaos and Non linear Dynamics" sponsored by DST,Government Of India.

Department of Commerce
 Three major Projects.

(10). Seminars Conducted

- a) State Level - 3.
- b) National Level- 2.

12.Publications by the Faculty

Department of Physics

K.P.Harikrishnan, R.Misra, G Ambika and R.E.Amritkar,"Parametric Characterization of a chaotic attractor using the two scale Cantor measure" *Physica D*239(2010)420-427."An investigation of the quality of underground water at Eloor in *Ernakulam District of Kerala*" A.G.Umadevi, MGeorge, P.Dharmalingam, JosePAbraham, M.Rajagopalan,DhanyaBalakrishnan , P.P.Haridasan And P.M.B.Pillai. published in " E-Journal of Chemistry "- 20107(3),908-914. "Distribution of indoor Radon (Rn) and Thoron (Rn) progeny levels In the island environs of Cochin Backwaters" M.Rajagopalan,Jose.P Abraham, Dhanya Balakrishnan, AG Umadevi, Sujatha Balakrishnan,Samuel Mathew,paper Presented in "International Workshop on the Environmental Thoron and Related Issues" and "Thoron Intercomparison of Active Methods " Thoron 2010 workshop held In Chiba ,Japan.

13. Research Highlights of Faculty / Scholars

The Department of Physics has been very active in organising national level seminars and other research activities. One major research project in Radiation Physics has been completed and the final report was submitted in 2008. Presently two ongoing major projects are in progress, approved by the Department of Atomic Energy and the Department of Science and Technology. Dr.K.P.Harikrishnan and Dr.Annieta Philip are two approved research guides of this department. Two Junior Research Fellows are working on the projects. In the past 6 years, 26 research papers have been published from the department in national / international journals and have been presented in conferences held within and outside the country, in various fields of specializations namely Radiation Physics, Non-Linear Dynamics and Spectroscopy. Also, more than 100 academic projects have been carried out in our labs by degree and post graduate students coming from within, outside colleges and even from outside the state, since 2004. 1 b (d) Sports

This year till now our college participated in 10 disciplines in MG University Championships. They are Table Tennis, Chess, Foot Ball, Shuttle Badminton, Judo, Volley Ball, Cricket, Wrestling, Hand Ball, and Basket

Aphsal A. of I B.Com, Shifas K.A. of I B.Sc, Raizal M. R. of I B.Com. and Sanu A.S. of III B.Sc. represented MG. University in Soft Ball for the All India Inter-University Soft Ball Championship.

Ashique V.S. of III B.Sc. Xavier Jijoy M.L. of II B.A., Mohammed Afsal F. of III B.Sc, Suhail Ashraf of III B.Com., and Fouzan V.Z. of I M.Com. represented Kerala State in the Senior National Base Ball Championship.

Mohammed Afsal F. of I I I B.Sc. got Third place in the M.G. University Judo Championship.

College Cycling team participated in the Cochin Carnival Cycling Championship and secured the following positions.

Rahul A. Hari	-	VI Position
Sreekumar S.	-	VIII Position
Shiraz Saleem	-	IX position
College Wrestling team got IV position in the MG. University Wrestling Championship		
Ajeesh A.H	-	I position - 66Kg.
Shiraz Saleem-	-	III position - 74Kg.
Anoob K.Y.	-	III position - 84Kg.
Sadham Siyas M.Y	-	III position - 96Kg.

14 & 15. Students Achievement -
Academic Department of Electronics

University second rank For Vani K R in UG level
University first rank For Jasna K P in PG level

Dept: of Bioscience

- Ms. Nisha Salim, secured second rank in the M.Sc Biotechnology 2010 examination of M.G University.
- Ms. Gayathri secured fifth rank in the M.Sc Biotechnology 2010 June examination of M.G University.
- Ms Nimsy secured fourth rank in the M.Sc Microbiology 2010 June examination of M.G University.

16. Students Activities / Achievements :- (Extra Curricular) –

b) NSS Activities _

15th August-Independence Day celebration-

As part of the Independence Day celebration there was flag hoisting and conducted a Poster presentation to build awareness among students about the importance of the Independence Day.

27th September-NSS programme officers participated in the Programme Officers Conference at Baseliious College, Kottayam.

2nd October - Gandhi Jayanthy celebration-

As part of the Gandhi Jayanthy celebrations Cleaning activities were taken up in the campus and NSS volunteers set up a bio-diversity plot in the campus.

8th to 10th October- 2 NSS volunteers (Ajmal. M. A and Vivek) participated in the Volunteer's Secretaries Camp at St. Thomas College, Pala and they were selected as the best volunteer secretaries.

November 2010- 20 NSS volunteers participated in the Road User Satisfaction Survey 2010 (RUSS

2010). 1st December 2010-AIDS Day-

As part of AIDS Day NSS organized a Red Ribbon Campaign and conducted an awareness class on AIDS. Dr. Rincy, Medical Mission Hospital, Kolencheri was the resource person.

11th and 12th December 2010-2 NSS volunteers participated in the Residential Leadership Training Programme organized by ALTIUS, World Malayali Council at Aeli Hills, Thottumugham, Alwaye.

20th December 2010-Conducted a Blood Donation Camp in association with IMA, Aluva. 60 students donated blood and conducted a poster presentation.

23rd to 29th December 2010-Conducted 7- Day Special Camp at Govt. U. P School, Vazhakkulam in the adopted ward Ward -1 of Vazhakkulam Panchayath.- Programme Schedule attached.

c) Arts Festival –

A Grade for Thiruvathira – M.G.University Arts Festival 2010-11
IInd Prize in Photography Competition

d) Sports -

Our College team Won Third position in the University inter collegiate weight lifting and Best Physique competition.

Coaching camp for Hand Ball, Base Ball and soft ball were conducted from 22nd September 4th October 2010. Cricket friendly match between Al-Ameen College, Edathala and M.E.S College Marampally were conducted on 29th September 2010. Hand ball friendly match between our college team and S.S College Kaladay was conducted on 29th September 2010, Another friendly match between St:Alberts College Ernakulam and MES College Marampally Hand ball team was held on 30th September 2010.

Our College Soft ball Women team participated in the M.G.University inter Collegiate tournament held at Marthoma College Tiruvalla on 4th and 5th October 2010.

Our College Hand ball Team. Men and women participated in the M.G.University tournament held at Nirmala college, Muvattupuzha on 7th and 8th October 2010.

Our College Athletic team men and women participated in the M.G.University meet held on 6th, 7th and 8th December 2010 at Maharajas College, Ernakulam.

Our College Ball Badminton women, team participated in the M.G.University inter-Collegiate tournament and won third place. Jisna.P.J, S6 BCA were selected to the M.G.University Ball Badminton team.

Base Ball coaching camp for men and women were conducted from 3rd January to 15th January 2011. Our Base Ball team participated in the M.G.University Base Ball Championship held at M.G.University Campus, Kottayam on 2nd, 3rd and 4th February 2011. Sri.Renjith and Kum.Mouzia.E.M, S2 BCom were selected to represent M.G.University Men and Women team respectively.

Our College Cricket team participated in the North Zone Cricket tournament held at M.A.Engineering College, Kothamangalam on 31st for and 1st February 2011 and we entered in the quarter finals.

Our College Men and Women Base ball team participated in the Kerala State Base Ball team selection at Fort kochi Parade grand on 21st February 2011 and Sri.Charles Xavier of S2, BSc Physics. Kum.Manzia.E.M, S2 BCom and Kum.Lethisha Sivan of S2 BCom were selected to the Kerala State team.

Intra menal tournaments were conducted

6.Details of Tests cleared by Students (if any) -

Nil

(a) Total Number of Books	- 9063

(a) State Government	- Nil
(b) Central Government	- Nil
(c) University Grant Commission	- Rs.41,41,000/-
(d) Others - Specify	- Nil

9.Projects Undertaken -

Minor projects:

- 1) Bioremediation and utilization of coconut pith to develop value added products – Dr.P.A.Fathima, Principal
- 2) Narratives on Indian Women: foregrounding the flustered and flummoxed female: - .Muralikrishnan.T.R
- 3) Effects of various fitness training programmes on health related physical fitness of School children – Dr.Joy.M.T
- 4) Face recognition based on PCA – Smt.Shemi.P.M & Smt.Raphika.P.M
- 5) A minor research project titled "Effect of Computer Assisted Instruction on Students Achievements in Science" is sanctioned to Sri.Murugan.R
- 6) Sensor Networking on Accident Sensation in Road Traffic – Sri.Ibrahim Salim
- 7) Isolation of serine protease inhibitor from Mashroom and its applications as biocontrol agent – Sri.Manzur Ali.P.P.
- 8) UGC sponsored minor research project Titled a study on micropropagation of a rare folk medicinal plant "Karmperie galangal;L sanctioned to Dr.Umesh B.T, Assistant Professor of the department, was completed in the year 2010.
- 9) Minor Project Titled Microbial Chitinase Enzyme – Isolation purification and characterization sanctioned to Mrs.Mini.K.Paul

10.Seminars Conducted -

(a) State Level	- Nil
-----------------	-------

(b) National Level

- 1) BBA Department conducted - UGC sponsored National seminar on 'The Financial Crisis- How Indian Business, Banking & Financial sectors reacted to that and their experiences' on 18th & 19th February 2010.
Seminar on career success was taken by NIIT for S1& S3 BBA classes on 7/7/10.
One day session was taken by Mr.Sivakumar, Accounts Director, and Central Advertising Agency, Cochin on "Role of Advertising Agencies "for S6 students on 27/01/2011.
- 2) Electronics Department conducted - UGC sponsored National seminar on VLSI design And Embedded system on 20th, 21st of January 2010
- 3) BCA Department conducted - a one day workshop on SMC (Swathandra Malayalam Computing) on 3rd December 2010 in association with ZYXWARE Technologies, Trivandrum co-ordinated by Sri.Murugan

(c) International Level - Nil

9. Projects Undertaken

Major & Minor Research Project

1. Sheeba Abraham "Impact of Paddy Land Conversion in Kerala; A case study"
2. Dr. Manjula K "Impact of Land Acquisition for Development in Kerala".
3. Dr. Shanti A. Avirah – UGC sponsored minor research project of Rs.82,500/- on Photochemical screening and evaluation of the antimicrobial potential of coleus amboinicus from December 2009 to June 2011.

4. Dr. Densely Jose – UGC sponsored minor research project of Rs.60,000/- on "Screening of herbal plants and ascertaining the effect of their extracts on the inhibition of mammalian Hyaluronidase as well as Hyaluronidase isolated from pathogenic bacterial strains and proposing novel potential microbicides" from December 2009 to June 2011.
5. Dr. Jayamma Francis – UGC sponsored minor research project of Rs.1,07,500/- on "Evaluating heavy metal abatement potential of selected cyanobacterial strains and assessing its applications in pollution control" from December 2009 to June 2011.
6. Dr. Manju Kurian – UGC sponsored minor research project of Rs.75,000/- on Synthesis Characterization and Applications of Rare Earth doped Nano Pillared Clay Catalysts from June 2009 to December 2010 and Catalytic Wet Oxidations of Pesticides over Mixed Nanoferrites at Mild Temperatures: A Green Approach for Water Pollution Remediation sponsored by DST of 15.18 lakhs under Fast track scheme for young scientists from August 2010 to August 2013.
7. Dr. Binu Varghese – UGC sponsored minor research project of Rs.55,000/- on "Synthesis, Spectral and Structural Studies of N(4) – substituted Semicarbazones of Transition metal Complexes" from June 2009 to December 2010.
8. Dr. Rajesh Thumpukara - Generalized frame and its application in IT.
9. Mary Elizabeth Antony - Introduction of different topological concepts in the binary of frames
10. Susan Ray Joseph - A study on soluble and super soluble groups.

10. Seminars Conducted

a. State Level

	Department	Topic	Date
1	Physics	Scope of Nano Materials and Technology (UGC sponsored)	17/09/2009
2	Hindi	Modern Hindi Poetry	27/01/2010
3	Economics	Indo-ASEAN Free Trade Agreement in Kerala Economy	22/01/2010
4	Microbiology, Biotechnology & Biochemistry	Biological Techniques	23/11/2009
5	Statistics	Strategies for Advanced Career Planning	06/01/2010
6	Zoology	Wetland Conservation (Sponsored by Kerala Biodiversity Board)	23/07/2009
7	History	Anti-Colonial Struggle in Kerala	01/12/2010
8	English	Language Literature and Media: the radical Cusp	28/01/2010
9	Sociology	Impact of Globalization on Marginalized Sections	22/01/2010

b. National Level

	Department	Topic	Date
1	Biochemistry, Biotechnology and Microbiology	Recent Trends in Biological Sciences	14/12/2009
2	Chemistry	Computation Chemistry (UGC Sponsored)	09/07/2009

c. International Level

11. Seminars Conducted by Faculty (Name wise – with details)

a. State Level

b. National Level

c. International Level

12. Publications by the Faculty with Impact factor of the Publications
1. Dr. M.S. Vijaya Kumary - "INTERNATIONAL FINANCE", Kalyani Publications, Hudhiana, Punjab.
 2. Dr. K.B. Sherly – Neural network classifier for predicting the melting point of drug like compounds. A paper presented in the National conference of Software Computing at Marian College Kuttikkanam on 21-01-2010.
 3. Dr. Manju Kurian - (1). Catalytic acetalization of carbonyl compounds over cation (Ce³⁺, Fe³⁺ and Al³⁺) exchanged montmorillonites and Ce³⁺ exchanged Y zeolites, Bejoy Thomas, Vasanthakumar Ganga Ramu, Sanjay Gopinath, Jino George, Manju Kurian, Guillaume Laurent, Glenna L Drisko, Sankaran Sugunan., Applied Vlay Science (In press)
(2). Catalytic wet peroxide oxidation of phenol over iron pillared montmorillonites – Manju Kurian*, Mathew Joy, Anju Eldhose, Anu Mohan, International conference on Advanced Oxidation Processes (AOP 2010) held at M.G. University, Kottayam on September 18-21, 2010. (3). Oxidation Activity of Rare Earth Exchanged Iron Aluminum Mixed Pillared Montmorillonites, Manju Kurian*, Robin Babu, Deepthi Raj, Thasleenabi R.M., International conference on Functional Polymers held at NIT, Calicut on January 28-30, 2011.
 4. Dr. Binu Varghese – Synthesis, structural and spectral characterization of Copper II complexes of 2-Benzoyl Pyridine-N-4-phenyl semicarbozone, Polyhedron.
13. Research Highlights of Faculty/Scholars
1. Smt. Binu Varghese was awarded Ph.D. in the year 2010 by CUSAT.
 2. Smt. Marymol Moothedan registered for Ph.D. at the M.G. University Regional Research Centre, Department of Chemistry, M.A. College, Kothamangalam under the guidance of Dr. K.B. Sherly.
 3. Dr. Manju Kurian is doing a major research project spondored by DST (Fast track Young Scientist)
 4. Dr. Shanti A.Avirah, Dr. Densely Jose, Dr. Jayamma Francis, Dr. Manju Kurian, Dr. Binu Varghese are doing minor research projects sponsored by UGC.
14. Academic Achievements
- Academic Achievements of Teachers
- a. Dr. Winny Varghese, Principal of the College, has been nominated as a Member of the U.G.C. Expert Committee for allocation of funds for the construction of women's hostels in minority concentrated cities and towns in Kerala and Karnataka during XI Plan period.
 - b. Dr. Winny Varghese, Principal of the College, has been nominated as a Member of the U.G.C. Expert Committee for allocation of funds for College Development and Merged Schemes for Colleges in Uttar Pradesh during XI Plan.
 - c. Dr. Winny Varghese, Principal of the College, has been nominated as a Member of the U.G.C. Expert Committee for allocation of funds for College Development and Merged Schemes for Colleges in New Delhi during XI Plan.
 - d. Dr. Boben Thomas, Department of Physics, has been nominated as a Member of the U.G.C. Expert Committee for allocation of funds for College Development and Merged Schemes for Colleges in Karnataka during XI Plan.
 - e. Dr Boben Thomas has been nominated as a Member of the U.G.C. Expert Committee for allocation of funds for College Development and Merged Schemes for Colleges in Karnataka during XI Plan.
 - f. Dr. Rajesh Thumbakara, led the NSS contingent from Kerala and Lakshadweep for the Republic Day Parade Camp at New Delhi.
 - g. Dr. Boben Thomas, Department of Physics, is serving as the Reviewer of Online Journal: Sensors.
 - h. Smt. Susy Paul, Department of Commerce, Sri. Sijo Varghese C., Department of English, Smt. Annu Anna Varghese and Smt. Binu Varghese, Department of Chemistry, were awarded Ph.D during this academic year.
 - i. Sri. Mathews Jacob, Department of Physical Education, is recognized as the level II International Volleyball Coach by the Federation International De Volleyball

a. National Cadet Corps

The NCC as a premier youth organization has immediately contributed in propagating national unity and integrity among youth. The role of instilling in them the values of character, discipline and hard work and in shaping them into dynamic and responsible citizens of the country has been well recognized. The corps continues to be a platform for grooming tomorrow's citizens and leaders. 54 students were enrolled during this academic year and the training programmes included physical training, drill, map reading, weapon, training, band practice and lecture classes.

