ORDER

As per paper read (1) above, a request has been received from the Principal, SME, Gandhinagar seeking the revision of the Eligibility Criteria for Admission to M.Sc Bio-Medical Instrumentation Course. In the above letter it is stated that the present eligibility criteria for admission to the two year M.Sc Bio- Medical Instrumentation course is- A Bachelor's degree in Electronics / Instrumentation / Mathematics / Physics / Computer Science / Computer Application / Electronics as main or subsidiary from any University in Kerala or Universities recognised as equivalent thereto by the Mahatma Gandhi University, with a minimum of 50% marks.

It has been observed that the number of applicants opting for the above-mentioned disciplines is comparatively low, resulting in a decline in admissions to the M.Sc Bio-Medical Instrumentation Programme. Earlier, the programme was open to all Science graduates, which facilitated admissions from a wider range of disciplines.

Considering the above, the Principal, SME, Gandhinagar has requested that the eligibility criteria be revised to include all Science graduates for admission to the M.Sc. Bio-Medical Instrumentation programme, subject to other existing conditions.

The recommendation of the Principal, SME, Gandhinagar has been approved by the Hon'ble Vice Chancellor, exercising the powers as provided under Chapter III Section 10(17) of the Mahatma Gandhi University Act 1985, on 27.03.2026.

Orders are issued accordingly.
