TABLE IV

| Revised pay scale in the entry post | TBHG for 8 years of service in the entry <br> post |
| :---: | :---: |
| $59300-120900$ | $63700-123700$ |
| $63700-123700$ | $77200-140500$ |
| $77200-140500$ | $95600-153200$ |
| $85000-143600$ | $95600-153200$ |

6. For incumbents in the posts on scales of pay above ₹85000-143600, no TBHG will be allowed.
7. If there is a regular promotion post (including ratio promotion post) in respect of the categories of posts (entry) coming under pay range from ₹ $23000-50200$ to ₹ $45600-95600$ and its scale of pay is higher than the Time Bound Higher Grade proposed above, then the qualified incumbent will be given the scale of pay of the regular promotion post in the direct line of promotion as Time Bound Higher Grade scale. Unqualified hands will be allowed the next higher scale of pay above that of the scale of pay of the post held at that time, in the Standard Scales of Pay under Annexure I.
8. The benefit of scale of pay of promotion posts is limited to non-gazetted entry posts in the entry scales of pay ranging from ₹23000-50200 to ₹ $45600-95600$. Among the categories in Table III, those coming under the pay scales ranging from ₹50200-105300 to ₹56500-118100 will be allowed TBHG as specified in the Table.
9. If an officer is granted $1^{\text {st }}$ or $2^{\text {nd }}$ TBHG in the entry scale of pay of ₹50200-105300 or above by virtue of the provision for eligibility of scale of pay of promotion posts, further TBHG will not be given in the scales of pay of promotion posts. In such cases, further TBHGs will be given in the scales of pay provided in the Table III only. If the $1^{\text {st }}$ or $2^{\text {nd }}$ TBHG scale of pay sanctioned to an officer is higher than the scale of pay for next higher grades in the table, the scale of pay next above the existing grade scale of the incumbent in the list of standard scales will be given.
10. In the orders sanctioning TBHGs in the scale of pay of the promotion post in the direct line, the relevant rules which prescribe the method of appointment and qualification of the post, the scale of pay of which is given as the TBHG to the incumbent, shall be mentioned. If such rules/ orders are not available, grades will be sanctioned in the scale of pay specified in the Table concerned.
11. If an officer had been granted regular promotion to a post on a lower scale of pay than that proposed in the Table, before completion of the prescribed qualifying service required for TBHG, the scale of pay of TBHG specified in the Table will be given on completion of prescribed years of qualifying service for getting TBHG by reckoning the total service in both the lower post and promotion post taken together. In such cases the fixation under Rule 30, Part I KSR will be admissible and the next increment will be allowed on the normal increment date in the earlier promoted post.
12. In all cases of regular promotions from Time Bound Higher Grades to post (equivalent to that of the grade post) carrying the same or higher time scale of pay, the pay in the promoted scale will be fixed in terms of Rule 30, Part I KSR. The next increment in the same or higher scale will fall due on the date of increment in the Time Bound Higher Grade post. This is applicable only to an officer promoted from Time bound Higher Grade to the equivalent regular promotion post on the same or higher scale of pay which is in the regular line of promotion of the post held by him. In the case of an officer promoted or appointed 'by transfer' to a post which is not equivalent to the Time Bound Higher Grade
enjoyed by him and carries lower, same or higher scale of pay, fixation of pay will be made under the appropriate rules of fixation of pay in KSRs.
13. In the case of an employee enjoying the Time Bound Higher Grade Promotion in the pre-revised grade scale, his pay revision shall be done in the eligible Time Bound Higher Grade scale.