Ranks were given to meritorious cadets. Abilash Chandran (IInd B Sc Zoology) was ranked as the senior under officer. Bose Baby (IInd BA History), Susan Mathai (IInd BA Economics) were ranked as the under officers. Sreekanth K.A, Abhilash P.S, Ancy M Sabu and Raji Xavier were the sergeants.

Orientation Programme

An orientation program was conducted for the newly enrolled students. Commanding officer Col V K Pillai distributed cash prizes to meritorious cadets. CPL Jafar C U (IIIrd B A History) and CPL Sojan Mathew who attended the Republic day camp received cash prizes worth RS 500 from Col V K Pillai.

Activities

Institutional Training

Drill: The cadets were made to understand the aim and purpose of drill. Emphasis was laid on correct bearing, marching, saluting, and arms drill.

Weapon Training

All the cadets got an opportunity to fire their authorized arms. Certificate Examination

36 students appeared for B examination held at Mar Athanasius college Kothamangalam and 30 students appeared for C exam held at Baseliious coll ege, Kottayam .The pass percentage was 100% in B while 29 students passed the C certificate.

Republic day Celebration

The Republic day was celebrated in the college under the auspices of NCC. College Principal Dr. Winny Varghese hoisted the national flag. Dr. N C Induchoodan, DFO Kothamangalam conveyed the republic day message in which he emphasized sustainable development.

Road Safety Programme

Developing social commitment in new generation is one of the aims of NCC. The ill treatment of students in private buses is not a new issue. The cadets took initiative to create awareness on road safety in order to alert society the miseries of student passengers by inviting attention to the recent mishap that occurred at Kothamangalam bus stand.

b. National Service Scheme

The Programme Officers of the academic year 2009-2010 were Dr. Rajesh. K.Thumbakara, Smt. Shiny John and Ms Bindhu Mathew. The Volunteer secretaries were V. M Junaid, Binil K.K. and Greeshma Biju. The NSS Units consists of 342 volunteers.

Activities carried out by our NSS unit during the current academic year

Seminar on Blood Donation (17 June 2009)

Blood Donation Camp (19 June 2009)

Blood Group Identification Camp for Degree Students (22,23,24 June 2009)

Independence Day Celebration & Training programme for NSS Volunteers (15August 2009

) Seminar on Epidemic Fevers (19 August 2009)

Training programme on Pain and Palliative Care (15 September 2009)

NSS Day – Production of educational film 'Nerkazhchakal' on Environmental Pollution (24th to 30th September & 1st to 6th October 2009)

Campus Cleaning and Development (11 October 2009)

Legal Awareness Class (21,22,23 October 2009)

Massive Rally to Save Kuroor Thodu (2 November 2009)

Seminar and Training Programme on Filaria Irradication (9 November

2009) Distribution of the Filaria Irradication medicine (11 November 2009)

Qaumi Ekta Week valedictory function of M.G University and Environmental Conservation Day (25 November 2009)

World AIDS Day Celebration (1 December 2009)

Adoption of Three Children from SOS Village (17 December 2009)

Eye Donation Camp at Keerampara Panchayath (20 December 2009)

Special Camp at Keerampara pachayath to Rejuvenate Kuroor Thodu (17th to 23rd December 2009)

Trekking at Chinnar (January 2010)

Republic Day Celebration (26 January 2010)

Achievements of Our NSS Unit

Dr. Rajesh K. Thumbakara was the leader of the continent from Kerala and Lakshadweep for the Republic Day Parade Camp held at New Delhi, January 2010.

Dr. Rajesh K. Thumbakara was the leader of the continent from Kerala and Lakshadweep for the Pre-Republic Day Parade Camp held at Bangalore, October 2009.

Smt. Shiny John was the leader of the continent from M.G University for the Inter University Camp held at Thrissur, November 2009.

Ms. Bindhu Mathew was the leader of the continent from M.G University for the State level NSS Camp held at Sulthan Bathery, September 2009.

Mr.V.M Junaid attended the Pre-Republic Day Parade camp held at Bangalore , October 2009.

NSS Unit won Consolation prize for Flower Carpeting Completion conducted by Vanitha & Sunlight at Kochi.

Educational film 'Nerkazhchakal' on Environmental Pollution has been awarded 'B' Grade in the category Kuttikalkku Vendi Nirmichathu in the Kerala State Children's Educational Film Festival.

Prises bagged by NSS Volunteers

1. Dinesh P.S got third prize for the Poster designing Competition based on the theme Discover your voice in connection with World Hospice and Palliative care Day conducted by Consortium of Pain and Palliative Care Society, Ernakulam.
2. Shahul Hameed got 3rd prize for the Intercollegiate Elocution Competition held at Newman College, Thodupuzha.
3. Anjitha Manoharan got First prize for the Light Music competition held at Newman College, Thodupuzha.

Camps attended by Volunteers

1. Youth Training Programme ALTIUS organized by World Malayalee Council
2. State Level Women Empowerment Camp organized by NSS, Calicut University.
3. Voluneer Secretaries Training Camp.
4. Inter collegiate camp on Self Employment and Women Empowerment
5. Inter collegiate camp on Healthy Youth for Healthy India
6. Inter collegiate camp on Folklore Yesterday Today Tomorrow.

c. Arts Festivals

d. Sports

Achievements in Sports and Games

The college has sparkling achievements in sports and games during this academic year.

Winners in M. G. University Inter Collegiate Football Championship

Runners-up in M. G. University Athletics Meet for Men

Winners in Kerala State Inter-club athletic Meet for Men

Runners-up in M. G. University Inter Collegiate Volleyball Championship

Winners in all Kerala Inter Collegiate Volleyball Championship organized by Christ College,

Irinjalakuda Runners up in M.G. University Cross Country Championship for Men

Tiana Mary Thomas represented India and won Silver Medal in the Asian Indoor Athletics Meet in 4 x 400 meter relay held at Qatar.

Tiana Mary Thomas won Silver Medal in 4 x 400 meter relay in 3rd Asian Indoor Games held at Hanoi, Vietnam.

17 students of the college were selected to the M. G. university athletic team for the All India Inter University Athletic Meet

Anitha Abraham (Hammer Throw), Amitha Baby (Triple Jump), Basil George (Long Jump), Tintu N.D. (High Jump), Muhammed Naseem (4 x 400 meter relay), Muhammed Anees (4 x 400 meter relay) won medals in the All India Inter University Athletic Meet.

Sreeraj M. M., was selected as the best athlete of the M. G. University Athletic Meet

Tiana Mary Thomas won Gold Medal in 4 x 400 meter relay in South Asian Federation Games at Dhaka

17. Industry Varsity Linkage (if any)

1. Lancaster University, UK.
2. Department of Applied Chemistry, CUSAT.
3. Department PS&RT, CUSAT.
4. Rajasthan University, Jaipur.
5. RRL (CSIR), Trivandrum.
6. Sri. Chitra Institute of Medical Sciences, Trivandrum.
7. Rubber Research Institute, Kottayam.
8. Rubber Board Regional Research Laboratory, Muvattupuzha.
9. Kerala State Pollution Control Board, Kochi.
10. Indian Rare Earths, Cochin.

18. Academic Tie-Ups (if any)

19. Student Progression (Brief about the past students)

1. Dr. Eldho N.V., Post-doc Research, Laboratory of Membrane Biochemistry and Biophysics, National Institute of Alcohol Abuse and Alcoholism, National Institute of Health, Maryland, U.S.A.
2. Dr. Joby Eldho, Post Doctoral Research Scholar, Department of Chemistry, Carnegie Mellon University, Pittsburgh, Pennsylvania, USA.
3. Dr. Viji Varghese, Lecturer, St. Joseph's College, Bangalore, Ph.D. from IISc, Bangalore.
4. Dr. Nisha Mathew, Lecturer, Department of Science, M.A. College of Engineering Kothamangalam, Ph.D. from IISc, Bangalore.
5. Ignatius Abraham (CSIR qualified, Research fellow, Rajasthan University, Jaipur)
6. K. Georgekutty, Principal, M.E. College, Kottappady
7. C.G. Radhakrishnan, Namboothiri, Lecturer, NSS College, Trivandrum
8. Joy V. Paul, Head, Dept. of Chemistry, St. Mary's College, Sulthanbathery
9. Dr. Eldho K.M., Dept. of Chemistry, Katholice College, Pathanamthitta
10. Dr. Hony George, Assistant Professor, ISRO

11. Dileep U., Research Scholar, M.G. University Research Centre has won Young Scientist Award in a UGC sponsored National Seminar MACROSEM 2000
12. Akhil K. Nair, Project Fellow, RRL (CSIR), Trivandrum
13. Javix Thomas, University of Alberto, Canada
14. Sumesh K.R., University of Amsterdam, Netherlands
15. Jofrin J. (NET Qualified)
16. Maheshkumar T.C., Research Scholar, CUSAT
17. Binu Markose, (NET Qualified)
18. Jijin Mathew, Curtin University, Perth, Australia
19. Jaimy George, Project Fellow, RRL (CSIR), Thiruvananthapuram
20. Basil Uthup, Denmark Technical University, Copenhagen
21. Johnson George, Rajasthan University, Jaipur

List of Students who Qualified UGC-NET Examination

1. Ignatius Abraham
2. Jofrin J.
3. Binu Markose
4. Akhil K. Nair
5. Maheshkumar T.C.
6. Nelson Joseph
7. Jaimy George

11. Seminars Conducted by Faculty

(a) State Level:

(1) Prof. V.C. Antony,(Dept. of Economics) participated meeting at Higher Edn. Council

(2) Prof. K.V.N. Sarma (Dept. of Maths) 'Enhancement and Sustenance of Quality in Higher Education- Widening Horizons' 23-23 Feb. 2011 at St. Xavier's College, Aluva.

(3) Smt. Savitha K.S. (Dept. of Maths) ICRTGC-2010 (August 12-15) at IMA Hall, Kaloor, Kochi

(b) National Level: Smt. Alice (Dept. of Maths)National Seminar on Statistics, Nov. 2010 at maharaja's college, Ernakulam

(c) Prof. George John & Prof. Raju P. (both from the Dept. of Chemistry) conducted National Level Seminar

(c) International Level

(1) Prof. Valentine D'cruz (Dept. of Maths) attended one day international seminar on Fussy Medical Diagnosis, real number system ` at St. Peter's College, Kolencherry.

(2) Smt. Pramada Ramachandran (Dept. of Maths) attended international conference on Recent Trends in Graph Theory and Combinatorics at CUSAT from Aug.12 to 15, 2010 and International Seminar on New Trends in Applications of Mathematics, from January 31 to Feb. 2, 2011 at Bharata mata College

- (3) Dr. Manju K Menon (Dept. of Maths) attended international conference on Recent Trends in Graph Theory and Combinatorics at IMA Hall, Kaloor, Kochi and posed a problem in the problem Session from Aug.12 to 15, 2010.(This was a satellite conference to ICM 2010).
- (4) Dr. Manju K Menon also attended International Conference of Mathematicians, August 18-27, 2010 Hyderabad
12. Publications by the Faculty with Impact factor of the Publications:
- (a) Ecological Mindscapes- the Poetry of Keki N. Daruwalla "Indian Journal of Eco criticism" (Dr. Reena J. Andrews, Dept. of English)
- (b) Dynamics of the P3 Intersection Graph, Journal of Combinatorial Mathematics and Computing, 73(2010), 127-134 (Manju K Menon, Dept. of Mathematics)
- (c) The edge C4 Graph of some graph classes, Discussiones Mathematicae Graph Theory 30(2010), 365-375 (manju K. Menon, Dept. of Mathematics)
- (d) Report of ICRTGC 10, Bulletin of the Institute of Combinatorics and Its Applications, 116-120 (Manju K Menon, Dept. of Mathematics)
13. Research Highlights of Faculty/Scholars:
- (a) Prof. Victor George completed the research on the topic 'Marketing Strategies for Kitchen Appliances in Kerala'
- (b) Prof. Rose Philo is doing research in Applied Chemistry in CUSAT.
- (c) Prof. Rose Philo- Poster presented in National Conference in Catalysis India conducted by IIT, Madras.
14. Academic Achievements:
- Ph D awarded to (1) Ms. Beena (Dept. of Hindi)
(2) Salia Rex (Dept. of English)
15. Student Achievements- Academic:
- III Rank in 1st Sem MA (Economics) Examination 2010
One of our students namely, Maya Vijayan secured 1st Rank in B.Sc. Chemistry (ML II Vocational) 100% result in Malayalam in I & II BA/BSc/BCom University Exam.
93% result in M.Com (Distinction -1 & First Class-
14) 81% result in M.Com (First Class- 41)
16. Students Activities/Achievements-(Extra Curricular)
- (a) National Cadet Corps
- (b) National Service Scheme: Best Unit award bagged by NSS unit.
- (c) Arts Festival:
Vishnupriya Shenoy of I BSc Mathematics won II prize in Carnatic Music in the University Arts festival One student won the Western Percussion event in the University Arts Festival
- (d) Sports: Participated in Athletic Meet of M.G. University
- (e) Games: -Participated in various games in the M.G. University.
- Secured Second place in the Best Physique in 52 Kg category
- Winner of M.G. University Cricket Championship
17. Industry Varsity Linkage (if any)
18. Academic Tie- Ups (if any)
- As part of our association with the Department of Mathematics, CUSAT, we held two invited talks:
- Invited talk on Algebra on 19/10/2010
Speaker: Dr. K.N. Raghavan, IMSc, Chennai
- Invited talk on Hadamard Matrices on 07/12/2010
Speaker: Dr. K.T. Arasu, Wright University, USA.
19. Student Progression (brief about the past students)
- Commerce students have become Chartered Accountants, Cost Accountants, I.T. Sector, Teaching Sector, lawyers, students of MBA, C.A, ICWA etc.

14. ACADEMIC ACHIEVEMENTS

Please refer to Pt. 12, 13, 15

15. STUDENT ACHIEVEMENT- ACADEMIC

The students have done the college proud this year as well and have followed the college tradition of excelling in curricular and extra-curricular activities in 2010-2011.

The college bagged a total of 17 ranks and achieved the honour of having the highest pass percentage in the state. Our students topped the university exams in B.Sc. Physics, B.Sc. Home Science and B.A. French. The second rank in B.A. Communicative English, B.A. French, B.A. Economics and B.Sc. Computer Science were also bagged by our students. The college also got the Third rank in B.A. Communicative English, B.A. French, B.A. English Literature, B.Sc. Physics, B.Sc. Chemistry, B.Sc. Home Science and B.Sc. Computer Science university exams.

The college secured the second rank in M.Sc. Botany and M.A. Economics and the Third rank in M.A. Sociology.

