Part C

Answer any **two** questions. Each question carries **10** marks.

Question number 17 is compulsory .

15. Review the role and features of International Bond market.
16. What are functions of forex markets?

Compulsory Question

17. You are just one week 'young' in your job as a treasury executive in a leading laptop trader/ supplier in India. Earlier your company was sourcing assembled laptops from China, but with the incentives provided in the Budget 2006, by the Finance Minister of India, your company is planning to enter assembly/ manufacturing market in India. Now your company is planning to source components and sub assemblies form Taiwanese firms. This will involve a lot of foreign exchange trading and contracts. Since you are from a leading business school in in India, your CFO has asked you to make a presentation to the top management on various possibilities relating to forex market in India. Question: What is all that you would like to tell the top management so as to establish your credibility?

(2×10 = 20 Marks)
