Selection of Research Assistant – CRIMLIFE ERC Project India

The CRIMLIFE ERC Project India is pleased to announce the selection of **Mr. Abhinand Kishore** and **Ms. Jeevitha Jyothi** as **Research Assistants** for a period of **one year**.

The selected Research Assistants will contribute to the project's research on prisoner life narratives, life-course trajectories, and experiences within the criminal justice and prison systems, with a particular focus on qualitative and field-based research.

The project team congratulates the selected candidates and looks forward to their contributions to the research programme.

Selection of Field Investigators – CRIMLIFE ERC Project India

The CRIMLIFE ERC Project India is pleased to announce the selection of **Ms. Gouri U** and **Mr. Philip BK** as **Field Investigators** for a period of **six months**.

The selected Field Investigators will contribute to the project's qualitative and field-based research, including research activities involving interviews and the study of sensitive and narrative-based research material.

The project team congratulates the selected candidates and looks forward to their contributions to the research programme.