Sl. No.	Department & Class	Details of Students		
		No. of I Class	No. of Distinction	Recognition of Merit /Rank
1	French (III B.A.)	6	3	First 3 ranks
2	Chemistry (III B.Sc.)	18	9	Second rank
3	Home Science (III B.Sc.)	13	4	First & Third ranks
4.	Home Science (II MSc. Child Development)	14	-	First, Second, Third ranks
5	Home Science (II MSc. Family Resource Management)	9	-	First, Second, Third ranks
6	Home Science (II MSc. Food	15	-	First, Second,

	and Nutrition)			Third ranks
7	History (III B.A.)	8	-	Second rank
8.	Chemistry (III B.Sc.)	18	9	Second rank
9.	Botany (III B.Sc.)	26	11	Fifth & Seventh ranks
10	Botany (II MSc)	10	2	Second rank
11.	Commerce (III B.Com)	56	39	-
12	English (III B.A. Literature)	19	-	Third
13	English (III B.A. Communicative English)	33	2	Second & Third ranks
14	English (II M.A. Literature)	11	-	-
15	Mathematics (III B.Sc.)	49	-	-
16	Physics (III B.Sc.)	44	30	First & Third ranks
17	Physics (II M.Sc.)	3	3	III Rank
18	Sociology (III B.A.)	5	-	-
19	Sociology (III M.A.)	4	-	3
20	Zoology (III B.Sc.)	28	15	-

16. STUDENT ACTIVITIES/ACHIEVEMENTS

a) NATIONAL CADET CORPS

The NCC wing of the college currently consists of 52 cadets. 20 parades were conducted during the year 2010-2011.

The JUO Meera Babu and CQMS Nahuma Ahad participated in Special National Integration Camp held at Kavarathi, Lakshadweep from April 12-24, 2010. Sergeant Aswathy K. Umesan participated in the National Integration Camp (NIC) held at Jammu & Kashmir in November 2010. Sergeant Nayana Tensing won the third prize in the shooting competition at Pre-TSC held at Calicut. She was also selected for Mulangam Inter Directorate Shooting Competition held at Jalandar, Punjab in October 2010.

10 cadets attended the 'B' Certificate Examination and 6 cadets attended the 'C' Certificate Examination.

Sergeant Nayana Tensing of the II B.A. History and Sergeant Swthi Raja K. were adjudged the Best NCC Cadets for 2010-2011.

b) NATIONAL SERVICE SCHEME

The NSS wing of the college has organized activities according to the theme for the year- Health, Sanitation and Housing. The NSS volunteers constructed toilet for a family at Vallarpadom during their 7 day camp held in August 2010. They distributed Onam kits to 50 families of students selected from St. Mary's School, Vallarpadom. The NSS wing will provide a house for a family from the Kudumbi community in April 2011.

The volunteers performed a street play as a part of the awareness program for AIDS on December 1, 2010. They participated in Anti-Tobacco campaign, Caring for the Elderly campaign, Road Safety campaign and blood donation camp etc. They also organized an eye camp for the students of St. Teresa's College.

c) ARTS FESTIVALS

Talents Day, Teresian Week etc

d) SPORTS

Megha Merin Ninan of II B.Com represented India at the World University Badminton Championship held at Bangkok, China in September 2010.

The 4-member St. Teresa's College Shuttle Badminton Team, comprising Aswathy Mary Mathew of III B.Com, Merrin Ninan of II B.Com, Linimol P.S. and Amala Bennen of I B.Com., was selected to represent M.G. University at the All India Inter-University Championship held at Vijayawada and the team was placed Third in Shuttle Badminton.

St. Teresa's College Badminton Team won the M.G University Intercollegiate Badminton Championship held at Thiruvalla on Sep 2010. College Athletic Team won the 3rd position in the M.G University Intercollegiate Athletic Championship held at Maharajas College, Ernakulam on December 6 & 7 2010. The Table Tennis Team and Swimming Team won the Forth Position in the M.G University Intercollegiate Championships.

The college volleyball team won the Berthelomew Memorial Trophy for the year 2010-2011.

St. Teresa's organized and hosted the M.G. University Inter-collegiate Table Tennis Championship in August 2010.

Linimol P.S of 1st year B.Com got second prize in Mixed Doubles in the All India Junior Ranking Tournament held at Ernakulam on June 2010 and also second position in Girls Doubles in All India Junior Ranking Tournament held at Pune in January 2010. Amala Bennen of I B.Com participated in the All India Junior Ranking Tournament held at Ernakulam in June 2010 and in All India Junior Ranking Tournament held at Pune in January 2010.

Femi Cletus of I B.A. Sociology represented Ernakulam District in the Senior State Volleyball Championship held at Kannur and in the Youth State Volleyball Championship. Manshahana K A of II B.A. English Literature represented Ernakulam District in the Senior State Volleyball Championship.

Sonu Unnikrishnan & Meenu M of I B.A. Economics represented Ernakulam District in the Junior State Volleyball Championship. Jishi M of I B.A. History participated in the Senior State Kho-Kho Championship held at Palakkad in October 2010 and was selected to the M.G. University Kho-Kho team for the year 2010-2011.

College Athletic Team won the Runners-up Trophy in the District Senior Athletics Championship held at Ernakulam in September 2010 and College Volleyball Team won the Third Position in the District Senior Volleyball Championship held at Angamaly in October 2010.

INTERNATIONAL LEVEL

Megha Merrin Ninan (II B.Com) - Represented INDIA In the World University Badminton Championship held at Bangkok, China in Sep-2010.

NATIONAL LEVEL

Megha Merrin Ninan (II B.Com) -Represented Kerala State in the Senior National Badminton Championship held at Guwahatti in Jan 2010

Linimol P.S (I B.Com) -Runner- Up in Mixed Doubles in All India Junior Ranking Tournament held at Ernakulam in June 2010

-Runner- Up in Girls Doubles in All India Junior Ranking Tournament held at Pune in Jan.2010

Amala Bennen -Participated in All India Junior Ranking Tournament held (I I B.Com) at Ernakulam in June 2010

-Participated in All India Junior Ranking Tournament held at Pune in Jan.2010

4. ALL INDIA INTER UNIVERSITY LEVEL

Aswathy Mary Mathew (III B.Com.)-Won the third place in the All India Interuniversity Badminton Championship held at Vijayawada on Oct.27th-31st.

Magha Merrin Ninan (II B.Com.) -Won the third place in the All India Interuniversity Badminton Championship held at Vijayawada on Oct.27th-31st

Linimol P.S (I B.Com.) - Won the third place in the All India Interuniversity Badminton Championship held at Vijayawada on Oct.27th-31st

Amala Bennen (I B.Com.) -Won the third place in the All India Interuniversity Badminton Championship held at Vijayawada on Oct.27th-31st

Jishi M (I B.A. History) -Selected to represent M.G University in the All India Interuniversity Kho-Kho Championship for the year 2010-11

5. UNIVERSITY LEVEL

Our College Badminton Team won the M.G University Intercollegiate Badminton Championship held at Thiruvalla in Sept 2010

Our College Athletic Team won the 3rd position in the M.G University Intercollegiate Athletic Championship held at Maharajas College, EKM on Dec 6th & 7th 2010

Team Members

Jayasree Prathapan (II B.A. Economics) -1st in 4x100mts Relay

Manshahana K A (II B.A. English) -1st in 4x100mts Relay

Anupa Sasi (I B.A. Sociology) -1st in 4x100mts Relay

Femi Cletus (I B.A. Sociology) -1st in 4x100mts Relay

Our College Table Tennis Team won the Forth Position in the M.G University Intercollegiate Table Tennis Championship held at Ernakulam in August 2010

Our College Swimming Team won the Forth Position in the M.G University Intercollegiate Swimming Championship held at Trivandrum in August 2010

Team Members

Anitta Rulania (I B.Sc. Maths)	-Third Position in 100M Butterfly Stroke - Third position in 100 FS.Relay
Anitta Farancis (I B.Sc. Zoology)	-Third position in 100 FS.Relay
Preetica Biswas (II B.A. Com.Eng)	-Third position in 100 FS.Relay
Priyanka Biswas (I B.A. Com.Eng)	-Third position in 100 FS.Relay

STATE CHAMPIONSHIP

Jishi M (I B.A. History)	- Participated in the Senior State Kho-Kho Championship held at Palakkad in Oct 2010.
Femi Cletus (I B.A.Sociology)	- Participated in the Senior State Volleyball Championship held at Kannur in Dec 2010
Ancymol Varghese	- Participated in the Senior State Volleyball Championship held at Kannur in Dec 2010
Femi Cletus (I B.A.Sociology)	- Participated in the Youth State Volleyball Championship held in Dec 2010
Manshahana K.A.(II B.A. Eng)	- Participated in the Senior State Volleyball Championship held in Dec 2010
Sonu Unnikrishnan (I B.A. Economics)	- Participated in the Junior State Volleyball Championship held in Dec 2010
Meenu M (I B.A. Economics)	- Participated in the Junior State Volleyball Championship held at in Dec 2010

DISTRICT CHAMPIONSHIP

Our College Athletic Team won the Runner Up Trophy in the District Senior Athletics Championship held at Ernakulam in Sep-2010

The following members got position in various events.

Manshahana K.A (II B.A. English)	-First in 100M, 400M, 4x100M Relay & 4x400M Relay
Anupa Sasi (I B.A. Sociology)	-First in Hammer T, 4x100M Relay, 4x400M Relay, Third in Discus Throw
Femi Cletus (I B.A. Sociology)	-First in 4x100Mrelay, 4x400M Relay, Second in 200M
Jishi.M (I B.A. History)	-First in 4x400 M Relay
Rintu Thomas (I B.A. Zoology)	-Second in Long Jump &1500M
Ancymol Varghese	-First position in Triple Jump
Josena Jose	-First position in 200 M

e) GAMES

Please refer to 16 (d)

f) MISC

The students also proved their mettle in co-curricular and extra- curricular activities.

Akhila Kumaran and Radhu Ramachandran of III D.C Economics won the I and III place respectively in the essay contest conducted by the Indian Chamber of Commerce on 08-09-2010 on the topic "Freedom Demands Respect for the Freedom of Others". Michelle Tony of I DC English won the III place for her essay "Recent Advances in Life Sciences" conducted by Alphonsa College, Pala on August 16th. Shine Brigit and Rosemol of I B.A. Economics won the first and second prizes respectively for the essay competition conducted by the Kanayannur Circle Co-operative Union on 29 October 2010 in Malayalam.

Jaya S. and Damaris Benny Daniel of III B.Sc. Zoology won the I and II prizes respectively at the Inter-collegiate competition held at St. Peter's College, Kolencherry in September 2010. Nimitha Chandran of II B.Sc. Zoology won the II Prize in Poster Designing while Damaris Benny Daniel of III B.Sc. Zoology won the III prize in the quiz competition held at St. Albert's College, in December 2010.

The B.Sc. and M.Sc. students of the Dept. of Physics organized an exhibition on 'Basic Experiments in Physics' for Plus 1 and Plus 2 students.

Vachana V. R. of I B.A. Economics participated in English Debate competition at the South Zone Inter-university fest *Sastra* at Tanjore and won the II place in the finals. Akhila Kumaran and Lakshmy R. Nair of III DC won the III place in Inter University Quiz Competition on Environmental Conservation held at Sacred Heart College Chalakkudy. Sr .Shine Brijit and Rosemol P.D. of I B.A. Economics won the I and II prizes respectively in the essay writing competition on Co-operative Society organized by the Kerala State Co-operative Department. Vachana V.R., Anjali Mathews and Silpa Vepin (representing Brazil), and Reshma Suresh (representing Myanmar along with MES College) qualified to take part in the Model UN held at IIT Madras on 26th January 2011.

Nisha P. Joseph and Deepthi Mary Treasa of II B.Sc. Maths won the I prize at the inter-collegiate statistics quiz competition held at Maharaja's College in June 2010. Rajalakshmi G., a II B.Sc. Maths student was selected to attend the Republic Day Parade and attended the RD camp in Delhi.

Radhalakshmi of II MA English Literature participated in the Dissertation Presentation Competition conducted by MG University at Deva Matha College, Kuruvilangad on August 20, 2010 and won the second Prize for the dissertation titled '*Accepting the Benign Indifference: Existentialism vs Absurdism in Albert Camus' The Outsider*'. Anjala Parveen P.A. and Maria Rajan Thaliath of III B.A. English secured the second place in the competition "Ecology and Poetry" conducted by the Departments of English, Hindi and Malayalam of St. Xavier's College, Aluva on the 30 June 2010.

The students of the French department celebrated Fete De La Musique and Fete Nationale.

The students of the PG Diploma in Fashion Designing and Apparel Merchandising showcased their designer collection at the fashion show *Kaleidoscope 2010* held on December 8, 2010.

17. INDUSTRIAL VARISTY LINKAGE

The Dept. of Botany has an industrial tie-up with Panchajanyam Nagarjuna Ayurvedic centre on Medicinal garden development.

Sl. No	Dept.	Organization/Society	Linkages developed	Level	Objective	Outcome
1	Chemistry	Spices Board		Regional	Lab visit	Acquaintance with various laboratory techniques and instruments
2	Home Science	CGH Earth Group of Hotels, Ernakulam	Industrial training for Post Graduate	Regional	Obtain Hands on Training in Food	Students became well versed in practical aspects of Food Service

			Students in Food and Nutrition		Service Mgmt Conscientising hotel industry regarding Responsible catering	management and Hotel staff was introduced to concepts of healthy cuisine.
3	Home Science	CGH Earth Group of Hotels, Ernakulam	Internship for Post Graduate Students in Family Resource Management		To provide hands on experience in institutional house keeping	Students gained first hand information on all aspects of institutional management. Increased the employability quotient of students.
4	Fashion Designing	NIFT TEA INST. OF KNITWEAR TECHNOLOGY, TIRUPUR U.K.TEXTILES, TIRUPUR CLASSIC POLO, TIRUPUR VISHNU RAM TEXTILES, TIRUPUR. HYBRID FASHION, TIRUPUR	Industrial visit to Tirupur from 27th to 29th Jan.,2010		To give the students Practical knowledge about the functioning of various departments of knitwear industry.	Students got a thorough information about the knitwear industry.
5	Fashion Designing	ARANYA – A PROJECT OF TATA TEA LTD., MUNNAR	Workshop on Natural dyeing on silk fabrics on the 8 th & 9th of April,10		To give the Students practical experience of dyeing using eco-friendly dyes.	Students gained Awareness regarding the importance and also the possibility of natural dyeing.
6	Physics	CELOS, Cochin University	Collaboration for national seminar	National	Exposure to technologies in Nano Science for the participants	Upgradation of knowledge in the current research area

