KOTTAYAM

Over the last three decades, Mahatma Gandhi University has made remarkable achievements in the fields of inter-disciplinary teaching, research and extension, the trinity of responsibilities of higher education. We are happy to inform you that, our University is organising a Global Academic Carnival '**Eunoia 2023**' during 17, 18 & 19 January 2023. The three-day event is scheduled to be held at seven venues in Kottayam town.

'Eunoia 2023' is meant to showcase the academic achievements and opportunities that the University and its affiliated colleges offer to young and aspiring students, scholars and academicians. It specifically emphasizes on creating a space for young minds to interact with world renowned scholars and institutions to explore facilities of educational, financial and collaborative opportunities across disciplines and beyond borders.

The 'Eunoia 2023' involves events including exhibitions to inspire students who seek new avenues in higher education; workshops and conferences to introduce the state-of-the-art knowledge in various disciplines; book-fair to familiarize with new thinking; cultural events to showcase the aesthetic excellence of budding artists and established luminaries, besides thematic film-festivals, innovative medical exhibition, and many more.

As a prelude to the carnival, there will be an 'opening parade/proclamation rally' on 16th January 2023, from police parade ground to Thirunakkara maidan manifesting the potential of the University and its affiliated colleges. As part of this carnival, a special workshop on academic writing and publishing has also been organized to meet the demands of academic community to excel in their respective fields of knowledge.

This academic carnival is designed as a major occasion for students and academicians to equip themselves to be contributors to the knowledge economy of Kerala, to professionally excel in their field of interests, as well as to enquire about and familiarize with opportunities relevant to each one's academic training and interests in accordance with contemporary employment needs.

We assure you more surprises at the venues of the 'Eunoia 2023'. Since it is the first of its kind, organized on such a massive scale involving all aspects of academic aspirations, we are proud and delighted to invite you to be part of the event. Please do grab the opportunity and make the carnival a grand success.
