Design Competition

for

RENOVATING THE EXISTING MAIN ENTRANCE

Mahatma Gandhi University, Kottayam welcomes professional and student architects to participate in the design competition for the **Renovation of the main entrance** of the university campus.

The objective of the competition is to promote young architects to showcase their architectural skills. Submissions must reach us **Before 5th August 2022**. **Short listed entries will be invited for presentations**. Judges decision will be final.

Submission Requirements: 2D drawings(1:100), rendered views, material specifications, estimated budget

Mode of Submission: Combined Pdf to be mailed to sts@mgu.ac.in

Contact for further details: **8111812828**

Last Date For Submission: **5th August 2022**

Prize: **Rs. 20,000/-**

Mahatma Gandhi University, one of the major Universities in Kerala, is a premier educational institution that strives to fulfill the higher educational needs of the people from Central Kerala. Set on the sprawling 110-acre Priyadarsini Hills Campus at Athirampuzha, Kottayam, the University was established on 2nd October 1983.

The competition invites creative designs to modify and refresh the existing main gate, by adding necessary features and details to enhance the aesthetic and functionality of the entrance to the university. The Gate should welcome both vehicular and pedestrian traffic and should have clear visibility of both the main roads. The existing security cabin to be relocated for a better view of the central avenue.

Who can Participate?

The competition is open to all architects and students of all planning schools and colleges in India.

Prizes: Cash prize: ₹ 20,000.

Timelines

- Announcement of design competition: 20th July, 2022
- Last date to submission: 5th August, 2022 at 1900 hrs.
- Winners announcement: to be notified on website.

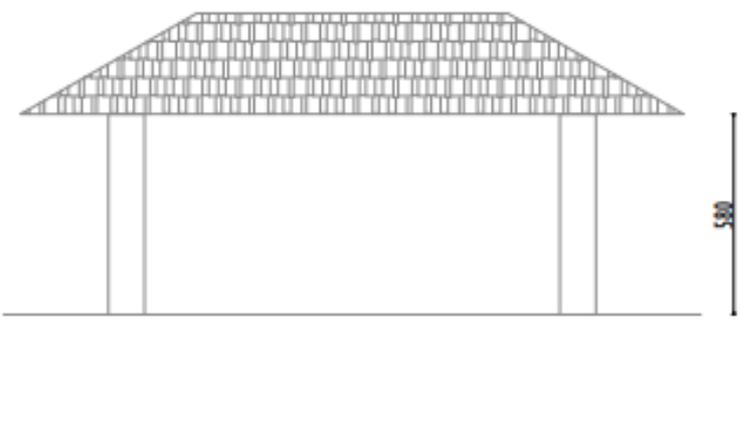

Submission Requirements

The entrants must complete the online registration and the submission must include, (but are not limited to) the following:

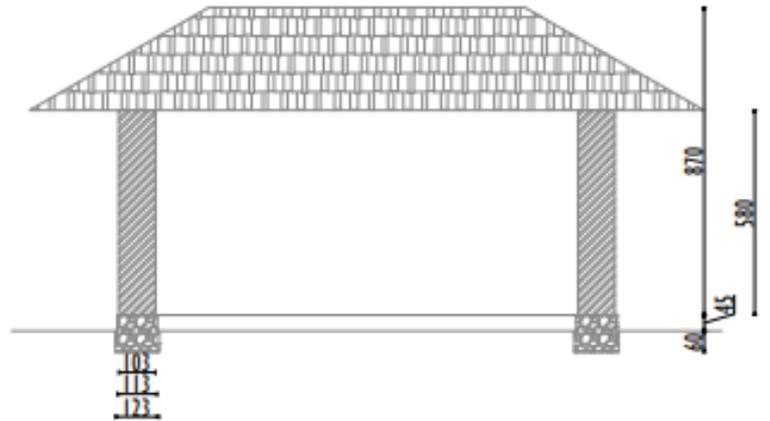

- Concept designs represented through 3D views or sketches
- Elevations and sections demonstrating material, texture, and color.
- All drawings should be presented to an appropriate scale, labeled, proper dimensions, and height measurements.
- A concept note of not more than 250 words, briefing the proposal.
- Lighting and such other elements may be included.