18. ACADEMIC TIE-UP

Sl. No.	Faculty	Dept.	Organization/Society, Level	Objective	Outcome
1.	Dr. Santhi	Physics	Indian Laser Association Photonics Society of India SPIE, Society for Optics and Photonics, USA		
2.	Dr. Elsam Joseph	Botany	International Society for Plant Morphologists		
3	Dr. Lizzy Mathew	Botany	Sssmile Foundation		
4.	Dr. Elsam Joseph Dr. Lizzy Mathew Smt. Alphonsa Vijaya Joseph Dr. Romilly Margaret Mendez Dr. Liza Jacob Dr. Sheela D Smt. Neena Unnikrishnan Ms. Preetha Terence	Botany	Kerala Botanical Society		
5.	Dr. Anu Gopinath	Chemistry	University of Essex, U.K. International	Post-doctoral research	Publications and exposure to Coral reef research carried out at CRRU , Essex University, UK.
			Marine Biotechnology Centre, CUSAT State level	Research collaboration	Isolation and characterization of Marine Natural products.
6.		Home Science	CIFT(Central Institute of Fisheries Technology) National level	New Product Development based on small pelagic and fresh water fishes	To develop a value chain model for streamlining production to consumption system for the fishes.
7		Home Science	Christian Medical College, Vellore and St.John's Institute of Medical Sciences, Bangalore National level	Hands on Training in Dietary management for hospitalized patients	Equip students in practical aspects of dietary mgmt and functional aspects of a hospital Dietary Dept.
8		Home Science	Bharathiya Vidya Bhavan State level	To provide first hand information on teaching learning disabled	Students gained training in handling learning disabled children and

				children	increasing their employability quotient
9		Home Science	Preschools in Cochin & Special schools State level	To provide training in handling normal and special children	Gained first hand information on the behavioural and psychological characteristics of preschool children and also the deviant children
10.		P.G. Dept of Diploma in Fashion Designing and Apparel Merchandising	Garment Export houses like U.K. Textiles, Glassy Garments, Tirupur. Tex port, Kinfra, Trivandrum. Kitex, Ernakulam	To provide Industrial exposure	To make the students aware of the functioning of various departments and to understand the present scenario of the garment industry.
11		P.G. Dept of Diploma in Clinical Nutrition and Dietetics.	Multi-speciality Hospitals like Amritha Institute of Medical Science, Medical Trust Hospital, Lourdes Hospital.	To provide Hospital Internship training	Students gain a deep knowledge and practical experience about the various functionings and departments of Multi-speciality Hospitals.
12		P.G. Dept of Diploma in Clinical Nutrition and Dietetics.	Krishna Hospital, Ernakulam.	To train the students on the diagnostic aspects of diseases	Students gain practical experience in conducting different diagnostic tests
13		P.G. Dept of Diploma in Clinical Nutrition and Dietetics.	Casino Group of Hotels, Willington Island.	To provide an insight about the functioning of a star hotel.	Students got an awareness about the different functions in a star hotel
14		P.G. Dept of Diploma in Clinical Nutrition and Dietetics	ICDS, Mattancherry	To give awareness about health and hygiene, prevention of health problems of preschool and infants, importance of immunization, various weaning	Created awareness about health and nutrition among women and anganwadi workers through various entertainment programmes. The programme provided opportunity for

				foods and diet during pregnancy and lactation.	exhibiting students' knowledge, talents and coordination
15		English	London Metropolitan University, UK International	To establish academic ties in the interest of higher education	Organized one international seminar
16		English	Deakin University International	Collaborative Research & On-line Courses	Academic visit by Dr. Latha Nair to Deakin & return visit by Deakin University Academic Team in August 2010. weeks Project
17		Physics	CELOS, Cochin University National	To do Project for M.Sc.Exposure to upgraded Tech and training in handling sophisticated equipments	Students got a chance to find out the activities of National level Institutions and the Current research scenario
18		Physics	St. Pauls College State	Exposure to different techniques of fabrication and characterisation of materials in related fields	Students got a chance to explore the scope and possibilities of their interested area. They are introduced to new methods adopted by the other Insts.
19		Sociology	Kerala Sociological Society State	To enhance the professional profile of the discipline and providing further opportunity for social accountability	Students become familiar with the professional and career aspects of the discipline
20		Zoology	Zoological Society of Kerala State	To have a common platform for discussion of academic matters and formulation of study material	Uniformity in valuation and marking. Teachers contribution to Bringforth syllabus based text book

Consultancy and guidance offered for project work of M. Sc. Student of Vinayaka Mission University, Selam by Dept. of Botany.

9. Projects Undertaken

A very heartening feature in the academic scenario of the College is the increase in the number of proposals sent by the faculty to various funding agencies, and their being successful in bringing in several grants for Seminars, Workshops and Research Projects.

Green Minds: Green Campus, a proposal submitted by Dr. Sebastian Joseph (faculty, History) and Dr. Manju M. George (faculty, Botany) was granted US \$2,500/- by the UBCHEA to implement a project on Environmental Protection and Solid Waste Management.

Ten minor projects have been sanctioned by the UGC to the faculty members in English, Psychology, History, Chemistry, Botany and Zoology, totaling Rs. 12.5 lakhs.

To date 3 Workshops for College Teachers have been conducted - Informatics (6-8 January 2011), Research Methodology for Sciences (6-7 December 2010), and Research Methodology for Humanities (29 – 30 November 2010). All three were funded by the Kerala Higher Education Council through grants secured by Dr. Sebastian Joseph (faculty, History), Dr. Anilkumar (faculty, Botany) , and Mr. Vidhu Narayanan (faculty, Malayalam), respectively.

A National Conference on Genes and Genome Research in India was conducted utilizing a grant from the UGC to Dr. M. Anilkumar (faculty, Botany) during 20-21 January 2011. Two more Grants have been sanctioned by the UGC to the Department of English to conduct a National Workshop (Ms. Rekah Nair) and a National Seminar (Dr. Ancy Eapen).

Dr. M. Anilkumar (faculty, Botany) has been awarded a major Grant (Rs. 16.1 lakhs) under the Young Investigators' Programme in Biotechnology of the Kerala Biotechnology Commission, for his proposal on the anti-inflammatory properties of the *Litsea* species.

The Division of Biotechnology is applying advanced plant tissue culture technology to create in vitro clones of the Gandhi maavu. The researchers are taking a plunge into the world of forensic biotechnology – DNA fingerprinting techniques being standardized for analysis of the bones excavated from the Muziris project with a view to throw more light on the anthropological studies carried out there.

The MCA Department has conducted a Workshop on Python Computing in association with IIT, Bombay during 29-31 July 2010. They will be conducting another workshop during 24-26 March 2011 on Sage and Maxima, funded by the Ministry of Human Resources and Development.

Major Grants to Departments

The Department of Chemistry and the Department of Botany have been sanctioned major grants under the FIST program of the UGC, each amounting to approx. Rs. 50 lakhs.

10/11.. Seminars Conducted

5. Malayalam
6. Vidwan PG Nair 3 Day National Seminar on "Samakalika Cherukadha: Vazhiyum Porulum" was held during 2nd to 4th February 2011. It was inaugurated by the well-known literary personality, Anand.
7. English
8. A lecture-cum-film screening programme was organised by the Department in association with the Media Club on 11.02.2011. Lecture Topic: Murder – In Literature, Theatre and Films. Dr. G. Rangarajan, HOD, Dept. of English, Maharaja's College was the resource person

Psychology

The Dr. V.K. Alexander Memorial lecture was conducted on 12th February 2011.

Dr.S.Raju (Head, Department of Psychology, Kariavattom Campus, University of Kerala) delivered the key note address.

9. History

10. Dr A.K Baby Memorial Lecture 2011 will be held at T.B Ninan Hall on 19th February 2011 at 10.00 a.m. The key note speaker is Dr Sunil P. Ilayidam.

12. Publications by the Faculty with Impact factor of the Publications:

The Malayalam Department has published the following : a research Journal, Bhoomi Malayalam (published annually) and a book, Bhasha: Naveena Padana vazhikal (2010)

13. Research Highlights of Faculty/ Scholar:

1. Dr. V.P. Markose – Malayalam Department
2. Dr. Mini Alice – Malayalam Department
3. Dr. Lyjo K. Joseph – Physics Department

14/15. Academic/Student Achievements:

The year 2010-11 was a year of commendable academic achievements for the college. A good number of students secured first, second or third positions in the M.G University examinations of March/ April 2010

16. Students Activities/ Achievement – (Extra Curricular)

(a) NCC

Ms. Geethika G. (faculty, Political Science) underwent the Pre Commission Course Officer's training (Lieutenant) at the Officers' training Academy, Gwalior, from September to December 2010, and has taken over the charge of the Girls' wing of the NCC. She has been awarded the Commandant's Gold Medal for being the Parade Commander at the Passing Out Parade and also the DG's Silver Medal for being the second best trainee in the Senior Wing category. Lt. K.S.

Narayanan continues to be in charge of the Boys' Wing of the NCC He led the Kerala & Lakshadweep contingent in the National Integration Camp held in the Himalayas during November 2010.

Selected cadets attended special national camps like Basic Leadership Camp, Varda (BLC-4 cadets), National Integration Camp, Bihar (NIC-3 cadets), Army Attachment Camp, Chennai(2 cadets), National Trekking Camps (17 cadets) and the Inter-Group RD & TSC Camps, Calicut (4 cadets). The Senior Wing (Girls) cadets organized a 'Save Energy' campaign and spread the message amongst the residents and shop owners in the neighborhood of the college. CQMS Anjali K. (IV Semester BA English) was a member of the contingent representing Kerala & Lakshadweep Directorate in the Republic Day Parade at New Delhi this year. Our cadets rendered selfless service as volunteers managing discipline during the visits of Dr. A.P. J. Abdul Kalam, Dr. G. Madhavan Nair and the Navathi Fest, 2010.

(b): NSS

The formal inauguration of the NSS activities for the academic year 2010-2011 took place on 19.07.2010. A signature campaign was conducted in association with Help Age India, against Elder Abuse. On 21.07.2010 an awareness program on monsoon epidemic fever was conducted with Dr. R. Sudhakaran (Addl. DMO, Ernakulam), giving a very effective seminar. Haritham, a one-day camp was held on 24.08.2010 as a follow-up of the College's Navathi-Haritha Varsham project of planting 90 saplings on campus. AIDS Day was observed with seminars, and a rally. The NSS volunteers also rendered meritorious service during the various public functions and activities held in the College in the context of the Navathi celebrations.

(c)Achievements by the Students

Ms. Neenu Rajeev of II Semester BA English has done the College proud by bagging the Kalathilakam title in the M. G. University Youth Festival held in January (27-31) 2011. She won the First prize in *Kathaprasangam*, mono act and elocution competitions. She was placed third in the *Ottamthullal* competition, with A grade. She also secured A grade in the Folk dance competition.

Ms. Anjali K. of IV Semester BA English attended the Prime Minister's Rally on 28th January 2011 after serving as a member of the contingent representing Kerala and Lakshadweep in the Republic Day parade. She attended the reception given by the Governor of Kerala, the Chief Minister and the Education Minister for her creditable participation in the above events. She also secured the Gold Medal in Group Dance performed in New Delhi as part of the cultural events in connection with the Republic Day Celebrations of this year.

Ms. Arya M.P. of II Semester BA English received a Certificate of Merit and an Honourable Mention in the All India Essay Writing Event 2010 organized by the Shri Ram Chandra Mission in collaboration with the United Nations Information Centre for India and Bhutan.

(d) (e): The Physical Education Department/Sports and Games

Dr. Bindu M (faculty, Physical Education) participated as Technical Official for the conduct of Athletics of the 19th Commonwealth Games Delhi 2010 (3rd to 14th November 2010.) Mr. Anil Thomas Koshy (HOD, Physical Education) has been appointed the Convener – North Zone Sports Tournament.

The following students did well in the Judo Championship competitions of the Ernakulam District: Jackson Antony – Gold (Under 20 years, 56 kg), Santhosh M.T. (Gold – 60 kg). Three distinguished players (softball) have joined our College as first year UG students: 2 Junior Indian Players – Vineetha George and Revathy Ratheesh, and a National Bronze Medal Judo athlete, Divyamol Martin.

Our softball teams (Men and Women), the Judo team (Men) and the Hockey team (Men) are the Champions of the Mahatma Gandhi University. Our Softball Kerala State Players (seniors) won the senior National Championship. Vineetha George was adjudged the Best Player of the Tournament.

The 19th Dr. A.K. Baby Memorial South India Intercollegiate Hockey Tournament for Men and Women was held in our College from 24th to 26th January 2011. For the first time in 19 years, our team won the Dr. A.K. Baby Memorial Trophy.

The Manorama Trophy in the 40th UCC Basketball Tournament (2nd to 4th February 2011) was won by Mar Ivanios College, Thiruvananthapuram.

11. *The 89th Annual Athletic Meet 2010-11 was held on 31st January and 1st*

12. *February 2011. As in last year, department-wise participation of the athletes helped foster healthy competition and mutual respect.*

Mahatma Gandhi University Intercollegiate Women's Cricket Tournament is going on in our College grounds from 16th to 18th February.

16.Students Activities/Achievements – (Extra Curricular)

(a) National Cadet Crops : NIL

(b) National Service Scheme

NSS Unit (104) organised many fruitful programmes in the academic year 2010. The Volunteers conducted awareness classes, activities, debate etc in the important days. Rural camp was the unforgettable experience for the student volunteers to make interventions in the community, school and also to inculcate many of the personality traits. The following are the programmes done in this year.

Major Activities

Jingle Bells: It was a programme organised by NSS Volunteers in the De Paul Campus. The purpose of the programme was to give opportunity to the differently abled students to get together and provide them a platform to perform their talents in connection with X'mas & Happy New Year celebrations. There were around 120 differently abled students participated the programme from about 18 schools in Ernakulam districts.

De Novo'10: It was the programme organised on the topic of environment protection – A National level social work meet call for sustainable development. One of the Volunteer presented a paper on need of protecting the natural environment.

Mini camp: A mini camp is organised in the campus. A workshop was also organised along with this on the topic Role of Social Workers in rehabilitation of physically and Mentally Differently abled persons.

7 days camp was an enriching exposure for the student volunteers. Organised a debate on Lottery Issue in the campus. It was the initiative by the NSS volunteers to make awareness in the campus about the lottery issue. Value Education class for the NSS volunteers was an another programme organised in campus
Organised Street Plays on Gender Issues and domestic Violence (in the community), Alcohol(in the campus) and how to study (in the school).
Volunteers attended many seminars in different colleges.
Volunteers have got opportunity to conduct surveys and also to make interventions from the result of the surveys.

The student volunteers are very active and they take individual initiative to organise many activities in and out of the campus. Since the volunteers are pursuing their course in Social Work, NSS is a platform for the students to make specific social interventions in the college as well as in the community. Presently the volunteers plan to conduct a workshop in the Inter National Women's Day on 4th March, 2011.

(c) Arts Festivals

Rhythm 2010, Arts Festival spanned for two days, 11/02/2010 and 15/02/2010. The carnival was inaugurated by Mr. Babu Jose and Mr. Baiju Jose, the celebrations of Rasikaraja No.1. The inaugural session was presided over by Rev. Fr. Daison Vettiyan V C. A series of onstage items were conducted and they had full participation on behalf of students.

(d) Sports

Sports Day was conducted on 17th February, 2010. It started with a colourful march March Past by students lined up in groups. The salute was accepted by the principal, Rev. Fr. Alex Cxhalangady V C. Fr. Norvey Viythayathil V C, MSW Co-ordinator inaugurated the event.

(e) Games

Different games were conducted on 17th February, 2010. Games like Basket Ball, Voley Ball, Cricket, Chess, Carroms, Throw Ball, Badminton etc.... Students were filled with enthusiasm and was busy exhibiting their talents.

(d) Extra Curricular Activities

1. Depaul Harithamaithry: An ecofriendly programme by planting the plants and distribution of plants given by forest department and the project of Sree. Simon Britto MLA.

2. National Science Day : Msw department celebrated the national science day & conducted an inter collegiate painting competition.

3. De Novo 2010: National Social Work Students' Meet was conducted on October 4th and 5th with a motto: 'A better World to Live in'. The theme for the meet was 'Environment, Terrorism: Issues and Challenges – 'A call for sustainable Development'. About 400 delegates participated from various social work institutions in India.

17. Industry Varsity Linkage (If any) : NA

18. Academic Tie-Ups (if any) :

Agreement of co-operation with De Paul University Chicago, USA.

19. Student Progression (Brief about the past students)

It is a matter of happiness from our side to impress that most of our students have been placed well in very many reputed institutions/organizations immediately after the completion of their respective courses - MBA, MHRM, MCA & MSW.

Since we are maintaining good relations with our old students: we are in a position to have clear knowledge and idea about the prosperity and prospects of each student. Who has passed out from the institution. We have also an 'Alumini Association' which is very active and we use to gather every year without failure. It is our experience that majority of our old students take active participation in these gathering/meeting.

St. Thomas Arts & Science College, Puthencruz P.O., Ernakulam -
682308 (2005)

St. Thomas Arts & Science College, Puthencruz, Ernakulam District, is an educational institution managed by Malankara Jacobite Syrian Christian Education Trust, Malecruz. This institution aims at imparting good quality education to students aspiring to achieve academic excellence in a truly congenial and disciplined atmosphere. The college upholds the ideal that education should be for the all-round development of the personality of a student, and hence provides sufficient opportunities and facilities for necessary co-curricular and extra-curricular activities.

The college presently offers three courses - B.Com. Computer Application (Vocational Model II), B.Com. Finance & Taxation (Vocational Model II) and BCA. This institution has earned a very good reputation within these five years of its existence. We had a good achievement in the results published till date.

