

**Expression of Interest (EoI) Invited for the Industry Consortium
by Mahatma Gandhi University**

As part of the upcoming Translational Research Centre (MGU- TRC) and Centre of Excellence in Nanoscience (MGU-CoE), Mahatma Gandhi University is planning to develop an industrial consortium. The focus areas of TRC will be Agriculture, Rural Technology, Food & Healthcare and Medical sectors and that of CoE will be Nanoscience and Nanotechnology.

Industries/Organizations interested to get associated with the Industrial Consortium may submit their Expression of Interest through email (biic@mgu.ac.in) on or before 5 pm on 31-01-2024 and a meeting of the Industry consortium will be conducted in February, 2024 to finalize the terms and conditions for the same.
