The candidates whose five years of regular period of study has been completed (Candidates of 2011 admission onwards) are eligible to apply and only one attempt would be given for the candidates for Re-do of the internal assessment of a particular theory/Lab/Viva –Voce subjects.

A chance for re-doing the continuous assessment shall be provided for all the subjects except Architectural Design (I to VI), Basic Design and Architectural Thesis and Viva Voce for those candidates who have completed five years of B.Arch study but could not be declared pass by University due to low marks in their Continuous Assessment though they could obtain the minimum requirement of 45 percent marks (as prescribed in the University Order cited above) in the respective University Theory Examinations/Viva-Voce/Lab as the case may be. All the candidates who have obtained at least 45 percent marks or above in the University theory examination under Group II subjects as well as the subjects under Group I namely Architectural Graphics and Visual Arts but failed in the subject due to the shortfall in the continuous assessment (CA) marks are alone eligible to appear for re-do of their continuous assessment marks in that subject. Further, for the subjects Interior Design, Landscape Architecture, Computer Applications in Architecture I & II (Lab), Working Drawings and Detail, Documentation of Traditional Building, Workshop Practice and Dissertation for which theory examinations are not there, if the student has not acquired a pass even after repeated attempts with the succeeding regular batches, but has acquired minimum 45 percent marks for external Viva Voce/Lab, then the chance of re-doing is allowed so that the student gets the B.Arch degree.

The candidates who have obtained 45 percent marks or above in the respective University Theory Examinations/Viva-Voce/Lab as the case may be and failed in the subject due to the shortfall in the internal assessment marks (less than 35 marks out of 50 marks or less than 70 marks out of 100 marks, as the case may be) alone are eligible to appear for Re-do of their internal assessment marks in that subject. The University shall reckon only the minimum marks required from the Re-do examination so as to attain not more than 75 marks for that subject. No candidates would be permitted to re-do the internal assessment marks if either they are declared passed in that particular subject or have already obtained 70% marks in internal assessment process (35 marks out of 50 marks or 70 marks out of 100 marks as the case may be)