Co-curricular and Extra-curricular activities a. Literary and Debating Forum

A Literary and Debating Forum is actively functioning in the college to develop the literary and oratory skills of the students. Various literary and oratory competitions and debates were held under the auspices of the Literary and Debating Forum.

b. Seminars, Classes and Awareness Programmes

. We conducted a few seminars and other programmes to guide the students in career improvement and in many useful areas in practical life. A Traffic Awareness Seminar was conducted in January. 2010. Another seminar on Information Technology was conducted with the co-operation of APTECH Ernakulam. The seminar was followed by an aptitude test.

A class on 'Teenage Sex Psychology' was conducted. Fr. Paul Pottackal of Insight Counselling Centre, Thrissur.. The problems faced by teenagers were dealt with in detail and guidance given on individual problems. The class was very useful and well appreciated.

A few other seminars also were conducted to create among students awareness on self employment and social life.

Celebrations

Onam was celebrated with all deserving celebrity, including a sumptuous Ona Sadhya on 21 .08.2010. DR.K.S.Radhakrishnan, former Vice Chancellor, Sri Sankara University, Kalady, gave the Onam Message. Christmas was celebrated on 18.12.2010. The Chairman of the Education Trust H.B. Dr. Baselios Thomas Catholicos gave the X mas message and cut the cake.

Release of College Magazine

The fourth edition of *Sintonia*, the college magazine was released on 06.09.2010 by Sri. P.A.Jacob, Principal, PIZ Training College, Malecruz.

Inauguration of College Union & Arts Club

The activities of the College Union 2010-11 was formally inaugurated on 15.12.2010 by Sri. Eldhose Kunnappilly, President, Ernakulam Dist. Panchayat.

Achievement of NCC Cadet

This being an unaided college, we don't have an NCC unit in this college. Akhil Kuttappan, a student of this college was enrolled as a cadet in the NCC unit of St. Peter's College, Kolenchery, and he won the Gold Medal in shooting competition held at Thalsanik Camp.

Asianet's Valkannadi

Five episodes of Asianet's Valkannadi were shot in this college in the month of October 2010. It provided a good platform for the cultural talents of the students.

Blood Donors' Forum

Realizing that the existence of an educational institution is incomplete without some possible social service, a Blood Donors' Forum has been constituted in the very first year of the college itself. A Blood Grouping Programme was conducted in October 2010 with the co-operation of the Blood Bank of MOSC Medical College, Kolenchery to add more members to the forum. The forum is rendering valuable service. It is a matter of satisfaction that our students have donated blood to many patients in various hospitals.

Sports & Games

Sports & games were given due importance and encouragement. The Volley Ball Team of the college participated in the Inter collegiate Games Competitions held at St. Peter's College, Kolenchery. Annual Athletic Day was conducted in February 2010.

This is a college started only in 2006 and we hope to indulge in more literary, cultural and social activities in the years ahead.

18. Nil

19. Students support and progression

Students got oriented to the different career opportunities available and students got placement in different institution.

Grievance Redressal Cell: - Helped students to solve problems and find feasible solutions.

SUPW activities : - Students realized the dignity of labor and learnt Jewelry making, flower making, fabric painting and glass painting. The students identified their own skills and produced decorative items.

Mentor Mentee system : - Enhanced teacher student relation, difficulties were solved, problems areas diagnosed and rectified.

Youth Festival : - Develop sports man sprit and athletic sense, develop healthy competitive spirit and brought about all round development in students.

Workshop on value education : - Helped students to priortise values and lead a value based life and to practice secular values.

Inter religious prayer : - Helped students to experience God and turn towards Gods in all situations of their life and thereby deepen their faith vision and impart faith in God to the coming generation.

Alumni and Awards day : - Provide a chance to the alumnae to get together, share their joy and interact with the juniors and also provided an incentive to the aspiring teacher to learn effectively.

Seminar on Pro-life : - Helped students to realize value of life.

Activities of the social service cell : - Helped them feel with the marginalized and extend a helping hand.

11. Seminars Conducted by Faculty (Name wise – with details)

(a) State Level :

The following faculty members task class during the state level seminar.

<u>Sl.No.</u>	<u>Name</u>	<u>Topic taken</u>
1.	Sherly Mathew	1. Rehabilitation needs of persons with Mental Retardation 2. Variables affecting successful Community Living of Adults with Mental Retardation.
2.	Dr. Anie Paul	1. Health Care of Adults with Mental Retardation
3.	Kochurani P.J.	1. Community Mobilization 2. Sensitization of Community Rehabilitation

4. Bincy Jose 1. Community Recreation and the outcomes.

(b) National Level : Nil

(c) International Level : Nil

12. Publications by the Faculty with impact factor of the Publications : Nil

13. Research Highlights of Faculty/Scholars: The following faculty members are doing Ph. D

<u>Sl.No.</u>	<u>Name of Faculty</u>	<u>Topic of Research</u>
1.	Sister Glory	The Literacy Approach in the language Development of children with mental Retardation
2.	Sr. Divya	A study on Functional Abilities and problems of Adults with intellectual Disabilities.
3	Kochurani P.J.	Effectiveness of primary methods of social work in developing psychosocial competence of Adults with Locomotor Disabilities – A Case Study.
4.	Jaison Mathew	Environmental causes of Scholastic backwardness

14. Academic Achievements : We are conducting Two teacher training Courses B. Ed Special Education (Mental Retardation) and M. Ed Special Education (Mental Retardation) affiliated to M.G.

University. Nirmala Sadan is the only institute conducting M.Ed Special Education (MR) Course in the State of Kerala.

15. Student Achievements – Academic: During 2010 academic year 3 student received University level rank

<u>Sl. No.</u>	<u>Course</u>	<u>Name of Rank Holder</u>	<u>Details</u>
----------------	---------------	----------------------------	----------------

1 B. Ed Special Education (MR) 1. Sunitha Thomas 1st Rank
 Rank 2. Nisha Baby 2nd

2. M. Ed Special Education (MR) 1. Shantymol Thomas 1st Rank
 16. Students Activities/Achievements – (Extra Curricular)

- (a) National Cadet Crops : Nil
 (b) National Service Scheme : Nil
 (c) Arts Festivals:

We have conducted an intercollegiate cultural competition in January 2010. Students from five teacher training colleges from 4 districts (Ernakulam, Trissur, Kottayam and Alappuzha) participated in the competition. Items of competition were Light Music, Group Song, Group Dance and Quiz. Cash prizes were distributed for winners.

(d) Sports : Every year we conduct Annual Sport meet for teacher trainees.

(e) Games:

Games competitions were conducted along with Onam Celebration. Some of the items for competitions were – Lemon Picking, Balloon breaking, Filling bottle and eating bananas.

17. Industry Varsity Linkage (if any) : Nil

18. Academic Tie-Ups (if any) : Nil

19. Student Progression (Brief about the past students):

The passed out students are working as lecturers, principals and Resource room teachers in various parts of Kerala and India. Around ten students are working in abroad (U S A, Dubai and Australia)

20. Campus Recruitment (is any):

Even though there is an formal recruiting system, the institute guide students to get job in various educational institutions.

Sl.No.	Name of the Firm	No. Students Attended		No. Students Selected

12. Publications by the Faculty with impact factor of the Publications

Mrs. Padmapriya P.V., Lecturer in Natural Science, has written an article, 'Metacognition' in Edufocus, Vol 4, the journal published by St. Joseph's College of Teacher Education for Women, Ernakulam.

13. Research Highlights of Faculty/Scholars: Four of our faculty members, Mrs. Resmi M.R., Mrs. Padmapriya P.V., Mrs. Rajini G., and Mrs. Swapna Sankar, has registered for Ph.D. and their research work is in progress.

14. Academic Achievements :

Results for Bed. and M.Ed.

B.Ed.: 11 distinction, 145 first class and 30 second class. Pass percentage: 98%

M.Ed.: 23 first class. Pass percentage: 92%

15. Student Achievements- Academic

1st and 2nd ranks for the M.Ed. examination for the year 2008 -2009.

16. Students Activities/Achievements-(Extra Curricular)

- a. National Cadet Crops: Nil
- b. National Service Scheme: Nil
- c. Arts Festivals :

Our students participated in the M.G.University Youth festival held at Kottayam in various events.

Our student Resmi Menon won the Best Actress Award in the Inter collegiate Drama Competition organized by Holy Crescent College of Education, Vazhakulam.

Our team won the first prize in the Inter collegiate quiz competition organized by the Nature Club of the college on 09.02.2010.

Our student won third prize in the Essay writing Competition organized by S.N.M. College of Education, Moothakunnam on 21.12.2010.

d. Sports: Our students participated in the Inter B.Ed. Collegiate Athletic Meet organized by St. Joseph's Training College, Mannanam in February, 2010 and won the following prizes.

1. Javelin (Men): 1st
2. High Jump (Men): 2nd
3. 4 x 100m Relay (Men): 3rd

e. Games: Our team was the Runner up in the Sahodaran Ayyappan Memorial Volley ball tournament organized by our institution on 06.02.2011.

ANNEXURE III

Achievements in Sports during 2010-11

- FISAT won both Men and Women section of the M.G.University Intercollegiate Table Tennis Tournament 2010-11.
- Vysakh Ravi, Angilo Porathur, Lakshmy Ramachandran, Lia Chacko and Aparna Shaju of FISAT represented M.G University in the Interuniversity Table Tennis Tournament held at VTU Belgaum.
- Vysakh Ravi ranked 1st in the Kerala State Table Tennis Tournament 2010-11 and secured 17th position in National Ranking.
- FISAT Basketball team secured Third position in the MG University Interzone Basketball tournament 2010-11
- Johny Cherian, Arun Paul and Shebin Shamsudheen represented M.G.University in the Interuniversity Basketball Tournament at Annamalai University, Chidambaram.

(d) Sports:

Ilahia College of Engineering stands top in sports achievements among the Engineering colleges in the University. Our tremendous sporting credentials gravitate towards us helping us create achievable position in sports.

In this academic year our 10 team participated in the M.G University inter- collegiate championship in various disciplines. Out of that the college emerged as 4th position in Shuttle Badminton and Chess. Our teams have also participated in various inter-engineering tournaments all around Kerala. Out of that our college Football team triumphs the prestigious ILAHIA CUP (South Indian inter-engineering football tournament) and SNGC CUP (All Kerala inter- engineering football tournament). 4 of our students represented M.G University and Kerala State in various National Level tournaments.

Renjith N.R of 2nd year EEE student represented M.G University in Shuttle Badminton for the all India Inter-University competitions in the year 2010-11.

Agil G Pukkunnel of Final year E.C.E student represented M.G University in Chess for the all India Inter-University competitions in the year 2010

16. Students Activities/ Achievements –(Extra

Curricular) (a) National Cadet Corps

A 14 day National Camp was conducted by the National Cadet Corps (NCC) at the foothills of Malayattoor and Kallala from the 16th of December, 2010. 9 students from the NCC cadre of our College were lucky enough to attend the camp which was organised by the 22 Kerala Battalion, Aluva under which our College is registered. Sujay of S4 CSE was the squad leader of the 9 member squad of our college which also comprised Ibrahim Ismail (S4 Civil), Iylin Thomas (S4 ECE), Gautham Krishna (S4 ECE), Anoop A.N. (S4 ECE), Swalih (S4 EEE), Razal (S4 EEE), Alfas (S4 EEE), and Jingil Alias (S4 CSE). The 14 days were divided between these two places namely Malayattoor and Kallala, trekking being the major attraction. This was also the first National Camp attended by the students of our College after the inception of the NCC unit of the College. "The whole experience of the national camp was just awesome", said the students who were thrilled by their experience. ! The college expects to participate in more such campus in the near future.

(b) National Service Scheme

The inauguration of the National Service Scheme (NSS) functioning under the Technical Cell, Unit No.234 of Jai Bharath College of Management & Engineering Technology was inaugurated by Dr. R. Ravindran Nair, Principal on 20th of January in the seminar hall at 2 p.m. The Unit comprising 100 energetic and enthusiastic members were formed with three co-ordinators.

Mr. Abhijith N.A., Officer-in-charge of NSS spoke on the occasion welcoming the audience and the presidential address was delivered by Dr. P.J. Sebastian. The inaugural session came to an end with a word of thanks proposed by Sanjo Chinnan, Secretary of NSS. Following the inauguration, an informative and thought provoking orientation was held by Mr. Abdul Aziz, Project Manager, Community Development Dept. The curtain fell after all the teaching and student fraternity repeated the slogan, "NOT ME, BUT YOU". A one-week camp of the NSS Volunteers was held from 1-7 March, 2011 in Vengola Grama Panchayat where in socially relevant projects were carried out.

(c) Arts Festivals

The Arts Club of the College was inaugurated by eminent writer and journalist Mr. K.L. Mohana Varma on 11th February, 2011 at 10 a.m. The inaugural function was followed by an arts festival of cultural events by the students.

(d) Sports & Games

The football ground of the College was renovated and made into a standard football ground. The work has been started for making a volleyball court outside the track. The College football team participated in 3 football matches organised by different agencies in Ernakulam district.

The students of the College also participated in various inter collegiate cricket tournaments held in M.A. College, Kothamangalam and Sree Narayana Gurukulam College of Engineering, Kolencherry

MACFAST INDUSTRY INTERFACE

Our flagship add-on programme MACFAST Industry Interface (MII), which was officially inaugurated on February 1, 2010 at Technopark Trivandrum has become a huge success and is now a case study for our academic programmes. (See: "Getting more out of an MBA degree", The Hindu- Education Plus 14th Dec. 2010). Under the MII programme, students have undergone industrial training in various disciplines.

The following batches have completed their industrial training programmes as part of MII in 2010:

MCA 2007-2010(58 students): Feb 1-13, 2010- Software development training at Faith Infotech company (our MII partner) at Technopark, Trivandrum

MCA 2008-2011(57 students): April 18- May 1, 2010- Software development training at Faith Infotech company (our MII partner) at Technopark, Trivandrum

MBA 2008-2010 (103 students) : 1 week Communications training at Afraas Academy for Business Communication (A Shashi Tharoor concern), at Technopark, Trivandrum

MBA 2009-2011 (111 students) : 1 week Communications training at Afraas Academy for Business Communication (A Shashi Tharoor concern), at Technopark, Trivandrum

MBA 2009-2011 (111 students) : 10 days Intensive Internship Training in "Customer Oriented Service in Brand Building" at Pushpagiri Medial College Hospital, Tiruvalla

MBA 2010-2012 (114 students): 6 days training and exposure visits at Infosys, Toonz Animation, UST Global, Indian Institute of Information Technology and Management-Kerala, Artin Dynamics, Smart Business Centre (SBC), Technopark Technology Business Incubation Centre (TTBI) and Tata Consultancy Services at Technopark, Trivandrum. In connection with this programme, we have also organized 50-hour personality development focusing on confidence building, effective interpersonal communication and soft skill development through psychological tests, growth labs, group exercises and creativity games.

Almost all the students who have passed out from both the MCA and MBA Departments this year and have been placed successfully in companies of repute, have reported their joy and success in achieving suitable jobs, especially after receiving the industrial training programmes imparted by the institution as part of MII. We are hoping to continue the same training programmes for each semester, depending on the level of the knowledge, skills and attitude our students have attained at each semester.

The School of Biosciences have organized a number of industrial visits, industrial training programmes for the Biosciences students and beyond this, the students are strongly encouraged to attend National and International conferences and symposiums. The final year students of Food Science and Technology have recently attended two national conferences on food processing and eight of them have been selected to get trained at the Indian Institute of Crop Processing Technology, Tanjore and the others are undergoing training in various parts of India from January 2011.

A few of our students and faculty members from MCA, MBA and Biosciences have also been actively involved with our campus community radio-Radio MACFAST 90.4. The students participate highly in marketing, programme compering and script writing, while a few of them have found permanent jobs with our radio station.