For eg:- Suppose there are two posts ' A ' and ' B ' - with ' B ' as the immediate regular promotion post of 'A'. The pre-revised scale of pay of the post ' B ' was ₹26500-56700. The corresponding revised scale of pay of this scale is ₹ $37400-79000$. Suppose, the post of 'B' is placed in the revised scale of pay ₹39300-83000 by giving one level upgradation in scale of pay in this pay revision. The post ' A ' was given $1^{\text {st }} \mathrm{TBHG}$ in the pre-revised scale of pay of ' B ' [ $₹ 26500-56700$ ] prior to 01.07 .2019 , Para 13 provides that the pay of the post 'A' should be revised in the revised scale of pay of ₹ 39300-83000, and not in the corresponding revised scale of pay of his existing scale of ₹ 26500-56700 i.e., 3740079000 ".
14. In the case of Time Bound Higher Grade promotion, the pay in the higher time scale will be fixed in terms of Rule 28 A Part I KSR i.e. one notional increment will be given and thereafter the pay in the higher grade scale will be fixed at the next stage above the pay in the lower time scale, arrived after adding notional increment, as on the date of the higher grade promotion. However, he will draw his next increment in the grade scale on the date he would have drawn his normal increment in the lower scale. But in the case of an officer who got the benefit of more than two increments on account of fixation of pay on sanction of higher grade, he will draw his next increment on completion of one year service in the grade scale. There will not be any option to elect a convenient date for sanction of TBHG and the fixation on Time Bound Higher Grade Promotion shall be done on the due date itself.
15. In the matter of determination of scales of pay of TBHG on $2^{\text {nd }} / 3^{\text {rd }} / 4^{\text {th }} \mathrm{TBHG}(\mathrm{s})$, in cases where the existing scale of pay of an incumbent by virtue of his first/ second/third promotions/TBHG(s), is higher or equal to the respective grade scales provided for $2^{\text {nd }} / 3^{\text {rd }} /$ $4^{\text {th }}$ TBHG in the table provided, TBHG will be granted in the next higher scale of pay of the existing scale of pay of the incumbent in the list of standard scales of pay in Annexure 1 as illustrated below:

For eg., The scale of pay of post $A$ is $₹ 31100-66800$. The scale of pay of its $1^{\text {st }}$ and $2^{\text {nd }}$ promotion posts are B \& C in the scales of pay ₹37400-79000 and ₹ 50200-105300. Hence the second TBHG of an entry cadre post A will be given in the scale of pay ₹50200105300. Assume there is no further promotion posts above post C. As per TBHG table, the scale of pay applicable for $3^{\text {rd }}$ TBHG to categories having entry scale of ₹ 31100-66800 is ₹ $43400-91200$. In this case, the incumbent is already in the scale of pay of ₹50200-105300, but he has to be given $3{ }^{\text {rd }}$ TBHG and consequent fixation of pay as he has availed only two promotions in his entire service. In such cases the above clause will apply and the $3{ }^{\text {rd }} \mathrm{TBHG}$ of the incumbent will be given in the next higher scale of pay of the second promotion post i.e., ₹51400-110300 in the list of standard scales.
16. The term 'entry post' shall be defined as the post to which an employee is initially appointed in University service by direct recruitment by the competent authority. Appointments made by "by transfer" from other categories will also be treated as equivalent to direct recruitment for allowing the benefit of Time Bound Higher Grade. In the case of an employee who has been initially appointed in one post in University gets appointment subsequently by direct recruitment (PSC) or by other means in another post in University, his entry post will be the newly appointed post, and in such cases Time Bound Higher Grade Promotion will be granted based on the new entry post only. Service in different posts having same scale will not be treated as qualifying service.
17. All promotions in the regular line of promotion from University Subordinate Service to University Service (e.g promotion as Section Officer from Assistant Section Officer) are also termed as 'by transfer' appointment. However, further Time Bound Higher Grade promotion will not be granted by reckoning the service in the promoted posts ( Section Officer) taken as entry post on analogy with by transfer appointment i.e., promotion to a post in the direct line of promotion in the University made on the basis of select list prepared by the Promotion Committee, will not be treated as direct recruitment for allowing the benefit of Time Bound Higher Grade. All appointment 'by transfer' except the promotions/appointments from University Subordinate Service to University Service as mentioned above will be treated as equivalent to direct recruitment for sanctioning Time Bound Higher Grade.
18. The service rendered in the entry post and reckoned for normal increments will be treated as the qualifying service for granting Time Bound Higher Grades in that post.

1. Following service period will be reckoned as qualifying service for TBHG:
i. The period during which increment(s) are barred without cumulative effect.
ii.Dies-non period
2. Following service period will not be reckoned as qualifying service for TBHG:
i. Period of LWA, not reckoned for increment
ii. Increment bar period with cumulative effect
iii.Service not counted for increment as a punishment
iv. The period of temporary relinquishment of promotion
v . The period in which promotion is barred
3. Those who relinquish regular promotion, whether permanently or for specified periods, will not be given the benefit of Time Bound Higher Grade promotions. Similarly, an employee who got the benefit of Time Bound Higher Grade promotion will on no account be permitted to relinquish regular promotion to that grade either permanently or for specified periods.
4. Employees in the entry scales of pay of $₹ 23700-52600$ and $₹ 24400-55200$ will be eligible for reckoning their last grade service on ₹23000-50200 also for $3^{\text {rd }}$ and $4^{\text {th }}$ Time

Bound Higher Grades. This benefit will not be allowed to $1^{\text {st }}$ and $2^{\text {nd }}$ Time Bound Higher Grades. However, the $4^{\text {th }}$ TBHG will be given after completion of 5 years from the date of effect of 3 rd TBHG promotion.
21. The general terms and conditions of TBHG promotions may be as follows:

