Sub: India Post Payments Bank – Issuance of Digital Life Certificate to Pensioners of Mahatma Gandhi University - Engagement Proposal

Respected Sir,

India Post Payments Bank (IPPB), since its nation-wide launch on September 1, 2018 is working with a vision of becoming most accessible, affordable and trusted bank of our country with the motto “**Aapka Bank Aapke Dwaar**”. IPPB is 100% owned and promoted by the Department of Post, Govt of India and is also the only payments bank in the country to be accorded status of a Scheduled Bank by RBI. IPPB is leveraging **1, 36,000+ Post Offices (as banking access points)** to provide a complete suite of banking services, out of which 1,10,000 Post Offices are in rural India. Over **190,000 Postmen & Gramin Dak Sevaks** have been equipped with **smartphones and biometric devices** to provide Doorstep Banking Services. With **3.90 Cr+ customers**, predominantly from the rural India, banking with IPPB, the institution has spearheaded itself to be a preferred and trusted bank driving **Comprehensive Financial Inclusion**. Moreover, by leveraging Aadhaar Enabled Payment Services (AePS), IPPB has been able to create an alternate accessibility for customers of **ANY BANK**, including **36 Cr+ Jan Dhan Account Holders**.

IPPB is delighted to announce the launch of easy and accessible assisted **Jeevan Pramaan / Digital Life Certificate (DLC) generation** for the pensioners of India in close coordination with Department of Pension and Pensioners Welfare (DoPPW). The assisted DLC service can be availed by any pensioner based on Aadhaar enabled biometric authentication in the DLC application developed by NIC. The IPPB service would increase convenience for the pensioners and also reduce the TAT of issuance of Jeevan Pramaan Certificate. The salient advantages of DLC are as below:

- Completely paperless issuance of Digital Life Certificate with Aadhaar authentication.
- Instant issuance of Certificates at your doorstep through Postmen/Grameen Dak Sevaks or at Post Office near you.
- No need for travel to Pension Department/Banks, Digital Life Certificate details are directly updated with the department.
- The Service is available at a nominal fee of Rs. 70/- (inclusive of taxes) per transaction.

The broad flow of the DLC generation through IPPB is as below:

- Pensioner requests for a doorstep service of DLC or visits the nearest post office
- The postman/Grameen Dak Sevaks accesses the digital interface from his/her mobile and assists the pensioner to generate the DLC. Important prerequisite to the process is the registration of Aadhaar number of the pensioners with the Pension Disbursing agency.
- The pensioner provides details like Aadhaar number/VID, PPO number, Pension Sanctioning authority, disbursing agency details, etc. required in the application through the postman and further verifies through Aadhaar based biometrics.
- The Jeevan Pramaan ID is generated based on the valid inputs provided by the pensioner and updated directly to the pension-disbursing agency.

Department of Post has also enabled Post info mobile application (Android only) and website <http://ccc.cept.gov.in/covid/request.aspx>, wherein the pensioners can place the doorstep request for DLC.

Further, IPPB would also like to introduce the below listed services for the pensioners and staffs of Mahatma Gandhi University, that can also be availed through the postman or the nearest post office:

- **Aadhaar ATM/Any Bank ATM (Aadhaar Enabled Payment Services)**

The pensioners and staff of Mahatma Gandhi University would be able to withdraw their money from the respective Aadhaar linked bank account through biometric authentication.

- **IPPB Savings Account**

IPPB offers Simplified Account opening process using Aadhaar and mobile number for a Zero balance savings account.

The IPPB engagement with Cochin Port Trust will be coordinated by Mr. Jeevan Roy, Manager, Kottayam Branch (Mob: 9747292766, email : ippb0259@ippbonline.in)

With a view to fructify the engagement, we would like to engage with your organization to felicitate the IPPB services and we look forward to a positive response on our proposal.

Thanking You.

Yours sincerely,

19/11/2020