COMBINED MEETING OF THE GOVERNING BOARD AND ACADEMIC COUNCIL

(1st February 2010 at Park Centre, Technopark, Thiruvananthapuram at 2:30 PM)

The following activities were taken up during the meeting (in brief):

Chairman's Address by Dr. M. S. Valiathan

Presidential Address by Dr. M. V. Pylee

Review of the minutes of the previous meeting dated 23rd April 2009
Report on activities of the college since last meeting
Strategic Goals & Initiatives for 2009 and the Present Status
Future Plans

The following were the major strategic goals for 2010. The board discussed these items in detail and largely approved the following goals as basically directional in 2010. These goals are indicative and not exhaustive.

Continue the MACFAST INDUSTRY INTERFACE initiative and make it successful.
Get NBA (AICTE) accreditation for MBA and MCA / Go for NAAC Accreditation for the college.
Work for superior quality in
Curriculum delivery
Soft skill and personality development for students
Improvement of faculty profile / more of Ph.D and Research faculty. Publication, Seminars and workshop participation of faculty.
Infrastructure and facilities.
Placements
Brand improvement & PR activities .
Continue the efforts for collaborative projects with foreign Universities in selected areas.
Build IGNOU-MACFAST centre with selected courses in St.Johns campus of MACFAST.
Pursue for obtaining the full grant- in-aid(Rs 28 lacs)from MINISTRY OF FOOD PROCESSING INDUSTRIES (MFPI).
Improve networking with similar institutions.
Get the services of experts as Adjunct Professors from Industry and other Academic Institutions.
Conduct competency development programmes for students.
One National / International conference/workshop by each department.
Pursue for approval of Journalism course and start the same.
Start a Community College under IGNOU scheme in Idukki.

Special Item - Formation of MACFAST RESEARCH COUNCIL (MRC)

The board discussed this in detail and approved the formation of the following research councils for the institution.

Dr. P.K.K. Nair - Chairman

Dr. M. D. Nair

Dr. Sabu Thomas

Dr. P. Pushpangadhan

Rev. Dr. Abraham Mulamoottil (Secretary / Coordinator for the Council)

FACULTY PERFORMANCE APPRAISAL

To ensure greater transparency and credibility in our appraisal policy, we have updated our evaluation system to include the following

Faculty Performance Appraisal (FPA):

This is a self-appraisal form that needs to be supported with credible evidence for achievements and/or initiatives.

The information provided, gives insight into individual teachers/lecturers, their standards, achievements and serves as a benchmark to achieve our central objective of continuous and ongoing improvement.

The information provided by faculty will be utilised to analyse gaps if any, and to create a logically structured, and holistic system of self improvement.

Detailed instructions on filling up the FPA form are included in the form itself.

Faculty Goal Assessment (FGA):

This monthly goal assessment is currently in practice and will be continued but in addition to the monthly submissions, an annual report must also be furnished.

This report helps us provide evidence to corroborate your activities and initiatives as a faculty of MACFAST, ultimately justifying your grade and pay scale.

Student Feedback:

Given our student and industry orientation, we are committed to evaluating ourselves from a 360° perspective. This must as a rule, include collecting feedback from the students as stakeholders in the success of MACFAST.

This would be an anonymous information gathering exercise, executed directly by, or by neutral personnel specially appointed by the Principal of MACFAST, to ensure zero-bias.

Peer Review: Continuing with our 360° evaluation methodology, a tertiary evaluation by peers is mandated as a part of the Faculty Appraisal System. This would include assessment by and of every employee of MACFAST, be it teaching or support staff.

This review gives insight into each member's understanding of the other, as well as generic perceptions. Given we encourage and promote MACFASTSHIP, a sense of community and camaraderie within MACFAST, it is necessary that we do our bit to make sure we know everyone else and likewise.

This review again will be confidential, to be used only during and for the appraisal. The FPA procedure was conducted from March 2010- May 2010.

AICTE REVISED PAY SCALE AND GRADES

The designations of the faculty members were changed as follows: Assistant Professor, Associate Professor, Professor

AICTE Revised Pay Scale was implemented in April 2010 at MACFAST and faculty members were given promotion in grades and salary.

IGBC – INDIAN GREEN BUILDING COUNCI

MACFAST has officially become a member of IGBC from May 2010.

IGBC which is part of CII- Sohrabji Godrej Green Business Centre is actively involved in promoting the Green Building concept in India. The council is represented by all stakeholders of construction industry comprising of Corporate, Government & Nodal Agencies, Architects, Product manufacturers, Institutions, etc. The council operates on a consensus based approach and member-driven. The vision of the council is to usher green building revolution and India to become one of the world leaders in green buildings by 2015.

The Principal and Rev. Dr. Mathew Mazhavancheril , HOD, Dept. Of Biochemistry attended the International Green Building Congress held at Chennai from 06 October – 10 October 2010.

RELEASE OF CORPORATE BROCHURE AND CD

The new Corporate Brochure and CD as released in June 2010 and the copy of the same can be viewed at www.macfast.org.

FACULTY DUTY GROUPS

Duty Groups comprising of faculty members from each department, based on the Faculty Duty Checklist submitted by all the departments, have been formed in June 2010.

NEW UNIFORM FOR WOMEN STUDENTS

New Uniform was introduced for women students in July 2010. The women students now wear Off-white full sleeved shirts and black trousers. However, the senior year students are allowed to continue wearing the old uniform.

MACFAST TECHNOLOGIES

MACFAST Technologies, the software development and training division run by MACFAST Center for Industrial Interface Pvt. Ltd is the subsidiary and 100% owned IT division of our institution. The company has been steering forward under the able leadership of Mr. Ashokraj R. Associate Professor and Head, and has been working hard to meet our objective to provide exposure of software industry practices, standards and methods to our young community that includes the young software developers who have just passed out of college and those who appear for final semester projects. 'Earn While Learn', an important facet of MII programme is realized through MACFAST Technologies. The company is willing to give projects, assignments and other tasks which enable students to earn while they are learning, hence recovering their tuition fees. Four students from 5th semester MCA are selected and inducted for 2 months industry training at LogicManse Software Ltd., (the company is an MII partner operating inside MACFAST campus) and more eligible students shall be placed for industry trainings in near future. Thus, slowly, yet progressively, MACFAST is realizing its dream objective of turning itself into self-sustaining college, where students earn at the college and pay for their tuition costs! Our Biosciences students have already begun the medical data conversion work in connection with the company. By January 2011, more students from MBA and MCA are expected to carry out various projects and begin earning on their own.

Another avenue for 'Earn while Learn' especially for the MBA students is Radio MACFAST marketing. They go out, meet prospective clients, establish rapport and relationship, win the advertisement rates and slots from clients and maintain a good student-client relationship.

NEWS/BUSINESS UPDATE HOURS, SOFT SKILL HOURS

Furthermore, we have introduced compulsory News reading hour at 8.30 am daily for all the first semester students of the college this year. Online Business update weekly tests as well as academic tests are conducted at the end of each module. Tutorial classes in Mathematics, Statistics and Accountancy are provided to students after regular class hours. Soft skills and communication classes have been arranged for first semester MBA students at 8.45 pm daily and is imparted to students based on the feedback given by the companies who partnered with our MII programme. Communication skills has become an integral part of all profession and industry standards, but unfortunately, almost all of our students are yet to acquire, learn and polish these skills.

At this juncture, we are forced to urge , recommend and encourage our students to undertake assignments and project works in states outside Kerala (Project work for final semester students of MCA and Biosciences) and even abroad in countries like Singapore, where there are plenty of opportunities for short term assignments (Project work for third

and fourth semester students of MBA). Exposure to market and industry standards, progressively developing on language skills and getting trained in real time scenario are some of the benefits our students can acquire from opting for assignments outside Kerala and abroad.

UNIVERSITY RANKS

Adding another feather to its cap, the following students of MACFAST have bagged University Ranks this year:

- Ms. Indu Krishnan P. – 1st rank for MBA (2007-2009)
- Ms. Jelin Achamma Andrews- 1st rank for M.Sc. Food Science and Technology (2007-2009)
- Ms. Laya Oommen – 2nd rank for M.Sc. Food Science and Technology (2007-2009)
- Mr. Jaseel J. – 3rd rank for M.Sc. Food Science and Technology (2007-2009)
- Ms. Chandni Valson– 1st rank for M. Sc. Bioinformatics (2007-2009)
- Ms. Deepika T.C - 2nd rank for M.Sc. Bioinformatics (2007-2009)
- Ms. Sheeba Seemon – 3rd rank for M. Sc. Biochemistry (2007-2009)
- Ms. Deepa J. – 1st rank for M.Sc. Phytomedical Science and Technology (2005-2007)
- Ms. Tashi C.V. – 1st rank for M.Sc. Plant Biotechnology (2007-2009)
- Ms. Aleesha Mohammed- 1st rank for MBA (2008-2010)
- Ms. Divya Susan Mathew – 2nd ran for MBA (2008-2010)
- Ms. Anupama S. – 3rd rank for MBA (2008-2010)
- Ms. Remya Krishnan – 3rd rank for Bioinformatics (2008-

2010) CONFERENCES AND SEMINARS

The conferences and seminars we have held this year are:

- An International Conference on Mathematical Computing and Management –ICMCM 2010 from June 17-19, 2010
- National Symposium on Recent Advances in Algal Biotechnology – Biospectrum 2010 from August 3-5, 2010
- Agriculture Seminar jointly organized by IFFCO Kisan Sanchar Limited, Radio MACFAST and MACFAST School of Biosciences on August 7, 2010

MACFAST RESEARCH COUNCIL

The Special Committee appointed by the Academic Council during its meeting held at Trivandrum on 2 February 2010, met at the office of the Principal, MACFAST on 2 August 2010. It was pointed out that there has been new thinking in the management of MACFAST on restructuring the course content of the institution in the background of the status of student intake in terms of quality and quantity, and the institution, as presented in the Concept paper circulated to the members earlier.

The members discussed the various points raised by Rev. Dr. Abraham Mulamoottil and also by other members of the Council, leading to the following resolutions and recommendations:

The proposal to restructure MACFAST along the line of B. Tech, M. Tech integrated courses.

Rev. Dr. Abraham Mulamoottil is authorized to take suitable action to take further steps in the matter for presentation to the Academic Council.

While preparing a planning document, BITS Pilani be considered as a model for integrated courses, and negotiate with BITS Pilani for integration or accreditation of MACFAST with it.

It was further agreed by the members of the Committee that the following areas maybe considered for getting recognition of the AICTE as an obligatory requirement:

- Electronics and Telecommunications
- Environmental Technology
- Food Science and Technology
- Bio-medical Engineering
- Electrical Engineerin

It was pointed out that the existing course M.Sc. Phytomedical Science and Technology be renamed as Herbal Science and Technology in the interest of triggering the imagination of prospective students in taking up the course. It was further been suggested that the area of agro business has a potential for developing new academic courses integrating with the business school.

COMMUNITY DEVELOPMENT PROGRAMMES

Our community development programmes of 2010 are:

Hrudaya Spandanam Project by Radio MACFAST– 50 free heart surgeries, officially inaugurated on 1 November, 2010.

Tiruvalla –Clean and Green City Project officially inaugurated on 1 November, 2010.

A software which will assist the Community Police in collecting and storing complete information about the individuals falling under the jurisdiction of each Police station in Kerala was handed over by our Principal to Mr. Jacob Punnose, Director General of Police, Kerala on 26th May, 2010. This software was developed as a part of the 'Janamaitree Police' - Kerala Police - 'People Friendly Security Plan', fruition of their relentless efforts in a short period of time.

A house was donated for a poor family living next door to the college on 18 June 2010. NEW FACULTY TEAM

Our team of dedicated and hard working faculty members, the motivating force behind the success of MII and Earn While Learn programmes, is the constant source of support, encouragement and guidance for our students. This year, we have an eminent teaching faculty team who have joined us –

Rev. Dr. K. Cyriac , Former Professor at XLRI and IIM-K as the new Director of MBA

Dr. Judith Hollows, Knowledge Management Consultant and Social Entrepreneur from UK as Director of the College, Professor of Department of MBA & Director of TQM.

Rev. Dr. Mathew Mazhavancheril as Research Director, Associate Professor and Head of Department of Biochemistry.

Col. Dr. G. G. Mathews as Professor and MDP Coordinator of Department of MBA.

Dr. Jiju A. Mathews as Associate Professor of MCA.

Mr. Ashokraj R. as Associate Professor and Head of MACFAST

Technologies Ms. Rinta Mathew, Lecturer, MCA

Ms. Ranjini Mariam Philipose, Lecturer, MCA

Ms. Rejitha Nair, Lecturer, MCA

Ms. Geemole Thampan, Lecturer, MBA

Ms. Ashalakshmi R. K., Asst. Professor, MBA

Ms. Sneetha Saji, Lecturer MBA

Ms. Priya Kumari K., Lecturer,

MBA Sr. Sonia OSS, Lecturer, MBA

Ms. Linsa Thomas, Lecturer, Plant Biotechnology

Mr. Sudeep Babu S., Lecturer, Biochemistry

INCREASED IT FACILITY

Moreover, we are shifting from 2Mbps to 12 Mbps leased line for internet and education network, hence enabling students and faculty members to gain faster and wide spread access on the web.

As the above mentioned add-on programmes and the new additions of the world class faculty to the MACFAST family clearly show that we have already embarked on a total revamping of the quality of education we impart at MACFAST, we sincerely hope that all the endeavours undertaken by us have been beneficial and that our beloved students are able to be a part of them till fruition.

MACFAST STUDENT HANDBOOK 2010

The new Student Handbook was released in September 2010 in a new design. The revised and updated Code of Conduct for College, Hostel rules, Anti-Ragging rule, Contact

Information of College Management, Diary for the entire academic year and Faculty Contact details are also included in the Handbook.

MINORITY STATUS FOR THE INSTITUTION

The College received the Minority Status by the National Commission for Minority Educational Institution (NCMEI) according to the NCMEI ACT 2004 and Article 30 of the Constitution of India on 07 October 2010.

AICTE COMMISSION VISITS IN OCTOBER AND NOVEMBER 2010

The AICTE Commission had visited MACFAST twice this year in October and November to make sure about the compliance standards of MACFAST. The College has been regular in sending the required documents to the AICTE and has meticulously prepared all the documents related to the compliance standards. Deficiencies which were conveyed were rectified promptly and reported to AICTE.

RADIO MACFAST 90.4 FM

The College celebrated RADIO MACFAST's first anniversary celebrations on 01 November 2010. The celebrations marked the beginning of two mega projects: HrudayaSpandanam project wherein 50 free heart surgeries would be conducted and Clean and Green City Project Tiruvalla- an initiative first of its kind involving the entire community, Municipality, educational institutions, business concerns, hospitals etc.

The Radio has begun several new programmes involving the local community around. Two of the major programmes are "Let's talk English" and "Clean and Green City", both of them one hour live programmes.

CLEAN AND GREEN CITY PROJECT – TIRUVALLA (ACTION PLAN 2011)

The Clean and Green City project of Tiruvalla was officially inaugurated on November 1, 2010 , in connection with the first anniversary celebration of Radio MACFAST 90.4 , our community radio at MACFAST to address the pertinent need of environment management in Tiruvalla, as part of an emerging corporate social responsibility of our institution. Attitudes and habits of existing generations of people have been etched so strongly that all this while we have grown to care less and have forgotten to respect our environment – our neighbourhood, our rivers, our work places, our public places, our places of worship, our places of transport services and the list continues. MACFAST wishes to create a new trend of bringing awareness and helping people to form habits and attitudes to address this ominous looming problem of our immediate environment.

MACFAST believes that to bring about a shift in awareness, attitudes and habits of the entire State, we need to begin with our own community – Tiruvlla. And to begin with Tiruvalla, we need to start acting right from the source – our families. And all of us constitute our big family – MACFAST- and we wish to begin from our campus.

We do not wish to hold endless talks, meetings and seminars since we are already in action!
Clean and Green Campus Programme

Our Clean and Green Campus programme has already begun in the area of Solid Waste Management activities in our campus – Biogas for both Men’s and Women’s Hostels, Waste treatment plant, coloured Waste Bins, supply of potable water Greening activities – the already serene and green environment of our campus and more planting of trees, shrubs and wall plants

A Project Officer has already been appointed on January 1, 2011 for the Clean and Green City project and he would also be the Coordinator of our Clean and Green Campus programme.