1. Since promotions to the time bound higher grade posts are granted on the basis of completed years of service prescribed for each grade, after converting the existing lower post held by the employee to a post on higher scale of pay, there will be no resultant vacancy in the lower post to be filled up. The question of resultant vacancy arises only when the employee is promoted to a regular post in the same / higher scale in the usual manner. The Heads of Department / Appointing Authorities are empowered to fix higher grades strictly observing the provisions contained in orders issued by government. They are also empowered to convert the existing lower grade posts into higher grade posts for the purpose of accommodating the incumbents on higher grades. Number of time bound higher grade posts sanctioned in excess of that admissible will have to be adjusted against the regular vacancies arising in future. Promotions to time bound higher grade post will not confer seniority on the promotee. When timebound higher grades are granted, following designations will be given in the following three circumstances.
i. TBHG on Scales of pay of promotion posts: The abbreviation 'TBHG- P' will be inserted with the existing designation of the employee within brackets.
ii. TBHG on Table Scales: The abbreviation 'TBHG-T' will be inserted with the existing designation of the employee within brackets.
iii. TBHG on unqualified Scales: The abbreviation 'TBHG-U' will be inserted with the existing designation of the employee within brackets.
2. On acquiring test qualification or on becoming eligible for permanent exemption from acquiring obligatory departmental test qualification in accordance with Rule 13B of the general rules of KS \& SSR 1958, on attaining 50 years of age, they will be granted scale of pay of promotion post with fixation benefit as per government Decision under Rule 30 Part I KSR. Persons who are not eligible for permanent exemption by application of Rule 13B of KS \& SSR, 1958 even on attaining 50 years of age shall not be eligible for the scale of pay of promotion post.
3. Provisional service will be reckoned for TBHG promotion only if the provisional service has been reckoned for increment in terms of Government Decision No. 2 below Rule 33 Part I KSR.
4. Declaration of probation is not a necessary condition for sanction of time bound grade promotion.
5. Acquisition of test qualification for regular promotion post is not essential for granting time bound higher grade. But for sanctioning first increment in the time bound higher grade scale, declaration of probation period of the incumbent is necessary.
6. In the case of Last Grade Employees, their full-time service in the various categories of Last Grade Service (both in the regular and full time contingency service) in University will be reckoned as qualifying service in the Last Grade post for granting time bound higher grade. Broken periods of service in the Last Grade service (either in the regular service or in full time Contingency service) reckoned for the grant of normal increments will also be taken into account for purpose of calculating the qualifying service for grade promotions. Part time Service will not be reckoned as qualifying service for time bound higher grade promotions in the full-time posts.
7. In the case of employees on deputation to other departments, the period spent on deputation shall be treated as qualifying service for time bound higher grade with effect from 16.09.1985 irrespective of the scale of pay assigned to them in the deputation post (G.O.(P) 944/86/(117)/Fin dated 24.12.1986).
8. Time bound higher grade promotions will not be given for those who have relinquished / relinquish regular promotions. Before giving time bound higher grade promotions, an undertaking will be obtained from the officers concerned to the effect that he/she will not refuse the regular promotion as and when it becomes due.
9. Those who are promoted for short spells but reverted to lower post for want of vacancy and are continuing in the lower post, their service in the higher post will also be reckoned for computing the prescribed qualifying service for granting higher grade in the lower post. This order is applicable only to those employees promoted on regular basis but reverted to lower post for want of vacancy.
10. Those who got appointment to higher posts/regular promotion to higher posts with the benefit of 28A fixation within the period prescribed for grade promotion are not eligible for further time bound higher grade promotion during that period. In addition to the service reckoned for increment, the benefits of 28A fixation enjoyed by the employees within the period prescribed for each higher grade promotion shall also be taken into account for determining the eligibility for time bound higher grade promotion.
11. In the case of regular promotions from TBHG, if the fixation of pay made under Rule 30 Part I KSR increases basic pay of the incumbent by two or more increments, such promotions will be counted as promotions for the purpose of further TBHG.
12. Before granting TBHG promotions in scales of pay of promotion posts, an undertaking of willingness will be obtained to the effect that the employee would not opt any other channel of promotion by bypassing the normal line of promotion to the post the scale of pay which has been granted as TBHG. In the absence of such undertaking, time bound higher grade will not be given in the scale of pay of promotion post even if he is qualified for the promotion post. He will be given only the time bound higher grade in the scale of pay provided in the Tables.
