### ORDER

Concessions granted to persons with disabilities in the University Examinations was issued referred to as above. As per this order, the concessions granted in the case of exemption from writing Second Language examinations, to differently abled candidates belonging to different categories as mentioned in the above order was stipulated as given below:-

*"Exemption from writing Second Language (when exempted from writing Second Language, Marks/Grades shall be calculated proportionally to the Marks/Grades of the theory papers of the candidate for that semester)".*

However, the tabulation section had raised clarification regarding the distribution of external/internal marks to such students. It was therefore recommended to amend the above clause as,

- 1. Students who are exempted from writing the Second Language may be exempted from writing both the External and the Internal examinations of the Second Language.*
- 2. External marks for Second Language may be given in proportion to the External marks obtained by the student and Internal marks for Second Language may be given in proportion to the Internal marks obtained by the student for that semester.*

Considering the above recommendations, sanction has been accorded by the Professor in charge of the Vice Chancellor, by exercising the powers as provided in Chapter 3, section 10(17) of the Mahatma Gandhi University Act 1985, to amend the clauses of concessions granted in the case of exemption from writing Second Language, to differently abled students belonging to the different categories as mentioned above.

The University Order referred to as above stands modified to the above effect.

Orders are issued accordingly.
