MOOC - Organic Farming -- Update the Register Number
IUCOFSA MG UNIVERSITY <info.mooc@mgu.ac.in>

date: Feb 01, 2022, 11:05 AM
subject: MOOC Organic Farming – Update the Register Number

Sir/Madam,

We are in the process of making provision in the MOOC website for uploading the marks of the project.

In connection with this, it is required that students should login to the website and update the **Permanent Register Number (PRN) / Register Number**, I request the coordinators to give necessary instructions to the mentors so that the Permanent Register Number/Register Number is updated **accurately** by the students in the MOOC portal.

Kindly complete this on or before 7th February, 2022 and ensure that Permanent Register Number/ Register Number is entered in the correct format.

For coordinators and mentors, username is set as default value of Permanent Register Number. Hence, in this regard no update is to be done by the coordinators and mentors in the portal.

Thanks and Regards
