Advertisement matter

National Institute of Plant Science Technology, Mahatma Gandhi University, Kottayam along with GOOD & HAPPY BOTANICS PRIVATE LIMITED, calls for interns for periods of three months (likely to be extended further) in an Industrial collaborative research project entitled BIOGREEN. Invite application from M.Sc graduates with first class in Botany/ Microbiology/ Biotechnology/Agriculture subject areas. Interest in modern farming / organic green food production is essential. Pass in NET/ GATE will get preference. Candidates may apply in plain paper along with CV and copies of certificates/mark lists from 10th standard onwards to Principal Investigator, BIOGREEN Project on or before 20th September 2022 as an online application submitted to nipstmgu@gmail.com
If a large number of applications are received, a selected group on merit basis will be called for an interview for final selection. Three interns will be selected in the first batch.
