

MGU INNOVATION FOUNDATION

(A Business Innovation Ecosystem of Mahatma Gandhi University)

Mahatma Gandhi University Campus, Priyadarsini Hills PO, Kottayam, Kerala

GAUSSIAN FAMILIRIZATION PHASE 1 WORKSHOP

Assignments Oriented **10 DAYS ONLINE** Hands-on Training on

Gaussian Software

Computation with HPC

DFT & TDDFT calculations

Population Analysis

TS & IRC calculations

NBO, NCI, Mulliken & MEPS calculations

DECEMBER 27TH 2024

TO

JANUARY 7TH 2025

7.30 PM IST

ASSIGNMENT ORIENTED
TRAINING

REGISTER
NOW!

Dr. Sabeel M Basheer
Asst.Prof VIT-AP University

Sanu Xavier
CTO - MGU Innovation Foundation

Registration Fee: **Rs. 2500 | 40 USD**
HPC Charge: **Rs. 2500 | 40 USD**

Mahatma Gandhi University Campus, Priyadarsini Hills PO, Kottayam, Kerala

GAUSSIAN FAMILIRIZATION PHASE 1 WORKSHOP

Assignments Oriented **10 DAYS ONLINE** Hands-on Training on

Gaussian Software

Date

27/12/2024 - 07/01/2025

The Two-week online hands-on training on Gaussian software is designed exclusively for complete beginners! This workshop promises to demystify the intricacies of Gaussian Software, providing you with a solid foundation and practical skills to navigate the software with confidence.

Hands-On training on
High- Performance Computing (HPC)
configuration & systems

Uncover the potential of
Gaussian Software in exploring
specialized areas

Learn calculation of
molecular properties,
excited states, transition states, etc