MACFAST 2011 Calendar and its environment protection theme

cgc.macfast.org website has been launched and each class/group can upload materials which are beneficial to all

GREEN HOUR

Our next item in Action Plan is the Green Hour every Thursday from 4.00 pm -5.00 pm. This hour is designed to inculcate environmental values, transform them into attitudes and practise them to develop into strong habits.

The schedule of Green Hour would be as follows:

4.00 – 4.20 pm: Talk/Presentation by students and faculty members (List of topics attached with this notice)

4.20 – 4.30 pm: Environment Management– Brain storming of ideas

4.30 – 4.40 pm: Tips for the week (To be discussed and displayed on notice boards)

4.40 – 5.00 pm: Self-reflection – Clean and Green actions of previous week to be read out by each student

All the faculty members, staff and students of our college are actively participating during this hour. Each batch of students are be guided by a group of faculty members in their respective classrooms. Each class/group has a President (s/he chairs the Green Hours), Secretary(s/he organizes the Green Hours , record the minutes, documents , files, photos and other materials) , Content Writer for website (s/he uploads the entire materials of the class/group to the website), Weekly Tips Compiler (s/he identifies the weekly clean and green tips and display it on the notice boards) , Weekly Idea Compiler (s/he collects and the records of the ideas of each individual of the class/group and record them in the website). All the classrooms are provided with Display Boards for creativity exercises. The Principal leads the meeting of non-teaching staff during this hour at the Conference Hall.

MACFAST Staff and students also participated in the Seed Sowing Ceremony held on 10 January 2011 at the campus paddy field. Activities already in the pipeline for the next phase of our project are already conveyed to all our staff and students, as we are progressing through our actions. We hope that we can change our community by introducing a change among ourselves.

VISIT TO MACFAST BY SHRI. T. K. A. NAIR, PRINCIPAL SECRETARY TO THE PRIME MINSITER

On the occasion of the Archbishop Puraskar Ceremony organised by the Archbishop Benedict Mar Gregorios Foundation Tiruvalla and conducted by MACFAST on December 19, 2010, Shri. T. K. A. Nair- Principal Secretary to the Prime Minister of India visited MACFAST and interacted with the students. He has shown great appreciation for the Clean and Green City project efforts taken by the College and has promised to join the College in supporting the project and especially Pamba river project, from the Central Government agencies. He has expressed his desire to meet the staff and students of MACFAST on February 13, 2011 for an open discussion on the project.

ANNUAL REPORT SENT TO PARENTS/GURADIANS

The Annual Report of 2010 with all the major activities carried out at the College was sent to all the parents/guardians of the students in the design of a Christmas and New Year Card.
MACFAST 2011 WALL CALENDAR

The 2011 Calendar released by the Principal's Office has a new design and signify Environment Protection theme, in accordance with the 2011 plan of the office. The various messages conveyed are Save Water, Save Air, Stop War, Save Food, Save Trees and Religious Harmony.

NEW DIRECTOR OF MACFAST

Dr. P.K. Abraham, the former Director was relieved from his duties in August 2010 and Dr. Judith Hollows was appointed as the new Director in November 2010. Dr. Judith Hollows has 21 years of experience in teaching with the Department of Management and School Design, Hong Kong Polytechnic University, 18 years as Personnel Manager with MNCs at UK and 9 years as Social Entrepreneur in the US. She is also Professor of MBA and Director of Total Quality Management (TQM) at MACFAST.

REPORT OF DEPARTMENT OF MCA

A brief overview of the ongoing activities of the MCA department for the year 2010 is listed below.

International Conference on Mathematical Computing and Management

The Department has organized a three-day Interdisciplinary International Conference entitled "*International Conference on Mathematical Computing and Management*" in association with Victoria University, Australia, Computer Society of India and Kerala Mathematical Association, from 17/06/2010 to 19/06/2010.

AICTE Sponsored Staff Development Programme.

The department has conducted an AICTE Sponsored Staff Development Programme on "*Advanced Level Intensive Training Programme in Information Technology and Management*" in association with Computer Society of India, Trivandrum Chapter, from 28th January 2010 to 12th February 2010. 20 Faculty members from 17 AICTE approved MCA Departments of different colleges in South India participated in the Programme along with our faculty members from MCA and MBA departments.

MACFAST Industry Interface MCA S5 at Faith Infotech

S5MCA students were sent for an industrial training program from 1st – 13th February 2010 at Faith Infotech, Technopark, Trivandrum.

PTA Meeting.

MCA department organized a PTA meeting on 9th January 2010.

MACFAST Industry Interface MCA S3 at Faith Infotech.

S3 MCA students have undergone an industrial training program at Faith Infotech from 18th April 2010 to 1st May 2010.

M.C.A Fourth Semester University Examination Results

Results of Fourth semester MCA 2007 batch have been published. Our college secured 99 % pass in the university examination conducted during November 2009.

Progress report

M.C.A department has sent progress reports of 1st and 3rd semester students.

University Examinations – Semester I, III and V

University examinations for semesters V, III and I were conducted respectively from 21/05/2010, 27/05/2010, and 11/06/2010.

University Practical Examinations I, III and V

The University practical examinations for semesters I, V and III were conducted respectively from 19/05/2010, 3/5/2010 and 28/06/2010.

MCA Fifth Semester Mini Project Evaluation.

The University Mini project evaluation for semesters V was conducted from 7/06/2010.

Sixth Semester Project

Course Project for Sixth Semester has started from 5th June

2010. Commencement of regular classes for semester II and IV

Regular classes for second and fourth semesters have commenced respectively from 9th June 28, 2010 and 24th June 28, 2010.

MCA Admission 2010

We have given admission to 60 students.

	ADMISSION STATISTICS (2010-2013)	
	Total number of applications received	127
	Total number of admission cancelled	67
	Total number of students admitted	60

Inauguration of MCA 2010-2013 Batch

The Inaugural ceremony of the 10th MCA batch of Mar Athanasios College for Advanced Studies Tiruvalla was held on August 11th, 2010 at the College auditorium. His Grace Dr. Joshua Mar Ignathios (President K.C.B.C and Bishop of Mavelikara), presided over the inaugural ceremony. The chief guest was Mr. Sunil Jose (Associate Vice-President of Infosys and head of the Thiruvananthapuram Development Centre). Mr. Saji Joseph (Director and Chief Executive Officer of Faith Infotech) was also present for the function.

Rev. Dr. Abraham Mulamoottil (Principal, MACFAST) welcomed the gathering. In his speech father congratulated the students of the new batch and made them aware of their responsibilities as a student and also as a professional. In the Presidential address His Grace Dr. Joshua Mar Ignathios highlighted the importance of physical health as well as mental health.

The programmed was officially inaugurated by Mr. Sunil Jose (Associate Vice-President of Infosys and head of the Thiruvananthapuram Development Centre) by lighting the lamp. Students should dream about their goal and try hard to achieve it, said Sunil Jose in his inaugural address. He said a company like Infosys had always been looking for professionals who had the ability to work as a team and improve themselves.

The placement brochure of the college was released by Mr. Saji Joseph, Director and Chief Executive Officer of Faith Infotech at Technopark. The felicitation was given by Dr. P.K.Abraham, MACFAST Director. Dr.M.S.Samuel, Director of MCA Department, delivered the vote of thanks. The meeting dispersed after the national anthem.

Orientation program for first semester M.C.A

The orientation programme was conducted on 12th, 13th and 16th August

2010. Advanced Training for MCA Students and M. Sc Bioinformatics Students

We are imparting advanced level training program on JAVA for S2 MCA and M.Sc Bioinformatics students for preparing them to attend training program at Faith Infotech.

Work Shop on Image Processing.

MACFAST CSI students Chapter has organized a two day work shop on Image processing from 18/3/2010 to 19/3/2010.

Software for Community Police

MCA S5 students have developed software for community police in Tiruvalla which was released by Mr. Jacob Punnoose, DIG of Kerala Police during a function organized by the MCA department at the college auditorium.

University Practical Examinations- Semester II and IV

University practical examinations for semesters IV and II were conducted respectively from 10/11/2010, and 18/11/2010

University Examinations Semester II and IV

University examinations for semesters IV, II were conducted respectively from 2/12/2010, and 3/12/2010.

University Examinations Semester II and IV

University examinations for semesters IV, II were conducted respectively from 2/12/2010, and 3/12/2010.

6th Semester Project Evaluation

Internal project evaluation for 6th semester was conducted from 18th October 2010. Commencement of regular classes for semester V and III

Regular classes for second and fourth semesters have commenced respectively from 17th December, 2010 and 18th December 2010.

Archbishop Puraskar

MCA S1 students have developed a presentation on Mr. T.K.A Nair I. A. S, Principal Secretary to the Prime Minister, the recipient of the Archbishop Puraskar for the year 2010 and it was widely appreciated even by Mr. T. K. A. Nair himself.

Special Classes: MCA department organizes special classes for underperforming students. Visit to other Colleges

Faculty members of M.C.A department (Dr. M. S. Samuel and Mr. Tiji Thomas) have visited the following colleges for distributing our college brochure.

Mar Thoma College,
Tiruvalla S.B College
Assumption College
N.S.S College
Basalius College,
Kottayam CMS College
BCM College
BVM Holy Cross College, Cherpunkal
Mar Augustinose College, Ramapuram
St. Thomas College, Kozencherry
Catholicate College, Pathanamthitta SAS
SNDP College Konni
NSS College Konni
IHRD Mallappally
St. Marys College Mallappally
Sri Ayappa College , Eramalikkara
St. Mary's College, Tiruvalla

Advanced Training for MCA Students and M. Sc Bioinformatics Students

We are imparting advanced level training program on JAVA, Flash, Photoshop and Aptitude training for MCA students.

Website Development of S1 MCA

All first semester MCA students have developed their own personal websites and hosted it in our server. The inauguration of the class website was carried out by our beloved principal on 15th December 2010 and the department has organized prizes for first three positions and was given away to the following students.

Mr. Anjay Nair – First prize
Ms. Chinnu. Chandran – First Runner
up Mr. Pavin - Second Runner up

Placement Activities 2011

70% students of MCA 2007-2010 batch placed in various IT companies including Infosys, IBS, TCS, Wipro, NetBIOS, Faith InfoTech etc.
Placement drive of Noble Softec, Infopark held on 21th July, 2010 and five students were selected.
Four students of MCA 2008-2011 batch is placed in Logic Manse for training

Radio quiz program

As part of our CSI and ISTE activities we organized a Radio quiz program, QZ-MAC 2010 for the high school students at our college in association with RADIO MACFAST 90.4 on 11th December 2010. It was a one day program. Two teams of two students each from the schools near Tiruvalla were invited to participate in the quiz program. The topics covered were based on Computer Science, Information Technology and General Science. The whole program was recorded and will be broadcasted over the air by RADIO MACFAST 90.4. The registration was free and good amounts of prize money were given for the winners.

First prize	-	Rs.3000
Second prize	-	Rs.2000
Third prize	-	Rs.1000

The winners of QZ_MAC 2010 are:

First Place:

Nijin Mathew Ninan
P.G Karthika
(S.C Seminary HSS Thiruvalla)

Second Place:

Hari Narayan
Sherin Thomas
(M.G.M.H.S.S Thiruvalla)

Third Place:

Aswathy S
Shiji Elvin Philip
(Bretheran English High School)

All the participants were awarded with a participation certificate.

Proposed activities

Conduct a three day workshop for the faculty (MCA), computer professionals and others who are interested in Cryptography, Coding theory and Cyber forensics.
Organizing a researcher's workshop on Mathematical applications to Data mining.
Conduct an AICTE sponsored SDP for both MCA & MBA faculty members.
To start the work for the second International Conference on Mathematical Computing and Management ICMCM 2012.
To establish a Data mining research lab under the Dept. of Computer applications.
Invite reputed personalities from academy and industry to conduct seminars, conferences and workshops in topics of significance.
MII program in Faith InfoTech for 2008-2011, 2009-2012 and 2010-2013 batch in pipeline.
Aggressive promotional activities for new admission to attract quality students.

Enhance the activities of the CSI/ISTE students.
Publish the placement brochure of MCA 2008- 2011 batch
Planning to conduct a forum of alumni placed in various companies to share their experience and working environment to our outgoing students.

REPORT OF DEPARTMENT OF MBA

Department Activities

Major incidents

From over 500 applications received, we selected 114 students in two batches, 57 in both batches.

Both batches were started on 7th July, 2010.

2 weeks orientation program was conducted for the new batches.

MII programme was conducted for the 2008 – 10 batch in June 2010 at Technopark in association with AABC.

MII programme was conducted for the 2009 – 11 batch in June 2010 at Technopark in association with AABC.

MACQUEST program for the 2010 – 12 batch was conducted in Technopark during November 8-13 for the A batch and during November 22-27 for the B batch. Students were given training in leading companies like TCS, INFOSYS, IBS, TOONZ, INCUBATION CENTRE etc.

Second semester students were given an organizational training in Pushpagiri hospital and a skills enhancement training for 2 weeks in August, 2010.

Academics

From the 2010 – 12 batch onwards, the MBA course has been made residential. The classes are scheduled as follows:

Business update from 8.30 AM to 9

AM. Regular class from 9 AM to 5 PM.

Tutorials from 5.30 PM to 7 PM on Mondays, Tuesdays & Thursdays.

Soft-skill training from 8.30 PM to 10 PM on Tuesdays & Thursdays.

Business update online test every Friday at 8.30 AM.

Brief notes on each subject in the first semester are being prepared by students under the supervision of faculty members.

NEW FACULTY MEMBERS

The following new faculty members joined the department after the previous MDC meeting:

Rev. Dr. K. Cyriac as Director of MBA

department. Dr. Judith Hollows as Director, TQM.

Dr. G. G. Mathews as Professor.

Ms. Ashalekshmi & Ms. Geemole as Asst. Professors.

Ms. Sneetha Saji, Sr. Sonia & Ms. Priyakumari

Now I am proud to say that we have the best faculty team in M. G University. Major Achievements

We created history in M. G. University MBA results in the year 2010 by securing 1st rank for the third successive year.

Ms. Indukrishna scored first rank competing against more than 2000 students. The over all percentage of pass was 93%.

We hope to create another history by bagging all the top three ranks in the M.G University in this year

About 70% of students of 2008-2010 batch are placed in good companies in India and abroad before the announcement of results.

PLAN FOR 2011

Create Functional Specialization departments within the department as General Management

Rev. Dr. K. Cyriac

Rev. Dr. Mathew Mazhuvancheril
Rev. Dr. Mathew Illathuparambil
Ms. Geemole Thampan
Ms. Merin Mary Mathew

Human Resource Management

Dr. Judith Hollows
Dr. G. G. Mathews
Rev. Pradeep Vazhatharamalayil
Sr. Sonia

Marketing Management

Mr. Sudeep. B. Chandramana
Mr. Shibu Itty Mathew

Finance Management

Mr. V. P. Vijayamohan
Ms. Ashalekshmi
Ms. Priyakumari Operations

& Quantitative Methods.

Mr. Anil. G. S Ms.
Sneetha Saji

Each functional department will organize the classes, co-curricular and extra – curricular activities relating to that department.

Admission programme 2011-2013

Tentative Dates for G.D & Interview

21/01/2011

18/03/2011

24/06/2011

We plan to fill the sanctioned strength of 120 with good candidates by

Out reach program of reaching potential colleges.

E Mail campaign.

Conducting TANTRA for degree students (for 2012 admissions)

Tentative date for Inauguration of 2011 – 13 batch : 6th July 2011

Placement

With MII becoming a brand by itself, Placement will get a boost. The continuous soft skill training and Resume review will certainly help in this regard. The services of Alumni will also be utilized.

REPORT OF DEPARTMENT OF BIOCHEMISTRY

Details of the Departmental Activities and Achievements during the period(2010-2011)

Regular Activities

- a. Regular classroom discussions
- b. Assignments
- c. Assessment through Internal exams
- d. Laboratory exercises
- e. Motivation to achieve their career goals

Talks given by Faculty:

“Nanobiotechnology” at MACFAST by Rev.Dr.Mathew Mazhuvancheril

“Recent Advances in Nanoscience” at St.Thomas College, Kozhencherry.

