

MAHATMA GANDHI UNIVERSITY, KERALA

Abstract

School of Artificial Intelligence and Robotics (SAIR) – Admission of additional International Students for the Academic Year 2026-'27– Approval – Orders issued.

ACADEMIC A 1 SECTION

No. 8098/AC A 1/2026/MGU

Priyadarsini Hills, Dated: 08.09.2026

Read:-1. Request received from the Director, School of Artificial Intelligence and Robotics (SAIR), dated 05.08.2026.

2. Letter received from the Director, University Centre for International Co-operation (UCIC), dated 05.08.2026.

ORDER

The Director, School of Artificial Intelligence and Robotics (SAIR), vide the paper read as (1) above, has requested permission to admit four more International students over and above the normal quota allotted to International students. As per the proposal read as paper (2) above, three additional International students have sought admission to the programme, over and above the four already admitted.

The Director, University Centre for International Cooperation (UCIC), has recommended that the three additional students be admitted as a special case, since vacant seats are available and the students can make use of the department's infrastructure facilities, provided that the total number admitted does not exceed the sanctioned strength.

The Vice Chancellor has considered the request and the proposal and has approved the admission of three additional International students, since the UGC guidelines do not restrict the admission of International students to supernumerary seats alone, and as vacant sanctioned seats are available.

Sanction is, therefore, accorded permitting the School of Artificial Intelligence and Robotics (SAIR) to admit three additional International students to the MSc. AI and Machine Learning programme, subject to the condition that the total number admitted, including these students, does not exceed the sanctioned strength of the programme.

Orders are issued accordingly.
