NOTIFICATION FOR THE POST OF POSTDOCTORAL RESEARCH ASSOCIATE

Applications are invited for a **Postdoctoral Research Associate**, to work on an **Indo-French Centre for the Promotion of Advanced Research (CEFIPRA)** funded project, titled “Single Crystalline Perovskite Solar Cells” with the research focus on developing ultrathin single crystalline Perovskites for solar cell applications. The successful candidate will get opportunities to closely work with the advanced facilities at the French collaborating institute, Institute of Materials Jean Rouxel (IMN), Nantes (including one visit to IMN, Nantes).

S. No.	Position	Number of vacancies	Fellowship (INR)
1.	Postdoctoral Research Associate (RA)	1	Consolidated pay of Rs.54,520/- to Rs.56,840/- per month (including HRA)

Essential Qualification

PhD in Physics, Chemistry, Material Science, Crystal Growth, Nanoscience and Technology or Engineering Sciences (Chemical, Mechanical, Electronics, Materials or related fields)

Desirable Qualification

- Highly experienced and established track record in the development of perovskite materials and devices.
- Experience in crystal growth and characterization techniques.
- Proven hands on expertise in single crystalline thin film growth methods related to other materials.

For more information please contact : 9495329035 (mobile and whatsapp)

Prospective candidates may apply with the duly filled application form (refer Page No. 2), CV, list of publications/patents etc., along with the names and contact details of two referees (one should be PhD guide) who can vouch for their suitability, in a **single pdf** file via e-mail to Dr. P. Predeep, Professor of Eminence and PI, SNSNT, MG University, Kottayam, Kerala (predeep@mgu.ac.in). All documents should be mailed on or before **05 November 2024, 5 pm**. The interview date and details will be informed to the shortlisted candidates via e-mail. **No TA/DA are permissible for the candidates attending the interview.**