Class performance by students

- University rank
- Sheeba Seemon-Third

rank Projects by Faculty

Co-investigator:Rev.Dr.Mathew Mazhuvancheril

a) A Double blind Placebo-controlled Multi –centric clinical trial to study the Cognitive enhancement effect of Brahmi Ghrita(Brahmi=Bacopa monneiri) as a supportive therapy in Mild cognitive impairment and early Alzheimer’s disease and evaluation by standard cognitive tests and Diffusion Tensor imaging.

b) Use of Molecular tools for the Analysis of Gastro-intestinal Microbiota and the Antibacterial effects of Lactic acid bacteria against selected Multi-drug resistant pathogens including MRSA.

Seminars/International Conference attended by students

a. Novel inhibitor of cyclic nucleotide synthesis at M.G.University ,Kottayam

b.Attended two weeks training programme (Modern Analytical Techniques in Biochemistry) in CIFT.

Seminars/International Conference attended by Faculty

a.ADNAT 2010 Symposium at CCMB Hyderabad.

International Conference on Green Building technologies at Chennai.

University Duties:

▫Rev.Dr.Mathew Mazhavancheril: Chief Examiner:B.Sc.Biotechnology 2010, Chairman: B.Sc.Biochemistry 2010

▫Treesa Varghese: Additional Examiner, M.Sc.Biochemistry 3rd and 4th semester.

▫Sini Kurien:Additional Examiner, M.Sc.Biochemistry, Bioinformatics and Plant Biotechnology Semester 1

Action Plan 2011

Training programmes

Instrumental training for students(2010-2012 batch)

Sending students for their project work in national institutes

Planning to conduct seminars and workshops for students

National workshop on Histochemical techniques

Earn while you learn programme

Intake of project trainees for M.Sc.Projects in Immunology, Molecular biology, Phytochemistry etc.

Training and coaching for UGC-JRF-CSIR-NET-GATE exams in life science for Ph.D and M.Tech programmes Job opportunities focused on research laboratories, Pharmaceutical companies, Hospitals etc.

Soft skill development programme

Sending admission brochures to various institutes

In teraction with the graduate students of different colleges by visiting them/conducting seminars/special programmes

Industrial visits

Visit to National laboratories and University departments

Seminar presentation on research oriented topics and evaluation of its viability in doing research

Paper and poster presentations in National & International seminars

Training programmes in various institutes

Intiating interest in writing articles in local and national magazines and journals on Bio-related themes

REPORT OF DEPARTMENT OF BIOINFORMATICS

Previous Year Activities (2010)

Achievements

Final Semester students secured 100% Results in M. Sc Bioinformatics May 2010 examinations.

Mrs. Chandni Valson & Ms Deepika TC secured the 1st & 2nd Rank at university level.

Final year students Secured 3rd prize in National Level Quiz competition on "Emerging trends in Bioinformatics conducted at Mar Thoma College, Thiruvalla

Placement Drive

Department conducted a placement drive in association with Xcleris lab, Ahmadabad for BTech/M. Sc Bioinformatics & Biotechnology students. About 120 students from different college attended the same and of which 8 students including 2 students from MACFAST were selected based on Test & Interview.

Industrial Visits

Students of M. Sc Bioinformatics attended 5 days international symposium ADNAT conducted at CCMB Hyderabad during March 2010, during which the students got a rare opportunity to interact with Nobel Laureates.

Students attended "Bioerve 2011" National level seminar on "Emerging trends in Bioinformatics .

Earn While You Learn Programme

The Department coordinated Earn While You Learn program in association with MACFAST Technologies in School of Biosciences. 4 students were selected for Data Processing works.

Student websites

Technical assistance provided to Bioscience students in order to create separate student websites.

External Funded Projects

Department Faculties are involved in various external Funded Projects.

Development of Optical fiber Biosensors based on ATP-Bioluminescence assay for rapid hygiene monitoring in hospitals for effective deterrence of nosocomial infections. Funded by DST, Govt. of India by Hareesh R

Development of Medicinal Macrofungi Database, Stephen James, Co-Principal Investigator of DST sanctioned project.

External Students Projects

Department guided M. Sc dissertation of work of 4 students of SAFI Institute

Malapuram Insilico SNP detection of human miRNA Genes

Structural & Functional Analysis of human miRNA

Identification of Conserved domain in the region miRNA of Arabidopsis

thaliana Conserved domain analysis & SNP detection in miRNA of C.elegans

Biospectrum 2010

Department organized Biospectrum 2010 as part of School of Biosciences. Specific responsibilities include:-

Obtaining financial Support from DST, MoEF, ICAR

etc. Travel & Logistic Support

Popular/Lecturers & Conference

Introduction to Bioinformatics" invited talk given at IHRD engineering college, Malapally by Stephen James

"Bioinformatics ; creating a new insights to the science of life" at VAIGNAIGAM 2010 at N.S.S.HSc, kaviyoor by Harish R

National Level Quiz at "Emerging Trends in Bioinformatics Bioerve 2011" at Mar Thoma College Thiruvalla by Stephen James

Current Year Activities (2011) Proposed

Admission 2011

Visiting various colleges including Engineering colleges to boost admissions to Bioinformatics & other Bioscience courses
Sending admission brochures to various undergraduate colleges.
Popular Lecture series on Bioinformatics.
Article on career prospects of Bioinformatics in EDUCATION PLUS.

Placement

Planning to conduct placement drive along following companies such as
Xcleris Labs, Ahmedabad.
Paragon Biomedicals, Thiruvananthapuram.
Spectrum Softwares, Cochin
Placement Brochure: 2010-11.
Comprehensive Placement Directory
Which include the details about 500 biotech companies in India

Industrial Visits

Planning to organize a one week training program for Bioinformatics students at IIIT, Pune
2 weeks training program at Technopark Trivandrum on JAVA along with MCA at Faith Infotech

Training Programs

Certificate Course in Bioinformatics
Department is planning to conduct a certificate course in Bioinformatics for Degree & Post Graduate students

Biospectrum 2011

Department will actively participate in Biospectrum 2011

REPORT OF DEPARTMENT OF FOOD SCIENCE AND TECHNOLOGY

Achievements

During the period, more stress is given to improve the academic activities of Food Science and Technology course. As a part of it, regular seminars were conducted on each course by giving one topic to every student on each subject and encouraging them to actively participate in the discussions.

An Entrepreneurship Development Programme of one week duration was organized in collaboration with District Industries Centre, Pathanamthitta on Value Added Product development.

The 2008-2010 batch students performed very well in the examination and all students passed the examination.

In the 2009-2011 batch, only one student failed for one subject in the first semester examination.

Assignments were made for the third semester students to attend two symposia on Food Technology; one at Thanjavur and another at Pondicherry. Students were encouraged to present papers in the symposia. Five papers were accepted for poster presentation.

Twenty two students were admitted for first semester.

Future Plan

Modification of the syllabus is need by incorporating modern trends in Food Science and Technology. It is planned thoroughly modify the syllabus by deleting duplication and introducing recent developments.

Practical also may be modified by modifying the existing schedule and increasing the practical time.

Other activities of HOD

Taken over charge as the PI of the project" Fish Collagen from Underutilized Marine Fishing Resources of Kerala.

Chairman of the committee to select the best paper published in "Fishery Technology" of society of Fisheries Technologies, India during 2010.

Chairman, Board of Examination of the following;

Food Science and Technology examination of MACFAST

Food Technology and Quality Assurance of College of Indigenous Technology,
Konni

Food Science and Quality Control of St. Mary's College, Tiruvalla

REPORT OF DEPARTMENT OF PLANT BIOTECHNOLOGY

Activities 2010

Commercial Production of Tissue Culture Banana

Nine varieties of Tissue Culture Banana are available for sale viz ., *Nendran*, *Njali poovan*, *Robusta*, *Morris*, *Palayankodan*, *Chenkadali*, *Pooja Kadali*, *Poovan* and *Penang*

Three new varieties ., Rasakadali, Williams and Nethravathy are initiated for sale.

Project Guidance to external Students

Mr Biju Dharmapalan gave project guidance to Saheena, V.P. of Safi Institute of Advanced Study , Malappuram

Mr Dilip Joy gave project guidance to Mr Mathew, Karpagam University and Safeera ,Safi Institute of Advanced Study ,Malappuram June-2010

Mr Dilip Joy organized one month training programme in molecular biology to students of St.Marys College.

An orientation programme was conducted for 150 students of Balikamadam School by Mr Biju and Mr Dilip

AnilKumar, Rajith, Roy & Biju Dharmapalan (2009). Botany for plus two, 7th edition. New Jyothi Publications, Thiruvananthapuram

External funded Project / Ongoing projects

"Development of an *in vitro* protocol for rapid multiplication of *Rhizophora mucronata*, a vulnerable plant" sponsored by Kerala State Council for Science, Technology and Environment, 2010.

In vitro culture of medicinal plants

Workshops Organised/Refresher Course attended

Workshops organised - 2

Refresher course attended by Faculty- 02

Refresher course attended by Students- 01

Papers Presented/Invited Talk

Ms.Sreekala presented a paper in the seminar Modern Methods in Herbal Drug Development, July 28th and 29th 2010.

Mr Biju Dharmapalan gave an invited talk in the UGC sponsored 3 day National Seminar organized by Christain College ,Kattakada

Mr Biju Dharmapalan ,Mr Harinandanan and Jyothish presented a paper in the National seminar on Frontiers in Biotechnology ,13th October 2010

Mr Biju Dharmapalan, Ajith and Meghanath presented a paper in the National seminar on Frontiers in Biotechnology ,13th October 2010

Seminars Attended by Faculty and Students

Mr Dilip Joy attended International Symposium on Biocomputing ,15-17th Feb 2010 organized by NIT and IUPUI America

Harinandanan ,Ajith and Jyothish got first prize in the poster presentation i the National Seminar organized by Mar Thoma College , Tiruvalla
Mr Biju and Dilip attended the talk of Mrs .Kiram Mazumdar Shaw at IMA Hall Cochin
Mr Dilip Joy attended the seminar Modern Methods in Herbal Drug Development , July 28th and 29th 2010.

Job Placement

Communicated Job openings to passed out students through phone and e-mails
Sent senior students to outside job fairs
Placement activities through official and personal contacts

Tissue Culture Banana Sale

Generated an amount of Rs.2000/- from January 2010 - December 2010.
100 plants of different varieties are ready for sale. (Worth Rs. 1500/-)

Action Plan 2011

Development of New Varieties of Banana like Williams, Kaveri, Rasakadali etc., and sale of banana T.C. plants
Standardisation of protocols for some endangered medicinal plants.
Industrial Visit to Commercial Tissue Culture Labs and Fermentation Unit.
Visit to research Institutes of National and International reputation
Sending Students in National and International Seminars/workshops
External and Internal funded project submission by faculty
Taking up of outside student projects and consultancy
Giving training on Tissue Culture and Genetic Engineering to outsiders
Taking up of students for research leading to Ph.D.

Admission procedure for 2011: Strategies, Promotion methodology

Visit to colleges with college brochure by Faculty and students
Advertisement through Newspapers and Radio MACFAST 90.4

REPORT OF LIBRARY

Responsibilities of Staff

Prijith Jacob Thomas (Librarian)

Collection Management (purchase of books and journals)
Technical Work (classification & computer data entry)
Assisting in Reference work
Library Computer System
Library Soul Server Maintenance (installation if needed, taking backup and communicating with INFLIBNET)
DELNET Database Connectivity Management Management of
Book Bank issued to MBA & MCA students
Publication of Journal of Science Technology and Management
Circulation Management of Journal of Science Technology and Management
Journal website updating
Management and Updating of Library Website
Management of Digital Library (Online Library)
Talking Orientation class for new students and faculty
members Issuing Identity Cards for new students and faculty
members. Keeping Accounts of purchase
Overall Management of staff and students

Sr. Licy K Thomas (Asst. Librarian)

Issue and return of
book Periodical Section
Reprography (photocopy Service)
New file Compilation
Scanning related works

Academic Improvement

Prijith Jacob Thomas
 Appeared for National Eligibility Test for Lectureship on 26th December
 2010 Membership taken in Maharashtra Librarians Online Study Circle
 Applied for Kerala Library Association Membership (under processing)

Sr.Licy

Appeared for MLISc Examination on December 2010 (Indira Gandhi Open University)

Project Work :Library Use among postgraduate students of Mar Athanasios College for Advanced Studies, Tiruvalla and St Berchmans College : a study by Sr. Licy K. Thomas Under the guidance of Rev. Fr. Jose Viruppel Director , Department of Library and Information Science, S.B College Changanacherry for fulfilment of MLIS Programme.

Projects for the Year 2011

- Completion of Digital Library Project by the month of March
- Start 'Best Library User Award' among student as well as faculty member
- Online Thesis / Projects Database month of June
- Participate in National Knowledge Network
- Membership National Programme on Technology Enhanced Learning(NPTEL) Increase the external subscription of JSTM to 500
- Publication of Journal before the Quarter (from next issue onwards)
- Subscription to more online database like Science Direct /EBSCO/ ProQuest

Publications by the Faculty with impact factor of the Publication

Papers Published by Prof. Varghese Mathew, Dept. of Physics

'Crystallisation and spectroscopic studies of Manganese Malonate'
Bulletin of Materials Science, 33(2010) 433-437

'Spectroscopic and thermal studies of get-grown copper malonate
crystals' Modern Physics Letters B, 24 (2010) 1135-1143

'Thermal and dielectric studies of nickel malonate di hydrate single
crystals' Physica B 406 (2011) 426-429

'Spectroscopic characterization of get grown strontium malonate
crystals' Indian journal of Pure and Applied Physics, 49 (2011) 21-24

'Thermal and dielectric properties of get grown cobalt malonate dihydrate single crystals'

Papers Published by Prof. Biju Lukose, Dept. of Physical Education

Published a paper on "isolated and combined effect of Parcours and circuit training
on speed, explosive power and cardio vascular endurance among school football
players" in the Research Journal on Physical Education and Sports "Voice of Sports",
published by Alankar Press Kerala(State) in Volume 5 issue 1, in September, 2010;
page no. 14 to 22.

Published a paper on "Effect of Parcours training and Fartlek training on selected
Physical and Physiological Variables among College Students" in Dynamic Facts of
Physical Education and Sports Studies, published by Manonmaniam Sundaranar
University, Tirunelveli, Tamil Nadu State, India in the first edition in 2009.

Published a paper on "Yoga Nidra and its Management among G.V. Raja Sports
Students" at the Souvenir of the International Conference and Exhibition on Sports
Technology in the year 2008, Jointly organized by V.I.T University, Vellore and Tamil
Nadu Physical Education and Sports University, Chennai, Tamil Nadu State, India.

Published a paper on "Effect of Pranayama and Asanas on Cardiovascular Endurance"
at the Souvenir of the National Seminar on Yoga for Holistic Health in March, 2007,
page No. 23; organized by Tamil Nadu Physical Education and Sports University,
Chennai, Tamil Nadu State, India.

Papers Published by Prof. K.C Mathai, Dept. of Physics

1. 'Nanocrystalline Sr HfO₃ Synthesized through a single step auto-igniting combustion
technique and its characterization'.

J. Alloys compound 230851-4 (2010)

Papers Published by Dr. Indulal G, Dept. of Mathematics

The distance spectrum and energy of the compositions of regular graphs. Appl. Math.
Lett., 22:136 { 1140, 2009. Impact Factor :1.097

The distance spectrum of graph compositions. Ars. Mathematica Contem-poranea,
2:93 { 100, 2009. Impact Factor :2.103

Sharp bounds on the distance spectral radius and the distance energy of graphs.
Lin. Algebra Appl., 430:106 { 113, 2009. Impact Factor :1.073

D - equienergetic self - complementary graphs. Kragujevac. J. Math., pages 123{131,
2009. Impact Factor :3.852

On the distance spectra of some graphs. Math. Commun.,13:123 { 131,
2008. Impact Factor :1.932

On distance energy of graphs. MATCH Commun. Math. Comput. Chem., 60:461 {
